In this Agreement, four types of Article numbers appear. These numbers have different applications. For example, some Articles apply to all Agencies covered under this Agreement, some Articles apply only to the Agencies within a particular coalition, some Articles apply only to a particular Agency within a coalition, and some apply only to temporary employees. The types of numbers used are as follows:

1. Articles which were negotiated centrally and apply to all coalitions and all Agencies within the four coalitions have numbers without any subcategories, e.g.:
   - Article 20--Discipline and Discharge
   - Article 27--Salary Increase
   - Article 56--Sick Leave
   - Article 70--Layoff

2. Article subcategories with no letter following the number signify that the Article applies to all Agencies within a particular coalition, e.g.:
   - Article 18.3--Reorganization Notification (ODOT Coalition)
   - Article 100.1--Security (Human Services Coalition)
   The last digit in these subcategories identifies the coalition that the Article applies to:
     .1 Human Services Coalition
     .2 Institutions Coalition
     .3 ODOT Coalition
     .5 Special Agencies Coalition

3. Articles which have subcategories with a letter following the number signify that the Article applies only to a particular Agency within a coalition, e.g.:
   - Article 32.5I,P--Overtime (OHCS, OSAC)
   - Article 35.2K--Phone Calls (OYA Administration and Field)
   - Article 70.2A--Geographic Area for Layoff (OYA Youth Correctional Facilities and Camps)

4. Centrally negotiated Articles which have a “T” attached signify Articles that apply only to temporary employees, e.g.:
   - Article 19T--Personnel Records (Temporary Employees)
   - Article 22T--No Discrimination (Temporary Employees)
   (See Article 2, Section 5(c)(d) for a full listing of Articles and Letters of Agreement which apply to temporary employees.)

If an employee using the Master Agreement is looking for a contractual provision for his/her particular Agency, he/she must locate the subject by using either the Table of Contents or the Index.

**NOTE:** The Parties may elect to assemble and print a coalition agreement in addition to a Master Agreement.

ARTICLE 2--RECOGNITION

Section 1. The Employer recognizes the Union as the exclusive bargaining representative for all classified and unclassified employees in positions represented by the Union in the Agencies listed in Section 2 below. The Union is also the exclusive bargaining representative for temporary state employees in the classified or unclassified service as direct hire temporary employees of the State of Oregon excluding student workers who are in student worker classifications; student law clerks; independent contractors; any temporary employees who are represented by another labor organization; retired state employees; casual labor temporary Agency employees (e.g., Kelly, Manpower, Goodwill Industries, St. Vincent de Paul) not directly employed by DAS; temporary employees in the exempt service as defined in ORS 240.200; school-to-work experience employees; persons hired under exchange programs with the State; prisoners; interns from bona fide educational programs who are fulfilling academic requirements of that program and are completing their degree; and JOBS Plus program participants. Temporary employees represented by the Union are in the Agencies listed in Section 2 below. This recognition does not apply to exempt, supervisory, managerial and confidential employees as defined by law or as determined by the Employment Relations Board. The Department of Administrative Services agrees to provide the Union with no less than twenty (20) days notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. The effective date of the exclusion remains unchanged.

Section 2.

(a) The Employer and the Union have established a single bargaining unit of employees represented by the Union and employed by the Oregon Youth Authority*, Oregon State Hospital, Pendleton State-Delivered Secure Residential Treatment Facility, Oregon Department of Forestry, who are guards, firefighters, and police officers as identified by the Employment Relations Board or as agreed upon by the Parties. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1.

(b) The Employer and the Union have established a single bargaining unit which is not prohibited from striking. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1. This unit is made up of employees located at the following Agencies: Department of Agriculture, Commission for the Blind, Oregon Youth Authority*, Department of Human Services, Oregon Health Authority and Oregon Health Authority Institutions (Pursuant to HB2009) (Oregon State Hospital, Pendleton State-Delivered Secure Residential Treatment Facility), Department of Education (including School for the Deaf), Employment Department, Employment Appeals Board, Department of Administrative Services (State Controllers Division, former DGS Divisions, and State Data Center), Oregon Department of Forestry, Department of Justice, Bureau of Labor and Industries, Higher Education Coordinating Commission, Oregon State Library, Oregon Parks and Recreation Department, Public Employees Retirement System, Department of Revenue, Department of Transportation, State Treasury Department, Department of Veterans’ Affairs, Department of Consumer & Business Services (including Workers’ Compensation Board), Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Board of Psychologist Examiners, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology and Audiology, Board of Naturopathic Medicine, Oregon Department of Aviation, Oregon Watershed Enhancement Board, Oregon Housing & Community Services, Oregon Department of Fish & Wildlife, and Teachers Standards and Practices Commission.

Oregon Youth Authority includes all employees except employees in positions classified as Juvenile Parole and Probation Officer and Juvenile Parole and Probation Assistant. Union-represented employees of this Agency are included in the Union’s strike-permitted bargaining unit, except for employees in the classifications of Group Life Coordinator 1, 2, 3 and Youth Corrections Unit Coordinator, or successor classifications, who are included in the Union’s strike-prohibited bargaining unit.
Section 3. When there has been a determination of the Employment Relations Board to modify one (1) of the bargaining units listed in Section 2 or when the Parties reach mutual agreement to modify, negotiations will be entered into as needed or as required by law.

Section 4. Exclusion of Filled Positions.
(a) DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS, LRU agrees not to change the position’s designation from represented to management service during this twenty (20) day period.
(b) Should the Union decide to contest the proposed exclusion, it shall serve DAS, LRU with written notice of its intent to contest the exclusion within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.
(c) If DAS, LRU does not receive timely notice from the Union indicating its intent to contest the exclusion during the twenty (20) day period, or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS, LRU may proceed to change the position’s designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position’s duties should materially change such that the exclusion is no longer warranted.
(d) For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

Section 5. Temporary Employees.
(a) The Employer agrees to utilize temporary employees in accordance with ORS 240.309. Grievances alleging violations of ORS 240.309 may be submitted only by the Union, directly to the Department of Administrative Services level for full and final review.
(b) Temporary employees will have the same rights as other bargaining unit employees as enumerated below:
1. Same base rate of pay for the appropriate classification for regular status employees. Effective upon signing of this Agreement, rates of pay will be within the ranges, minimum and maximum, according to the Compensation Plan, per Article 27 and salary appendices.
(c) The following Articles apply to temporary employees: Articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 10.1C, 10.1M, 10.2, 10.2A, 10.2C,H, 10.2K, 10.3, 10.3A,B,E, 10.3C, 10.3D, 10.5, 11, 14, 15, 17.5, 19T, 19.1M, 19.2K, 21, 22T, 23T, 26T, 27, 29T, 30, 32T, 33.3A, 33.3C, 36T, 36.2K, 36.1M, 37, 48, 58T, 60T, 90T, 90.3CT, 101T, 113.5B,X, 121T, 123, 130.
(d) The following Letters of Agreement apply to temporary workers: LOA 21.1C-99-07 Employment; LOA 00.00-01-70 CDL Drug Testing.

ARTICLE 3--SCOPE OF AGREEMENT

Section 1. This Agreement binds the Union, its bargaining unit members, and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer, the Department, the Agency, and any person designated to act on behalf of each.

Section 2. This Agreement supersedes all prior Collective Bargaining Agreements and Letters of Agreement negotiated between the Union and the State of Oregon acting by and through its Department of Administrative Services.

ARTICLE 4--TERM OF AGREEMENT

Section 1. This Agreement shall become effective on July 1, 2015, or such later date as it receives full acceptance by the Parties, and expires June 30, 2019, except where specifically stated otherwise in the Agreement.

Section 2. This Agreement shall not be opened during the term of this Agreement except by mutual agreement of the Parties, by proper use of Article 7--Separability, or as otherwise specified in this Agreement.

Section 3. Notwithstanding Section 2 of this Article, either Party may elect to reopen this Agreement by written notice to the other party between November 1, 2016 through November 30, 2016 for the express purpose of negotiating Article 26 (Differential Pay), Article 26T (Differential Pay--Temps), Article 27 (Salary Increase), Article 31 (Insurance), and all directly related Letters of Agreement to the previously listed Articles.

Negotiations shall commence the first (1st) week of December 2016, or an alternate date upon mutual agreement of the Parties. The Parties agree to a one-hundred-fifty (150) calendar day period of bargaining. If after the one-hundred-fifty (150) calendar day period of bargaining no agreement has been signed, either or both Parties may notify the Employment Relations Board of the status of negotiations and the need for assignment of a mediator. The
Parties will then attempt to reach an agreement utilizing the dispute resolution procedures provided for in ORS 243.712 and 243.722.

(c) Article 8 (No Strike/No Lockout) of this Agreement shall not apply after the exhaustion of the dispute resolution procedures outlined in Section 3(b).

ARTICLE 5--COMPLETE AGREEMENT/PAST PRACTICES

Section 1. Complete Agreement. Pursuant to their statutory obligations to bargain in good faith, the Employer and the Union have met in full and free discussion concerning matters in “employment relations” as defined by ORS 243.650(7). This Contract incorporates the sole and complete agreement between the Employer and the Union resulting from these negotiations. The Union agrees that the Employer has no further obligation during the term of this Agreement to bargain wages, hours, or working conditions except as specified below. The Employer agrees that during the term of this Agreement it may not unilaterally change employee wages or hours. “Working conditions” established by a specific provision of this Agreement may not be unilaterally changed. Other “working conditions” not covered by this Agreement may only be changed pursuant to the restrictions and procedures in Section 2.

Section 2. Past Practices.

(a) The Parties recognize the Employer’s full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement, including arbitrator’s awards which may evolve pursuant to this Agreement, or for temporary employees, decisions resulting from dispute resolution procedures which may evolve pursuant to this Agreement.

(b) The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement. The Employer agrees to bargain over any proposed changes in “working conditions” or their impact which are mandatory subjects of bargaining.

(1) If the Employer believes the change is a mandatory subject of bargaining, the Parties shall meet within ten (10) days of the Union’s request to meet. One (1) Union Steward from the affected Agency will be allowed to use Agency time without loss of pay or benefits to participate in these negotiations. The Employer will not be liable for any overtime, premium pay, travel reimbursement, or mileage for the Union Steward. If the Union Steward is a temporary employee, while employed, the temporary employee would be unscheduled.

(2) The Union may file an unfair labor practice complaint with the Employment Relations Board if the Employer refuses to bargain. If the Board rules that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is a mandatory subject of bargaining, the Parties shall meet to negotiate this subject change.

(3) Notwithstanding ORS 243.698, if after ninety (90) days of bargaining, the Parties do not reach agreement, either Party may exercise its right to utilize the dispute resolution procedures under the PECBA, including the strike-permitted employees’ right to strike (notwithstanding Article 8 of this Agreement), or, for strike-prohibited employees, the right to submit the matter to binding arbitration. Nothing precludes the Parties from requesting mediation within the ninety (90) day period.

ARTICLE 6--LEGISLATIVE ACTION

Section 1. Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2. Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3. Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

ARTICLE 7--SEPARABILITY

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.
ARTICLE 8--NO STRIKE OR LOCKOUT

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform his/her assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slow down, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

ARTICLE 9--MANAGEMENT’S RIGHTS

Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:

(a) Direct employees.
(b) Hire, promote, transfer, assign, and retain employees.
(c) Suspend, discharge, or take other proper disciplinary action against employees.
(d) Reassign employees.
(e) Relieve employees from duty because of lack of work or other reasons.
(f) Schedule work.
(g) Determine methods, means, and personnel by which operations are to be conducted.

ARTICLE 10--UNION RIGHTS

Section 1. Rights/Obligations.

(a) The Union and the Employer agree that there must be mutual respect for the rights and obligations of the Union and the Employer and the representatives of each.

(b) Employees covered by the Agreement are at all times entitled to act through a Union representative in taking any grievance action or following any alternate procedure under this Agreement.

(c) Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 2. The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through 10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward’s non-work hours.

Section 3. Union Organizer Visitations. Union Organizers, with approval from a responsible manager, shall be allowed reasonable contact with bargaining unit members on Agency facilities. The purpose of these visits will be to meet with Union Stewards, with employees, or management regarding any actions or procedures under this Contract, including but not limited to, employee grievances per Article 21--Grievance and Arbitration Procedure. The Union Organizer will have the right to contact any represented employee in their workplace, as long as it does not interfere with the normal flow of work (e.g., lunch hour, break, before and after workshifts). The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized representatives.

Section 4. Building Use. Agency facilities may be used for Union activities according to current building use policies, so long as the facility is available and proper scheduling has been arranged.

Section 5.

(a) Bulletin Boards. The Agency shall allow the use of reasonable bulletin board space for communicating with employees. Union material shall not be displayed in the work area except in the designated bulletin board space.

(b) E-Mail Messaging System. Union representatives and SEIU-represented employees may use an Agency’s e-mail messaging system to communicate about Union business provided that all of the following conditions are followed:

(1) Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.

(2) Except as modified by this Article, an Agency shall have the right to control its e-mail system, its uses or information.

(3) The Agency reserves the right to trace, review, audit, access, intercept, recover or monitor use of its e-mail system without notice.

(4) Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency’s computer system for Agency business.
Group e-mails shall not include attachments or contain graphics (except for the Union logo), and shall be no more than approximately three (3) pages. Recipients of such group e-mails shall not use the “Reply All” function.

E-mail usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment.

The Agency will not incur any additional costs for e-mail usage including printing.

The Union will hold the Employer and Agency harmless against any lawsuits, claims, complaints or other legal or administrative actions where action is taken against the Union or its agents (including Union staff, Union officers and Stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this Article.

Such e-mail communications shall only be between SEIU-represented employees and managers, within their respective agency, and the Union. However, for purposes of negotiations, bargaining team members may communicate across agencies. Additionally, DAS recognized joint multi-Agency Labor-Management Committee members and the Union’s Board of Directors may communicate across agencies. Union officers and stewards may communicate with Union officers and Stewards across agencies for purposes of contract administration. The Union shall provide the names of its Board of Directors, Union Officers and Union Stewards to DAS.

Use of Agency’s e-mail system shall be on employee’s non-work time.

E-mail communication may include links to the Union website, which may be accessed on non-work time.

Nothing shall prohibit an employee from forwarding an e-mail message to his/her home computer.

E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate or coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.

Should the Employer believe that the Union’s staff has violated Article 10, Section 5(b) of the Master Agreement, the Employer will notify the Union’s Executive Director, in writing, within thirty (30) calendar days from the date of the alleged misuse of an Agency’s e-mail system. The Executive Director shall respond, in writing, within thirty (30) days and include the action that will be taken to enforce the Master Agreement. If, despite these actions, the violation continues, the Employer will notify the Union, in writing, within thirty (30) calendar days that the alleged misuse may be arbitrated. For the purpose of this Article, employees who are working for the Union while on a Union leave of absence will be considered Union staff.

Section 6. Union Steward Representation. The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the employee is acting in his/her role of Steward, the relationship is different than that of supervisor and employee.

Section 7. List of Union Representatives. The Union shall provide the Employer (Department of Administrative Services and each Agency)* with a list of the names of authorized Union Stewards and duty location, worksite representation responsibility, and a list of authorized staff representatives, and shall update those lists as necessary. If problems arise regarding Union Steward authorized activities in representing employees, the Union agrees to discuss the problem with the Department of Administrative Services Labor Relations Unit or the Agency as the situation suggests.

*For DMV, Agency means the Division Administrator.

Section 8. The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

Section 9. New Employee Orientation. Thirty (30) minutes shall be granted for a representative of the Union to make a presentation at the orientation of new employees on behalf of the Union for the purpose of identifying the organization’s representation status, organizational benefits, facilities, related information, and distributing and collecting membership applications. This time is not to be used for discussion of labor-management disputes. If the Union representative is an employee of the Agency, the employee shall be given time off with pay for the time required to make the presentation. The Employer will provide the Union reasonable notice of the place and time of meetings for the orientation of new employees. If the Agency does not offer an orientation within forty-five (45), or for seasonals thirty (30) calendar days of hire, an on-site Union representative may request to meet with the new employee or group of new employees in the bargaining unit. Subject to prior supervisory approval(s), regarding scheduling, the Union representative will be allowed to meet on work time to cover these same items. Such time is limited to thirty (30) minutes. The Union agrees that temporary employees will not make presentations at new employee orientations.

Section 10. Upon notice to their immediate supervisor, Union Stewards will be granted mutually agreed upon time off during regularly scheduled working hours:
(a) to investigate and process grievances;
(b) to represent bargaining unit employees in investigatory interviews; and
(c) to be present upon request when an employee is reporting inappropriate workplace behavior through the process set forth in DAS or Agency policy.

If the permitted activities would interfere with the work the Steward or employee is expected to perform, the immediate supervisor shall, within the next workday, arrange a mutually satisfactory time for the requested activity. Upon request of an employee who has received a written disciplinary action, a Union Steward may use Agency time to investigate the disciplinary action before the filing of a written grievance pursuant to Article 21 of the Agreement. Request for the use of
Agency time to meet with the employee or communicate by telephone, if the employee is not at the same worksite, shall be pursuant to Article 10 and 10.1-10.5 of this Agreement.

Section 11. Union Stewards will receive their regular rate of pay for time spent processing grievances and representing bargaining unit employees in investigatory interviews as described in Article 20 and Article 21 during their regularly scheduled hours of employment. However, only one (1) Union Steward will be in pay status for any one (1) grievance except where a grievance involves employees in more than one (1) Agency or where another Steward within the same Agency and work location accompanies a Steward, appointed during the preceding twelve (12) months, to attend meetings with management related to a maximum of two (2) grievances during their regular working hours. Supervisors may request that Stewards maintain and submit a monthly activity report of work time spent investigating and processing grievances.

The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 12. The Employer is not responsible for any compensation of employees or their representative for time spent processing grievances or distributing Union material outside their regularly scheduled hours of employment. The Employer is not responsible for any travel or subsistence expenses incurred by a grievant or Union Steward in the processing of grievances.

Section 13. Official Union delegates and members of the SEIU Local 503, OPEU, Board of Directors shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union’s biennial General Council or the SEIU quadrennial International Convention.

The Union shall notify the DAS Labor Relations Unit of the names of official delegates and board members who shall attend General Council, at least thirty (30) days in advance of the date of the General Council. The Labor Relations Unit will notify the SEIU-represented agencies and refer them to an on-line location to review the electronic list to use in granting the leave pursuant to this provision. In the event there are modifications to the notification, the Union agrees to send the modification request directly to the Agency. In emergency situations where the Union is unable to provide thirty (30) days advance notice, delegates and board members shall be granted leave with less than thirty (30) days notice unless, by granting such leave, the Agency will suffer undue hardship.

Subject to the employee’s work unit operating requirements, official Union Stewards shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union’s annual Steward Conference. Such request will be submitted in writing at least ten (10) workdays before the conference.

The Union President or Executive Director shall, at his/her request, be given release time from his/her position for a period not to exceed the term of his/her office for the performance of Union duties directly related and central to the collective bargaining relationship. However, if the Union President or Executive Director requests release time for less than his/her full regular schedule, such release time shall be subject to the Employer’s approval based on the operating needs of the employee’s work unit. The Union shall, within thirty (30) days of payment to the President or Executive Director, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 14.
(a) Upon timely request, the Department of Administrative Services shall make available at no cost to the Union the latest copy of any SEIU Local 503, OPEU bargaining unit employee statistical and expenditure reports relative to employment and benefits currently produced by the Department of Administrative Services which do not require manual or machine editing to remove confidential data or non-SEIU Local 503, OPEU bargaining unit employee data. Such request must be made in advance of the preparation of the reports. If new and appropriate employee statistical and expenditure reports are produced by the Department of Administrative Services, the Department and the Union may mutually agree in advance to provide such reports at no cost.
(b) Upon request, the Department of Administrative Services shall make available to the Union at cost any SEIU Local 503, OPEU bargaining unit employee statistical and expenditure data relative to employment and benefits which is possible to produce, although not normally produced, by the Department of Administrative Services. Data that are not normally produced, but possible to produce, include manual or machine editing of existing reports to remove confidential data or data on non-SEIU Local 503, OPEU bargaining unit employees or data or reports that require new development.
(c) The Employer shall furnish monthly to the Union an electronic list of new employees hired into positions represented by the Union. The list shall contain the name, classification, date of employment, type of appointment, transfer if known, and worksite address and phone numbers, if available, of the new employees.

Section 15. Dues Deduction.
(a) Upon written, electronic or recorded voice request from an employee, monthly Union dues plus any additional voluntary Union deductions shall be deducted from the employee’s salary and remitted to the Union. Additionally, upon written notice from the Union, authorized increases in Union dues in the form of special assessments, shall be deducted from the employee’s salary and remitted to the Union according to this Section. Such notice shall include the amount and duration of the authorized special assessment(s). All applications or cancellations of membership shall be submitted by the employee to the Union. Any written applications for Union membership and/or authorizations for Union dues and/or other deductions or for dues cancellations which an Agency receives shall be
promptly forwarded to the Union. The Union will maintain the written, electronic and recorded voice authorization records and will provide copies to the Employer upon request.

(b) Any written, electronic or recorded voice dues deduction authorizations submitted that contain the following provision will cease only upon the compliance of the employee with the stated conditions as follows:

- This authorization is irrevocable for a period of one (1) year from the date of execution and from year to year thereafter unless not more than forty-five (45) days and not less than thirty (30) days prior to the end of the annual period or the termination of the contract between my employer and the Union, whichever occurs first, I notify the Union and my employer in writing, with my valid signature, of my desire to revoke this authorization.

The Union recognizes that the above information may require hand editing and/or notations. Therefore, only repeated errors or omissions will be considered a violation of this Section.

The Union shall notify the Agency payroll offices of any required corrections resulting from this Section.

(e) The Agency shall continue to deduct dues from employees as long as the employee remains on the same designated payroll, except when the employee requests cancellation of the dues deduction in writing, including reemployed seasonals and employees recalled from layoff lists.

(f) Upon return from leave of absence or leave without pay, the Agency shall reinstate the payroll deduction of Union dues from those workers who were having dues deducted immediately prior to taking leave.

(g) If a Union member transfers to another Agency represented by SEIU Local 503, OPEU, the gaining Agency will designate the employee as a transfer on the new employee list referenced in Section 14(c) if the gaining Agency is aware the employee has transferred. The Union shall notify the Agency payroll offices of any required corrections resulting from this Section.

ARTICLE 10.5--UNION RIGHTS/STEWARDS (Special Agencies Coalition)

Section 1. Union Rights.

(a) Union Stewards will be allowed to wear Union Steward identification during working hours.

(b) Union Stewards shall be given reasonable time off during regularly scheduled working hours without loss of pay for:

(1) Investigating and processing grievances;

(2) Meeting with management related to a grievance;

(3) A meeting not to exceed thirty (30) minutes with a grievant related to the grievance.

(c) If new employee orientation is not furnished by the Agency, the new employee’s supervisor shall schedule, upon request, a time during working hours for a Union representative to orient the new employee(s).

Section 2. Union Stewards. Union Stewards shall be selected with the following limitations:

(a) Education—Twelve (12) Stewards, with one (1) of these Stewards representing Agency bargaining unit employees at Hillcrest School, one (1) Steward representing Agency bargaining unit employees at MacLaren School, and two (2) Stewards representing Agency bargaining unit employees at OSD.

(b) Water Resources—Four (4) Union Stewards unless the unit falls below sixty (60) employees and then not more than two (2) Union Stewards.

(c) Library—Four (4) Stewards.

(d) Treasury—Two (2) Stewards.

(e) Department of Administrative Services—The Agency agrees to recognize a maximum of fifteen (15) Stewards.

(f) Commission for the Blind—One (1) Steward per thirty (30) employees.

(g) PERS—Four (4) Stewards.

(h) Justice—In any location where there are two (2) or more permanently assigned bargaining unit employees, such employees will be entitled to have one (1) Steward per fifty (50) such employees or portion thereof.

The Agency will make an effort to arrange investigatory meetings so that a worksite Steward is available to attend. If no Steward is available for employee representation at the employee’s worksite, the employee will select a Steward from the next closest worksite (as determined by road miles). At the employee’s request, the Agency will provide the employee a list of all Stewards at the next closest worksite. A Steward may also not be considered “available” if the Steward or employee reasonably determines that a conflict of interest between the Steward and employees exists, which would interfere with the Steward’s capacity to act in the best interests of the employee.

(i) OHCS—Five (5) Stewards.

(j) Revenue—Sixteen (16) Stewards.

(k) Department of Consumer & Business Services, including Workers’ Compensation Board—Twenty (20) Stewards. No more than two (2) Union Stewards may be located in the same section or other designated work unit of employees reporting to a first-line supervisor.

(l) Agriculture—Seven (7) Stewards.

(o) Health Related Licensing Boards—Employees of each Board shall be allowed one (1) Steward, and Boards where there are twenty-five (25) or more employees shall be allowed two (2) Stewards.
ARTICLE 11--EMPLOYEE ASSISTANCE PROGRAM (EAP)

Section 1. The Employer agrees to provide to the Union the statistical and program evaluation information provided to management concerning Employee Assistance Program(s).

Section 2. No information gathered by an Employee Assistance Program may be used to discipline an employee.

Section 3. All bargaining unit employees except temporaries shall be entitled to use accrued sick leave for participation in an Employee Assistance Program.

Section 4. The Agency will offer training to local Union Stewards on the Employee Assistance Program available in their Agency, on Agency time, where an Employee Assistance Program is available.

ARTICLE 13--CONTRACTING-OUT

Section 1. The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, if the work can be done by Agency workers for a lower cost with equal benefits and there is the expertise and FTE, the work will stay within the Agency.

When the contract exceeds sixty thousand dollars ($60,000) annually or when the contracting-out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting-out the work in question. Agencies shall either use the form in Appendix H or another form, provided there is no substantive changes to the information contained in Sections F-K of the form in Appendix H. Agencies shall send all feasibility studies conducted under Article 13 directly to SEIU Local 503, OPEU Headquarters.

Section 2. Upon request, but no more than quarterly, Agencies shall provide the Union with a report identifying contracts awarded to any group, individual, organization or business enterprise that could be appropriately performed by bargaining unit members.

Section 3. The Employer shall provide the Union with no less than thirty (30) days’ notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates. The Employer will count eighty percent (80%) of the affected employee’s straight-time rate when comparing the proposals.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279A.010(1)(f) and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 4. If the Union’s proposal would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 5. Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer’s obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

“Displaced” as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 6. Once an Agency makes a decision to contract out, it will either:

(a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to “just cause” terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 70, Sections 9 through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee’s discretion, be placed on a secondary recall list for a period of two (2) years; or

(b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 45—Filling of Vacancies, this Article shall prevail.

(c) An employee may exercise all applicable rights under Article 70— Layoff, including prioritizing options (1), (2), (3) or (4), as described in Article 70 Section 2, if the employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select his/her Article 70 Section 2 options within five (5) calendar days pursuant to notification of (a) or (b) above.
ARTICLE 14--NEGOTIATIONS PROCEDURES

Section 1. Negotiations shall commence pursuant to Article 4 of this Agreement and the Parties will structure their Agreement per the four (4) Agency groups set forth below:

HUMAN SERVICES: Department of Human Services-Oregon Health Authority, Employment Department;

INSTITUTIONS: Oregon Youth Authority (Youth Correctional Facilities), Oregon Health Authority Institutions: Oregon State Hospital (OSH), Pendleton State-Delivered Secure Residential Treatment Facility (Pendleton Cottage), OYA Administration and Field Services;

ODOT: Oregon Department of Transportation (ODOT), Forestry, Oregon Parks and Recreation Department (OPRD), Oregon Department of Aviation (ODOA), Oregon Department of Fish & Wildlife (ODFW);

SPECIAL AGENCIES: Justice, Revenue, Higher Education Coordinating Commission, Workers’ Compensation Board, Department of Consumer & Business Services (DCBS), Agriculture, Bureau of Labor and Industries (BOLI), Veterans’ Affairs, Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Board of Psychologist Examiners, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology & Audiology, Board of Naturopathic Medicine, Education, Water Resources, Library, Treasury, Commission for the Blind, Public Employees Retirement System (PERS), Special Schools, State Scholarship, Department of Administrative Services, Oregon Watershed Enhancement Board (OWEB), Oregon Housing & Community Services (OHCS) and Teachers Standards and Practices Commission.

Section 2. The Union agrees, as a prior condition to the release of employees from work, to notify the Employer in writing of its members designated as representatives for negotiations.

(a) Central Table. The Employer agrees to grant leave with pay for up to eight (8) employees, except for temporary employees, at a central bargaining table to represent the Union for actual negotiating table time including caucuses, negotiation work sessions, and a reasonable number of membership meetings relating to negotiations. However, there shall be no more than one (1) employee representative from each Agency, except for Agencies which have two thousand, five-hundred (2,500) or more bargaining unit members which may have up to two (2) representatives, provided they are not from a single work location. Negotiations at the Central Table will take place during normal business hours.

(b) Coalition Tables. Coalition negotiations will take place after normal business hours. For Coalition negotiations, the Employer agrees to unschedule, or grant paid time as outlined below, for up to a total of twenty-four (24) employees designated as employee bargaining team representatives, except temporary employees, but no more than eight (8) employees per coalition table. The designated employee bargaining team representative will be granted up to twenty-four (24) non-cumulative hours each month of paid time for up to one-hundred and fifty (150) calendar days for attendance at negotiations, including travel time, provided coalition bargaining sessions and/or travel time occur during an employee’s regular work schedule. However, the one-hundred and fifty (150) calendar days will begin no later than February 15 or the closest business day thereto. The inclusion of paid time will not result in the employee receiving greater benefit than the employee would have received had the employee not attended the bargaining session. Should it become necessary for the Employer to replace or unschedule an employee scheduled for swing or graveyard shift so as to permit that employee to participate in collective bargaining negotiations, the Union agrees alternatively as follows:

(1) Six (6) workdays notice shall be given by the Union to the Employer so as to allow the Employer to avoid payment of penalty pay for the schedule change of the replacement employee; or

(2) If the Union does not give notice prescribed in (1) above, the Union shall reimburse the Employer for the penalty pay paid to the replacing employee.

Section 3. The Employer is not responsible for travel, per diem, overtime, or other benefits beyond that which the employee would have received had the employee not attended bargaining sessions.

Section 4. Subject in each case to prior approval by the Agency, the Employer further agrees to grant leave without pay to additional employees determined necessary by the Union to attend negotiating sessions.

Section 5. Ratification. It is understood that all tentative agreements at the table are subject to ratification by both Parties.

ARTICLE 15--PARKING

The Employer agrees to advise the Union of any proposed change in parking rates at the State-owned or operated facilities as soon as the Department of Administrative Services has knowledge of an impending change. (See Letters of Agreement 15.00-99-05 & 15.00-13-239 in Appendix A.)

ARTICLE 17.5--AGENCY PERSONNEL RULES AND PRACTICES (Special Agencies Coalition)

Upon written request by the Union, the Agency will promptly furnish to it a written statement regarding its rules or policies on any specific employment matter or when they exist in written form, a copy thereof.

ARTICLE 19--PERSONNEL RECORDS

Section 1. Each Agency shall maintain one (1) official personnel file for each employee, located at the primary Human Resources office for the Agency. For purposes of this Article, “Agency” shall include health-related licensing boards and institutions that maintain the official personnel files for their employees.

Where the personnel records are maintained on microfiche/microfilm, the personnel file will include both microfiche/microfilm and any material not yet copied.
Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in his/her official Agency personnel file or supervisory working file; provided that, if the official personnel file or supervisory working file is kept at a separate facility, the employee shall, at the Agency’s discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of his/her request. With the employee’s written authorization, his/her Union Steward may inspect the employee’s official personnel file, and supervisory working file, consistent with the time requirements provided herein. If the supervisory working file cannot be made available due to the absence of a supervisor, extensions of up to ten (10) days will be granted.

No grievance material shall be kept in an employee’s official personnel file.

**Section 2.** No information reflecting critically upon an employee except notices of discharge shall be placed in the employee’s official personnel file that does not bear the signature of the employee. The employee shall be required to sign material to be placed in his/her official personnel file provided the following disclaimer is attached:

“Employee’s signature confirms only that the supervisor has discussed and given a copy of the material to the employee. The employee’s signature does not indicate agreement or disagreement with the contents of this material.”

If an employee is not available within five (5) working days or refuses to sign the material, the Agency may place the material in the file, provided a statement has been signed by two (2) management representatives and a copy of the document was mailed certified to the employee at his/her address of record or hand delivered to the employee.

**Section 3.** Employees shall be entitled to prepare and provide copies of any written explanation(s) or opinion(s) regarding any critical material placed in his/her official personnel file or supervisory working file. The employee’s explanation or opinion shall be attached to the critical material and shall be included as part of the employee’s official personnel record or supervisory working file so long as the critical materials remain in the file.

Where the personnel records are maintained on microfiche/microfilm, the explanation or opinion will be placed next to or in closest possible proximity to the critical material.

**Section 4.** An employee may include in his/her official personnel file a reasonable amount of relevant material such as letters of commendation, licenses, certificates, college course credits, and other material which relates creditably to the employee. This material shall be retained for a minimum of three (3) years except that licenses, certificates, or college credit information may be retained so long as they remain valid and relevant to the employee’s work.

**Section 5.** Material reflecting caution, consultation, warning, admonishment, and reprimand shall be retained for a maximum of three (3) years. Such material will, at the employee’s request, be removed after twenty-four (24) months, provided there has been no recurrence of the problem or a related problem in that time. Earlier removal will be permitted when requested by an employee and if approved by the Appointing Authority.

Material relating to disciplinary action recommended, but not taken, or disciplinary action which has been overturned and ordered removed from the official personnel file(s) on final appeal, shall be removed.

Incorrect material will be removed, upon request, from an employee’s personnel file. (See Article 85–Position Descriptions and Performance Evaluation.)

**Section 6.** Upon written request by the employee, the Agency will make a good faith effort to return material removed from the official personnel file to the employee. A copy of the request will be maintained in the official personnel file.

**ARTICLE 19T—PERSONNEL RECORDS** (Temporary Employees)

**Section 1.** Each Agency shall maintain one (1) official personnel file for each employee, located at the primary administrative Personnel Office for the Agency. For purposes of this Article, “Agency” shall include health-related licensing boards and institutions that maintain the official personnel files for their employees.

Where the personnel records are maintained on microfiche/microfilm, the personnel file will include both microfiche/microfilm and any material not yet copied.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in his/her official Agency personnel file; provided that, if the official personnel file is kept at a separate facility, the employee shall, at the Agency’s discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of his/her request. With the employee’s written authorization, his/her Union Representative may inspect the employee’s official personnel file, consistent with the time requirements provided herein.

No grievance material shall be kept in an employee’s official personnel file.

**Section 2.** No information reflecting critically upon an employee shall be placed in the employee’s official personnel file without a copy being provided to the employee in person or by mail at the last known address.

Employees shall be entitled to prepare a written explanation or opinion regarding any critical material placed in his/her official personnel file. The employee’s explanation or opinion shall be attached to the critical material and shall be included as part of the employee’s official personnel record so long as the critical materials remain in the file. Where the personnel records are maintained in a different format, the explanation or opinion will be placed next to or in closest possible proximity to the critical material.

**Section 3.** Supervisory Working Files. With reasonable advance notice, an employee shall be allowed to inspect the working file on him/herself that is maintained by his/her supervisor.
ARTICLE 20--INVESTIGATIONS, DISCIPLINE, AND DISCHARGE

Section 1. The principles of progressive discipline shall be used when appropriate. Discipline shall include, but not be limited to: written reprimands; denial of an annual performance pay increase; reduction in pay;* demotion; suspension without pay*; and dismissal. Discipline shall be imposed only for just cause.

*For FLSA-exempt employees, except for penalties imposed for infractions of safety rules of major significance, no reduction in pay and only suspensions without pay in one (1) or more full workweek increments unless or until FLSA restrictions on economic sanctions for exempt employees are eliminated by statute or a court decision the State determines dispositive. Safety rules of major significance include only those relating to the prevention of serious danger to the Agency, or other employee.

Section 2. The Employer is committed to conducting investigations in a timely manner. Agencies will make reasonable efforts to begin the investigatory process on potential disciplinary issues within thirty (30) days of becoming aware of the issue. However, the Parties recognize that circumstances and complexities of individual cases may delay initiation of an investigation.

Section 3. Suspension With Pay or Duty Stationed at Home Pending an Investigation by the Agency’s Human Resource Office. The employee shall be notified in writing of the initial reason for the action within seven (7) calendar days of the effective date of the action. The Agency will conduct the initial interview with the employee within thirty (30) calendar days of notification of the action. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time.

Section 4. Upon request, the Agency shall give the employee under Weingarten investigation, and his/her steward of record, notification of the status of the Agency’s investigation, every thirty (30) days until completed. Upon completion of the investigation, the Agency will provide the employee and his/her steward of record with written notification of the disposition of the investigation.

Section 5. A written pre-dismissal notice shall be given to a regular status employee who is being considered for dismissal. Such notice shall include the then known complaints, facts, and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Appointing Authority at a time and date set forth in the notice, which date shall not be less than seven (7) calendar days from the date the notice is received or, at the option of the employee, by written response by that date. The employee shall be permitted to have an official representative present. At the discretion of the Appointing Authority, the employee may be suspended with or without pay or be allowed to continue to work as specified in the pre-dismissal notice. Should an employee be suspended without pay, the employee will first be afforded notice and right to present mitigating circumstances to the Appointing Authority or designee.

Section 6. Dismissal, Reduction, Suspension Without Pay, Demotion, Written Reprimands, Performance Pay Increase Denial, and any other form of Discipline.

(a) An employee shall receive written notice of the discipline with the specific charges and facts supporting the discipline at the time disciplinary action is taken. Copies of pre-dismissal and dismissal notices will be sent to the Union headquarters (Salem) within five (5) calendar days of being issued to the employee. Failure to send a copy of the pre-dismissal or dismissal notice to the Union will not void the disciplinary action. Suspensions with pay will not be recorded in employee personnel files nor in any manner used against an employee if no disciplinary action is subsequently taken.

(b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:

If you choose to contest this action you have a right to be represented by the SEIU Local 503, OPEU. SEIU must file an appeal within thirty (30) calendar days from the date of the discipline in accordance with Article 21. Failure to include this notice will not void the disciplinary action.

Section 7. Employees in initial trial service with the State shall have no right to appeal removals from state service under this Article. Employees in trial service as a result of promotion who are returned to their former classification shall have no right of appeal under this Article for such removal. However, an employee in trial service as a result of promotion who is dismissed from state service may have his/her dismissal appealed by the Union under this Article.

Section 8. Weingarten Rights. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

(See Last Chance Agreements, Article 21, Section 12).

Section 9. When an employee is the subject of an investigation that could implicate the employee in criminal activity, his/her Garrity rights shall be observed.

ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievances are defined as acts, omissions, applications, or interpretations alleged to be violations of the terms or conditions of this Agreement.
Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the form identified as the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The Union may add other relevant Articles to the list of Articles allegedly violated at Step 2.

All grievances shall be processed in accordance with this Article and it shall be the sole and exclusive method of resolving grievances, except for the following Articles:

- Article 2--Recognition
- Article 5--Complete Agreement/Past Practices
- Article 22--No Discrimination
- Article 56--Sick Leave (FMLA/OFLA)
- Article 81--Reclassification Upward, Reclassification Downward, and Reallocation

Section 2. Time limits specified in this and the above-referenced Articles shall be strictly observed, unless either Party requests a specific extension of time, which if agreed to, must be stipulated in writing and shall become part of the grievance record. “Filed” for purposes of Step 1 through Step 4 grievances shall mean postmarked (dated by meter or U.S. Post Office), date of email or other electronic format, or fax received by close of the business day or actual receipt.

Grievance filings and appeals shall include the grievance form and in the case of appeals management responses at the previous step. Any other documentation may be presented at the grievance meeting or a method other than email.

The timeline for the Employer response at each grievance step shall begin the first day following the day of receipt. The timeline for the Union appeal to the next higher step shall begin the first day following the day the Employer response is due or received.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn by the grievant or the Union. If the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

Grievance steps referred to in this Article may be waived by mutual agreement in writing. Such written agreements shall become part of the grievance file.

Section 3. When required by the Employer to investigate the grievance, any time spent by employee(s) to attend meetings during regular working hours, shall be considered as work time.

Section 4. Group Grievances. Where there are group grievances in Agencies involving two (2) or more supervisors, such grievances shall be filed and processed in accordance with Step 2 of the grievance procedure. When a grievance involves employees in more than one (1) Agency, such grievance shall be filed and processed in accordance with Step 3 of this Article. The grievance shall specifically enumerate, by name, the affected employees, when known. Otherwise, the affected employees will be generically described in the grievance.

Section 5. Grievances shall be processed as follows:

**Step 1.** The grievant(s), with or without Union representation, shall, within thirty (30) calendar days, file the grievance except as otherwise noted to his/her management/executive service supervisor*. Upon request of either Party, the Parties will meet to discuss the grievance. The supervisor shall respond in writing to the grievant(s) within fifteen (15) calendar days from the receipt of the grievance. In all cases, the grievant and his/her management/executive service supervisor will attempt to meet within the thirty (30) calendar day filing period in an attempt to resolve the grievance at the lowest possible level of management. Failure to meet will not invalidate the grievance.
All Step 1 grievance settlements are non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings now or in the future. Step 1 grievance settlements shall be reduced to writing and signed by the grievant and management/executive service supervisor. Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining Agreement, including but not limited to Article 5, or ORS Chapter 243, and shall not give rise to any bargaining or other consequential obligations.

“In ODOT (Highway), this is the District Manager; in OPRD, this is the Park Manager; or, in either case, the equivalent Program Manager; and in Forestry, this is the District Forester or Program Director. In the State-owned Airports Branch of ODOA, this is the State Airports Manager. In the Statewide Services Branch of ODOA, this is the Agency Head. In ODFW, grievances filed at Step 1 are to be filed with the Division Administrator or Regional Manager, whichever is appropriate for that work unit.

**Step 2.** When the response at Step 1 does not resolve the grievance, the grievance must be filed by the Union within fifteen (15) calendar days after the Step 1 response is due or received. The appeal shall be filed in writing to the Agency Head or his/her designee, who shall respond in writing within fifteen (15) calendar days (thirty (30) calendar days for discipline) after receipt of the Step 2 appeal. Upon request of either Party, the Parties will meet to discuss the grievance.

*“Agency Head” as used in this Section shall normally mean the appointed or elected executive head of the Agency, except as follows:*

- Health-Related Licensing Boards—Chief Administrative Officer
- OHA Institutions—Institution or Facility Superintendent
- ODOT—Chief of Human Resources or designee
- OPRD—Parks Director or designee
- Forestry—State Forester or designee
- ODFW—Agency Director or designee

**Step 3.** Failing to settle the grievance in accordance with Step 2, the appeal, if pursued, must be filed by the Union and received by the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after the Step 2 response is due or received. The Labor Relations Unit shall respond in writing within fifteen (15) calendar days from receipt of the Step 3 appeal. At this step the Parties agree that a face-to-face meeting (or the equivalent by phone) will occur between the Union and Labor Relations Unit. If the Union wishes to pursue a grievance involving only temporary employees beyond Step 3, the issue must first be submitted to grievance mediation. The request to initiate mediation shall be submitted by the Union to the Labor Relations Unit within fifteen (15) days of the Step 3 response.

**Step 4.** Grievances which are not satisfactorily resolved at Step 3 may be appealed to arbitration. If the Union intends to appeal to arbitration, the appeal must be received by the Labor Relations Unit of the Department of Administrative Services within forty-five (45) calendar days after the Step 3 response was due or received. If the Union has filed a notice of intent to arbitrate a grievance, a letter from the Union requesting an arbitrator shall be sent to the Labor Relations Unit within sixty (60) days of such notice or the grievance will be deemed withdrawn.

**Section 6. Arbitration Selection and Authority.**

(a) Arbitrations between the Parties shall be presented to one of the following arbitrators:

1. Amadeo Greco
2. Phillip Kienast
3. James A. Lundberg
4. Ronald L. Miller
5. Sylvia P. Skratek
6. Timothy D. W. Williams

Through mutual agreement, the Parties may elect to reopen this Section to modify the list of arbitrators.

(b) Arbitrators shall be assigned on a rotational basis in the order set out above. Upon Labor Relations’ receipt of a letter of intent to arbitrate and subsequent approval to proceed to arbitration from the SEIU Local 503, OPEU, a calendar for potential date selection will be offered which includes the three (3) month period beginning the second full month after receipt of the approval to proceed correspondence. However, when the arbitrator originally selected is unable to schedule a hearing within the three (3) month period, the next arbitrator in rotation will be sent the same dates to schedule the hearing. In instances where the Parties agree to consolidate cases, meaning combining a related disciplinary action with a pending arbitration case, the arbitrator assigned to handle the first case will also be assigned to handle the subsequent matter. Arbitrators will use cancellation days and any unused scheduled days for writing awards on any outstanding cases under this Agreement. Cancellation fees will be applied toward any writing days.

(c) Within fifteen (15) calendar days of receiving confirmation of an appeal of a grievance to arbitration, the Labor Relations Unit shall assign the next arbitrator on the list for selection and shall simultaneously notify the interested Parties of such assignment.

(d) Representatives of each Party, in conjunction with the chosen arbitrator, shall mutually select dates for arbitration within a reasonable period of time.

(e) The arbitrator shall have the authority to hear and rule on all issues which arise over substantive or procedural arbitrability. Such issues, if raised, must be heard prior to hearing the merits of any appeal to arbitration. Upon motion by either Party that there exists issues involving substantive or procedural arbitrability, the arbitrator shall hear the arbitrability issue(s) first and the Parties shall make oral closing statements. The arbitrator shall issue a bench ruling by the end of the business day. When the arbitrator determines that the case is not arbitrable, the decision
shall be affirmed in writing within seven (7) calendar days from the close of the hearing. If the grievance is arbitrable, the Parties shall continue with the hearing that day or the next business day, as time permits. In cases where arbitrability is affirmed, the arbitrator’s award will include written findings on arbitrability.

(f) The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties. The arbitrator shall issue his/her decision or award within thirty (30) calendar days of the closing of the hearing record. The arbitrator shall have no authority to rule contrary to, to amend, add to, subtract from, change or eliminate any of the terms of this Agreement. The arbitration will be handled in accordance with the rules of the American Arbitration Association.

(g) The Employer and the Union will develop stipulations of fact and use affidavits and other time-saving methods whenever possible and when mutually agreed upon in all cases proceeding to arbitration.

(h) The Parties shall split the arbitrator’s charges equally. All other expenses shall be borne exclusively by the Party requiring the service or item for which payment is to be made. If either party cancels the arbitration hearing, the canceling party will pay the arbitrator fees unless mutually agreed otherwise.

(i) Arbitrations for cases involving Articles exclusively applying to temporary workers shall be processed using the expedited grievance procedure outlined in Section 7 of this Article.

Section 7. Expedited Arbitration Procedure. The expedited procedure shall be used for either grievances involving Articles exclusively applying to temporary workers or, with the mutual agreement of the Employer and Union, for other grievances. For grievances that do not involve Articles exclusively applying to temporary workers, either the Employer or Union may request in writing that the expedited arbitration procedure be used at the time the Parties are scheduling dates with the arbitrator.

(a) The Employer and Union will develop a stipulation of facts and use affidavits and other time-saving methods whenever possible and when mutually agreed upon.

(b) Case presentation will be limited to preliminary opening statements, brief recitation of facts, witness presentation and closing oral argument. No post hearing briefs shall be filed or transcripts made. The hearing will be completed within one (1) business day unless otherwise agreed upon by the Parties.

(c) The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the Parties.

(d) The arbitrator may issue, at his/her discretion, a bench decision at the conclusion of the hearing or may issue a written award no later than seven (7) calendar days from the close of the hearing excluding weekends and holidays.

(e) All decisions shall be final and binding on the Employer and Union. An arbitration award will be non-precedential if mutually agreed upon by the Parties before the hearing starts. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.

Section 8. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

Section 9. A grievant shall be granted leave with pay for appearance before the Employment Relations Board or arbitration, including the time required going and returning to his/her headquarters. The Union Steward of record shall be granted leave with pay to attend the actual Board or arbitration hearing. The Steward shall not be eligible for overtime, travel expenses, penalty payments or premium payments as a result of this Section.

Section 10. No reprisals shall be taken against any employee for exercise of his/her rights under the provisions of this Article.

Section 11. Information requests concerning grievances shall be sent to the Agency Human Resources Office or Union. The request(s) shall be specific and relevant to the grievance investigation. The Agency Human Resources Office/Union will provide the information to which the Party is lawfully entitled. Reasonable costs shall be borne by the requesting Party. The requesting Party shall be notified of any costs before the information is compiled. Notwithstanding Article 19–Personnel Records, and upon the Union’s written request, the Agency, within a reasonable period of time, will provide a listed summary of redacted Agency-issued disciplinary actions or redacted disciplinary letters, whichever is requested by the Union.

Section 12. The Parties acknowledge that an Agency, at its own discretion, may offer a last chance agreement to an employee. Last chance agreements will be signed by the employee and the Union unless the employee affirms in writing that the Union not be a Party to the agreement. Such agreement, if offered, shall include the conditions, consequences of failure and term of agreement. This Section does not apply to temporary employees. (See Human Services Coalition Letter of Agreement 21.1C-99-07 in Appendix A.)

ARTICLE 22 – NO DISCRIMINATION

Section 1. It is the policy of the Employer and the Union not to engage in unlawful discrimination against any employee because of race, color, marital status, religion, sex, national origin, age, mental or physical disability, or any other protected class under State or Federal law. Neither will the Employer discriminate based on gender identity or sexual orientation. To this end, the Parties further agree to apply the provisions of this Agreement equally to all employees in the bargaining unit without regard to their status in any of the categories specified above and to support application of federal and state laws and regulations, where applicable.
Section 2. Sexual harassment is considered a form of sex discrimination. No employee shall be subjected to sexual harassment by the Employer, Union, or other bargaining unit members. Unwelcome sexual advances, requests for sexual favors, and other deliberate or repeated unsolicited verbal or physical conduct of a sexual nature constitutes sexual harassment when:

(a) submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment;
(b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
(c) such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment.

Section 3. Any alleged violations of Article 22 may only proceed to the Agency Head or designee level, and are not arbitrable. Grievances alleging any form of discrimination as listed in Section 1 will be submitted in writing within thirty (30) days of date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance, directly to the Agency Head or designee as defined or used in Article 21, Section 5. The Agency Head or designee shall respond within thirty (30) calendar days after receipt of the grievance.

Section 4. Discrimination grievances may be submitted by the Union or the grievant to the Bureau of Labor and Industries or the EEOC for resolution, if not already so filed. Nothing in this Article shall preclude an employee from filing a charge of discrimination with the Bureau of Labor and Industries or the EEOC at any time.

(Article 23.5--CLIENT COMPLAINT INVESTIGATION) (OHCS, Agriculture)

Section 1. When the Agency receives a complaint of probable merit against an employee from a client or other source external to the Agency that concerns a violation of law, rules, policy, or procedure, an investigation may be made. The employee will be notified of the complaint and pertinent facts within one (1) week of its receipt by the Agency. If available, the Agency shall give the involved employee(s) written notification of the result of the Agency’s investigation of non-criminal complaints upon request of the employee.

(ARTICLE 23T--PUBLIC COMPLAINT INVESTIGATION) (Temporary Employees)

If an Agency receives a complaint against an employee and the Agency chooses to conduct an investigation of the matter, the Agency shall notify the employee of the investigation. Such notice is not required in instances involving criminal investigations, undercover or confidential investigations, or in situations where the investigation may be jeopardized by such notice.

(ARTICLE 23T--PUBLIC COMPLAINT INVESTIGATION) (Temporary Employees)

(d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

(e) If an employee believes that he/she is performing the duties that meet the criteria in Subsection (a), leadworker, but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency may review the duties within fifteen (15) calendar days. If the Agency determines that the leadwork duties were in fact assigned and are appropriate, the leadwork differential will be effective beginning with the day the employee notified the Agency Head of the issue.

(1) If an employee believes that he/she is performing the duties that meet the criteria stated in Subsection a(5), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. Section 4. Wage Floor. Effective June 15, 2018, the Employer shall establish a minimum monthly wage of two-thousand six-hundred dollars ($2600) per month. Any salary step that is below this minimum wage shall be removed from the compensation plans. The two-thousand six-hundred dollar ($2600) wage floor shall be determined within the Range Option “P” compensation plan.
Employees whose current rate is below the first (1st) step of the new range shall be moved to the first (1st) step of the truncated range. Employees will maintain their current salary eligibility date. (See Letters of Agreement #27.00-15-270 & #27.00-17-295 in Appendix A.) (See also Special Agencies Coalition Letter of Agreement #27.5A-03-73 in Appendix A.)

ARTICLE 29--SALARY ADMINISTRATION

Section 1. Pay
(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December’s paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.

(d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee’s designated payday shall be authorized subject to approval of the Appointing Authority or designee, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
1. Death in family
2. Major car repair
3. Theft of funds
4. Automobile accident (loss of vehicle use)
5. Accident or sickness
6. Destruction or major damage to home
7. New employee lack of funds (maximum--one (1) draw)
8. Moving due to transfer or promotion.

Section 2. Submission of Salary Increases
Recommendations for salary increases must be made to be effective on the first day of the month and must be submitted prior to the proposed effective date. However, retroactive six (6) month and annual salary increases to correct errors or oversights and retroactive payments resulting from grievance settlements shall be authorized. The proposed effective date for retroactive six (6) month and annual salary increases must be the first day of the month no more than twelve (12) months prior to the time of submitting the correcting recommendation.

Section 3. Performance Increase
Salary administration shall be based upon a performance-based system. Employees shall be granted an annual performance pay increase on their eligibility date if the employee is not at the top of the salary range of their classification, and provided the employee’s performance has not been deficient. Employees who do not receive an annual performance pay increase shall receive timely notice of deficient performance or conduct during the evaluation period. Employees shall receive a notice related to the deficiencies as they are noted prior to the completion of the performance evaluation period. “Timely” shall be a reasonable amount of time, taking into consideration the specific alleged deficient performance. Such notice shall provide the employee with adequate opportunity to correct the problem prior to the end of the evaluation period.

Employees shall be eligible for performance increases at the first of the month following the intervals of:
(a) Annual periods after the initial date of hire until the employee has reached the top step in his/her salary range. However, should an employee be promoted during the first year of service with the Employer, the employee shall not receive this increase, but shall be eligible for increases in Section 3(b).
(b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in his/her salary range.
Performance-based pay shall use the following criteria:

(1) Classification specifications developed and promulgated by the Employer.
(2) An individual position description reduced to writing.
(3) Written memoranda including letters of instruction, when necessary. Work plans where used will not be accepted as a substitute for notice of deficiency.
(4) Disciplinary action.

The above criteria shall be the primary factors upon which an employee’s performance is judged and upon which annual performance pay decisions are determined.

Section 4. Salary on Demotion. Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous salary step, the employee’s salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have corresponding salary steps with the employee’s previous salary but is within the new salary range, the employee’s salary shall be maintained at the current rate until the next eligibility date. At the employee’s next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever employees demote to a job classification in a lower range, but their previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 5. Salary on Promotion.

(a) An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion.

   If an employee is demoted or removed during trial service as a result of a promotion, his/her salary shall be reduced to the former step, and the previous salary eligibility date shall be restored.

   If the employee’s salary eligibility date occurs during the promotional trial service period, upon reinstatement to the previous class, the salary eligibility date prior to promotion will be recognized.

(b) Salary on Recall from Demotion in Lieu of Layoff. Upon recall to his/her former classification, an employee demoted in lieu of layoff shall retain his/her previous salary eligibility date and, as of the date of recall, be restored at the salary the employee would have been eligible for had a demotion not occurred, unless the employee is denied the increase as a disciplinary action.

Section 6. Salary on Lateral Transfer. An employee’s salary shall remain the same, except where the Appointing Authority or designee determines that exceptional circumstances justify payment of a higher rate, when transferring from one (1) position to another which has the same salary range.

Section 7. Effect of Break-In-Service. When an employee separates from state service and subsequently returns to state service, except as a temporary employee, the employee’s salary eligibility date shall be determined by the Agency as follows:

(a) Return from Recall List. The employee’s previous salary eligibility date, adjusted by the amount of break-in-service, shall be restored.

(b) Return from Reemployment. The employee’s previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.

Section 8. Rate of Pay on Appointment from Layoff List. When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at which such employee was being paid at the time of layoff. The salary eligibility date of an individual who is appointed from a layoff list shall be determined in accordance with Section 7.

Section 9.

(a) Rate of Pay on Return to State Service by Reemployment. When a former employee is appointed from reemployment to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, he/she may be paid at or below the step at which he/she was being paid at the time of his/her termination. If a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position, he/she may be paid at any step in the lower salary range not exceeding the rate he/she was being paid in the higher classification, except where exceptional circumstances justify payment of a higher rate. The salary eligibility date of a former employee who is appointed from reemployment shall be determined in accordance with Section 7.

(b) Rate of Pay on Reemployment Without a Break-In-Service.

(1) When a current employee is returning from demotion to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, the employee shall be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.

(2) When a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position as referenced in Subsection (b)(1), the employee may be paid at any step in that lower salary range not to exceed the top step or the rate he/she would have received pursuant to Subsection (b)(1). However, if an employee’s current rate of pay is below the top step of the lower classification’s salary range,
she/he retains that rate unless the employee is eligible to receive a higher rate pursuant to Subsection (b)(1) or (b)(4) not to exceed the top step.

(3) In both instances, the former salary eligibility date (SED) is restored unless the SED is changed in compliance with the Collective Bargaining Agreement (e.g., Article 61, Leave Without Pay).

(4) Pay of a higher rate, not to exceed the top step, may be granted subject to exceptional circumstances, upon approval of the appointing authority.

Section 10. Recoupment of Wage and Benefit Overpayments.

(a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.

(b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency’s determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) For purposes of recovering overpayments of fifty dollars ($50.00) or less, notice will be provided on the employee paystub.

(d) For purposes of recovering overpayments of more than fifty dollars ($50.00) by payroll deduction, the following shall apply:

1. The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.

2. If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.

3. If the overpayment amount to be repaid is more than five percent (5%) of the employee’s regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee’s regular base salary. If an overpayment is less than five percent (5%) of the employee’s regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee’s paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).

4. Subsections (d)(1) through (d)(3) of this Section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of a month but is paid for such time because such leave without pay was not anticipated at the payroll cutoff date for that month, the employee’s pay and benefit entitlements may be adjusted on the following month’s paycheck. However, under limited conditions (listed below) an exception to lump sum recoupment of wage overpayments greater than five percent (5%), as a result of leave without pay, shall apply. In these cases:

   (A) An employee may request a repayment schedule not to exceed three (3) months:

   i. When entries are made by a person authorized by the Agency to complete a timesheet on behalf of an absent employee which results in overpayment.

   ii. When entries on the timesheet made by an employee were correct, but the timesheet data was incorrectly input by the Agency which results in an overpayment.

   (B) Subject to extenuating circumstances beyond the control of the employee, an employee may request a longer repayment schedule. The Appointing Authority or designee has the sole discretion to deny or grant the employee’s request. The decision is not subject to the grievance procedure.

   If an employee leaves agency service before the agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).

5. The Article does not waive the Agency’s right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

(See also Special Agencies Coalition Letter of Agreement 29.5A-15-263 in Appendix A.)

ARTICLE 29T—SALARY ADMINISTRATION (Temporary Employees)

Section 1. Pay:

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month or semi-monthly, as appropriate. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the “Request for Release of Payroll Check” Form AD20. However, the employee may not cash or deposit the check prior
to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10th) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment as a temporary employee.

(d) Release of sixty percent (60%) of an employee’s earned gross wages prior to the employee’s designated payday shall be authorized subject to approval of the Appointing Authority, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:

1. Death in family
2. Major car repair
3. Theft of funds
4. Automobile accident (loss of vehicle use)
5. Accident or sickness
6. Destruction or major damage to home
7. New employee lack of funds (maximum--one (1) draw)
8. Moving due to transfer or promotion.

Section 2. Recoupment of Wage and Benefit Overpayments.

(a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.

(b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency’s determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) For purposes of recovering overpayments of fifty dollars ($50.00) or less, notice will be provided on the employee paystub.

(d) For purposes of recovering overpayments of more than fifty dollars ($50.00) by payroll deduction, the following shall apply:

(1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.

(2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.

(3) The overpayment shall be recovered in amounts not exceeding five percent (5%) of the employee's wage per pay period. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).

(4) In the event the employee was paid for hours not worked, Subsections (b), (c), and (d) shall not apply and the overpayment is subject to immediate recoupment.

(e) The Article does not waive the Agency’s right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

ARTICLE 30--PAYROLL COMPUTATION PROCEDURES

Section 1. Definitions.

(a) Permanent Full-Time: A permanent position equivalent to eight (8) hours per day or forty (40) hours per week. A permanent full-time employee will be paid on a monthly salary basis, and all benefits will be calculated on a monthly pay status basis.

(b) Permanent Part-Time: A permanent position less than permanent full-time. A permanent part-time employee will be paid on a fixed partial monthly or hourly salary basis, and all benefits will be calculated on a partial monthly or pay period, pay status basis. All permanent part-time employees whose work hours are regularly scheduled (work hours are based on a predetermined schedule) shall be paid on a fixed partial monthly basis.

(c) Seasonal Full-Time: A seasonal position normally equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on a monthly, hourly, or fixed partial monthly salary basis. All benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(d) Seasonal Part-Time: A seasonal position normally less than equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on an hourly basis and all benefits will be calculated on a partial pay period, pay status basis.

(e) Temporary Full-Time: A temporary appointment equivalent to eight (8) hours per day or forty (40) hours per week. A temporary full-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
(f) **Temporary Part-Time:** A temporary appointment less than full time. A temporary part-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(g) **Number of Workdays in Month or Pay Period:** Number of possible workdays in the month or pay period based on the employee’s weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee’s work schedule are counted as workdays for that month or pay period.

(h) **Hourly Rates of Pay:** The hourly equivalent of the monthly base rates of pay as published in the Compensation Plan. The hourly rates are computed by dividing the monthly salary by 173.33 (or by 162.5 for certain Printer classifications).

(i) **Partial Month’s Pay:** A prorated monthly or pay period salary. The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month’s pay is computed as follows:

\[
\frac{115}{121} \times \text{Full Month Salary} = \text{Gross Partial Pay}
\]

(j) **Days Worked:** Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee’s service period.

**Section 2. General Compensation.**

(a) **Permanent Full-Time Employees:** Pay and benefits will be computed on a monthly pay status basis.

(b) **Permanent Part-Time Employees:**

1. Pay and benefits will be computed on a prorated monthly or pay period basis, such as one-half (½) monthly or pay period pay for a half-time employee, or pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis. Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.

2. Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less than the regular part-time schedule shall have time deducted at the hourly rate.

(c) **Seasonal Full-Time Employees:** Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.

(d) **Seasonal Part-Time Employees:** Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.

(e) **Job Sharing Employees:** The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.

(f) **Temporary Full-Time Employees:** Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.

(g) **Temporary Part-Time Employees:** Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.

(h) **Partial Month’s Pay or Partial Pay Period:**

1. Partial month’s pay (or prorated monthly or pay period pay) is applied when:
   - (A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee’s work schedule).
   - (B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee’s work schedule).
   - (C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.
   - (D) An employee is appointed to a permanent part-time position.

2. See definition for partial month’s pay under Section 1(i) for computation procedures.

(i) **Changes in Salary Rate:** When an employee’s salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

\[
\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \frac{\text{Old Rate}}{\text{Possible Hours}} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \frac{\text{New Rate}}{\text{Possible Hours}} = \text{Gross Pay}
\]

**Section 3.** The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.

**ARTICLE 31—INSURANCE**

**Section 1. Employer Contribution.**

(a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage, unless otherwise required by law.

(b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time
employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

Section 2. Full-Time Employees.

An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular hours in a month, unless otherwise required by law.

For Plan Years 2018 and 2019, the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least ten percent (10%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

Section 3. Less-Than-Full-Time Employees.

(a) Overtime-Eligible Positions. Time and one-half (1 ½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and ORS 653.269(5)(a) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:

- 6214 Institution RN
- [other classifications listed]

(b) The following administrative procedures shall be used for the calculation of Employer health plan contributions for less-than-full-time employees, under this Section.

(1) “Regular hours” means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, “regular hours” shall include additional non-overtime hours worked above an employee’s regular work schedule.

(2) The formulas to be used for calculating the Employer’s prorated health plan contribution shall be those provided in Article 30–Payroll Computation Procedures.

(3) In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more, fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, he/she shall be allowed to use available vacation or comp time to maintain his/her eligibility for benefits and the Employer’s contribution for such benefits.

Section 4. Coordination of Benefits. The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

Section 5. Administration. Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees’ flex benefit account or to PEBB, as directed by PEBB.

Section 6. The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due.

(See Letters of Agreement 31.00-11-226 & 31.00-13-248 & 31.00-13-252 & 31.00-15-277 in Appendix A.)

REV: 2013, 2015, 2017

ARTICLE 32—OVERTIME

Section 1. Definition of Time Worked. All time for which an employee is compensated at the regular straight time rate of pay, including work-related telephone calls made to or by an employee after the end of their work-shift, shall be counted as time worked with the following exceptions:

- Holidays which fall on an employee’s scheduled day off;
- On-call time (Article 34);
- Penalty payments (Article 40);
- Paid sick leave (Article 56), except that paid sick leave shall be counted as time worked for the purpose of calculating overtime, if a worker is mandated to work beyond their regular shift or on their scheduled day off.

Section 2. Overtime Work Definition. Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime.

Section 3. Compensation. All employees shall be compensated for overtime at the rates set out in Section 4. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a “pyramiding” of overtime and penalty payments.

Section 4. Eligibility for Overtime Compensation.

(a) Overtime-Eligible Positions. Time and one-half (1 ½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and ORS 653.269(5)(a) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:
• 6255 Nurse Practitioner

(See Letter of Agreement 32.00-99-17 regarding procedure for determining overtime exempt or non-exempt status in Appendix A.) Such time and one-half (1 ½) compensation shall be in the form of cash or compensatory time, pursuant to Articles 32.1-32.5.

In Agencies where there is no contractual limitation on the accumulation of compensatory time the Employer may:

(1) schedule unilaterally up to forty (40) hours of unused compensatory time per employee per fiscal year, after prior notice of at least five (5) working days to the affected employees; and/or

(2) pay off in cash some or all of an employee’s unused compensatory time once per fiscal year.

(b) Straight-Time-Eligible Positions. Employees in positions, except as identified in Section 4 above, which have been determined to be executive, administrative, or professional as defined by the FLSA and ORS 653.269(5)(a) shall receive time off for authorized time worked in excess of eight (8) hours per day or forty (40) hours per week at the rate of one (1) hour off for one (1) hour of overtime worked subject to limitations of Articles 32.1-32.5. (See Letter of Agreement 32.00-99-17 in Appendix A.)

This time off shall be utilized within the fiscal year earned or shall be lost, except when the scheduling has been extended by the Agency or as otherwise specified below. At ninety (90) days prior to loss of such compensatory time, employees shall be notified that they must use or lose the hours. Time earned in the last ninety (90) days may, at the discretion of management, be carried forward into the next fiscal year. However, such carry forward may not increase the total compensatory time that may be accrued in that year. If time off requests are denied for use of accrued leave before the year ends, these accrued hours will be paid in cash upon forfeiture. Employees will take all necessary steps to request use of compensatory time during the fiscal year.

(c) No overtime is to be worked without the prior authorization of management.

Section 5. Schedule Change. When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.

Section 6. Record. A record of all overtime worked shall be maintained by the Agency.

(See Articles 32.1-32.5 and Letter of Agreement 32.00-99-17 in Appendix A.)

In the Department of Administrative Services, “work unit” for this purpose means the employees who, by position description, normally perform the particular type of work involved at the worksite that is involved. When such an assignment creates a burden for the employee, the Agency agrees to attempt to assign it to another qualified employee or to cancel the assignment. When such burden exists, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.

Section 2. Notice of Overtime. The Agency will give employees as much notice as practicable that overtime will be required.

Section 3. Payment for Overtime. Payment of overtime shall be included in the payroll paid the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off dates, provided, however, that payment shall be made no later than thirty-one (31) days after overtime work is reported.

Section 4. Overtime Rest Periods. If an employee is assigned one (1) or more hours of overtime work contiguous to his/her regular workshift or is called back within one (1) hour of his/her scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

Section 5. Compensatory time shall be scheduled, as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. This time off shall be utilized within one (1) year of being earned or shall be paid in cash except as provided in Article 32, Section 4.

- Water Resources/OWEB—Except as provided in Article 32, Section 4, employees shall receive compensatory time for overtime worked unless the eligible employee elects to receive cash subject to budgetary depletion. If the eligible employee wishes to receive cash in lieu of compensatory time off, the employee must request this method of compensation no later than the first regular working day following the date the overtime was worked.

In instances of overtime assignment when monies budgeted to Personal Services are exhausted, overtime compensation shall be paid by compensatory time off. The employee requested to work such overtime shall be advised that payment will be compensatory time off at the time of the request. Employees who decline overtime for reason of non-cash payment shall not have such time counted for purposes of equalization.

- PERS—Eligible employees, except as provided in Article 32, Section 4, shall receive compensatory time off for overtime worked unless the employee elects to receive cash, subject to budgetary limitation and workload requirements. An employee may request to accrue compensatory time off for overtime worked in lieu of cash. Such requests must be in writing and filed with the employee’s immediate supervisor no later than the first regular workday following the date the overtime was worked. The supervisor shall promptly approve or deny such requests based on the availability of funds and operating needs of the organization. Requests for compensatory time for overtime which are in conflict with the provision of the Fair Labor Standards Act shall not be granted.

(c) The High Intensity Drug Trafficking Area (HIDTA) Program requires that compensation for any overtime hours worked must be limited to cash. This means there is no ability for CJD employees doing HIDTA-related work to receive compensatory time in lieu of cash for required overtime.

(d) In instances where HIDTA work requires overtime and there are no CJD volunteers, reimbursement for such hours will be in cash.

least thirty-two (32) hours shall accrue sick leave with pay on a prorated basis. An SEIU Local 503, OPEU-
represented temporary employee appointed to a status position in any SEIU Local 503, OPEU bargaining unit in the
same Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from
the initial date of temporary appointment. An SEIU Local 503, OPEU-represented temporary employee appointed to
a status position in a different SEIU Local 503, OPEU-represented Agency without a break-in-service shall accrue
sick leave credits from the initial date of the temporary appointment provided the employee has worked as a
temporary employee for the same Agency for six (6) consecutive calendar months or more.

Section 2. Utilization of Sick Leave with Pay. Employees who have earned sick leave credits shall be eligible for sick
leave for any period of absence from employment due to any of the following reasons:
• illness;
• bodily injury;
• disability resulting from pregnancy;
• necessity for medical or dental care;
• if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or
guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or
stalking, pursuant to ORS 659A.270 through 659A.290;
• attendance at an employee assistance program;
• exposure to contagious disease;
• for the emergency repair of personal assistive devices which are medically necessary for the employee to
perform assigned duties;
• attendance upon members of the employee’s or the employee’s spouse’s immediate family, or the equivalent
of each for domestic partners, (parent, wife, husband, children, brother, sister, grandmother, grandfather,
grandchild, or another member of the immediate household) where the employee’s presence is required
because of illness or death.
The employee has the duty to insure that he/she makes other arrangements, within a reasonable period of time, for
the attendance upon children or other persons in the employee’s care. Certification of an attending physician or practitioner
may be required by the Agency to support the employee’s claim for sick leave if the employee is absent in excess of seven
(7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require
such certificate from an employee to determine whether the employee should be allowed to return to work where the
Agency has reason to believe that the employee’s return to work would be a health hazard to either the employee or to
others. In cases of pregnancy, the Agency may require a certificate from the attending physician to determine if the
employee should be allowed to work. (See Section 9 for FMLA & OFLA.)
Section 3. Sick Leave Exhausted.

(a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.

(b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.

(c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee’s service terminated.

(d) After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use other paid leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such continuous and extended illness. Such requests shall not be unreasonably denied.

(e) An employee with a serious medical condition who has exhausted available leave balances may submit a written request to receive a "medical separation." A medical separation is defined as a voluntary resignation for medical reasons. The Employer shall grant a written request for a medical separation, unless the employee is under investigation for performance and/or misconduct unrelated to their exhaustion of leave. Employees who receive a medical separation will be notified of the reemployment provision in Article 45, Section 2(e).

Section 4. Restoration of Sick Leave Credit. Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Transfer of Accruals. An employee shall have all of his/her accrued sick leave credits transferred when the employee is transferred to a different state Agency.

Section 6. Workers' Compensation Payment. Sick leave resulting from a condition incurred on the job and also covered by Workers’ Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers’ Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued leave.

No employee shall be required to utilize leave while receiving time loss benefits.

Section 7. Assumption of Sick Leave. Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

\[
\frac{\text{Monthly Accrual Rate of State Agency}}{\text{Monthly Accrual Rate of Local Agency}} \times \text{Sick Leave Balance of Local Agency} = \text{Maximum Sick Leave Assumable}
\]

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

Section 8. Hardship Leave.

These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to his/her appointing authority/designee. The appointing authority or designee from both the donor’s and recipient’s agencies may authorize the transfer of donated leave between agencies, subject to restrictions on the use of dedicated funding sources and/or other legitimate business reasons. Authorization for transfer of donated leave shall not be unreasonably denied. For purposes of this Agreement, hardship
leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

(a) The recipient and donor must be regular employees.

(b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.

(c) Use of donated leave shall be consistent with those provisions found under Article 56, Section 2.

(d) Applications for hardship leave shall be in writing and sent to the Agency’s Personnel Section and accompanied by the treating physician/practitioner’s written statement certifying that the illness or injury will continue for at least fifteen (15) days following donee’s projected exhausting of the accumulated leave and the total leave is at least thirty (30) consecutive calendar days of absence in combination of paid and unpaid leave. Donated leave may be used intermittently for the same event after the employee has satisfied the eligibility requirements to receive donated leave.

(e) Donations shall be credited at the recipient’s current regular hourly rate of pay.

(f) Accumulated leave includes but is not limited to sick, vacation, personal, and compensatory leave accruals.

(g) Employees otherwise eligible for or receiving workers’ compensation will not be considered eligible to receive donations under this agreement.

Section 9. Oregon Family and Medical Leave Act (OFLA) and Family Medical Leave Act (FMLA). Paid leave is to be used in conjunction with FMLA or OFLA consistent with the leave provisions of this Article and other leave provisions of this Agreement, unless an employee is receiving payments from a disability provider at the same time that he or she is on FMLA, OFLA or both leaves. In this circumstance, the employee may choose not to use paid leave, unless it is required by the disability provider. The disability provider may require the employee to use some or all leave prior to receiving a full disability payment. The employee must inform the employer when disability payments commence, when they end and whether the disability provider requires the use of paid leave in conjunction with the disability benefit. Subject to availability, the employee must resume use of accrued paid leave when disability payments end. Employees may retain up to sixty (60) hours of either vacation or compensatory time for use upon returning to work. Designation to retain the leave shall be made in writing within five (5) business days of the beginning of the qualifying leave. In no instance shall an Agency restore leave or recoup pay as the result of such designation. Once the designation has been made and approved and the employee is on leave without pay status, that status will continue for the duration of the leave. Such employees are not eligible to receive hardship leave donations.

For purposes of applicability of the FMLA and OFLA, administration of the state and federal regulations includes:

(a) The “FMLA and OFLA year” is considered to be a twelve (12) month period rolling backward for each employee.

(b) The Employer’s determination of FMLA or OFLA eligibility may require medical certification that the leave is needed due to a FMLA or OFLA qualifying condition of the employee or that of a member of the family. At an Agency's expense, a second opinion may be requested.

For employees covered by the FMLA/OFLA, the Employer can request certification earlier when permitted by FMLA/OFLA.

Where there is a conflict between FMLA and OFLA, the more generous provisions will apply.

(c) Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

(See Letter of Agreement 56.00-16-291 in Appendix A.)

ARTICLE 57--BEREAVEMENT LEAVE

Employees shall be eligible for a maximum of twenty-four (24) hours paid bereavement leave per occurrence, prorated for part-time employees. Paid bereavement leave shall run concurrently with OFLA when applicable. The Agency shall notify the employee when OFLA is running concurrently with bereavement leave. If additional bereavement time is needed, an employee may request to use accrued leave, or leave without pay, at the option of the employee. The Agency may request documentation for use of bereavement leave.

Notwithstanding Article 56, Section 8 (a), (c), and (d), regular and trial service employees may be eligible to receive up to forty (40) hours of donated leave to be used consecutively. The employee must have exhausted all available accumulated leave and qualify to receive hardship leave.

For purposes of this Article, “immediate family” shall include:

• the employee’s or the employee’s spouse’s parent (includes one who stood in loco parentis (in place of a parent) when the employee was a child);
• spouse;
• child (and child’s spouse) (includes a child for whom the employee stood in loco parentis);
• siblings;
• grandparents;
• grandchild;
• aunt or uncle;
• niece or nephew;
• or the equivalent of each of the above for domestic partners, or another member of the immediate household.

Paid leave granted in this Section, shall be accrued by all employees employed no later than December 24 of each year. Eligible employees may request the option of using this paid leave on any workday from the day before Thanksgiving through January 31, or, when these days are not available to an employee, on another day of the employee's choice; provided that, approved usage of this leave shall be taken in a single block of time and granted on a basis which shall preclude the closure of state facilities.

Section 3. Holiday Eligibility. All employees will receive up to eight (8) hours of holiday pay for recognized holidays in Section 1 above, pursuant to (a) and (b) below, provided the employee works thirty-two (32) hours or more during the month or appropriate pay period and meets the pay status test as specified below. Holiday pay shall be based on an eight (8) hour day.

(a) Full-time employees shall receive eight (8) hours of holiday pay, provided they are in pay status at least one-half (½) of the last workday before the holiday and one-half (½) of the first workday after the holiday.
(b) Part-time, hourly, seasonal part-time and seasonal full-time hourly employees will receive a prorated share of the eight (8) hours of holiday pay based on the number of hours actually worked as compared to the total number of possible work hours in the month or pay period. The holiday shall not count as part of the total possible work hours in the month or pay period or the total hours worked and shall be calculated as follows:

\[
\text{Total Hours Worked} \times \frac{\text{Holiday Hours in the Month}}{\text{Total Hours in Month or Pay Period}}
\]

To be eligible for this pay, such employees must be in pay status at least one-half (½) of the last scheduled workday before the holiday and at least one-half (½) of the first scheduled workday after the holiday.

NOTE: Nothing in this Article is intended to change the Employer's practice with respect to scheduling and closures permitted under this Agreement, nor the granting of paid leave during such times.

(c) Transfers To and From Another Agency:

(1) When compensable, non-workdays such as a holiday, sick leave, or vacation leave which come between the separation date in the losing Agency unit and the subsequent hire date in the gaining Agency, the gaining Agency is liable for all of the compensable non-workdays.

(2) The beginning date of employment in the gaining Agency must be the first compensable non-workday following separation from the losing Agency.

Section 4. Work on a Holiday. Employees required to work on days recognized as holidays which fall within their regular work schedules shall be entitled, in addition to their regular monthly salary, to compensatory time off, or to be paid in cash as provided in Articles 32.1-32.5 (Overtime). Compensatory time off or cash paid for all time worked shall be at the rate of time and one-half (1 ½). The rate at which an employee shall be paid for working on a holiday shall not exceed the rate of time and one-half (1 ½) his/her straight time rate of pay.

Section 5. Observance.

(a) When a holiday specified in Section 1 of this Article falls on a Saturday, the preceding Friday shall be recognized as the holiday. When a holiday specified in Section 1 of this Article falls on a Sunday, the following Monday shall be recognized as the holiday.

(b) When a holiday specified in Section 1 of this Article falls on a regularly scheduled day off, the employee shall have the choice of receiving an alternate eight (8) hours of compensatory straight time or straight-time pay. Part-time, seasonal, and job share employees will receive a prorated amount of compensatory time or straight-time pay based on the calculation in Section 3(b).

(c) However, the Parties recognize that some positions must be staffed on holidays, and that employees in these positions cannot be released from duty on those holidays. Part (a) of this Section shall not apply to employees in
these positions and the holiday shall be observed on the actual day specified in Section 1. Employees filling such positions will be notified in writing prior to hiring or when their work assignment is changed that they may have to work on certain holidays.

Section 6. Leave Accounts. An employee’s leave account shall not be charged for a holiday which occurs during the use of earned vacation or earned sick leave.

Section 7. Work Out-of-Class. Employees assigned to work out-of-classification in accordance with Article 26 Section 10--Work Out-of-Classification shall receive holiday pay at the higher rate of pay, if the holiday falls during his/her work out-of-classification assignment.

ARTICLE 58T--HOLIDAYS (Temporary Employees)

Section 1. Any temporary employee who works a holiday as defined in Article 58, Section 1 shall be paid at the rate of time and one-half (1 ½) for all hours worked on the holiday.

Section 2. A full-time or part-time temporary employee who is not scheduled to work a holiday that falls on the employee’s scheduled workday will receive up to eight (8) hours of holiday pay. Eligibility and the appropriate rate of pay shall be consistent with Article 58, Section 3. Nothing in this Section requires the Agency to schedule an employee for more hours than he/she would normally work in a week.

Section 3. Any temporary employee who works a partial shift on a holiday as defined in Article 58, Section 1 shall be paid at the rate of time and one-half (1½) for all hours worked on the holiday. (b) However, the Parties recognize that some positions must be staffed on each and every holiday, and that employees in these positions cannot be released from duty on those holidays. Part (a) of this Section shall not apply to temporary employees required to work and the holiday shall be observed on the actual day specified in Article 58, Section 1.

ARTICLE 58.5A--HOLIDAYS (OSD only)

When Veterans’ Day falls on Tuesday or Wednesday, the holiday will be observed on the preceding Monday. When Veterans’ Day falls on Thursday, the holiday will be observed on the following Friday.

The Agency shall not suffer any penalty payments for the change in the work schedule of the employee on jury duty.

Section 3.

(a) When any employee is not the plaintiff or defendant, he/she shall be granted leave with pay for appearance before a court, legislative committee, or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority for matters other than the employee’s officially assigned duties. When the employee is granted leave with pay, the employee shall turn into the Agency any money paid in connection with the appearance.

(See also Institutions Coalition Letters of Agreement 60.2A-13-241 & 60.2CGH-11-223 in Appendix A.)

ARTICLE 60T--LEAVES WITH PAY (Temporary Employees)
Section 1. (b) The employee shall utilize or cash out all vacation and/or compensatory time, at the Agency’s discretion, before taking a leave of absence without pay. Sick leave will be retained, but shall not be utilized while the employee is on a leave of absence without pay. Employees shall request the use of leave provided in this Article at least five (5) days prior to the intended date of use.

Section 2. Vacation Leave for New or Separating Employees.

(a) New employees who begin work in the middle of a month or pay period earn vacation credits on a prorated basis for the first partial month or pay period provided they work at least thirty-two (32) hours.

Although new employees will earn vacation credits on a prorated basis during the first partial month or pay period of service, they are not entitled to use vacation credits (or be paid upon separation) until the employee has completed six (6) months. The employee must work or be paid for at least thirty-two (32) hours in each calendar month or pay period, to be eligible.

(b) Separating employees who are eligible will be paid for unused vacation leave accrued through the last full calendar month or pay period of service, based on each employee’s work schedule. If the employee does not work or is not in pay status through the last regularly scheduled workday in the last calendar month or pay period, payment for such month or period shall be made on a pro-rata basis.

Separation of an employee may fall on any given day of the month, either as designated by the employee in his/her letter of resignation or by the Agency in the notice of involuntary separation.

(c) Separating employees who are eligible will be paid for accumulated vacation leave and compensatory time at the hourly rate equivalent to his/her base rate at the time of separation. An employee shall not be eligible for vacation pay-out upon separation unless the employee has completed six (6) months or the equivalent.

Section 3. Compensation for use of accrued vacation shall be at the employee’s prevailing straight time rate of pay.

Section 4. In the event of separation or layoff any unused vacation up to three-hundred (300) hours will be paid to the employee.

Section 5. In the event of an employee’s death, all monies due him/her for accumulated vacation and salary shall be paid as provided by law.

Section 6. An employee who has lost work because of a job-related illness or injury shall not suffer a reduction in vacation credits. Vacation credits shall continue to be earned while an employee is using earned sick leave.

Section 7. Service with a jury shall be considered time worked.

Section 8. If an employee has a break-in-service and that break does not exceed two (2) years, he/she shall be given credit for the time worked prior to the break-in-service.

Section 9. Time spent in actual State service or on Peace Corps, military, educational, or job-incurred disability leave without pay shall be considered as time in the State service for determining length of service for vacation accrual rate.

Section 10. Vacation hours may accumulate to a maximum of three-hundred fifty (350) hours.

Section 11. Authorization of Use. Upon transfer of an employee with six (6) months of State service to a different Agency covered by the Agreement, the employee may elect to have a maximum of one-hundred (100) hours of accrued vacation credits transferred to the gaining Agency, except the gaining Agency may agree to accept a greater amount of accrued vacation credits. The employee shall be paid in cash for that portion of accrued vacation credits not transferred.

Upon transfer of an employee with less than six (6) full months of service to a different Agency represented by SEIU Local 503, OPEU, all vacation credits shall be transferred to the gaining Agency.

Section 12. Should an employee who has exhausted earned sick leave elect to use vacation leave during a period in which Workers’ Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

Section 13. After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such illness. Such leave shall not be unreasonably denied.
Section 14. No employee may be placed on vacation leave and no accrued vacation time may be utilized without specific authorization of the employee except:
(a) That employees shall have their vacation time paid in full when they take education leave without pay in excess of ninety (90) days;
(b) That in any other leave of absence without pay that exceeds fifteen (15) days, the employees shall be required to use their accumulated vacation. Bargaining unit members may not be required to take vacation when leaving for military or reserve service as per Title 38, USC Chapter 43, or parental leave until after thirty (30) days;
(c) As provided for set-off of damages or misappropriation of state property or equipment on termination;
(d) To avoid losing vacation the employee must request vacation leave. When such leave is impossible a cash payment of not more than sixty (60) hours shall be made. In lieu of cash payment, the Employer shall schedule time off in excess of three-hundred and fifty (350) hours within sixty (60) days prior to the date the vacation leave would reach three-hundred and fifty (350) hours. Hours earned over three-hundred and fifty (350) hours will be immediately lost to the employee if the equivalent of those hours is not used prior to the month of maximum accrual.

Section 15. Military Donated Leave. The Parties acknowledge that the State of Oregon administers a donated leave program to supplement military wages. As such, an employee may donate any portion of his/her accrued vacation to an eligible individual participant or to the program donation pool for distribution to eligible participants, as long as the program continues to exist.

ARTICLE 66.5--VACATION LEAVE (Special Agencies Coalition)
Section 1. vacations shall be requested in writing by each employee and subject to written approval or denial by his/her supervisor. Such written approval or denial shall be provided to the employee within seven (7) calendar days following submittal of a request. This shall not require that use of vacation time be requested seven (7) days in advance. Vacation shall be scheduled, as much as possible, at the convenience of the employee consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflicts shall be resolved on a rotating basis.

Section 2. Cancellation of Vacation.
(a) Except Health-Related Licensing Boards. Approved vacation leave may not be canceled by the Employer except in the event of an emergency condition which creates an abnormal workload or other condition not under the control of management. In the event of an emergency, the affected employee shall be notified of the cancellation in writing. When vacation leave has been approved at least ninety (90) days in advance and is canceled, unrecoverable transportation or lodging deposits will be paid by the Agency if the employee produces proof of such unrecoverable deposits, including written evidence of a good faith effort to recover the deposits.
(b) Applies to Health-Related Licensing Boards. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

ARTICLE 70--LAYOFF
Section 1. A layoff is defined as a separation from the service for involuntary reasons other than resignation, not reflecting discredit on an employee. An employee shall be given written notice of layoff at least fifteen (15) calendar days before the effective date, stating the reasons for the layoff. (See Sections 9 and 10 on statewide recall rights and intergovernmental transfers, and see Section 11 regarding Secondary Recall Rights.)
Section 2. The layoff procedure shall occur in the following manner:
(a) The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify in writing all affected employees of his/her seniority and his/her contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. In addition, the Agency shall provide each Union Steward in the geographic area affected by layoff with one (1) written copy of the seniority of employees in all affected positions in that geographic area. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.
(b) Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
(c) Employees shall be laid off and seniority calculated within a geographic area and within the following separate categories:
   (1) Permanent full-time positions;
   (2) Permanent part-time positions;
   (3) Seasonal full- and part-time positions; or
   (4) Academic year positions
   (OSD):
   • Full-time academic year positions; or
   • Part-time academic year positions.
(5) The Employment Department shall maintain the following layoff lists:
   (A) Full-time employees plus seasonal employees with more than twelve (12) months continuous full-time employment immediately preceding layoff;
   (B) Seasonal employees with less than twelve (12) months continuous full-time employment immediately preceding layoff;
   (C) Part-time employees.

(d) An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee’s response is due falls on a Saturday, Sunday or holiday, the employee will provide his/her choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).

(1) The employee may displace the employee in the Agency with the lowest seniority in the same classification for which he/she is qualified in the same geographic area in the Agency where the layoff occurs.

(2) If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.

(3) The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which he/she is qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she demoted.

(4) The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she was laid off.

   The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

   For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

(e) To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position’s classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, he/she may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.

(f) When exercising an option under Section 2(d)(1), (2) and (3), an employee shall only be eligible to displace another employee with lower seniority.

(g) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(h) Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in Article 51 Section 2, shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:

   (1) full-time status;
   (2) part-time status.

(i) Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in Article 51, Section 1, whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.

(j) An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).

(k) Job Share Positions.

   (1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.
   (2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals’ Layoff Service Date.
In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, members also. There shall not be cross-bumping between the Management Service and the bargaining unit. If, however, the Employer and/or the Agency permits another union to cross-bump into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

For purposes of this Article, the term “Agency” does not include employees represented by other unions. There will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff list may have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

Section 4. Seniority.

(a) Seniority Definition. Seniority is the Layoff Service Date which is the date the employee began state service (except as a temporary appointee) as adjusted for break(s)-in-service.

(b) Break-In-Service. A break-in-service is a separation or interruption of employment without pay of more than two (2) years. If an employee has a break-in-service that does not exceed two (2) years, he/she shall be given credit for the time worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.

(c) Seniority Frozen. When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future computations. The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.

(d) Equal Seniority. If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of the most qualified employee.

Section 5. Trial service employees, except those serving a trial service for initial appointment to state service, who are laid off or demoted in lieu of layoff shall be placed on the Agency layoff list. An employee serving a trial service for initial appointment to state service who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall...
be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

**Section 6.** Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the reemployment list for the classification in which they were laid off.

**Section 7.** Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in a classification who are employed at that specific geographic location and the Agency where the reduction occurs. The eligibility for such seasonal employees shall be canceled at the end of each season.

**Section 8.** Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

**Section 9. Agency Layoff Lists.** Names of regular employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees of the Agency, who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible limited duration employees shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which he/she wishes to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic layoff list from which he/she was laid off and shall be notified by the Agency of his/her right to designate additional geographic layoff list(s) in accordance with this Article.

**Section 10. Recall.** Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the greatest seniority.

(a) **Same Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in the geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, however, the employee’s name will be removed from the layoff list in that geographic area.

(b) **Different Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee’s name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have his/her name removed from the list.

(c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.

(d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee and will not be eligible for any benefits covered under this Agreement.

(f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.

**Section 11. Secondary Recall Rights.**

(a) Application: These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.

(b) Definitions:

(1) Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of Articles 70.1, 70.2, 70.3, and 70.5.

(2) Agency Layoff Lists are intra-Agency layoff lists, as defined in Article 45, Section 2(a), and as further defined by geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.
(3) Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.

(c) Coordination with Articles 45 and 70: The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and Article 45, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

(d) Procedures:

(1) Placement on the Secondary Recall List.
   (A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.
   (B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.

(2) Use of the Secondary Recall List.
   (A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.
   (B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.
   (C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
   (D) Prior to initiating other methods to fill a vacancy, except an agency layoff list, agencies shall utilize the Secondary Recall List to fill positions. The Agency will call for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled. The Agency will select one of the five (5) employees from the list.
   (E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

(3) Appointments/Refusals of Appointments from the Secondary Recall List.
   (A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List.
   (B) Employees appointed to positions from the Secondary Recall List shall have their names removed from all other Agency Layoff Lists and the Secondary Recall List.
   (C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of Article 49. However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List.
   (D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 12. Geographic Area. See Articles 70.1-70.5.

Section 13. When the Employer declares that a lack of funds will necessitate a layoff, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5—Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

Section 14. Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

In the Higher Education Coordinating Commission, for purposes of Article 70--Layoff, the geographic area is defined as the city in which the employee’s work station is located.

ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES
Section 1. Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.
Section 2. Seasonal employees will complete trial service after having served a combination of seasonal periods totaling six (6) full calendar months (a minimum of 1,040 hours).
Section 3. A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted. “Annual season” means a period of twelve (12) months, regardless of the number of seasons occurring during that period.
Section 4. A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season. A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. In advance of the season or as soon as the seasonal employee becomes aware of the need to end his/her season early, the seasonal employee may submit a request to his/her supervisor. Subject to the agency operating requirements, the supervisor may approve the employee's request without jeopardizing his/her recall rights the following season. (See also Article 70, Section 7.)
Section 5. Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed. Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.
Section 6. Seasonal employees shall accrue all rights and benefits accruing by full-time employees during their employment season, except as otherwise modified by this Agreement.
Section 7. Employees in seasonal positions who have reached regular status and who are not participating members of the Public Employees Retirement System shall receive a special differential in lieu of the state “pickup” of employee contributions to the Retirement System. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees. Such special differential shall
Section 8. Seasonal employees not currently employed shall be treated as internal candidates for any jobs they apply for within their Agency, even between seasons, so long as they have recall rights.

Section 9. Intermittent Appointments.
(a) Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority: Employment Department, DHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), Oregon Department of Forestry (co-op positions, Forest Lookouts, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).

(b) A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available. A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.

(c) The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff. Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be unscheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.

(d) Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.

(e) Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.

ARTICLE 71.5N--SEASONAL EMPLOYEES (Revenue)

Section 1. Intent. The purpose of this Article is to clarify what seasonal employees may expect when called to work by Revenue. Nothing in this Article guarantees an eight (8) hour workday. However, the Agency agrees to make the following efforts to match available work with the number of employees called in.

Section 2. Procedure.
(a) At the beginning of the season, employees will be called back to work in seniority order. When offering a position, the Employer will inform the employee of the number of hours each area/unit worked the previous year. Employees will have the right to turn down a position or start date once.

(b) Once seasonal employees are called in, if it becomes necessary to release employees due to lack of work, the Agency will offer suitable work where available, in other areas/units, on the basis of seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees.

(c) When it becomes necessary to release some seasonal employees due to lack of work, but not all seasonal employees, the Agency will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority within the area/unit. In cases where employees are notified not to report to work prior to their normal reporting time, the Agency will not be required to ask for volunteers. Instead, employees will be unscheduled in reverse seniority order.

(d) In instances where a seasonal employee has insufficient vacation or compensatory time to cover the period the employee is released, the Agency agrees to continue the employee’s eligibility for purposes of insurance. Employees must exhaust available vacation and compensatory time to be eligible for this benefit. This provision will not apply in an instance where an employee is offered suitable work and turns it down. This provision applies only to those seasonal employees who would have, but for being unscheduled, reached the eighty (80) hour threshold.

ARTICLE 73.5A--ACADEMIC YEAR (OSD only)

Section 1. The Agency may designate positions as academic year, when the employment term of such positions conforms generally to the school or academic year. Such designation shall not preclude the extension of employment, either full- or part-time, into the period between two (2) school or academic years.

Section 2. Employees in positions designated as academic year may utilize accrued leave in accordance with the provisions set forth in this Agreement.

Section 3. Summer employment, when available, will be offered to qualified employees in academic year positions according to layoff service date. Summer employment will be offered to such qualified employees as soon as it is determined by management to go forward with the summer work assignment in question. Employees working during the period between two (2) school or academic years will be paid according to the classification of the work being performed. If the employee’s current salary rate is within the salary range of the classification of work being performed, the employee’s salary rate will not change. If the employee’s current salary rate is below the salary range of the classification of work being
performed, the employee will be paid at Step 1 of the salary range of the classification of work being performed. If the employee’s current salary rate is above the salary range of the classification of work being performed, the employee will be paid at the top step of the salary range of the classification of work being performed.

**Section 4.** The State agrees to pay PEBB medical/dental insurance Employer contributions during the summer months for all employees in full-time academic year positions who are eligible for PEBB insurance coverage.

For eligible employees in part-time academic year positions, the Employer contributions for June, July, and August will be prorated based on May hours worked. For eligible employees in part-time academic year positions, additional employee contributions, if required, for June, July, and August will be prorated based on May hours worked and will be deducted from May paychecks. An employee may choose, however, not to have summer PEBB coverage by submitting written notice to this effect, to the payroll office prior to May 20 for that academic year.

**ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK**

Section 1. Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.

Section 2. An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

Section 3. For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in Article 70--Layoff. In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

**ARTICLE 80--CHANGE IN CLASSIFICATION SPECIFICATIONS**

Section 1. The Employer shall notify the Union of intended classification studies.

Section 2. The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

Section 3.

(a) Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.

(b) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer’s written notification to the Union of the finalization of the class specification.

(c) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.

(See Letters of Agreement 80.00-09-181 & 80.00-15-279 & 80.00-17-304 in Appendix A.)

**ARTICLE 81--RECLASSIFICATION UPWARD, RECLASSIFICATION DOWNWARD, AND REALLOCATION**

Section 1. Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:

(a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;

(b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and

(c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

Section 2. Reclassification Up.

(a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees may seek reclassification to any non-supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provided that:

1. the classification exists in the unrepresented compensation plan or in multiple bargaining units’ compensation plans, and
Section 4. Reclassification Equal or Lateral.

(a) Reclassification equal or lateral is a change in an employee’s job classification from one classification to another with the same salary range base number.

(b) Rate of pay upon equal or lateral reclassification shall be given no less than the first step of the new salary range.

(c) If the employee’s rate of pay is the same as a salary step in the new classification, the employee’s salary shall be maintained at the current rate until the next eligibility date. At the employee’s next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that his/her current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest step in the new salary range.

(d) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to Article 70 of this Agreement for reemployment to the classification from which they were reclassified downward.

Section 3. Reclassification Down.

(a) Reclassification downward is a change in the classification of a position by reducing it to a lower classification.

(b) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the employee in writing of the action, including the specific reasons, and the HRSD Position Description used for the action, which shall be signed by the Appointing Authority.

(c) If an employee is reclassified downward and his/her rate of pay is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary shall be adjusted to that step.

(d) Rate of pay upon upward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase no less than an increase to the next higher step in the new salary range. At the discretion of management, the salary eligibility date may, in either case, remain the same or be established twelve (12) months thereafter.

If the reclassification upward is approved, the Agency may cease paying work out-of-classification pay or adjust the effective date of the reclassification to avoid overpayment of any work out-of-classification pay received by the employee.

(e) If a reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with its current classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the effective date.

In the event that the proposed new classification is not in the bargaining unit, the classification shall be added to the SEIU Local 503, OPEU compensation plan at the Employer-proposed salary range. However, if the Employer-proposed range is lower than the classification salary range in another DAS compensation plan, the Parties will negotiate the salary range.

(b) Employees may request reclassification by submitting a written explanation of the request, a Human Resource Services Division Position Description Form signed by the supervisor and employee, and all other relevant evidence for the proposed reclassification to the Agency Appointing Authority. Within sixty (60) days, unless otherwise mutually agreed in writing, the Agency shall review the merits of the request based on the final position description signed by the Appointing Authority. The Union shall be entitled during the sixty (60) day review period and prior to issuance of the Agency decision to meet with the Agency or to present further written arguments in support of the request. The Agency will notify the employee of its decision and provide a copy of the final position description signed by the Appointing Authority. Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one-hundred twenty (120) days, however, this time period may be extended upon mutual agreement of the Parties.

(c) If approved by the Legislative Review Agency or the Department of Administrative Services, the effective date shall be the first of the month following the month in which the reclassification request was received by the Agency. The employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the effective date.

(d) If the employee’s rate of pay is within the new salary range but not at a corresponding salary step, the employee’s rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary shall be adjusted to that step.

(e) If an employee is reclassified downward and his/her rate of pay is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary shall be adjusted to that step.

If the employee’s rate of pay is the same as a salary step in the new classification, the employee’s salary shall be maintained at the same rate in the lower range.

If the employee’s rate of pay is within the new salary range but not at a corresponding salary step, the employee’s salary shall be maintained at the current rate until the next eligibility date. At the employee’s next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that his/her current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest step in the new salary range.

(f) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to Article 70 of this Agreement for reemployment to the classification from which they were reclassified downward.

Parties will negotiate the salary range.
(e) If an employee’s previous salary is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary range shall be adjusted to that step.

Section 5. Reclassification Appeals.

(a) Filing.

Reclassify Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency’s decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. No new evidence or information will be considered by the Committee.

Reclassify Down. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify his/her position downward, he/she may grieve this action by filing a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclass is in conflict with Article 81, Section 1. The Agency Head shall respond in writing in accordance with the appropriate time limits contained in the Agency grievance procedure. A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency’s decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the request and all relevant evidence. No new evidence or information will be considered by the Committee.

(b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The designees will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in Article 81, Section 1. In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee.

The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt of the decision. If there is no timely request for reconsideration, the Committee’s decision will be final and binding. A copy of the reconsideration request will be provided to the other party, who will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency’s allocation.

The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(d) If these efforts do not result in resolution of the matter within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in Article 21--Grievance and Arbitration.

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.
The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

Section 6. An incumbent employee who appealed his/her classification allocation to a final decision through the classification appeals boards as part of the new class system implementation which was effective April 1, 1990, or who has appealed a reclassification decision to final decision through the Committee or through an arbitration since that date, shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

Section 7. An employee’s classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

Section 8. Reallocation Appeal Process for New Classes. Employees in positions allocated to a new classification, who dispute their placement in a new classification can appeal their placement using the following process:

(a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

(b) If denied, the Union may appeal the Agency's decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee.

(c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(d) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.

(e) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(c) of this Article.

(f) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.

(g) Appeals of all filled positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

ARTICLE 85--POSITION DESCRIPTIONS AND PERFORMANCE EVALUATIONS

Section 1. Position Descriptions. Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee’s position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

Section 2. Performance Evaluations. Employees who have not had an evaluation within the previous twelve (12) month period, may request, and shall be granted a written performance evaluation. Such evaluation shall be completed within sixty (60) days of such request. The evaluation period under review shall be the twelve (12) months immediately prior to the evaluation. No additional performance evaluation will be required for that same calendar year, regardless of the employee’s performance evaluation date in that calendar year. The rater shall discuss the performance evaluation with the employee. The employee shall have the opportunity to provide his/her comments to be attached to the performance evaluation. The employee shall sign the evaluation and that signature shall only indicate that the employee has read the evaluation. A copy shall be provided the employee at this time.
ARTICLE 90--WORK SCHEDULES

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days. A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor. An alternate work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, and ends.

Section 2. An employee may request to have the response provided orally or in writing and the immediate supervisor will respond accordingly in a timely manner, unless such request is deemed to be inappropriate or excessive.

Section 3. Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one-hundred sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee’s assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

 ARTICLES 90T--WORK SCHEDULES (Temporary Employees)

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.

Section 2. A workweek is defined as the fixed and regularly recurring period of one-hundred-sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

Section 3. For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each weekday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

Section 4. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.
ARTICLE 90.5--WORK SCHEDULES

(Sections 1-7: All Special Agencies; Section 15: Special Agencies Coalition Except Department of Veterans’ Affairs)

Section 1. Subject to the operating requirements of the Agency, bargaining unit employees shall be placed on regular, alternate, or flexible work schedules as defined in this Agreement (see Article 90, Work Schedules). Employees placed on regular work schedules shall be scheduled for five (5) consecutive workdays and two (2) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when they would seriously hamper operations of the Agency. Employees who work alternate schedules of four/ten (4/10) hour days shall be scheduled for three (3) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when (1) this would seriously hamper operations of the Agency, or (2) when requested by the employee and approved by Agency management.

Section 2. An employee may request in writing to work any alternate or flexible work schedule defined in this Agreement (see Article 90, Work Schedules and, for applicable Agencies, Section 15, below). No employee requests will be arbitrarily denied or rescinded. In reaching its decision, the Agency will consider whether the employee’s request meets all of the following criteria:

(a) That the operational needs of the Agency are met;
(b) That the requested work schedule will not interfere with his/her ability and availability to perform the job;
(c) That the needs of the public are adequately served; and
(d) That a forty (40) hour workweek is maintained.

The Agency may also consider other relevant criteria, including, but not limited to, employee use of carpooling, mass transit, or demonstration of an unusual hardship.

The Agency will provide a response to an employee’s request to work an alternate or flexible work schedule, including the reason(s) for a denial, within a reasonable period of time. If the employee so requests, the Agency response will be in writing. Upon an employee’s request, the Agency will also provide a written explanation when an existing alternate or flexible schedule is rescinded. Requests for alternate and flexible work schedules will be considered in order of application. If more than one (1) employee makes application for such a schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency, if possible.

Section 3. The workweek shall begin at 12:01 a.m., Monday and end at 12:00 midnight the following Sunday. This workweek shall remain fixed during the term of this Agreement regardless of an employee’s scheduled hours of work. Workweeks for employees on work schedules “F” and “M” are governed by Section 15(e) below.

Section 4. Consistent with the operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour, unless mutually agreed otherwise. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the shift. However, upon an employee’s timely request, a supervisor may alter the normally scheduled meal period, if the need arises. An employee who is required by the Agency to work the full shift without relief for a lunch period shall have the entire shift counted as time worked. Meal periods will not be changed without reasonable notice.

Section 5. All employees shall be granted a rest period of fifteen (15) minutes in every four (4) hours working time or major fraction thereof, except in cases of alternate work schedules, in which case rest periods shall be twenty (20) minutes. Rest periods shall be taken so far as practicable in the middle of such working periods and considered as time worked for pay purposes. Rest periods for employees on work schedules “F” and “M” are governed by Section 15(g) below.

Section 6. In order to account for a full forty (40) hours in a workweek in which there is a holiday, employees who work alternate schedules can request a regular schedule or a flexible work schedule (e.g., 2-11s and a 10), pursuant to Section 2 of this Article, or may use appropriate accrued leave or compensatory time.

Section 7. An employee may, with his/her immediate supervisor’s advance approval, temporarily modify his/her work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours and avoid overtime liability. Such request shall be in accordance with Article 40-Penalty Pay, Section 4, Modification of Work Schedule and Article 32-Overtime, Section 5, Schedule Change. Such requests shall not be arbitrarily denied.

Section 8. Department of Administrative Services. When the Agency chooses to make a shift reassignment, all employees in the affected classification will be notified by publication in the manner provided for in Article 45.5E-Filling of Vacancies, Section (b), and be given an opportunity to designate their shift preference. The reassignment will be made based on each employee's level of skill, the requirements of the reassignment, and the operating needs of the Agency. If more employees request the shift reassignment than there are reassignments available, and are, in the judgment of the Agency, equally well qualified for the reassignment and equally meet the operating needs of the Agency, the employee with the most seniority will be given the reassignment. The Agency shall not exercise its judgment in an arbitrary manner.

Section 9. Department of Agriculture, Measurement Standards Division.

(a) Employees will be required to submit a form developed by ODA when requesting a flexible work schedule.
(b) Employees working a flexible work schedule shall complete forty (40) hours of work per week, Monday through Friday. The workday shall not exceed ten (10) hours and the workweek shall not exceed forty (40) hours per week unless the employee receives prior approval as described in division overtime procedures.
(c) Employees working a flexible work schedule shall work consecutive hours from the beginning of their workday to the end of their workday and consecutive days Monday through Friday unless otherwise approved.
(d) Employees working flexible work schedules shall not begin before 6:30 a.m. or end after 6:00 p.m. Exceptions will be granted only when required by work-related circumstances. The office will be notified as soon as possible of requests for exceptions. All Inspectors will notify the Salem office upon conclusion of the workweek.
Flexible work schedules shall be agreed upon when working with fellow employees. Where agreement cannot be reached, the employees will work regular 8:00 a.m. to 5:00 p.m. schedules.

Employees may use up to one (1) hour in the office per day or up to five (5) per week to complete paper work, perform data entry work, and to perform general office duties. This work should be performed at the end of the day where circumstances permit.

Employees working a flexible work schedule away from their official station may take up to four (4) hours at the end of the week to complete their paper work, computer data entry, and general office duties provided that no more than one (1) hour was taken while away from their official station unless approved by the supervisor or designee.

Employees working a flexible work schedule shall schedule vehicle service and all non-examination activities at the end of the workday where circumstances permit.

Employees working a flexible work schedule shall record their time in tenths of an hour on their time sheet.

Section 10. Department of Consumer & Business Services (including Workers’ Compensation Board).

(a) Employees with a four (4) day nine (9) hour and one (1) day four (4) hour work schedule shall be granted one (1) twenty (20) minute rest break and one (1) fifteen (15) minute rest break on each nine (9) hour workday and one (1) fifteen (15) minute rest break for the four (4) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.

(b) When an employee requests the four (4) day nine (9) hour and one (1) day four (4) hour work schedule, the employee will include as part of the request the preferred break schedule. The work schedule and break requests will be subject to the supervisor’s prior written approval.

Section 11. Water Resources and OWEB. Cleanup time for equipment shall be considered as part of the employee’s workday.

Section 12. BOLI. Whenever a job being performed or the material or equipment being used has caused an employee to become dirty, the employee shall be allowed a reasonable amount of time without loss of pay prior to any meal period or prior to the completion of their workday to clean themselves. Cleanup time for equipment shall be considered as part of the employee’s workday.

Section 13. Revenue. The purpose of this Section is to clarify what permanent part-time employees working in the Administrative Services Division may expect when a lack of work situation arises. When it becomes necessary to release some permanent part-time employees due to lack of work, but not all permanent part-time employees, the Employer will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees. This Section is intended to apply only within the unit. Nothing in this Section guarantees an eight (8) hour workday.

Section 14. Education (including OSD), Reassignment of Hours of Work or Days Off.

(a) When a reassignment of hours of work or days off, or both, is to be made within a given instructional unit, section, or department, the employees in the unit or department shall have the right to request their choice of assignment. The candidate with the greatest length of service within the Agency will be given his/her choice unless there exists a substantial and clearly evident superiority in the qualifications and experience of another candidate. Before an employee other than the candidate with the greatest length of service is given first choice, the candidate with the greatest length of service will be informed in writing and in detail, of those qualifications possessed by the employee chosen, and will be provided with a complete explanation of the reasons for selecting the other employee.

(b) When an employee would be scheduled to work a shift alone, however, the above provisions may be temporarily waived to provide for the safety and well-being of students.

Section 15. Work Schedules “M” and “F”. (Special Agencies Coalition Except Department of Veteran’s Affairs)

(a) Subsections (b) – (g), below, apply only to work schedules “F” and “M.” Work schedules “F” and “M” shall be considered “alternate work schedules.”

(b) Employee requests to be placed on work schedules “F” and “M” shall be governed by Article 90.5, Section 2.

(c) Work schedule “F” is as follows:

- Week one – Monday through Thursday, nine (9) hours, and Friday, eight (8) hours.
- Week two – Monday through Thursday, nine (9) hours, and Friday, off.
- Workweeks will alternate week to week, between week “one” and week “two,” as set forth above.

(d) Work schedule “M” is as follows:

- Week one – Monday, eight (8) hours, Tuesday through Friday, nine (9) hours.
- Week two – Monday, off, Tuesday through Friday, nine (9) hours.
- Workweeks will alternate week to week, between week “one” and week “two,” as set forth above.

(e) The definition of the workweek addressed in Article 90.5, Section 3, will not apply to employees who work schedule “F” or “M.” The definition of the workweek for work schedules “F” and “M” are as follows:

1. The workweek for employees working work schedule “F” shall begin at 12:01 p.m. Friday and end at 12:00 noon the following Friday. This workweek shall remain fixed, so long as an employee continues to work a work schedule “F.”

2. The workweek for employees working work schedule “M” shall begin at 12:01 p.m. Monday and end at 12:00 noon the following Monday. This workweek shall remain fixed, so long as an employee continues to work a work schedule “M.”
(f) During a work period when a compensable holiday occurs, an employee on a work schedule “F” or “M” will request his supervisor to adjust his/her work schedule within the defined workweek period to ensure a record of not to exceed forty (40) hours of paid time that includes the appropriate number of holiday hours. If needed, the employee may use accrued leave or compensatory time, or the employee may request adjustment of his/her work schedule to account for a full forty (40) hours in the workweek. Such adjustment shall be considered additional straight time worked rather than daily overtime hours. When the compensable holiday, or portion thereof, falls on the employee’s scheduled day off, the employee and supervisor will mutually agree on an alternative and commensurate time off within the workweek period.

(g) Employees on a work schedule “F” or “M” shall be granted two (2) fifteen (15) minute rest breaks on each nine (9) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.

In no event shall a represented employee be required to enter an evacuated area for any purpose, prior to the time the location has been determined to be safe.

ARTICLE 100.5I--SECURITY (OHCS)

REV: 2013
**Section 2.** A procedure shall be established and followed in which all employees shall be immediately and safely evacuated in an orderly manner from any location in or near where such employees may be required to perform their employment.

**Section 3.** Once the Agency deems it necessary to evacuate from any work location, an Agency representative must determine the location is safe before instructing and/or allowing employees to return to work in that area. In no event shall a represented employee be asked or required to enter an evacuated area for any purpose, prior to the time the location has been determined to be safe.

**Section 4.** Security arrangements shall be provided by the Agency in work areas where past Agency records clearly indicate a need for security arrangements.

**ARTICLE 100.5W--SECURITY** (Health-Related Licensing Boards)

**Section 1.** The Agency shall establish procedures to immediately and safely evacuate employees from the worksite whenever it is determined that there is a threat to personal safety, a hazard, or a disaster. An evacuation plan shall be posted in each work area in a location clearly visible to employees.

**Section 2.** Once the Agency deems it necessary to evacuate from any work location, the Agency must determine the location is safe before instructing and/or allowing employees to return to work. An employee or employees who refuse to return to work on the grounds that it is unsafe or might unduly endanger his/her health shall not be paid for lost time, unless the employee's claim is upheld. In no event shall a represented employee be required to enter an evacuated area for any purpose, prior to the time the location has been determined to be safe.

**Section 3.** Security arrangements shall be provided by the Agency in work areas where past records clearly indicate a need for security arrangements. These arrangements may include, but not be limited to, the use of Security Guards.

**ARTICLE 101--SAFETY AND HEALTH**

**Section 1.** The Agency agrees to abide by standards of safety and health in accordance with the Oregon Safe Employment Act (ORS 654.001 to 654.295 and 654.991).

**Section 2.** The Agency agrees to comply with the provisions of OAR 437-002-0161 Subdivision K, Medical Services and First Aid. The Agency shall provide first aid kits in all work areas which include the items listed in Oregon Occupational Health Rules. These kits shall be inspected periodically to insure their completeness.

**Section 3.** If an employee claims that an assigned job, vehicle, or equipment is unsafe or might endanger his/her health, and for that reason refuses to do the job or use the vehicle or equipment, the employee shall immediately give specific reason(s) in writing to his/her supervisor. If disputing the employee's claim, the supervisor will request an immediate determination by the Agency Safety Officer, or if none is available, by Oregon Occupational Safety and Health Administration (OROSHA) of the Department of Consumer & Business Services, as to whether the job, vehicle or equipment is safe or unsafe. The supervisor will inform the employee of the disposition of the claim.

**Section 4.** Pending the disposition of the claim, the employee shall be given another vehicle or equipment or other work. If no work is available, the employee shall be sent home. Time lost by the employee, as a result of refusal to perform work on the grounds that it is unsafe under Oregon Safe Employment Act standards, shall not be paid by the Agency unless the employee's claim is upheld by the Agency Safety Officer or the Department of Consumer & Business Services.

**Section 5.** As provided by ORS 656.202, if in the conduct of official duties an employee is exposed to serious communicable diseases or hazardous materials which would require immunizations or testing, or which result in an illness or disability, the employee should fill a workers' compensation claim for costs associated with the exposure, illness or disability. Time for immunizations or testing for an employee who is exposed to a serious communicable disease on the job, and which is not covered by the employee's workers' compensation claim, shall be considered regular work activity. Immunizations or testing required by the Agency will be paid by the Agency without cost to the employee and without deduction from accrued sick leave. Where immunization or testing shall prevent or help prevent such disease from occurring, employees shall be granted accrued sick leave for the time off from work required for the immunization or testing.

ARTICLE 101.5I,W--SAFETY AND HEALTH (OHCS, Health-Related Licensing Boards)

Section 1. Proper safety devices and clothing shall be provided by the Agency for all employees engaged in work where such devices are necessary to meet the requirements of the Department of Consumer & Business Services. Such equipment, where provided, must be used. Protective clothing and safety devices shall remain the property of the Agency and shall be returned to the Agency upon termination of employment.

Section 2. At the discretion of the Union, a Union representative may accompany the Agency Safety Representative or the Department of Consumer & Business Services representative conducting the safety inspection.

Section 3. Medical Facilities. Space shall be designated to permit an ill or injured employee to lie down until disposition of need. Cots, beds, stretchers, or pads are acceptable for this purpose. Space shall not be used for a storage area or any other purpose that would make it unavailable for immediate use in rendering first aid care.

ARTICLE 101.5Q,V--SAFETY AND HEALTH (DCBS, WCB)

Section 1. Medical monitoring will be provided to employees who have potential for contact with toxic and/or harmful substances in accordance with the Department’s internal management directive on medical monitoring. The directive shall not be changed during the life of this Agreement unless the Agency can identify a legitimate operational need.

Section 2. The Agency shall provide adequate two-way communications equipment and suitable state-owned vehicles (subject to budgetary constraints and equipment availability) for any safety or health professional who may be required to travel to locations not readily accessible to a physician or ambulance with Emergency Medical Technicians (thirty (30) minutes travel time). When travel on open terrain or unmaintained roads is required four-wheel drive vehicles shall be provided. This shall not be interpreted to mean that an employee is prohibited from providing his/her own four-wheel drive vehicle if the employee so chooses. The employee who chooses to provide their own vehicle shall pay for the expense of removal and reinstallation of two-way communications equipment if he/she chooses to change vehicles prior to normal replacement mileage.

ARTICLE 103.5--SENSITIVE AND DIFFICULT CLIENTS (Special Agencies Coalition Except OHCS, Health-Related Licensing Boards)

Section 1. When an employee is required to be in contact with sensitive or difficult clients, or clients with known severe medical disorders, and the employee suffers any form of abuse or harassment from the clients, the employee shall immediately report the incident to his/her supervisor. In the absence of the supervisor, the incident shall be immediately reported to the next higher level supervisor. The supervisor shall take appropriate action immediately to aid and insure the safety of the employee.

Section 2. An employee who is required to be in contact with a client who the employee reasonably believes poses a risk of engaging in violent or dangerous behavior may express his/her safety-related concerns to his/her supervisor. The supervisor and the employee shall then meet and confer about the employee’s concerns. If the risk is significant, the supervisor and the employee shall develop a plan to address the employee’s safety-related concerns.

ARTICLE 103.5I--SENSITIVE AND DIFFICULT CLIENTS (OHCS)

Section 1. When an employee is required to be in contact with sensitive or difficult clients, or clients with known severe medical disorders, and the employee suffers any form of abuse or harassment from the clients, the employee shall immediately report the incident to his/her supervisor. In the absence of the supervisor, the incident shall be immediately reported to the next higher level supervisor. The supervisor shall take appropriate action immediately to aid and insure the safety of the employee.

Section 2. An employee who is required to be in contact with a client who the employee reasonably believes poses a risk of engaging in violent or dangerous behavior may express his/her safety-related concerns to his/her supervisor. The supervisor and the employee shall then meet and confer about the employee’s concerns. If the risk is significant, the supervisor and the employee shall develop a plan to address the employee’s safety-related concerns. The plan may include an incident report created by the employee and the supervisor. The incident report will be filed in an incident report binder.
which will be accessible to employees whose duties involve contact with Agency sensitive and difficult clients. The incident report shall be limited to the following information: a description of the incident, the risk(s) posed to the employee by the incident, and the safety plan developed by the employee and the supervisor.

**ARTICLE 103.5W—SENSITIVE AND DIFFICULT CLIENTS** (Health-Related Licensing Boards)

**Section 1.** An employee who is required to be in contact with sensitive or difficult clients, clients with severe mental disorders, or other persons related to the case who have potential for violent or dangerous actions, may express his/her concerns to the supervisor. The supervisor and the employee will assess the client’s past history and potential for violent or dangerous actions. If the supervisor and employee find some indication that the client could become violent or dangerous, the supervisor and employee will develop a plan of working with the client which provides reasonable protection for the employee.

**Section 2.** All employees who are required to be in contact with clients who are deemed sensitive, difficult, violent, or who have severe mental disorders, shall be informed of such problems in advance of contact with the client, if a prior history of difficulty has been documented in the case record or information was received from an outside source.

**Section 3.** When a problem of abuse or harassment by a client has occurred, the employee shall immediately report the incident to his/her supervisor. In the absence of the supervisor, the incident shall be reported immediately to the next higher level supervisor. The supervisor shall take appropriate action to aid and insure the safety of the employee.

**ARTICLE 106—LABOR-MANAGEMENT COMMITTEES**

**Section 1.** To facilitate communication between the Parties, joint Labor-Management Committees may be established at the Agency level by mutual agreement of the Union and the Agency Administrator and the Department of Administrative Services. The Committees shall take steps to ensure consistency with the Collective Bargaining Agreement.

The Committees shall be on a meet-and-confer basis only and shall not be construed as having the authority nor entitlement to negotiate. The Committees shall have no power to contravene any provision of the Collective Bargaining Agreement, nor to enter into any agreements binding on the Parties to this Agreement or resolve issues or disputes surrounding the implementation of the Contract. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

No discussion or review of any matter by the committees shall forfeit or affect the time frames related to the grievance procedure. Matters that should be resolved through the grievance and arbitration procedure shall be handled pursuant to that procedure.

At the conclusion of each fiscal year, the Parties shall discuss the concept of Labor-Management Committees and whether they should be modified, continued, or discontinued.

**Section 2. Composition.** Any Agency Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management unless mutually agreed otherwise. An Agency and the Union may mutually agree to establish joint subcommittees.

Staff representatives of the Labor Relations Unit and the SEIU Local 503, OPEU may render assistance to a committee in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

**Section 3. Meeting Schedule.** Committees shall meet when necessary, but not more than once each calendar quarter, unless mutually agreed otherwise.

**Section 4. Pay Status.**

(a) Agency employees appointed to the Agency Committee shall be in pay status, during time spent in Committee meetings, as well as travel from their worksite to the meeting and back, unless prior authorized to initiate travel from home. Time spent outside of the employees’ scheduled working hours will be unpaid. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. By mutual agreement, subject to the operating needs of the Agency, employees may attend meetings in person, via telephone or videoconferencing. The Union will be responsible for all other employee expenses related to lodging and/or travel.

(b) Agencies, upon request, will adjust their current scheduled time of the Agency’s Statewide Labor-Management Committee meeting by up to thirty (30) minutes so the Union Committee members can meet prior to the commencement of the joint meeting. This language shall not preclude the Agencies from granting more than thirty (30) minutes preparation time or from granting preparation time for regional committees.

(c) Upon mutual agreement, the parties will identify and use available resources to provide joint training about the intent and conduct of Labor-Management Committees for the Agency’s Statewide Labor-Management Committee. This training will be on paid work time if provided during the employee’s regular work schedule, or if the Employer approves a work schedule change, including shift trades, without penalty payment pursuant to Article 40—Penalty Pay. The Parties will jointly coordinate the training to jointly determine the curriculum.

(d) Employees are expected to timely report back to their worksite following the end of the meeting and related travel time. Otherwise, employees may temporarily adjust their schedule or request time off as long as such request is made in advance and approved by their immediate supervisor or designee.

(e) The UBP code should be used to record the time taken pursuant to this article.
ARTICLE 106.5Q--LABOR-MANAGEMENT MEETINGS (DCBS)

The Agency and the Union agree that early resolution of employees’ concerns is mutually beneficial. Therefore, upon written request identifying a specific concern from a group of represented employees, the division administrator or designee will promptly schedule a meeting to confer with the employees. The meeting will be scheduled during or outside normal duty hours at the option of management. If the group exceeds five (5), representatives may be designated to meet with the administrator or designee. The group or a representative of the group will be informed of the results of the meeting. This meeting will not in any way be construed as a grievance.

ARTICLE 107--JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY

Section 1. The State and the Agency agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

Section 2. An employee who has sustained a compensable injury or illness shall be reinstated to his/her former employment or employment of the employee’s choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status.

The State will comply with applicable statutes in administering this Article.

Section 3. Certification of a duly licensed physician that the physician approved the employee’s return to his/her regular employment shall be prima facie evidence that the employee should be able to perform such duties.

Section 4. Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning his/her condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7th) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker’s attending physician has released the worker for employment, notify his/her supervisor, personnel officer, or someone in management who has authority to act on this demand, of his/her status and that he/she is available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely notice of his/her status shall be considered to have voluntarily terminated his/her employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician’s certification of the worker’s capabilities, the Agency’s ability to construct duties and availability of work. However, to be eligible for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to his/her full range of duties.

Since duties will be tailored based on a physician’s statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.

This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians’ statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from Article 45. Concerning the injured worker, light duty assignments can be made without regard to the requirements of Article 26, Section 10, and Articles 80, 81, 85, and 90, and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

Section 5. The Employer will cooperate with the Workers’ Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

Section 6. When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of his/her rights and obligations related to medical, retirement, and Workers’ Compensation benefits. A letter to the employee’s last address of record shall constitute proper referral.

Section 7. All reassignments under this Article will be made in a manner to keep the injured employee at or near his/her official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of his/her regular commute, whichever is greater.

ARTICLE 125--TECHNOLOGICAL CHANGE/RETRAINING

Section 1. Definition. Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, which may have the result of reducing the number of bargaining unit employees, reducing the required work hours of bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

Section 2. The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:

(a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.

(b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons from the Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members.

(c) The Employer agrees to meet with the Union to discuss the Committee’s findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.

(d) Should a regular status employee become displaced, the Agency shall offer Subsection (1) or (2) under the following conditions:

1. Subject to funding, Agency needs, employee interests and ability, and scheduling, the Agency will provide retraining.

2. Should a regular status employee become displaced as a result of technological change, the Agency shall make a reasonable effort to place the affected employee into another position in the Agency or other Agencies in State government.

ARTICLE 130--PROFESSIONAL RECOGNITION

ARTICLE 132--CRIMINAL RECORDS CHECK
Section 1. Except as provided by Governor’s executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in his or her current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to Article 5 of this agreement as it applies to changes in Agency rule or policy implementing Governor’s executive orders or state or federal laws regarding criminal records check requirements.

Section 2. Position Descriptions and Recruitment Announcements. If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

(a) If an employee is found to be unfit for his/her current position based on a new criminal records check and the Agency proceeds under Article 20, the employee retains all Article 20 rights.

(b) If a regular status employee is determined to be unfit for his/her current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. The employee will be provided options, including layoff.

If through a promotion, transfer, or voluntary demotion process a criminal records check is required and an employee is found to be unfit, upon request, the employee will be informed of the information from the criminal record used in the determination.
The appointment to the position will not be delayed. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures.

**Section 5. Layoff/Recall.**

(a) **Layoff.** In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commences. Once notified, the employee can waive his/her right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to Article 70 and the prioritization of his/her option(s) as previously communicated to the Agency.

If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.

(b) **Recall from Layoff.** If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

**Section 6.** Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, he or she may appeal the fitness determination as outlined in the Agency rule or policy.

**Section 7.** Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures, except as provided in Section 3(a).

**Section 8.** Information received as a result of a criminal records check shall be secured in a file separate from the employee's official personnel file. Destruction of the information received as a result of a criminal records check shall be consistent with state or federal law.

**Section 9.** Employees shall not be required to pay the Employer's/Agency's criminal records check fee(s) or Employer/Agency representation costs.

**Section 2.** Pursuant to ORS 659A.283, eligible employees may take up to one-hundred and sixty (160) hours of leave with pay each calendar year. This leave with pay is in addition to any vacation, sick, personal business or other forms of paid or unpaid leave available to the eligible employee. However, an eligible employee must exhaust all other forms of paid leave before the employee may use the one-hundred and sixty (160) hours of paid leave.

Any employee who, during the performance of his/her work, is directly involved in an incident of on-duty violence, shall be allowed reasonable time off immediately after the incident to recover from any physical or psychological impairment or disability caused by the action. Directly involved means physically attacked or physically intervening in an attack of a staff member.

Such leave shall be charged against any accumulated time the employee has earned. The employee may decide the type of accumulated time against which this leave shall be charged.
However, where an employee is receiving compensation through Workers’ Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee’s regular salary.

Any period of time beyond one (1) day necessary for purposes of readjustment shall be determined by the employee’s physician or mental health practitioner. The Employer may require the employee to see a practitioner of the Agency’s choice in order to verify the employee’s practitioner’s opinion.

Article 26--Differential Pay
IS Team Leader

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to establish a ten percent (10%) Information Services Team Leader Differential for all Agencies that assign such duties to bargaining unit employees under the following conditions:

1. (a) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with Section 1(e) of this Agreement.
   (b) The differential shall be ten percent (10%) beginning from the first day the duties were formally assigned in writing.
   (c) Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no “pyramiding” occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).
   (d) The differential shall be ten percent (10%) above the employee’s base salary rate.
   (e) For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties, the employee leads a team of employees and performs substantially all of the following duties under supervisory direction:
      i) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.
      ii) Establishes and coordinates multiple interrelated project schedules for all projects on which the team is working.
      iii) Works directly with multiple users to identify broad user needs and requested timelines when projects are submitted for the team.
      iv) Provides technical/operation guidance to contractors and monitors quality assurance.
      v) Develops technical standards and monitors team members’ work for compliance.
      vi) Performs leadwork duties on a recurring daily basis as listed in Article 26, Section 6 of the Master Agreement which are to orient new employees, if appropriate, assign and reassign tasks to accomplish prescribed work efficiently, give direction to workers concerning work procedures, transmit established standards of performance to workers, review work of employees for conformance to standards and provide informal assessment of workers’ performance to the supervisor.
2. Bargaining unit employees shall not be eligible for the differential if they are on voluntary developmental training assignment.

3. (a) If an employee believes that he/she is performing the duties that meet the criteria stated in Subsection 1(e), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that Information Services Team Leader duties were in fact assigned and are appropriate, the differential will be effective beginning the day the employee notifies the Agency Head of the issue.

   (b) If the Agency determines that the duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

   (c) If the Agency concludes that the duties are not Information Services Team Leader duties, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee’s notification to the Agency Head.

4. This Agreement terminates June 30, 2019, unless extended or eliminated by mutual agreement of the Parties.

As a result, eligible SEIU-represented temporary employees, as defined by ORS Chapter 653, will receive paid sick leave.

Article 56, Section 1(c) of the 2015-2019 SEIU Collective Bargaining Agreement states in relevant part, "An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in any SEIU Local 503, OPEU bargaining unit in the same Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from the initial date of temporary appointment. An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in a different SEIU Local 503, OPEU-represented Agency without a break-in-service shall accrue sick leave credits from the initial date of the temporary appointment provided the employee has worked as a temporary employee for the same Agency for six (6) consecutive calendar months or more".

Therefore, the Parties agree to the following:

SEIU Local 503, OPEU-represented temporary employees who, upon attaining regular status, would receive accrued sick leave credits under Article 56, Section 1(c) shall receive an amount of sick leave credits that represents the difference between what they have already accrued under Senate Bill 454 and what they would receive under Article 56, Section 1(c).

This Agreement becomes effective on the date of the last signature below and will sunset on June 30, 2019.

**LETTER OF AGREEMENT 121.5A-17-296**

*Article 121.5A—Education, Training and Development*

*ASLPI Testing (Oregon School for the Deaf)*

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (Employer), on behalf of the Department of Education (ODE or Agency), Oregon School for the Deaf (OSD) and SEIU Local 503, OPEU (Union).

OSD serves a wide variety of Deaf and Hard of Hearing students, residing in all parts of Oregon. Due to distance, many students qualify to reside in the dormitories during the school week. All adults with continuous daily direct contact with students, namely teachers, teaching assistants, dorm...
counselors and administrators over those staff, must have the requisite language skills to communicate fluently with our Deaf population of students and our Deaf staff for safety, health and instruction purposes.

In order to ensure the teachers, teaching assistants, dorm counselors and administration have the requisite language skills to communicate fluently, OSD will require all employees in these classifications to take the American Sign Language Proficiency Interview (ASLPI) through Gallaudet University. Employees in these classifications must be able to sign at an ASLPI Level 3 proficiency.

Therefore, the Parties agree to the following:

1. Effective April 2016, OSD will require all current SEIU-represented teacher assistants and dorm counselors to take the ASLPI, conducted by Gallaudet University. The results will be scored and will be returned to the school in approximately six (6) weeks.

2. Employees will have a full school year to utilize available resources in order to become ASLPI Level 3 proficient.

3. For current employees who do not initially meet the required proficiency Level, OSD will provide education expense reimbursements for ASL related courses to each employee, up to two-hundred dollars ($200) total. Employees will be required to submit proof of the expense.

4. Current employees who did not initially meet the required proficiency Level will be required to retake the ASLPI conducted by Gallaudet University (second (2nd) attempt) by the end of the 2016-2017 academic school year. These employees will continue to receive the five percent (5%) bilingual differential until retested.

5. When retested by the end of the 2016-2017 academic school year, these employees are expected to sign at an ASLPI Level 3 proficiency.
   a. Employees who are not at an ASLPI Level 3 but who have shown progress by testing at Level 2 or higher will be granted additional time to reach Level 3 proficiency. These employees will be retested between the months of January and February 2018 (third (3rd) attempt). Employees who are retested and do not sign at ASLPI Level 3 proficiency will be granted the ability to work through the end of the school year, at which time pre-dismissal proceedings will commence.
   b. For employees who have not shown progress by testing at Level 2 proficiency or higher (second (2nd) attempt), ODE will attempt to find a vacant position within the same salary range for the employee, dependent on the ability to meet the minimum qualifications for the position's classification and the ability to capably perform the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If ODE is unable to provide the employee with a vacant position within the same salary range, ODE will continue to seek alternate vacant positions at the next lower salary range, dependent on the ability to meet the minimum qualifications and the ability to capably perform the specific requirements of the position within thirty (30) calendar days. If ODE is unable to find a suitable, vacant position by the end of the 2016-2017 academic year, ODE will initiate the pre-dismissal process.

6. Beginning April 2016, OSD will retest all employees every five (5) years. If employees do not meet the proficiency requirements in subsequent testing after 2017, the OSD will initiate the pre-dismissal process. OSD will be responsible for the testing cost in 2016, 2017, 2018 and following testing years.

7. In order to ensure the teachers, teaching assistants, dorm counselors and administration have the requisite language skills to communicate fluently, OSD will require all employees hired into these classifications to provide certification they are ASLPI Level 3 proficient. These employees will need to provide the certification to OSD within twelve (12) weeks of hire and are responsible for paying this initial testing cost.

8. This Letter of Agreement is in effect through June 30, 2019.

LETTER OF AGREEMENT 123.00-17-307
Article 123--Inclement Weather
Inclement Weather/Hazardous Conditions Leave

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union). This Letter of Agreement will supersede Article 123, Sections 3, 5, and 9.

This Letter of Agreement does not apply to:

- FLSA exempt employees.
- Employees designated by the Agency to report to work during a closure.
- Employees who work at any 24/7 institution or facility.
- Temporary employees.
When the Department of Administrative Services/Agency chooses to close an office or facility pursuant to Article 123, Section 1(a), one of the following options will be implemented:

1. The employee may, with prior supervisory approval, work from home or alternate work location for at least one half (1/2) of their regular work day. The remainder of the employee's work day will be on inclement weather leave for up to forty (40) hours a biennium; or,

2. If no work is available or the employee is unable to work from home or alternate work location, the employee will use accrued vacation hours, compensatory time off, personal leave time or leave without pay for at least one half (1/2) of their regular work day. The remainder of the employee's work day will be on inclement weather/hazardous conditions leave not to exceed forty (40) hours a biennium; or,

3. The employee may, with Agency prior approval, temporarily adjust their work hours during the same workweek to make up for hours not worked. The Agency shall not suffer any overtime or penalty payments as a result of this schedule change.

4. Once the forty (40) hours of inclement weather/hazardous conditions leave is used, if there are more Agency closures during the biennium, the employee will use accrued vacation hours, personal leave or compensatory time off, leave without pay or, with prior Agency approval, temporarily adjust their work hours during the same workweek. The Agency shall not suffer any overtime or other penalty payments as a result of the change in schedule.

5. Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave or already scheduled to work from an alternate location. Only employees who are scheduled to report to work at the location which is closed, the day of the closure, are eligible for any use of the inclement weather leave.

6. Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.

7. Inclement weather/hazardous conditions leave not used during a biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.

8. Part time and job share employees shall be granted such leave in a prorated amount of forty (40) hours per biennium based on the same percentage or fraction of FTE (full-time equivalent) they are hired to work.

9. Seasonal employees shall be granted a prorated amount of leave based on the amount of time anticipated they will work in the biennium at the time of hire. For example, if the employee is being hired for a six (6)-month equivalent FTE, they would receive ten (10) hours. The time will not be re-adjusted if the employee is hired into subsequent seasonal positions within the biennium or works longer than originally anticipated.

10. Employees from ODFW who received MPL via Memorandum of Understanding as a result of the Eagle Creek Fire, will have the number of MPL hours used deducted from their biennial allocation.

When, in the judgment of the Agency, inclement weather/hazardous conditions require the closing of an office or facility following the beginning of an employee's shift, the employee shall be paid for the remainder of the shift.

This Letter of Agreement becomes effective upon signature and will sunset on June 30, 2019.

The Parties agree to the following:

Section 1. Application.

This Agreement covers all SEIU Local 503, OPEU-represented employees who are required to possess a commercial driver license and perform safety-sensitive functions in all Agencies where the Union is the bargaining agent.
