1. incapable of self-sustaining employment; and
2. primarily dependent on You for support and maintenance.

We may request continuous proof of Your Child's disability but will not request this information more than 1 times a year.

If at the end of the continuation period Your Child is no longer eligible for insurance under this Certificate, the "Conversion Privilege" provision of this certificate shall describe Your Child's right to convert.

WAIVER OF PREMIUM

For purposes of this Waiver of Premium coverage, the Covered Person shall only be an eligible Employee subject to the following provisions

If Total Disability has continued for 6 consecutive months, premium payments under this Policy will be waived for any coverage period after the first day of the month following the date Total Disability begins under this Policy provided:

1. The Covered Person is insured under this Plan and is Actively at Work on or after the Effective Date of the Plan; and
2. Total Disability begins before age 60; and
3. Premium payments have continued; and
4. The Covered Person provides Us with proof of Total Disability as required; and
5. The Covered Person is still Totally Disabled when he/she submits the proof of Disability; and
6. this Policy remains in force.

AMOUNT OF LIFE INSURANCE

The amount of life insurance continued will be the amount in force on the date the Covered Person became Totally Disabled. This amount will be reduced or terminated based on the Schedule of Insurance in effect on the date of Total Disability. This amount will not be increased while the Covered Person remains Totally Disabled.

If the Covered Person is still eligible for life insurance when he/she returns to Active Work, life insurance may be continued in force if premium payments are resumed. If this is done, any increased amount of life insurance the Covered Person may then be eligible for will take effect as described in the Effective Date of Insurance provision.

Premiums that have been waived will not be deducted from the Covered Person's death benefit.

DEFINITION OF TOTAL DISABILITY

For the purposes of Waiver of Premium, **Total Disability or Totally Disabled** means that the Covered Person is under the Regular Care of a Physician and prevented by Injury or Sickness from performing the Material Duties of any Gainful Occupation.

Gainful Occupation means any employment that exists in the national economy that the Covered Person may be expected to follow based on the Covered Person's education, training, experience, age, and physical and mental capacity, and from which the Covered Person is expected to earn at least 60% of the Covered Person's pre-disability earnings within 12 months of the Covered Person's return to active work.

PROOF OF TOTAL DISABILITY

Once the Covered Person notifies Us of loss, We will provide the Covered Person with forms to use when giving Us Proof of Claim. (See "Proof of Claim" under the Claim Provisions.) The Covered Person must give Us proof no later than 90 days after the date the Covered Person became Totally Disabled. Failure to provide required proof of disability within this time frame will not invalidate or reduce any payable claim if it was not reasonably possible to provide the required proof.

We will notify the Covered Person in writing if the Claim is approved and the amount of premium that is being waived.

We may at any time require proof that Total Disability continues. If required, the Covered Person must give Us proof of continuing Disability within 90 days after Our request. After the Covered Person has been Totally Disabled for more than 1 year(s) from the date of Total Disability, We will not request proof

more than once every six months, based on changes in the Covered Person's diagnosed condition. We may require that the Covered Person be examined at Our expense by a Physician of Our choice.

Upon proper application and approval by the Policyholder, coverage shall be extended to the Covered Person without deduction from the insured's reserve account during the first six months of the continuous Total Disability beginning with the first day of the second month following the month in which the disability occurred. Premiums for the Covered Person must be paid to Us during the first six months of the continuous Total Disability.

We will refund up to 12 months of premiums that were paid for Life Insurance after the date the Covered Person became Totally Disabled.

DEATH WHILE TOTALLY DISABLED

If the Covered Person dies while life insurance is being continued under this provision, We will pay the amount of insurance if We receive proof:

1. of the Covered Person's death; and
2. that Total Disability was continuous from the date it began to the date of death.

TERMINATION OF THE COVERED PERSON'S WAIVER OF PREMIUM

The Covered Person's waiver of premium benefit will end on the earliest of:

1. the date the Covered Person attains age 65;
2. the last day of the 90 day period following Our request for proof of Total Disability, if the Covered Person does not give Us proof or the Covered Person refuses to take a medical exam;
3. the date the Covered Person returns to Active Work.;
4. the date the Covered Person retires at the normal age of retirement, according to each Participating Employer's requirements.

If the Covered Person's life insurance terminates while the Covered Person is covered under this provision, the Covered Person will be eligible to convert that coverage as of the termination date. The Covered Person may convert no more than the amount of term life insurance that was in force on that date. (See "Conversion Privilege" section.)

If the Covered Person's life insurance coverage is replaced by another group life insurance plan, We will continue Waiver of Premium coverage under this Policy until the Covered Person's Waiver of Premium coverage would otherwise terminate.

If the Policyholder's company rules do not provide for continuation of an Employee's Life and AD&D coverage during a Family and Medical Leave of Absence, Your coverage will be reinstated when You return to active employment. We will not:

- i. apply a new Waiting Period; or
- ii. require Evidence of Insurability.

All other terms and conditions of the Policy will remain in force during this continuation period.

If You are on a Leave of Absence for active Military Service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) or applicable state law, Your and Your Dependent coverage may be continued for the longer of:

1. The length of time the coverage may be continued under applicable federal or state law; or
2. The length of time the coverage may be continued under the Policy for a Leave of Absence.

The premium for Your coverage must be paid during the Military Leave.

Your and Your Dependent continued coverage will terminate on the date on which the Policy terminates, the end of the Continuation period, or the last day for which any required premium has not been paid.

The Policy does not cover any loss which occurs while on active duty in the Military Service if such loss is caused by or arises out of such Military Service, including but not limited to War or act of War (whether declared or undeclared). Benefits are also subject to any other Exclusions and Limitations under the Policy.

All other terms and conditions of the Policy will remain in force during this continuation period.

CONTINUATION DURING STRIKE, LOCKOUT, OR LABOR DISPUTE

If Your compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, You and Your Dependent's coverage may be continued.

Your and Your Dependent coverage may be continued through the end of the 3 months following the month in which Your strike, lockout, or other labor dispute begins.

Your and Your Dependent coverage will terminate on the date on which the Policy terminates, the end of the Continuation period, or the last day for which any required premium has not been paid.

Your and Your Dependent's premium will be suspended from the first day of the month following the date of Your strike, lockout, or other labor dispute.

At the end of the period for which coverage may be continued, if coverage through Your Employer is no longer available, You may convert Your and Your Dependent coverage.

All other terms and conditions of the Policy will remain in force during this continuation period.

SUICIDE

The following applies to Voluntary Life only.

We will not pay a benefit for a loss caused directly or indirectly by suicide, attempted suicide or intentional, self-inflicted Injury, whether sane or insane, within 1 year(s) following the original Effective Date of Your coverage or increase in coverage.

This 1 year period includes the time group life insurance coverage was in force under the Prior Policy and initial coverage under this Policy.

DEPENDENT LIFE INSURANCE

DEPENDENT DEATH BENEFIT

If a covered Dependent dies while insured under this Policy, We will pay You the amount of Dependent life insurance in force on the day of Your Dependent's death after We receive Proof of Loss and in accordance with the General and Claims provisions of this Certificate.

Suicide

The following applies to Voluntary Dependent Life only.

We will not pay a benefit for a loss caused directly or indirectly by suicide, attempted suicide or intentional, self-inflicted Injury, whether sane or insane, within 1 year(s) following the original Effective Date of Your Dependent's coverage or increase in coverage.

This 1 year period includes the time group life insurance coverage was in force under the Prior Policy and initial coverage under this Policy.

ACCELERATED DEATH BENEFIT

This provision applies to Your and Your Dependents Group Life and Voluntary Life Benefit.

For Basic Group Term Life, You are the only Covered Person and payments are made to You.

For Voluntary Group Term Life, You and Your Dependents are the only Covered Person(s) and payments are made to You.

ACCELERATED DEATH BENEFIT

The Accelerated Death Benefit is a one-time, lump sum payment of a portion of a Covered Person's Life benefit if the Covered Person:

1. Is Terminally Ill; and
2. Elects to receive the Accelerated Death Benefit, subject to the maximum benefit amount stated on the Schedule of Insurance.

ACCELERATED DEATH BENEFIT ELIGIBILITY

A Covered Person is eligible for the Accelerated Death Benefit if he or she:

1. Becomes and remains insured for life insurance under the Policy; and
2. Provides satisfactory proof of Terminal Illness; and
3. Not retired.

If the Covered Person is incompetent or unable to request the Accelerated Death Benefit, his or her legal guardian may submit the request.

COST OF PROVIDING ACCELERATED DEATH BENEFIT

There are no additional costs associated with the Accelerated Death Benefit.

ACCELERATED DEATH BENEFIT AMOUNT

The maximum Accelerated Death Benefit available is the lesser of:

1. 80% of the Covered Person's life insurance amount; or
2. \$250,000.

The accelerated death benefit will be paid immediately upon receipt of due written proof of the Covered Person's eligibility for this benefit.

ACCELERATED DEATH BENEFIT CONDITIONS AND REQUIREMENTS

Proof of the Covered Person's Terminal Illness must be certified by a licensed Physician and in a form that is satisfactory to Us. Any delay in submitting this proof will not cause the request to be denied until the required proof is provided.

We may require the Covered Person to be examined by a licensed Physician of Our choice and at Our expense. If there is a disagreement between the two physicians, We may require the Covered Person to be examined by a third licensed Physician of Our choice and at Our expense. The decision of the third Physician will be final.

If the Covered Person does not submit proof of Terminal Illness satisfactory to Us or refuses to be examined by a Physician, We will not pay the Accelerated Death Benefit.

If death occurs before the accelerated benefit is paid, We will not pay the accelerated benefit. Instead, We will pay the Covered Person's benefit according to the general terms of the Certificate.

EFFECT OF ACCELERATED BENEFIT ON OTHER POLICY PROVISIONS

A Covered Person's amount of life insurance will be reduced by the amount of any accelerated benefit paid with respect to that Covered Person. This includes:

1. the amount of life benefit payable to Your Beneficiary when the You die;
2. the amount of life benefit payable to You when Your Dependent dies;
3. the amount of life insurance each Covered Person can convert under the Policy; and
4. the premiums payable for each Covered Person's life insurance benefit under the Policy after an accelerated benefit is paid if such premiums are not waived.

If any accelerated benefit is paid, We will provide a Disclosure for Accelerated Death Benefit to You, any assignee or Irrevocable Beneficiary of record showing the effect of the acceleration on the death benefit and premium payments. This disclosure will show any premium necessary to continue any remaining coverage. This disclosure will also advise You of any tax consequences.

The acceleration of part of Your life insurance benefit will not impact other Dependent coverage under this Certificate, even if Dependent coverage is based on a percentage of Your life insurance benefit.

The acceleration of part of Your Dependent's coverage under this Certificate will not impact the amount of Your coverage.

The acceleration of all of Your life insurance benefit will terminate the life insurance benefit under the group Certificate. Termination of Your coverage will not adversely affect the continuation and conversion rights available under the Certificate to other Covered Persons.

TAX CONSEQUENCES ASSOCIATED WITH ACCELERATED BENEFIT PAYMENT

The receipt of an accelerated benefit may be taxable. You should consult Your personal tax advisor if this benefit is paid to You or Your Dependent.

The receipt of accelerated benefit payments may also adversely affect the Covered Person's eligibility for Medicaid or other government benefits or entitlements.

IMPACT OF TERMINAL ILLNESS RECOVERY

If You or Your Dependent are diagnosed by a Physician as being no longer Terminally Ill and You are in an eligible class Your coverage will remain in force, provided premium is paid.

If You or Your Dependents are diagnosed by a Physician as being no longer Terminally Ill and You are not in an Eligible Class, but You or Your Dependent continue to be disabled:

1. Your coverage will remain in force, subject to the Waiver of Premium provision; or
2. Your and Your Dependent coverage will end, and You and Your Dependent may be eligible to convert coverage to an individual whole life Policy so long as coverage is converted within the time limits described in the "Conversion Privilege" section.

The amount of coverage eligible for Conversion will be reduced by the amount of the Accelerated Death Benefit already paid.

ACCELERATED BENEFIT LIMITATIONS AND EXCLUSIONS

We will not pay an accelerated benefit if:

1. An absolute assignment of life insurance is made under the Policy unless We receive written consent from the assignee.
2. All or part of the Covered Person's life insurance under the Policy is to be paid to Children or former Spouse as part of a court approved separation or divorce agreement.
3. The Covered Person has made an Irrevocable Beneficiary designation of life insurance under the Policy and We do not receive written consent by the Irrevocable Beneficiary.

4. The terminal illness is a result of intentional self-inflicted Injury or attempted suicide, committed while sane or insane.
5. The Covered Person is required by law to accelerate benefits to meet the claims of creditors; or a government agency requires the Covered Person to apply for benefits to qualify for a government benefit or entitlement.
6. The Terminal Illness is directly or indirectly caused by War or any act of War, insurrection, rebellion, or Riot or while in active Military Service of any country, group of countries, governments or international authority. We will refund the pro rata portion of any premium paid for Your Dependent's insurance while in the armed forces on full-time active duty for a period of two months or more. Written notice must be provided within 3-12 months of the date the Dependent entered the armed forces.
7. The Terminal Illness is directly or indirectly caused by the Covered Person's voluntary commission of, or attempting to commit, an assault or a felony or other criminal act; or participating in an illegal occupation.
8. The Covered Person's Terminal Illness is directly or indirectly caused by the Covered Person's voluntary use of any drugs including, but not limited to, sedatives, hallucinogens, barbiturates, amphetamines, narcotics or any other controlled substance unless taken as prescribed by a Physician or an "over the counter" drug, medication or sedative taken as directed or

Along with a Written request for a review, You or Your Beneficiary should submit any additional information You believe should be considered during the review.

Upon request, We will provide You or Your Beneficiary with copies of documents, records and other information relevant to Your claim, free of charge.

We will review the appeal and respond with a final determination within 45 days. If We need additional time to decide the appeal, We may extend the review by 45 days. If We need such an extension, We will inform You or Your Beneficiary in Writing: (1) that We need an extension, (2) why We need the extension, (3) what additional information We may need to complete the review, and (4) when You or Your Beneficiary can expect a decision. We will notify You or Your Beneficiary of the extension before the expiration of the initial 45-day period.

If we require an extension on the time to decide the appeal due to You or Your Beneficiary's failure to provide information necessary to decide the claim on review, the extended time period for review of the claim will not begin until You or Your Beneficiary provide the information or otherwise respond.
