Our adult and neonatal critical care teams prove every day they are among the very finest in the nation. When we are called to provide medical transport our flight team serves as a mobile intensive care unit with one purpose - to save lives. Our teams are trained and have experience to care for a wide variety of patients, including high risk obstetrical emergencies, heart attacks, strokes, traumatic injuries, and premature newborns.

Life Flight Network's Membership program provides financial peace of mind for more than 140,000 households. Life Flight Network has transported more than 120,000 patients over nearly four decades of operation and is committed to establishing bases in communities where we are most needed.

## How Does Membership Work?

Medical emergencies happen every day without warning. If EMS or health care providers determine emergency air medical transport is needed and you are flown by Life Flight Network, your Membership protects you and your family from having any out-of-pocket expenses. Life saving air medical transport can be expensive, and health insurance may not cover all costs. Life Flight Network works directly with your insurance company (if any) for their portion of the payment and the rest of the cost is covered by your Membership.

- We invite you to become a Life Flight Network Member or give Membership as a gift to the ones you love.
- **To enroll today**, simply go to: [www.lifeflight.org/membership](http://www.lifeflight.org/membership), fill out the online form, and pay by credit or debit card. It's simple, secure, and easy to use.
- If you prefer, you may fill out the Membership application in this brochure and mail it in at your convenience.

**Emergency Medical Calls:** Always call 911 when you need emergency medical assistance. A physician, EMS provider or other authorized personnel will determine if Life Flight Network is needed.

# STATEMENT OF UNDERSTANDING

**By becoming a Life Flight Network and/or FireMed Member, you agree to the terms stated below.**

Life Flight Network and/or FireMed Membership benefits are extended to the primary member, his/her spouse or domestic partner and their dependents claimed on their income tax return. Elderly or disabled family members living in the same household are also covered.

The first person listed on the application form is designated as the "Primary Member". Only those persons who meet the membership eligibility requirements AND are listed in the membership record *at the time services are rendered* are eligible for benefits. Per government regulations, individuals covered by Medicaid are not eligible for membership and should not apply.

Life Flight Network and/or FireMed Memberships are not an insurance policy but secondary to insurance carriers. All available insurances will be billed first. We will accept payment from insurance carriers as payment in full.

Life Flight Network Memberships are honored by several regional *air* transport reciprocal partners. Your Life Flight Network Membership covers air transport when emergently transported in a Life Flight Network aircraft. Reciprocity between regional air membership programs is subject to the reciprocating program's rules.

Ground Memberships are honored by FireMed Membership programs of Oregon. Ground Membership covers ground ambulance charges only.

Both air and ground emergent 9-1-1 and interfacility transports are based on medical need, not membership status. Patients are transported to the closest medically appropriate facility as requested by the physician or EMS system. Non-emergent transports are not covered by this agreement.

Availability of service cannot be guaranteed due to weather conditions, commitment to another transport or aircraft out-of-service.

No refunds will be issued on Membership purchases. Membership benefits are non-transferrable.

Renewal payments must be received prior to the expiration date to avoid a lapse in benefits. There is no grace period.

New and lapsed Membership benefits take effect 72 hours after receipt by Life Flight Network of a completed enrollment form with payment.

Membership fees are not tax-deductible.

I transfer directly to Life Flight Network and/or the FireMed Agency my rights to air and/or ground insurance payments due to me for services provided by Life Flight Network and/or the FireMed Agency. Such payments shall not exceed Life Flight Network and/or FireMed regular charges.

I specifically waive any and all rights, claims or causes of action against Life Flight Network and/or the FireMed Agency and its employees and agents with respect to my Life Flight Network and/or FireMed Membership and the Life Flight Network and/or FireMed Membership Program.

The Membership Program may be canceled at any time for any reason, including financial feasibility and governmental regulation of such programs. Terms and conditions are subject to change. For current terms see [www.lifeflight.org](http://www.lifeflight.org)
