Jacket Exchange Program

We have come to find out that some jackets sent out in the Delegate materials are not the size or style that the recipient anticipated getting. We will be able to do a jacket exchange based on first come first serve basis as we have sizes and styles available. If you are requesting a different size jacket you will be required to send a check or money order to pay for the postage for the new jacket. If you would like to exchange your jacket here is the process:

1. Complete this form and print it.
2. Put this form, your previous jacket and a check or money order to pay for the postage in a mailing box and send it to our Salem office.
