ARTICLE 5 - UNION MEMBERSHIP

Section 1. Condition of Employment. Not later than the thirtieth (30) day following the beginning of employment, every employee subject to the terms of this agreement will, as a condition of employment, become and remain a member of the Union, paying the periodic dues uniformly required, or in the alternative will, as a condition of employment pay a fee in the amount equal to the periodic dues. The Employer is responsible for ensuring compliance with this requirement.

The Employer will provide the Union with a reasonable opportunity to discuss and complete the Union membership form with new employees within the first five (5) days of hire, preferably during the New Employee Orientation.

Section 2. Dues. Upon written, electronic or recorded oral request from an employee, monthly Union dues plus any additional voluntary Union deductions will be deducted from the employee's pay and remitted to the Union. All applications or cancellations of membership will be submitted by the employee to the Union. Any written applications for Union membership and/or authorizations for Union dues and/or other deductions or dues cancellations which Employer receives will be immediately forwarded to the Union. The Union will maintain the written, electronic and recorded oral authorization records and will provide copies to the Employer upon request. For all membership applications submitted by the Union to the Employer on or before 10:00 am the Friday prior to payroll processing Union dues deductions will be made for the month in which the application is submitted no later than the thirtieth (30) day following the beginning of employment.

- a. The Union will be responsible for notifying the Employer in writing of any changes in the amounts of initiation fees and/or periodic dues at least thirty (30) days prior to the month in which the changes will take effect.
- b. All monies deducted will be forwarded by the Employer to the Union together with a list of names of employees for whom deductions have been made, no later than the fifteen (15) days following the pay period in which the Employer has made the deductions. The statement will include the following information for each bargaining unit employee: name, employee ID number, department, classification, base pay rate, hire date, FTE, work phone number and email address, and work location; home phone number and home address; fair share, religious objector, or member status; and amount of dues withheld. - c. Any written, electronic or recorded oral dues deduction authorizations submitted that contain the following provision will cease only upon compliance by the employer with the stated conditions as follows:

This authorization is irrevocable for a period of one (1) year from the date of execution and from year to year thereafter unless not less than thirty (30) and not more than forty-five (45) days prior to the end of the annual period or the termination of the contract between my employer and the Union, whichever occurs first, I notify the Union and my employer in writing, with my valid signature, of my desire to revoke this authorization.

- d. In case an employee becomes delinquent under the provisions of this Article, the Union will notify the Employer of such fact in writing; and the Employer will notify the delinquent employee within ten (10) days of such delinquency. The employee will then be given ten (10) days within which to present a receipt or certificate issued by the Union showing that the delinquency has been resolved. If the delinquency has not been resolved after ten (10) days, the employee will be subject to discharge.
- e. On a bi-weekly basis, the Employer will furnish electronically to the Union an alphabetical listing, by department of new employees hired or transitioned into positions represented by the Union. The list will be provided by close of business every other Friday, or if Friday falls on a holiday, by the close of business on the proceeding business day. The list will contain each listed employee's name, home address, home phone number, work email address, work phone number, work location, FTE, employee ID number, hire date, department and classification. Additionally the list will contain terminations and employees on leave of absence.

Such payment will be remitted to that charity by the employee and this fact certified to the Union upon its request. Failure to remit this payment or provide certification to the Union will be treated in the same manner as failure to maintain good standing in the Union as defined in this Article.

ARTICLE 6 - UNION RIGHTS

Section 1. Union Stewards. The Union may be represented by stewards for the purpose of receiving and investigating grievances and representing workers in Formal Corrective Action procedures. The Union agrees to furnish the Employer with a written list of members of the bargaining unit designated as stewards within two (2) weeks of the effective date of this Agreement. The Union will provide the Employer with a written list of changes to that list within thirty (30) days of each change.

Section 2. Function of Stewards. The function of the stewards shall be:

- a.) to present to the Employer any grievances arising under the terms and conditions of this Agreement that has been requested by the employee(s);
- b.) to investigate such grievances for proper presentation to the Employer;

- c.) to attend meetings with representatives of the Employer to present grievances; and
- d.) to educate bargaining unit members about the function of the Union and this Agreement.

Section 3. Conduct of Duties. The Employer agrees that the steward(s) shall be free to conduct their duties as described in Section 2 of this Article, with the understanding that these duties shall not interfere with normal operations or conduct of business or the employee's regular duties. The Employer shall pay stewards when they perform these duties during their regularly scheduled working hours, for a total of up to eighteen (18) hours in two (2) consecutive pay periods for all stewards combined. Stewards will transfer to the appropriate code if they anticipate doing steward work for more than five (5) minutes. This time shall be monitored with the current HR system. Stewards may be paid for more hours with permission of the Employer's Executive Director, if required. The permission shall not be unreasonably denied. Stewards shall not be entitled to overtime during performance of duties under this Article. Neither the steward nor the employee shall use the Employer's supplies or equipment for performance of these duties or for travel in performance of these duties.

Section 4. Union Leave Time. Employees acting as Union stewards or officers of the Local or bargaining unit each shall be granted up to ten (10) consecutive business days without pay up to a total of thirty (30) days per year, per officer, for the purpose of attending Union functions, for all officers in accordance with the Employer's leave policy. Requests for such leave shall be made in writing in accordance with Article 22.

Employer will grant a leave of absence to an employee for performing other Union business for up to a year. No compensation or benefits will be paid for any period of Union leave, nor will seniority continue to accrue. Union leave may be extended for up to an additional year by mutual agreement between the Union and the Employer. Only one employee may take Union leave at a time.

Section 5. Access. A Union representative shall have reasonable access to the Employer's Administrative Office for the purpose of administering this Agreement.

A Union representative shall have reasonable access to the Employer's Administrative Office and Programs for the purpose of meeting with represented employees for at least fifteen (15) minutes before, during or after the regularly scheduled staff meetings. The purpose of the meetings shall be to educate the bargaining unit members on issues regarding the Union and the collective bargaining agreement. All employees' time shall be paid. The Union shall give at least forty-eight (48) hours' notice of its intent to meet to the Program Manager.

Reasonable access by a Union Representative to Programs other than during staff meetings shall be arranged with notification and approval from the Program Manager.

In the event that an explosive situation involving individual(s) served is occurring, as determined by the Program Manager or the On-Call Manager, the access shall be rescheduled. The Union agrees that such access will conform to professional workplace standards, shall not contain

profane, obscene or defamatory subject matter and be held in such a way to respect the residential environment of the individuals served. Union representatives will honor supported individuals requests to leave their home.

Section 6. Email Communication. The Employer agrees to create and maintain an email distribution list that includes email addresses for all employees in the bargaining unit for the purpose of distributing announcements and information to the bargaining unit.

Section 7. New Employee Orientation. The Employer shall provide orientation for all new employees. The Employer shall allow a duly certified Union representative at least thirty (30) minutes during orientation in the administrative office to speak to new employees about the Union's exclusive representation status, its benefits, and services available to membership. This time shall not be used for discussion of labor/management disputes. The Union representative will not use the Employer's supplies or equipment in making the presentation and will not use the Employer's vehicle for travel to and from the presentation. If the Union Representative is an employee they shall be in pay status for the time spent traveling to and from their Program as well as time spent giving the presentation.

ARTICLE 7 - UNION BULLETIN BOARD, LABOR/MANAGEMENT COMMITTEE

Section 1. Union Bulletin Boards. The Union shall provide and install one (1) bulletin board at each worksite, which shall be used exclusively for the purpose of posting Union notices. Notices shall be posted by the Union Representative or designated Bargaining Unit employees. The Union agrees not to post materials that are profane, obscene, or defamatory. The bulletin boards shall be located in the office at each site, or in the laundry room, if the site does not have an office. The wall on which the bulletin board shall be placed shall be by mutual agreement between the Union and the Employer. A bulletin board shall be located in the break room/kitchen in the Administrative Office. The bulletin boards shall be no larger than two (2) feet by three (3) feet.

Section 2. Labor/Management Committee. The Labor/Management Committee ("LMC") shall meet at least quarterly or as needed, if requested by either party. The Labor/Management Committee shall consist of no more than three (3) employees from the bargaining unit designated by the Union, the Executive Director and two (2) members of the Employer chosen by the Executive Director. If the meeting occurs during working hours of employees, the Employer will pay such employees. The Labor/Management Committee shall meet for a reasonable time, but the meeting shall not exceed two (2) hours unless all parties agree to a longer meeting time. If one or both party(ies) have absent members, the party with missing member(s) may choose on its own behalf to substitute another member, meet with fewer members, or to postpone the meeting.

By mutual agreement before the meeting, either party may invite guests (visitors) to the meeting. Unless agreed to otherwise by both parties, the invited guests are only observers and do not participate in the meeting.

The intent of the LMC is to increase communications by providing a forum for discussion and problem solving of issues such as staff health and safety, operational methods and procedures, staff morale and other policies of the Employer. The LMC shall not become involved in grievances nor shall meetings of the LMC be construed as formal negotiations.

The Union and the Employer agree to take minutes and these shall be recorded by both parties. These minutes shall be pooled, edited and approved by both parties prior to the end of the meeting. The minutes will note items resolved and open items. The minutes will be sent electronically to all employees in the bargaining unit by the Employer.

ARTICLE 8 - STRIKES AND LOCKOUTS

Section 1. Strikes. A strike is the concerted refusal of employees to work in order to bring pressure on a company to meet their demands. During the term of this Agreement, the Union shall not cause, participate in, or counsel the members of the bargaining unit to strike, walk out, slow down, or commit other acts of work stoppage. Upon notification and request, confirmed in writing by the Employer to the Union that certain bargaining unit employees covered by this Agreement are engaging in activity in violation of this Article, the Union shall advise such employees to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such activity.

Section 2. Formal Corrective Action. An employee who ceases work to engage in a strike, work stoppage slow down or interruption of work involving the Employer during this term of this Agreement, may have their employment terminated or otherwise be subject to formal corrective action by the Employer according to the just cause provisions of Article 9, Formal Corrective Action and Termination of Employment, of this Agreement.

Section 3. Lockouts. Lockout is the closing down of part or all of a company by the Employer in order to bring pressure upon employees to accept the Employer's proposal or demands. During the term of this Agreement the Employer agrees not to lockout Union members.

Section 4. Crossing Picket Lines. No member of the bargaining unit shall be disciplined for refusing to cross the picket line of members of another bargaining unit.

ARTICLE 9 - FORMAL CORRECTIVE ACTION AND TERMINATION OF EMPLOYMENT

Section 1. Just Cause. Employees covered by this Agreement will only be subject to formal corrective action for just cause and within fifteen (15) business days of the occurrence or when the Employer first had knowledge of the offense. The Employer will impose formal corrective action in a respectful and professional manner. The Employer will notify employees of investigatory or formal corrective action meetings with discretion.

In all cases, the employee being subject to formal corrective action may choose to have a Union representative/steward present and may use the grievance procedure to remove improper formal corrective actions from their personnel record. The Employer will inform the employee of the right to have a Union steward present during the formal corrective action process prior to scheduling any investigatory or formal corrective action meetings or whenever a meeting could result in formal corrective action. Upon employee's written request, the Employer will forward a copy of all written formal corrective actions to the Union representative within five (5) business days.

Section 2. Investigation. Unless the employee is unavailable for an extended period of time, the Employer, when deemed necessary, will conduct an appropriate investigatory interview of the employee before imposing formal corrective action. The Employer will be responsible for initiating all meetings which could result in discipline by suggesting two (2) possible meeting times. At minimum, the Employer will contact the employee by Alvord-Taylor email address or by phone number of record, if the employee is off work, to initiate contact regarding the investigation. Within three (3) business days, the bargaining unit member or the steward representing the employee will communicate with the Employer which time is agreeable or provide an alternate meeting time(s). If the employee requests a steward, the parties will schedule a meeting during a time when all parties, including the steward, are available. If the bargaining unit member or steward fails to make contact to schedule a meeting within three (3) business days, the Employer will schedule the meeting. Employees attending a mandatory investigatory or formal corrective action meeting when not regularly scheduled to work will be paid for the duration of the meeting.

In cases of reported abuse or misconduct regarding health and safety involving an investigation by an outside agency, the Employer may restrict the employee's access to work to the extent that the Employer deems necessary. During the investigatory period, acceptable alternative work will be made available with a comparable amount of hours. After the investigation, an Employer representative will speak with the employee before imposing formal corrective action that will result in loss of pay (termination, unpaid suspension, demotion) or use of ETO to review the findings of the investigation and contemplated formal corrective action. The employee will then have the opportunity to submit, either at that meeting or in writing no later than two business (2) days following the meeting, any additional information the employee wants considered by the Employer. Following receipt and consideration of such information, the Employer may proceed as it deems appropriate, so long as the principle of just cause and progressive formal corrective action are followed and the employee is allowed to exercise their right to Union representation

If the Employer suspends an employee without pay pending the outcome of an outside agency's investigation involving the employee, the employee's medical and dental insurance benefits will continue while on suspension as though the employee were working.

Voluntary/supplemental insurance will continue to be the employee's responsibility to pay. If the outcome of the investigation is "screened out," "unfounded," "unsubstantiated" or "inconclusive" and the Employee accepts alternative work that is offered, then the employee will be made whole by the Employer. The suspended employee will be allowed to use accrued PTO until the employee receives written notification of the Employer's decision. In these situations, the grievance timeline will begin when the outcome is determined.

Section 3. Progressive Formal Corrective Action. The Employer recognizes the principle of progressive formal corrective action and agrees to follow such principles in the normal customary manner depending on the seriousness of the offense. The Employer, in consultation with the Human Resources department will be responsible for initiating all meetings regarding formal corrective action and suggesting two (2) possible meeting times. Such communication will be made, at minimum, to the employee's Alvord-Taylor email address or phone number of record, if the employee is off work. A communication record is considered coaching and not a formal corrective action. Formal corrective action will include: verbal counseling, written counseling, Performance Improvement Plan, and termination of employment.

If an employee chooses to complete a Performance Improvement Plan they shall be granted at least two (2) hours of paid time. The Performance Improvement Plan shall be completed within two (2) business days.

The parties recognize that certain conduct is inexcusable and may result in omitting one (1) or more steps of the formal corrective action process up to and including immediate termination of employment without prior progressive formal corrective action, provided that the Employer attaches an explanation for such action to the formal corrective action document. Such actions include, but are not limited to, unauthorized use of company or supported individuals' property, gross misconduct connected with professional activities, conviction of a felony, insobriety on-shift, gross insubordination and shift abandonment.

Section 4. Records. Formal corrective actions will be in effect for twelve (12) months. The record of the infraction will remain in the employee's personnel file while the formal corrective action remains in effect. When the formal corrective action is no longer in effect, the Employer will not consider records pertaining to the formal corrective action. At the employee's request, such records will be physically removed from the employee's personnel file.

ARTICLE 10 - GRIEVANCE

The Union and the Employer recognize the need for a timely and fair process to resolve issues that may arise from disciplinary actions or from other issues related to workplace safety, wages, and conditions of work. "Grievance" is a dispute concerning the application, or interpretation of a specific term of this Agreement or regarding an alleged violation of this Agreement. The parties agree to make a good faith effort to resolve all grievances at the lowest level possible.

A bargaining unit employee or group of employees should be represented at any stage of this procedure by a Union representative.

No reprisals of any kind will be taken by the Employer or any member of the administration, or by any Union member or representative, against any participant in any grievance procedure by reason of such participation.

Initial Contact Discussion: When an aggrieved employee deems it necessary, they may first attempt to resolve the matter informally with the employee's immediate supervisor and/or the Human Resources representative. The timelines prescribed in Section 1 of this Article shall be suspended for up to ten (10) business days while the parties attempt to reach a resolution informally. The employee(s) has the right to have a Union steward present during these discussions. If the issue is not settled within ten (10) business days, or the employee has been unable to schedule a meeting due to Employer unavailability, the employee(s) may move to step 1 of the Grievance Procedure.

Section 1. Grievance Procedure. An employee may raise a grievance regarding a formal corrective action or an issue regarding conditions of work, including wages, hours worked, and workplace safety. The party raising the grievance may withdraw it at any time during the process. The process is as follows:

Step 1. Within thirty (30) business days from when the employee had knowledge of or should have had knowledge of the alleged violation, misinterpretation, or misapplication of a provision of this Collective Bargaining Agreement, the Union will present a grievance in writing to the employee's immediate supervisor and/or the Human Resource representative or it will be deemed waived. Upon receipt of the grievance, the immediate supervisor and/or Human Resource representative will respond in writing within ten (10) business days and forward both statements to the Executive Director or designee and the Union.

If the grievance affects a group of employees with more than one direct supervisor, the employees may choose to forego Step 1 and proceed directly to Step 2 within the prescribed timelines.

Step 2. In the event there is no agreement from the response in Step 1, the Union may submit the grievance to the Executive Director and/or Human Resource representative within ten (10) business days. Upon receipt, the Executive Director or designee has ten (10) business days to meet with the employee(s) and the Union representative(s) to reach an agreement acceptable to all. The Employer will provide a written response within five (5) business days of the meeting.

Step 3. Last Chance Panel or Mediation (Optional). If the grievance is not settled at Step 2, the Union may, but is not required to, either submit the matter to a last chance panel or request mediation.

- a. The Union may notify the Executive Director in writing of its intention to submit the grievance to a last chance panel within five (5) business days of the written response. The parties will appoint two (2) members each to a four (4) person last chance panel. The panel will meet within ten (10) business days of the Union's request. A unanimous vote of the panel will settle the grievance. The panel will issue its decision in writing within ten (10) business days of its decision.
- b. Alternatively, either party may request the opportunity to attempt to resolve the matter through mediation. Such request must be made in writing within five (5)

business days of the delivery of the final decision at Step 2. The other party will have five (5) business days to respond in writing to such request. While the parties are engaged in mediation, they may mutually agree to suspend the timelines for the remainder of the grievance process. The mediator will be selected by the parties by alternatively striking names from a list of seven (7) Lane County mediators provided by the Federal Mediation and Conciliation Service (FMCS). Mediation expenses will be shared equally by both parties.

Step 4. Arbitration. If agreement is not reached at Step 3, the Union may submit the grievance in writing with a request for arbitration to the Employer within thirty (30) business days of completion of Step 2, unless the timeline was suspended during Step 3. The arbitrator will be selected by mutual agreement of the parties from a list of arbitrators supplied by the Federal Mediation and Conciliation Service (FMCS).

The parties will alternately strike one name from the list until only one name from the list remains. The order of striking will be determined by a toss of a coin (the winner of the coin toss will choose whether to strike first). The remaining individual will be the arbitrator.

The decision of the arbitrator will be final and binding on the parties, and the arbitrator will be requested to issue a decision within thirty (30) business days after the conclusion of testimony or arguments.

Section 2. Expenses. The expenses and fees involving the services of the arbitrator or mediator will be borne equally by both the Employer and the Union. Each party will be responsible for the costs of presenting its case to the arbitrator or mediator. If either party requests a transcript, the requesting party will provide a copy at no cost to the other party(ies).

Section 3. Waiver. If a grieving party fails to file or answer a grievance within the time limits set in this Agreement, the grievance will be waived. If the responding party fails to answer the grievance within the time limits set in this Agreement, the grievance will advance automatically to the next step. Failure by the grieving party to file at Step 3 within the five (5) business days, or to file an arbitration request within the thirty (30) business days specified in Step 4 will constitute forfeiture of the claim and the case will be considered closed by all parties. The time limits specified in this Agreement may be extended or modified only by written mutual consent of the Union and the Employer.

Section 4. Suspension or Discharge. Grievances relating to suspension or discharge will be submitted at Step 2 within thirty (30) business days of the event.

Section 5. Representation. Bargaining unit members will have the right to be represented by a Union steward or Union representative appointed by the Union at any step of the Grievance Procedure. Only the Union may submit a grievance to arbitration on behalf of a bargaining unit member. The manager involved with the appeal/grievance may also have another member of the Employer's management present at all meetings.

ARTICLE 11 - TRIAL SERVICE

Section 1. Trial Service Period. An employee will become a trial service employee upon hire. The trial service periods will normally be no longer than six (6) months. A trial service employee may be terminated at any time for failure to pass a full criminal history check or failure to fulfill all job-related mandatory training requirements. Seniority will accrue during the trial service period.

Section 2. Representation. The Union will represent trial service employees for the purpose of collective bargaining with respect to wages and other conditions of employment. A trial service employee who is subject to formal corrective action or discharged for any reason may be represented by the Union but will not have recourse to the Grievance Procedure under Article 10, Grievance, of this Agreement.

Section 3. Training and Evaluation. The Employer will give the new employee an evaluation prior to or at the end of the trial service period. Employees must successfully complete Core Competency and site-specific training as part of the evaluation and in order to become a regular employee.

ARTICLE 12 - SAFETY AND HEALTH

Section 1. Safe Environment. The Employer and the Union are committed to maintaining a safe environment for employees and individuals served. The Employer will take reasonable precautions to safeguard the health and safety of employees covered by this Agreement during their hours of work and to maintain recognized standards of safety and sanitation.

All employees who are required to work directly with supported individuals who have a documented history of violent and/or criminal/sexual offending behaviors will be informed of such history prior to working directly with the supported individual(s).

When an employee reports to their supervisor an incident of verbal/physical abuse or sexual harassment by a supported individual, the supervisor will take reasonable action (including immediate action if necessary) to aid and ensure the safety of the employee.

Section 2. Infectious Disease Information. When not in violation of any law regarding confidentiality of the individuals served, the Employer will advise its employees, on a need-to-know basis, of circumstances that are reasonably likely to involve exposure to infectious disease, in advance, and will supply employees with training and supplies needed for care of individuals with infectious diseases who are being served.

Section 3. Safety Committee. The Employer will maintain a Safety Committee, according to Occupational Safety and Health Administration (OSHA) and all applicable state requirements..

The Employer will offer temporary transfers to pregnant employees, upon written request, to jobs and worksites that pose less physical harm from supported individuals with documented histories of causing physical harm to employees if an equivalent position is available.

Section 5. Health and Safety Transfers. Employees who request in writing a transfer because they have been injured, threatened, or reasonably believe themselves to be threatened by an individual served, will be immediately transferred to the relief pool. For a period of ninety (90) days, the employee will receive priority for site visits and core competency training and will have the right of first refusal for any open shifts for which the employee has completed or is in the process of receiving core competency training for. Additionally, the employee will retain the ability to bid on shifts in accordance with Article 15. The transferred employee will retain benefits for at least thirty (30) calendar days, after which eligibility for benefits shall be determined by the number of hours worked in accordance with Article 23. The transferred employee shall retain all accrued PTO.

Section 6. Indemnification. The Employer will indemnify employees from claims, suits, or actions resulting from or arising out of the activities of their normal job-related duties, except for cases of knowing or willful misconduct by the employee.

Section 7. Inclement Weather or Hazardous Conditions. When the Oregon Department of Transportation (ODOT) deems inclement weather or hazardous conditions are so adverse as to endanger the employees' safe travel to and from the worksite, employees may choose to take leave without pay or use accrued PTO. The Employer will not apply formal corrective action against any employee who is unable to report to work due to inclement weather or a hazardous condition.

ARTICLE 13 - SUPERVISION

Section 1. Immediate Supervisor. Upon placement employees shall be notified of their site or program's immediate supervisor. Employees shall have access to a copy of the Employer's personnel policies at their site. A copy of the organizational chart shall be available upon request.

Section 2. Duty to Follow Directives. Employees shall follow reasonable directives from any person in management, particularly the on-call manager, when the immediate supervisor is not available. Failure to follow a reasonable directive may be considered insubordination and may result in disciplinary action, per Article 9 of this Agreement.

Section 3. Limitation on Work. Supervisors shall not perform work that would replace the work of a bargaining unit employee, except in cases when all available bargaining unit employees are unavailable.

Section 4. CBA Training The Union and the Employer will form a joint committee to develop and deliver a mandatory contract training for all supervisors and managers. The Union and the Employer will each appoint an equal number of members to this committee.

ARTICLE 14 - SENIORITY, LAYOFF, RECALL, AND RETURNING EMPLOYEES

Section 1. Accrual of Seniority. Seniority is an employee's length of service with the Employer since the date of hire, other than during times of unpaid leave or layoff of three (3) weeks or more, with the exception of Family Medical Leave. Seniority will be established from date of hire and continue to accrue during all paid time in the bargaining unit.

Section 2. Application of Seniority. Seniority will be the determining factor in decisions regarding layoff and recall. Wages, benefits, lateral transfer, promotion, overtime and scheduling of leave will be in accordance with other articles in this Agreement.

Section 3. Voluntary Reduction. Bargaining unit employees may voluntarily request a reduction in scheduled hours to prevent or mitigate the extent of bargaining unit layoffs.

Section 4. Elimination of Positions. When a position is eliminated, the affected employee(s) will be granted an open shift based on seniority (in accordance with Article 15, Section 1). When there are no positions available, the employee may opt to go into the relief pool until an open scheduled position is available.

Section 5. Layoffs. When a decision is made to reduce the work force or total hours scheduled and layoffs are required, bargaining unit employees will be laid off in the following order:

- a. Those employees who volunteer to be laid off;
- b. Trial Service employees;
- c. Regular employees in reverse order of seniority.

Section 6. Recall. Qualified bargaining unit employees will be recalled in the reverse order of their layoff until the desired number of employees is recalled.

Section 7. Provision of List. The Employer will maintain a seniority tracking system and make in-program and in-agency seniority lists available upon request.

Section 8. Returning Employees. An employee who returns to the bargaining unit at any time will be placed at a wage step commensurate with that employee's education, skills, training, and experience. Returning bargaining unit members who have lapsed certifications will become recertified for state required trainings within the first thirty (30) calendar days of employment, unless the Employer cannot schedule training within that time. Except where specified below, all returning bargaining unit members will be eligible for and subject to step increases, PTO, benefits, and all other benefits and conditions of employment under this Agreement.

- a. A regular employee who exits the bargaining unit for any reason and returns to the bargaining unit within twelve (12) months will be subject to a ninety (90) calendar day trial service period. If they successfully complete the trial service period they will retain their original hire date and previously accrued seniority, adjusted according to Section 1

of this Article. The employee will be immediately eligible for PTO accrual and benefits, so long as the employee meets all other eligibility requirements under Article 23.

- b. An employee who exits the bargaining unit for any reason and returns after twelve (12) months will accrue seniority based on their new hire date.

ARTICLE 15 – JOB/SHIFT VACANCY, PROMOTION, TRANSFER

Section 1. Notice of Job Vacancies. The Employer will notify all employees of all newly created jobs/shifts and all job/shift vacancies and post for a period of not less than (1) one week. The Employer will interview qualified internal candidates prior to consideration of any qualified external applicants. Job/shift postings will specify the expected qualifications, part-time or full-time status, schedule, and program. Copies of every notice of a job vacancy will be posted on employer's current Human Resources system.

When a program schedule change occurs, in-program employees will be granted their shift preferences according to in-program seniority before shifts may be granted to applicants outside of the program.

When a supported individual moves to a different program and has expressed clear preference for staffing their preferred staff person shall be considered for a shift at the new program.

Section 2. Eligibility. Employees are eligible to apply for any open position except, an employee may only apply for any open shift up to three (3) times in a rolling twelve (12) month period with the exception of program wide schedule changes.

Any employee interviewed for an open position who was not selected may request feedback within five (5) business days. The Employer will respond to the request in writing within five (5) business days.

Section 3. Lateral Transfer by Seniority. Lateral transfer is taking a new job/shift with the same job duties as the previously held job/shift but with different hours and/or at a different site. Employees will be awarded a lateral transfer on the basis of seniority, provided they have completed a successful site visit and all other factors are relatively equal. Employees who have been awarded a lateral transfer will complete a ninety (90) calendar day training period during which the Employer will evaluate if the lateral transfer is successful.

If the Employee requests or if the Employer can demonstrate that the lateral transfer is not successful, employees will have the right to return to an open position with comparable hours to their previously held position.

Acceptance or denial of a lateral transfer must be in writing to Human Resources within seventy-two (72) hours of notification (an email and/or phone call to the number on record with the HR department) of job/shift being awarded. An employee who has been awarded a lateral transfer and who declines to work the new job/shift will be transferred into the relief pool.

Section 4. Promotion. Promotion is accepting a new job with job duties that are more demanding but related to the duties in the previously held job. Employees will be awarded a promotion on the basis of job-related qualifications set by the Employer. Seniority will be considered as a deciding factor provided all other qualifications are relatively equal. Employees who have been promoted will complete a ninety (90) calendar day training period during which the Employer will evaluate if the promotion is successful.

If the employee requests or if the Employer can demonstrate that the promotion is not successful, employees will have the right to return to an open position with comparable hours to the position held prior to promotion. Employees who return to a position comparable to their previously held position will be paid at their previously held wage level and current step.

Section 5. Transfer to Unrelated Job. Transfer to unrelated job is an employee taking a job within the bargaining unit with job duties that are not related to the job duties in the previously held job. This may or may not involve a change in pay level. Employees will transferred to a job in the bargaining unit with requirements not related to their current job based on job-related qualifications set by the Employer. Employees who have been awarded such a job will complete a ninety (90) calendar days training period during which the Employer will evaluate if the transfer is successful. If the employee requests or if the Employer can demonstrate that the transfer is not successful, employees will have the right to return to a position with comparable hours to their previously held position. Employees who return to an open position comparable to their previously held position prior to transfer will be paid at their previously held wage level and current step.

ARTICLE 16 - TRAINING

Section 1. Training.

- a. Newly hired employees will attend all competency-based training mandated by the Employer within three (3) months of being hired.
- b. Mandatory Training is training that all employees are required to attend to be in compliance with State or Agency standards. The Employer will make available all mandatory training. Failure to attend state-mandated training could result in loss of work hour/shift(s).
- c. If an employee lapses in their certification(s) of a state-mandated training due to Agency scheduling conflicts, the employee will not lose hours or be subject to formal corrective action. If the employee misses a training due to Paid Time Off (PTO), they will be given the first opportunity to take the training(s) as soon as possible and will not be at fault. If an employee has an unavoidable scheduling conflict, the Agency will work with the employee to fit them into upcoming training dates.

- d. Employees who attend mandatory training that may result in loss of hours will be given the opportunity to make up scheduled hours within the same pay period if desired. Employees not scheduled to work will be paid for no less than two (2) hours of pay at their regular rate of pay, which will include time spent attending the training.

In the event that a training is cancelled the Employer will notify employees as soon as possible. If the Employer provides less than twenty-four (24) hours' notice of a cancellation, the Employer will compensate all affected employees for two (2) hours at their regular rate of pay.

The parties agree to refer the issue of training overnight employees to the Joint Labor Management Committee by April 2020.

Section 2. Notice.

Notice of trainings will be sent to each employee through the agency's electronic communication system.

- a. The Employer will give employees at least four (4) weeks' notice before a required training expires.
- b. The Employer will give employees at least two (2) weeks' notice of scheduled state-mandated training dates.

Section 3. Staff Development. The Employer may promote job-related staff development training and education. Preauthorized expenses for job-related seminars, workshops, conferences, or continuing education credits may be paid by the Employer. Expenses may include registration fees, tuition, lodging, meals, and mileage. Carpooling, room sharing, and other cost-saving measures will be utilized whenever possible.

ARTICLE 17 - CONDITIONS OF EMPLOYMENT

Section 1. Reasonable Accommodation/ADA. In compliance with the Americans with Disabilities Act, the Employer will provide reasonable accommodations to permit a qualified applicant or employee with a disability to participate in the job application process, to perform the essential functions of a job, and/or to enjoy benefits and privileges of employment equal to those enjoyed by employees without disabilities. Reasonable Accommodation is any modification or adjustment to a job or work environment that allows an employee with a disability to participate in that environment more fully, according to ADA requirements. If the Union believes that such reasonable accommodation is in conflict with this Agreement, upon request by the Union, the Employer will meet and confer with the Union. This provision will not delay the Employer in making accommodations to comply with ADA.

Section 2. Program Rules and Conditions. All employees are required to follow the specific program-related rules and conditions of their assigned work site. These rules and conditions are intended to provide a safe and professional work environment addressing the particular program

needs of the site. The Union will be informed in writing of any significant changes in Agency Policies and Procedures at least ten (10) business days prior to implementing any changes.

Section 3. Auto Insurance Eligibility. Employees are required to report changes in their driving record, including any traffic violations, which may affect auto insurance eligibility; these should be reported to Human Resources within seven (7) calendar days of the event. Failure to do so is considered a failure to maintain good standing and may result in an employee becoming unable to work.

Section 4. Use of Vehicles. If an Agency vehicle is not available to an employee for Agency business, upon Employer's request and authorization, the employee will have the option of using an insured personal vehicle. Prior to use of a personal vehicle, a vehicle safety inspection from the Employer's vendor must be completed and a copy of the current vehicle insurance ID card must be provided to the Employer's Human Resources (HR) Department. The Employer will be responsible for cost of the appropriate inspections.

Section 5. Use of Personal Cell Phones. The de minimis use of personal cell phones is permitted so long as it does not interfere with an employee's job performance. At any time, a supervisor may further restrict the use of cell phones as a result of abuse of this policy or in any circumstances in which the use of a cell phone may cause a health or safety risk to either an employee or a supported individual.

Section 6. Performance Evaluation. Employees will be given a performance evaluation on or within thirty (30) calendar days of their anniversary date of employment. The purpose of the evaluation is to identify areas of positive work performance and areas where improvements are recommended. Performance evaluations are not considered formal corrective action.

ARTICLE 18 – OVERTIME, SCHEDULING AND SHIFT COVERAGE

Section 1. Overtime. All overtime will be worked at the discretion of the employee except when supported individuals would otherwise be left without adequate support. Overtime is time worked including mandatory meeting(s) and training(s) in excess of forty (40) hours in a week. Use of paid time off (PTO) is not considered when calculating overtime. Overtime must be approved in advance by the employee's supervisor or the on-call manager. One-and-one-half (1.5) times regular rate of pay will be paid for all hours that exceed forty (40) hours worked during that week in accordance with the Fair Labor Standards Act overtime rules.

Unless the Employer declares an emergency situation, bargaining unit members will not be scheduled to work more than twenty-four (24) hours of overtime in a given work week. The Employer will notify the Union within twenty-four (24) hours of an emergency situation that changes the availability of overtime for bargaining unit members.

It is the employee's responsibility to advise their supervisor or the on-call manager of anticipated overtime.

Section 2. Relief Preferences. The opportunity to work overtime or additional shifts will be equitably offered to all employees on the Program Contact List. The Program Contact List will be updated as needed but at least quarterly. All employees interested in working additional hours will notify their manager.

Regular employees at each site will be given the first opportunity to work additional shifts and agency seniority will be considered. Remaining shifts will be offered to site-trained relief pool employees by seniority. Thereafter, shifts resulting in overtime pay will be offered by agency seniority to the employees at the site. Any remaining overtime hours will then be offered to available site-trained employees on the Program Contact List. For purposes of the Program Contact List rotation, an employee's refusal of a shift at any step permits the manager to move to the next person on the Program Contact List.

Section 3. Assigned Schedules. The Employer will assign employees a set schedule and worksite, whenever possible and applicable.

- a) Newly created and vacated schedule/shift assignments will be filled according to the job vacancy provisions of this Agreement. The Employer will attempt to maximize the number of full time benefit eligible set schedules per site. These provisions will not abridge the Employer's right to change shift schedules based on client and program needs.
- b) The Employer will give employees affected by proposed shift schedule changes and the union representative two (2) weeks' notice, except in emergencies. These provisions also will not abridge the Employer's right to temporarily transfer employees when necessary to ensure the health and safety of individuals served and employees to comply with ADA or health and safety provisions of this Agreement.
- c) All employees must complete core competencies at the program prior to working alone with a person served. If there is a loss of regularly scheduled hours due to an emergency transfer, the employee will be given the opportunity to make up any loss of hours.
- d) In the event a supervisor requires an employee to stay beyond the end of their shift the employee is not required to flex hours and the employee shall be eligible for the relief bonus in Section 5 as through they are completing a shift of no less than one (1) hour with less than twenty-four (24) hours' notice.
- e) SLP staff will communicate with managers on specific flexibility or schedule needs per individuals supported in SLP. For in-home DD49 and DD51 supports, weekly hours are allotted via a daily schedule completed between person supported and their assigned staff. Medication runs will be paid at least one (1) hour or the duration of the supports, whichever is greater.

Section 4. Shift Coverage Communication. If an employee indicates that they cannot or will not work a shift, that employee should not be contacted again about the same shift unless circumstances have significantly changed. Confirmation of receipt without an agreement to work said shift will be treated as a refusal unless otherwise noted by the employee.

All supervisors will adhere to the Program Contact List as outlined in Section 2 of this Article. For the purpose of both respecting seniority and filling shifts as quickly and consistently as possible, supervisors will adhere to the following guidelines when determining shift coverage:

- a. Emergency shift coverage (call off): If a supervisor has a need to fill a shift with less than twelve (12) hours' notice of the coverage need, the shift will be granted to the first person on the Program Contact List who accepts the shift.
- b. When a shift opens with more than twelve hours' notice, the Employer will notify all eligible employees of the open shift and let them know that a decision will be made within forty-eight (48) hours, or twelve (12) hours before the start of the shift, whichever comes first. During this period, shifts will be granted according to Section 2 of this Article. If the shift is not filled during this period, it will be granted to the first person to accept the shift.

Section 5. On-Call Relief Bonus. Regular employees that are offered any open shift that is a minimum of one (1) hour with less than twenty-four (24) hours' notice will receive a bonus of thirty-five dollars (\$35.00) per shift completed when offered by a supervisor.

Section 6. Minimum Hours. Employees who are called in to work on a day they are not scheduled to work and are turned away by the program supervisor upon arrival will be guaranteed two (2) hours of work at their regular pay rate. Staff meetings will be included in scheduled work hours. If a scheduled staff meeting is cancelled with less than one week notice, employees will be given the opportunity to work during either the cancelled meeting time slot or at another prearranged time to maintain scheduled hours for the pay period. If a staff meeting is cancelled with less than twenty-four (24) hours' notice employees will be paid the two (2) hours.

Section 7. Scheduling. The Program Manager will post employee schedules at least two (2) weeks prior to the start of the work schedule. Employees will be allowed to trade shifts with the permission of the supervisor on a shift-to-shift basis. Shift exchanges must be approved by the manager at least twenty-four (24) hours before the beginning of the exchanged shift. The Employer will not unreasonably deny the trading of shifts. Once scheduled work hours are posted, they will be changed only with the Employer's approval and appropriate notice and all employees will be apprised of the changes in order to be informed about shift coverage at their program.

ARTICLE 19 - WAGES

Section 1. Wage Schedule. Unless an employee has reached the top step of the wage schedule, employees will advance to the next step on the first day of the pay period in which their anniversary date with the Employer falls.

If the Employer determines that the new employee possesses special education, skills, training, or experience, they may be hired at a wage step commensurate with the employee's education, skills, training, and experience.

Employees will be paid according to the wage schedule in Appendix A.

Effective January 6, 2020 all steps of the wage schedule in Appendix A shall be adjusted upward.

Section 2. Completion of Trial Service. Upon successful completion of the trial service period, a new employee's hourly wages shall be increased by one step on the Wage Schedule.

Section 3. Provisions for Staffing Crises. If the Employer determines that there is a problem recruiting or retaining employees in a particular program due to situational challenges or crises that result in significantly higher stress and workload than is typical for that program, the Employer and the Union shall meet and bargain wage changes within five (5) business days of receipt of notice. The Parties shall have the option of adjusting the wage level of the employees at the program for the duration of the recruitment or retention problem, or for the duration of the situational challenges or crises, but for no longer than sixty (60) calendar days. The duration may be extended upon review and mutual agreement of the Union and the Employer.

Section 4. New Positions. If the Employer creates a new bargaining unit position, the Employer shall give written notice to the Union no less than sixty (60) calendar days prior to desired implementation date. The parties shall meet to bargain wages for the new position within two (2) weeks of receipt of the notice.

Section 5. Changes in Permanent Funding. In the event of significant changes to the Employer's funding, either party may give ninety (90) days' notice to re-open the contract to negotiate wages and/or benefits. If unable to reach agreement, the Union retains the right to strike with a sixty (60) day notice to the Employer and the Federal Mediation and Conciliation Service, and thereafter a ten (10) day notice to strike.

Section 6. Certified competency Coaches.

- a) Employees are eligible to become competency coaches after one (1) year of successful employment with the agency.
- b) Employees interested in becoming competency coaches must successfully pass an employer-developed screening, complete a mandatory certification course, and participate in regular mentorship meetings.
- c) Coaches shall be paid one dollar (\$1.00) above their current rate of pay for scheduled training hours.

Section 7. Asleep Overnight. The Employer may implement asleep overnight positions for less than twenty-four (24) hour shifts that are not live-in. Employees shall be paid at their regular rate of pay, except while sleeping. While sleeping, the employee will be paid at the hourly rate as set by Oregon's minimum wage law unless the employee is unable to receive a minimum of six (6) hours of uninterrupted sleep due to support needs during the shift, in which case the employee shall be paid at the employee's regular rate of pay for the whole shift. If the employee clocks in

to provide support, the employee shall be paid for no less than one (1) hour at the employee's regular rate of pay.

Section 8. On-Call Pay.

- a.) Bargaining unit members may elect to be a part of the on-call pool, given they pass a screening process developed by the Employer.
- b.) On-call staff shall be paid according to the following schedule:
 1. Weekdays (Monday through Thursday) \$20.00 per on-call shift
 2. Fridays, Saturdays and Sunday \$40.00 per on-call shift
 3. Recognized Holidays (excluding the floating holiday) \$50.00 per on-call shift
- c.) In cases where on-call staff must physically respond to a situation, they must notify the back-up on-call manager and shall be paid for the duration of such response at their regular rate of pay.

Section 9. Longevity Bonus. On the payday following the anniversary of the employee's hire date, the employee will receive a longevity bonus as follows:

1. Two hundred dollars (\$200) on each year between the 8th and 10th year anniversary.
2. Two hundred fifty dollars (\$250) on each year between the 11th and 14th year anniversary.
3. Three hundred twenty-five dollars (\$325) on each year between the 15th and 19th year anniversary.
4. Four hundred dollars (\$400) on each year between the 20th and 24th year anniversary.
5. Five hundred dollars (\$500) on each year between the 25th and 29th year anniversary.
6. One thousand dollars (\$1000) on the 30th year anniversary and each year thereafter.

Section 10. On-Call Relief Position (OCR)

1. OCR employees will be paid \$1.00 more per hour in addition to their DSP step per Appendix A Wage Schedule.
2. OCR employees will be guaranteed 30 hours of pay per week, even if they worked less than 30 hours in a week. The employees will be required to be on-call 5 calendar days per week. OCR employees will have up to 2 hours to arrive on shift and shall not work more than sixteen hours in a twenty-four hour period.

Section 11. Pay Period. Employees will be paid on Monday every other week. However, when a bank holiday falls on a Monday, payday will be on the Friday before the holiday. All payroll changes (ex. Tax changes, direct deposit) will be submitted to the payroll department no later than the last Friday of the pay period by 10:00am.

Section 12. Accuracy of Payroll and Time Records. Employees shall be responsible for accurately recording their hours worked. Adjustments resulting from an employee's error shall be reflected on the following paycheck. Adjustments resulting from the Employer's error shall be made within two (2) days of discovery. An error made by an employee shall be reported to their supervisor within two (2) business days of discovery. An employee's "approval" of a time sheet does not waive the Employer's obligation to correct the error.

When a payroll or timekeeping error results in an underpayment to the employee, the employer will issue a check for the difference within one (1) business day of the Employer being made aware or discovering the error. When a payroll or timekeeping error results in an overpayment to the employee, the Employer may choose to forgive the overpayment, reduce the amount the employee must repay, and/or work with the employee to establish a reasonable repayment plan. The Employer must provide written notice to the employee at least thirty (30) days prior to initiating recoupment of the overpayment. The written notice will include the amount of overpayment, the amount the employee is to repay, and information and documentation supporting the claim that an overpayment exists. The Employer may only require repayment of overpayments that the employee received within sixty (60) days prior to the written notice. Any overpayment recovery by payroll deduction may not exceed five percent (5%) of the employee's wages per pay period. An employee who disagrees with the Employer's determination about an overpayment or underpayment may grieve the determination through the grievance process.

Section 13. Payroll Advance. Employees may receive a Payroll advance four (4) times per fiscal year by submitting a Request for Payroll Advance Form.

The maximum amount of each advance shall be for up to sixty percent (60%) of hours worked within the pay period up to the time of the request.

Payroll Advance requests received in the office by 10:00 a.m. will be available at 4:00 p.m. that afternoon. Any request made after 10:00 a.m. will be available by 10:00 a.m. the following business day. Payroll advance requests on the first business day of a new pay period must be received by 10:00am. Advances received after that will be based on the hours worked in the new pay period.

Section 14. Pay Equity.

1. The Employer will periodically conduct pay equity analysis for all employees including bargaining unit employees. Periodic pay equity analyses for all employees will occur no less frequently than every 24 (twenty-four) months.
2. In the event a pay inequity is identified according to the relevant factors identified in ORS 652.220; the Employer will take appropriate steps to rectify the inequity. The Employer shall not decrease employee(s) pay due to an inequity.
3. In the event an employee receives a pay equity adjustment for any of the qualifying reasons the employee's anniversary date will remain the same.
4. An employee may request a pay equity review outside of the regularly scheduled pay analysis by submitting a written request to the Alvord-Taylor Human Resources Department. The Alvord-Taylor Human Resources Department will review the merits of the request based on relevant factors in ORS 652.220 and issue a written decision.

ARTICLE 20 – PAID TIME OFF

Section 1. Paid time off (PTO). Paid time off is a benefit that may be utilized as either unplanned or planned paid time off. PTO will be scheduled at the mutual discretion of the employee and the

supervisor. An employee shall not be compelled to take formal leave or use PTO during a pay period when that employee is receiving overtime and has worked all but one (1) regularly scheduled shifts. Paid time off is a combination of the former earned time off and OR Sick hour allotments.

Section 2. Accrual. All employees who work at least twenty (20) hours per week shall be able to redeem PTO after 91 (ninety-one) calendar days of employment.

Employees working at least twenty (20) hours per week shall accrual PTO based per table 20.2. Employees who work under twenty (20) hours per week shall accrual 0.03 hours to be utilized for OR Sick, which may be redeemed upon the 91st calendar day of employment.

Table 20.2

Time of Employment	Per Year (Example based on 30 hours per week)	Per Hour	Cap Per Pay Period
Up to 2 years	120	.0769	7.69
2 years and up to 5 years	160	.1026	10.26
5 years and up to 10 years	200	.1282	12.82
10 years and longer	240	.1538	15.38

Section 3. Paid Time Off Carryover and Cash Out. Employees shall be responsible for managing their own PTO hours. All employees may accrue PTO hours up to a maximum of two hundred (200) hours. Employees may cash out PTO in excess of eighty (80) accrued hours up to (120) one hundred and twenty hours at their regular rate of pay.

Section 4. Payment on Separation/Termination. PTO up to a maximum of two hundred (200) hours shall be paid to all regular employees when the employee terminates employment with the Employer with two (2) weeks' notice.

An employee's failure to provide two (2) weeks' notice shall result in forfeiture of all accrued PTO. The forfeited hours shall be credited to the Hardship Fund at that employee's current rate of pay.

If an employee is terminated, all hours worked will be paid. PTO will be forfeited and will go to the Hardship Fund at that employee's current rate of pay.

Section 5. Use of PTO. Employees may use PTO for any reason, subject to approval by the Employer. The Employer shall not deny any request to use PTO for any of the reasons described in Appendix B of this Agreement on or after the 91st day of employment. Absent an operational need, the Employer shall not deny requests for planned PTO. Employees shall request use of PTO with appropriate notice to the employee's immediate supervisor in writing, as indicated below.

a.) Planned PTO. Employees may request use of planned PTO with ten (10) calendar days written notice to their immediate supervisor. The supervisor shall respond with approval, denial, or a timeline for decision within forty-eight (48) hours. A denial of an employee's requested planned PTO shall be emailed to the employee stating the reasons for denial with the Program Director and Executive Director copied on the email. In the event that more than one bargaining unit member in the same house or program requests the same day(s) off, requests shall be granted in the order in which the requests were made. If such requests were made at the same time, the employee with the most seniority shall be given priority. If there are no bargaining unit staff available to cover an employee's shift, the program manager will provide coverage.

If planned PTO hours have been requested and approved by the Employer, and the employee requesting such time then transfers to another house, the Employer shall accommodate the employee's previously approved request. It is the employee's responsibility to communicate any approved time off to the new supervisor prior to accepting a transfer to another program.

b.) Unplanned PTO. Each employee may use up to four (4) days per year of unplanned PTO as "personal days." Employees who are not able to fulfill their shift due to any unplanned event shall make a reasonable effort to notify their program manager or the on-call manager at least eight (8) hours in advance for night and swing shift and four (4) hours in advance for day shift. However, if the reason for the unplanned use of PTO is due to any of the uses listed in Appendix B and is unforeseeable, such as an emergency or accident, the employee shall provide notice before the start of the employee's shift or, when circumstances prevent the employee from providing notice before the start of the employee's shift, as soon as is practicable. In all cases, whether and when an employee can practicably provide notice depends on the individual facts and circumstances of the situation.

An excess of four (4) instances per year of unplanned PTO may be just cause for formal corrective action. However, use of PTO for any of the uses described in Appendix B will not count toward this cap so long as the employee has provided proper notice for such use, as described above. The Employer shall not, under any circumstances, subject an employee to

formal corrective action for use of PTO for any of the purposes listed in Appendix B up to 40 hours in a rolling 12-month period.

Leaving a shift two (2) or more hours early without supervisor approval will count as an instance of an absence with the exception of the purposes listed in Appendix B up to 40 hours in a rolling 12-month period.

Section 7. Verification for Unplanned PTO and Certification of Serious Medical Condition. The Employer may only request verification from a health care provider for an unplanned use of PTO described in Appendix B after the employee has used unplanned PTO for three (3) consecutive scheduled workdays. The Employer shall pay any reasonable costs for providing any medical verification or certification required, including lost wages if the employee misses all or part of a shift in order to obtain the requested verification or certification. The Employer may not require that any verification or certification explain the nature of illness or details related to domestic violence, sexual assault, harassment, or stalking that necessitates the use of PTO.

Requests for PTO related to a serious medical condition shall be made within the requirements of the Family Medical Leave Act (FMLA) and/or Oregon Family Leave Act (OFLA). Certification of such illness shall also be made within the FMLA/OFLA requirements.

Section 8. Hardship Fund. Regular employees may voluntarily donate a portion of their accrued PTO hours to a Hardship Fund, which shall be administered by the Employer under rules established by the Labor/Management Committee. The Hardship Fund shall be available to bargaining unit members who have unanticipated medical needs that cannot be covered by the bargaining unit member's accrued PTO. Donations to the Hardship Fund shall not result in the employee's balance of accrued PTO dropping below forty (40) hours. Donations shall be confidential. Donations may not accrue beyond the medical event or be cashed out. Statements showing the activity and balance of hours in the fund shall be provided to the Union within three (3) business days of request. Employees may donate a maximum of twenty (20) hours of PTO in a rolling calendar year. PTO shall be deposited at the pay rate of the person donating the PTO. Rate paid out shall be calculated at the rate paid of the individual receiving the donation.

Section 9: Directed PTO Donations. Directed donations of PTO is PTO directed from one person to a specific person. Each employee may only receive a total of 40 (forty) hours donated PTO from Hardship Fund and directed donations combined per rolling calendar year. Employees donating PTO must maintain at least 40 (forty) hours of PTO at time of donation. PTO donations to bargaining unit members may not come from non-bargaining unit members. PTO shall be calculated at the pay of the person donating the PTO and not the person receiving the PTO.
