UNITED

FOR A BETTER OREGON

SEIU Local 503

#United4ABetterOregon

For years we've made sacrifices—in our pay and benefits—in order to maintain the services that the most vulnerable Oregonians rely on. For decades we've fought to win revenue reform to improve services for all Oregonians. We do our part everyday to invest in Oregon, now its time for Oregon to invest in us. I **commit to my coworkers to take action to support a fair contract—including wearing purple and joining unity breaks and other solidarity actions.** A fair contract must include meaningful raises to make up for years of falling behind, and protection of the benefits we've earned.

ITS TIME. Time to invest in workers. Time to invest in services. Time to invest in Oregon.
