

WORKSITE ACTION CHALLENGE

Unite for a Fair Contract!

We are bargaining every week in June, and we need worksites across the state to show their support and solidarity. Below is an example of actions you could hold each week in your worksite, or maybe you have better ideas! Whatever you do, make it clear to managers across the state that we are united for a better Oregon and for a fair contract. Send pictures to stateworkerbargaining@seiu503.org
