### **Rachael Chesbrough**

Vice presidency is something I would thrive at. I was part of the 503 SEIU bargaining team last year.. I really enjoyed being a part of the team! I felt a lot of success with them, and loved representing the employees. I believe I would be a pivotal vice president delegate to oversee the union for the workers, by the workers.

### **Larry Mullins**

If I have the honor of being chosen for this position by you the members of SEIU 503 I vow to always work in the best interest of all. I can not do this alone, it will take the voice of each member to stand tall and proud in all we do. Together we can make a difference.

### **Stevie Rath**

Hey there my name is Stefanie Rath "Stevie", I am 40 years old and I am a Site Support Specialist at PRC. I am also a part time student working on my CAD1 and AAS in Human Services and here in about a year I will be working on my BA in Social Work. Let me begin by saying that I have never been a part of a union; However, I am a member of a couple of democratically ran organizations and I understand how important it is that everyone's voice is heard when it comes to changing policy's, making decisions and making sure our rights are not abused. I am new to this process and I honestly don't know what each position entails, however I do know that it is important that there be those people willing to step up and be a part of making change happen. I know that with guidance I can quickly learn my role as your Secretary-Treasurer if nominated. I am excited to be a part of something greater than myself! Thank you for this opportunity!
