

How We Elect Local Leaders

This is your official notice of nominations and elections.

In locals where candidate statements and/or photographs are permitted, candidates shall be entitled to submit one (1) candidate statement and/or photograph regardless of the number of positions for which the candidate is running.

Members seeking to run for office are encouraged to self-nominate. Members also have the right to nominate another member. The ballot will not indicate whether a member was self-nominated or nominated by another member. Members nominated by another member are required to accept the nomination no later than 5:00pm two business days after the close of nominations.

If candidate statements are permitted, all candidate statements must be submitted by the close of nominations.

Candidates are encouraged to use the online nomination form available at SEIU503.org/WeAre503. This form can also be accessed on computers which will be available at all SEIU Local 503 field offices. Please check with your field

office to confirm open office hours in advance. Paper nomination forms will be available upon request from field organizers and at all SEIU Local 503 field offices.
