Clara Keli Baker

I have been a licensee for an Adult Foster Home for 4.5 years. I worked as a resident manager and administrative assistant for three homes, under a different licensee, for four years prior to that. I am a firm believer in the Union and working together for what is best for its members, to the extent allowed. A stronger Union means a stronger voice for all of us.

Jolynn Best

As a second generation AFH provider, I am personally invested in issues that impact our ability to provide care and to run our businesses. As VP, I will continue focusing my efforts on bargaining or contact with the state; and will work to expand our influence with key decision makers and legislators to get the support we need to provide the highest level of care possible.

John Grimm

Thank you for considering me to serve as your President once again. It has been a trying 2 years. Be safe

Anthonette "Net" Guy

My legal name is Anthonette, but prefer to be called Net. I have been involved with union and committees for over 20 years. I prefer to make resolutions as a team while focusing on member needs not individual wants. I prefer to be part of the resolution and stand up for our needs. Once voice is a complaint unheard. Many voices are louder and gain more attention for possible resolution and/or accountability.

Thomas Johnson

Looking forward to continuing to work as a team and strengthen our Union even more.

Charlotte Kreftmeyer

Hello my name is Charlotte Kreftmeyer and I am an AFH Provider for Mental Health. I am also versed in the DD community and AFH's in my local area. I have been a member of our Union SEIU 503 for 5 years now and have seen many wonderful things come to pass. I have also been a Bargaining Delegate for this last contract and was able to assist in getting raises and Covid relief pay for our homes. I want to be the District 4 Director so I may continue to work for the benefit of our Adult Foster Homes, helping ensure that we have a voice with not only our Union but with our Oregon State Representatives. We hold an important part of Oregon Care Providers, we service those in need day in and day out. I want to ensure every voice is heard and bring about great things that will benefit our clients and Adult Foster Homes here locally as well as state wide. Being proud to be a Union member and an Adult Foster Home provider, allow me to represent you and your home this next session through our SEIU 503.
