The Employer recognizes the Union as the exclusive bargaining representative for all classified and unclassified employees in positions represented by the Union in the Agencies listed in Section 2 below. The Union is also the exclusive bargaining representative for temporary state employees in the classified or unclassified service as direct hire temporary employees of the State of Oregon excluding student workers who are in student worker classifications; student law clerks; independent contractors; any temporary employees who are represented by another labor organization; retired state employees; casual labor temporary Agency employees (e.g., Kelly, Manpower, Goodwill Industries, St. Vincent de Paul) not directly employed by DAS; temporary employees in the exempt service as defined in ORS 240.200; school-to-work experience employees; persons hired under exchange programs with the State; prisoners; interns from bona fide educational programs who are fulfilling academic requirements of that program and are completing their degree; and JOBS Plus program participants. Temporary employees represented by the Union are in the Agencies listed in Section 2 below. This recognition does not apply to exempt, supervisory, managerial and confidential employees as defined by law or as determined by the Employment Relations Board.

Section 2.

- (a) The Employer and the Union have established a single bargaining unit of employees represented by the Union and employed by the Oregon Youth Authority*, Oregon State Hospital, Pendleton State Delivered Secure Residential Treatment Facility, Oregon Department of Forestry, who are guards, firefighters, and police officers as identified by the Employment Relations Board or as agreed upon by the Parties. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1.
- (b) The Employer and the Union have established a single bargaining unit which is not prohibited from striking. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1. This unit is made up of employees located at the following Agencies: Department of Agriculture, Commission for the Blind, Oregon Youth Authority*, Department of Human Services, Oregon Health Authority and Oregon Health Authority Institutions (Pursuant to HB2009) (Oregon State Hospital, Pendleton State-Delivered Secure Residential Treatment Facility), Department of Education (including School for the Deaf), Employment Department, Employment Appeals Board, Department of Administrative Services (State Controllers Division, former DGS Divisions, and State Data Center), Oregon Department of Forestry, Department of Justice, Bureau of Labor and Industries, Higher Education Coordinating Commission, State Library of Oregon, Oregon Parks and Recreation Department, Public Employees Retirement System, Department of Revenue, Department of Transportation, Oregon Department of Geology and Mineral Industries, State Treasury Department, Department of Veterans' Affairs, Department of Water Resources, Department of Consumer & Business Services (including Workers' Compensation Board), Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Oregon Mental Health Regulatory Agency, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology and Audiology, Board of Naturopathic Medicine, Oregon State Board of Examiners for Engineering and Land Surveying, Oregon Department of Aviation, Oregon Watershed Enhancement Board, Oregon Housing & Community Services, Oregon Department of Fish & Wildlife, and Teachers Standards and Practices Commission.

*Oregon Youth Authority includes all employees except employees in positions classified as Juvenile Parole and Probation Officer and Juvenile Parole and Probation Assistant. Union-represented employees of this Agency are included in the Union's strike-permitted bargaining unit, except for employees in the classifications of Group Life Coordinator 1, 2, 3 and Youth Corrections Unit Coordinator, or successor classifications, who are included in the Union's strike-prohibited bargaining unit.

Section 3. When there has been a determination of the Employment Relations Board to modify one (1) of the bargaining units listed in Section 2 or when the Parties reach mutual agreement to modify, negotiations will be entered into as needed or as required by law.

Section 4. Exclusion of Filled Positions.

- (a) DAS shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS agrees not to change the position's designation from represented to management service during this twenty (20) day period.
- (b) Should the Union decide to contest the proposed exclusion, it shall serve DAS with written notice of its intent to contest the exclusion within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.
- (c) If DAS does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) day period, or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS may proceed to change the position's designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exclusion is no longer warranted.
- (d) For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

Section 5. Temporary Employees.

- (a) The Employer agrees to utilize temporary employees in accordance with ORS 240.309. Grievances alleging violations of ORS 240.309 may be submitted only by the Union, directly to the Department of Administrative Services level for full and final review.
- (b) Temporary employees will have the same rights as other bargaining unit employees as enumerated below:
 - (1) Same base rate of pay for the appropriate classification for regular status employees. Effective upon signing of this Agreement, rates of pay will be within the ranges, minimum and maximum, according to the Compensation Plan, per [Article 27](#) and salary appendices.
- (c) The following Articles apply to temporary employees: Articles [1](#), [2](#), [3](#), [4](#), [5](#), [6](#), [7](#), [8](#), [9](#), [10](#), [10.1C](#), [10.1M](#), [10.2](#), [10.2A](#), [10.2C.H](#), [10.2K](#), [10.3](#), [10.3A,B,E](#), [10.3C](#), [10.3D](#), [10.5](#), [11](#), [14](#), [15](#), [17.5](#), [19T](#), [19.1M](#), [19.2K](#), [21](#), [22T](#), [23T](#), [26T](#), [27](#), [29T](#), [30](#), [32T](#), [33.3A](#), [33.3C](#), [34](#), [36T](#), [36.2K](#), [36.1M](#), [37](#), [48](#), [56T](#), [58T](#), [60T](#), [90T](#), [90.3CT](#), [101T](#), [113.5B.X](#), [121T](#), [123](#), [130](#).

ARTICLE 3--SCOPE OF AGREEMENT

Section 1. This Agreement binds the Union, its bargaining unit members, and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer, the Department, the Agency, and any person designated to act on behalf of each.

Section 2. This Agreement supersedes all prior Collective Bargaining Agreements and Letters of Agreement negotiated between the Union and the State of Oregon acting by and through its Department of Administrative Services.

ARTICLE 4--TERM OF AGREEMENT

Section 1.

- (a) This Agreement shall become effective on July 1, 2021, or such later date as it receives full acceptance by the Parties, and expires June 30, 2023, except where specifically stated otherwise in the Agreement.
- (b) Either Party may give written notice during the period of October 15 – November 15, 2022, of its desire to negotiate a successor Agreement.
- (c) Negotiations shall commence the first week of December 2022, or such other date as may be mutually agreed to by the Parties.

REV: 2013, 2015, 2019, 2021

ARTICLE 5--COMPLETE AGREEMENT/PAST PRACTICES

Section 1. Complete Agreement. Pursuant to their statutory obligations to bargain in good faith, the Employer and the Union have met in full and free discussion concerning matters in "employment relations" as defined by ORS 243.650(7). This Contract incorporates the sole and complete agreement between the Employer and the Union resulting from these negotiations. The Union agrees that the Employer has no further obligation during the term of this Agreement to bargain wages, hours, or working conditions except as specified below. The Employer agrees that during the term of this Agreement it may not unilaterally change employee wages or hours. "Working conditions" established by a specific provision of this Agreement may not be unilaterally changed. Other "working conditions" not covered by this Agreement may only be changed pursuant to the restrictions and procedures in Section 2.

Section 2. Past Practices.

- (a) The Parties recognize the Employer's full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement, including arbitrator's awards which may evolve pursuant to this Agreement, or for temporary employees, decisions resulting from dispute resolution procedures which may evolve pursuant to this Agreement.
- (b)
 - (1) The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement. The Employer agrees to bargain over any proposed changes in "working conditions" or their impact which are mandatory subjects of bargaining.
 - (2) If the Employer believes the change is a mandatory subject of bargaining, the Parties shall meet within ten (10) days of the Union's request to meet. One (1) Union Steward from the affected Agency will be allowed to use Agency time without loss of pay or benefits to participate in these negotiations. The Employer will not be liable for any overtime, premium pay, travel reimbursement, or mileage for the Union Steward. If the Union Steward is a temporary employee, while employed, the temporary employee would be unscheduled.
 - (3) The Union may file an unfair labor practice complaint with the Employment Relations Board if the Employer refuses to bargain. If the Board rules that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is a mandatory subject of bargaining, the Parties shall meet to negotiate this subject change.
 - (4) Notwithstanding ORS 243.698, if after ninety (90) days of bargaining, the Parties do not reach agreement, either Party may exercise its right to utilize the dispute resolution procedures under the PECBA, including the strike-permitted employees' right to strike (notwithstanding [Article 8](#) of this Agreement), or, for strike-prohibited employees, the right to submit the matter to binding arbitration. Nothing precludes the Parties from requesting mediation within the ninety (90) day period.

ARTICLE 6--LEGISLATIVE ACTION

Section 1. Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2. Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3. Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

ARTICLE 7--SEPARABILITY

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.

ARTICLE 8--NO STRIKE OR LOCKOUT

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform their assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

ARTICLE 9--MANAGEMENT'S RIGHTS

Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:

- (a) Direct employees.
- (b) Hire, promote, transfer, assign, and retain employees.
- (c) Suspend, discharge, or take other proper disciplinary action against employees.

- (d) Reassign employees.
- (e) Relieve employees from duty because of lack of work or other reasons.
- (f) Schedule work.
- (g) Determine methods, means, and personnel by which operations are to be conducted.

ARTICLE 10--UNION RIGHTS

Section 1. Rights/Obligations.

- (a) The Union and the Employer agree that there must be mutual respect for the rights and obligations of the Union and the Employer and the representatives of each.
- (b) Employees covered by the Agreement are at all times entitled to act through a Union representative in taking any grievance action or following any alternate procedure under this Agreement.
- (c) Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 2. The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through 10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward's non-work hours.

Section 3. Union Organizer Visitations. Union Organizers, with approval from a responsible manager, shall be allowed reasonable contact with bargaining unit members on Agency facilities. The purpose of these visits will be to meet with Union Stewards, with employees, or management regarding any actions or procedures under this Contract, including but not limited to, employee grievances per [Article 21--Grievance and Arbitration Procedure](#). The Union Organizer will have the right to contact any represented employee in their workplace, as long as it does not interfere with the normal flow of work (e.g., lunch hour, break, before and after workshifts). When the facility is available and proper scheduling has been arranged, the Agency, at the time of the visit, will provide Union Organizers appropriate access to and movement within Agency facilities and buildings, pursuant to current building use policies and/or practices. The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized representatives.

Section 4. Building Use. Agency facilities may be used for Union activities according to current building use policies, so long as the facility is available and proper scheduling has been arranged.

Section 5.

- (a) **Bulletin Boards.** The Agency shall allow the use of reasonable bulletin board space for communicating with employees. Union material shall not be displayed in the work area except in the designated bulletin board space.
- (b) **E-Mail Messaging System.** Union representatives and SEIU-represented employees may use an Agency's e-mail messaging system to communicate about Union business provided that all of the following conditions are followed:
 - (1) Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.
 - (2) Except as modified by this Article, an Agency shall have the right to control its e-mail system, its uses or information.
 - (3) The Agency reserves the right to trace, review, audit, access, intercept, recover or monitor use of its e-mail system without notice.
 - (4) Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency's computer system for Agency business.
 - (5) Group e-mails shall not include attachments or contain graphics (except for the Union logo), and shall be no more than approximately three (3) pages. Recipients of such group e-mails shall not use the "Reply All" function.
 - (6) E-mail usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment.
 - (7) The Agency will not incur any additional costs for e-mail usage including printing.
 - (8) The Union will hold the Employer and Agency harmless against any lawsuits, claims, complaints or other legal or administrative actions where action is taken against the Union or its agents (including Union staff, Union officers and Stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this Article.
 - (9) Such e-mail communications shall only be between SEIU-represented employees and managers, within their respective agency, and the Union. However, for purposes of negotiations, bargaining team members may communicate across agencies. Additionally, DAS recognized joint multi-Agency Labor-Management Committee members and the Union's Board of Directors may communicate across agencies. Union officers and stewards may communicate with Union officers and Stewards across agencies for purposes of contract administration. The Union shall provide the names of its Board of Directors, Union Officers and Union Stewards to DAS.
 - (10) Use of Agency's e-mail system shall be on employee's non-work time.
 - (11) E-mail communication may include links to the Union website, which may be accessed on non-work time.
 - (12) Nothing shall prohibit an employee from forwarding an e-mail message to their home computer.
 - (13) E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate or coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.

- (14) Should the Employer believe that the Union's staff has violated Article 10, Section 5(b) of the Master Agreement, the Employer will notify the Union's Executive Director, in writing, within thirty (30) calendar days from the date of the alleged misuse of an Agency's e-mail system. The Executive Director shall respond, in writing, within thirty (30) days and include the action that will be taken to enforce the Master Agreement. If, despite these actions, the violation continues, the Employer will notify the Union, in writing, within thirty (30) calendar days that the alleged misuse may be arbitrated. For the purpose of this Article, employees who are working for the Union while on a Union leave of absence will be considered Union staff.

Section 6. Union Steward Representation. The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the employee is acting in their role of Steward, the relationship is different than that of supervisor and employee.

In order to be able to effectively carry out their duties as Union Stewards, all Stewards shall have access to the appropriate equipment and space in order to be able to communicate privately and safely with the employee.

Section 7. List of Union Representatives. The Union shall provide the Employer (Department of Administrative Services and each Agency)* with a list of the names of authorized Union Stewards and duty location, worksite representation responsibility, and a list of authorized staff representatives, and shall update those lists as necessary. If problems arise regarding Union Steward authorized activities in representing employees, the Union agrees to discuss the problem with the Department of Administrative Services Labor Relations Unit or the Agency as the situation suggests.

*For DMV, Agency means the Division Administrator.

Section 8. The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

Section 9. New Employee Orientation.

- (a) Thirty (30) minutes shall be granted for a representative of the Union to make a presentation to new employees for the purpose of identifying the organization's representation status, organizational benefits, facilities, related information, and distributing and collecting membership applications. This time is not to be used for discussion of labor-management disputes. If the Union representative is an employee of the Agency, the employee shall be given time off with pay for the time required to make the presentation.
- (b) The presentation shall occur as soon as possible after hire, but no later than thirty (30) days after hire. If an established Agency New Employee Orientation occurs during the thirty (30) day time period, the presentation shall be made at the New Employee Orientation. The Employer will provide the Union reasonable notice of the place and time of the orientation. If an established Agency New Employee Orientation does not occur during the thirty (30) day timeframe, the presentation will be scheduled for a mutually agreed upon time between the representative of the Union and the employee's supervisor. The representative of the Union will be responsible for contacting the employee's supervisor to schedule the presentation.
- (c) The Union agrees that temporary employees will not make presentations at new employee orientations.
- (d) If, through no fault of the Employer, the Union does not request to schedule a presentation for an employee within thirty (30) days of hire, the presentation shall still be scheduled at the Union's request, but the Union waives the right to grieve Section 9(b) above.

Section 10. Upon notice to their immediate supervisor, Union Stewards will be granted mutually agreed upon paid time off during regularly scheduled working hours:

- (a) to investigate and process grievances;
- (b) to represent bargaining unit employees in investigatory interviews;
- (c) to be present upon request when an employee is reporting inappropriate workplace behavior through the process set forth in DAS or Agency policy; and
- (d) to be present upon request when an employee is attending an ADA accommodation request meeting.

If the permitted activities would interfere with the work the Steward or employee is expected to perform, the immediate supervisor shall, within the next workday, arrange a mutually satisfactory time for the requested activity. Upon request of an employee who has received a written disciplinary action, a Union Steward may use Agency time to investigate the disciplinary action before the filing of a written grievance pursuant to [Article 21](#) of the Agreement. Request for the use of Agency time to meet with the employee or communicate by telephone, if the employee is not at the same worksite, shall be pursuant to [Article 10](#) and 10.1-10.5 of this Agreement.

Section 11. Union Stewards will receive their regular rate of pay for time spent processing grievances and representing bargaining unit employees in investigatory interviews as described in [Article 20](#) and [Article 21](#) during their regularly scheduled hours of employment. Union Stewards who are working a mandated shift in an overtime status shall be compensated at the overtime rate of pay for any pre-scheduled investigatory meeting or grievance meeting requiring their attendance that is scheduled during that shift. Union Stewards who are working a voluntary or mandated shift in an overtime status shall be compensated at the overtime rate of pay when representing a bargaining unit employee in an investigatory meeting, at the request of management or Human Resources. Only one (1) Union Steward will be in pay status for any one (1) grievance except where a grievance involves employees in more than one (1) Agency or where another Steward within the same Agency and work location accompanies a Steward, appointed during the preceding twelve (12) months, to attend meetings with management related to a maximum of two (2) grievances during their regular working hours. Supervisors may request that Stewards maintain and submit a monthly activity report of work time spent investigating and processing grievances.

The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 12. The Employer is not responsible for any compensation of employees or their representative for time spent processing grievances or distributing Union material outside their scheduled hours of employment. The Employer is not responsible for any travel or subsistence expenses incurred by a grievant or Union Steward in the processing of grievances.

Section 13. Union Stewards may be granted one (1) hour of paid time off per month during regularly scheduled working hours at a mutually agreed upon time to attend meetings or trainings that pertain to labor-management issues, collective bargaining updates, or any other non-political topics.

Section 14. Official Union delegates and members of the SEIU Local 503, OPEU, Board of Directors, including assistant directors, shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union's biennial General Council and the SEIU quadrennial International Convention.

The Union shall notify the DAS Labor Relations Unit of the names of official delegates and board members who shall attend General Council, at least thirty (30) days in advance of the date of the General Council. The Labor Relations Unit will notify the SEIU-represented agencies and refer them to an on-line location to review the electronic list to use in granting the leave pursuant to this provision. In the event there are modifications to the notification, the Union agrees to send the modification request directly to the Agency. In emergency situations where the Union is unable to provide thirty (30) days advance notice, delegates and board members shall be granted leave with less than thirty (30) days notice unless, by granting such leave, the Agency will suffer undue hardship.

Subject to the employee's work unit operating requirements, official Union Stewards shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union's annual Steward Conference. Such request will be submitted in writing at least ten (10) workdays before the conference.

The Union President or Executive Director shall, at their request, be given release time from their position for a period not to exceed the term of their office for the performance of Union duties directly related and central to the collective bargaining relationship. However, if the Union President or Executive Director requests release time for less than their full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. The Union shall, within thirty (30) days of payment to the President or Executive Director, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and President or Executive Director hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

In addition to any leave for General Council and the SEIU quadrennial International Convention, each of the Union's other statewide officers, including Vice President, Secretary, and Treasurer, shall, with prior approval from their supervisor, be given release time from their position for up to four (4) hours per month during the term of their office for the performance of Union duties directly related and central to the collective bargaining relationship. The Union shall, within thirty (30) days of payment to the statewide officer, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and statewide officer hold the State harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 15.

- (a) Upon timely request, the Department of Administrative Services shall make available at no cost to the Union the latest copy of any SEIU Local 503, OPEU bargaining unit employee statistical and expenditure reports relative to employment and benefits currently produced by the Department of Administrative Services which do not require manual or machine editing to remove confidential data or non-SEIU Local 503, OPEU bargaining unit employee data. Such request must be made in advance of the preparation of the reports. If new and appropriate employee statistical and expenditure reports are produced by the Department of Administrative Services, the Department and the Union may mutually agree in advance to provide such reports at no cost.
- (b) Upon request, the Department of Administrative Services shall make available to the Union at cost any SEIU Local 503, OPEU bargaining unit employee statistical and expenditure data relative to employment and benefits which is possible to produce, although not normally produced, by the Department of Administrative Services. Data that are not normally produced, but possible to produce, include manual or machine editing of existing reports to remove confidential data or data on non-SEIU Local 503, OPEU bargaining unit employees or data or reports that require new development.
- (c) **New Employee Daily Reports.** The Employer shall provide a daily report of new SEIU-represented workers where the hire business process has been successfully completed in the day prior. The report shall contain:
- Employee Name
 - Classification Name and Number
 - Agency
 - Type of Appointment
 - Employment Start Date
 - Worksite Location Name
 - Worksite Address
 - Supervisor Name and Email Address
 - Employee Identification Number/Oregon Identification (EIN/ORI)

- Employee Work Phone Number
- Employee Work Email

Section 16. Dues Deduction.

- (a) Upon written, electronic or recorded voice request from an employee, monthly Union dues plus any additional voluntary Union deductions shall be deducted from the employee's salary and remitted to the Union. Additionally, upon written notice from the Union, authorized increases in Union dues in the form of special assessments, shall be deducted from the employee's salary and remitted to the Union according to this Section. Such notice shall include the amount and duration of the authorized special assessment(s). All applications or cancellations of membership shall be submitted by the employee to the Union. Any written applications for Union membership and/or authorizations for Union dues and/or other deductions or for dues cancellations which an Agency receives shall be promptly forwarded to the Union. The Union will maintain the written, electronic and recorded voice authorization records and will provide copies to the Employer upon request.
- (b) The Union shall provide the Employer a list identifying the employees who have provided authorization for the Employer to make deductions from the employee's salary or wages to pay dues, fees, and any other assessments or authorized deductions to the Union.
- (c) Dues Deduction Register. An alphabetical listing of dues deducted for the previous month for SEIU Local 503, OPEU members by Agency shall be forwarded electronically to the Union by the third workday for each month with the dues check. The listing shall be compiled and mailed by the Payroll centers (e.g., Joint Payroll) and shall list the employee's name (last, first, middle initial), Employee Identification Number, amount deducted, base pay, classification number, and representation code.
- (d) Dues Adjustment Summaries for SEIU Local 503, OPEU Members. Summaries will be forwarded by the Agency payroll office to the Union by the tenth (10th) workday of the following month. The Dues Adjustment Summary will reconcile the previous month's remittance with the current month's remittance. The Dues Adjustment Summary will be an alphabetical listing and shall show the following:
 - Name (last name first, full first name, middle initial)
 - Formatted Employee Identification Number
 - Prior month deduction
 - Current month deduction
 - Variance (difference between prior month deduction and current month)
 - Reason for change in dues deduction amount (correction for previous month's error and explanation, salary increase, salary decrease, hourly, part-time, new member, cancellation, transfer to or from which Agency, layoff, retirement, termination, name change, leave of absence without pay, return from leave of absence without pay, end or beginning of season for seasonal employee).

The Union recognizes that the above information may require hand editing and/or notations. Therefore, only repeated errors or omissions will be considered a violation of this Section.

The Union shall notify the Agency payroll offices of any required corrections resulting from this Section.
- (e) Timely Deductions. A file containing new authorizations or changes in authorizations for employee Union deductions will be submitted by the Union to the Employer electronically by close of business on the business day immediately preceding the twentieth (20th) of each month. The Employer agrees that new or changed Union payroll deduction authorizations submitted within the timelines above shall be deducted from the next issued paycheck for the previous applicable pay period.
- (f) The Agency shall continue to deduct dues from employees as long as the employee remains on the same designated payroll, except when the employee requests cancellation of the dues deduction in writing, including reemployed seasonals and employees recalled from layoff lists.
- (g) Quarterly Audit. The Employer agrees to run an audit comparing the full list of all represented bargaining unit employees with Union deductions as provided for electronically by the Union. This audit shall take place at least quarterly or as mutually agreed upon in writing by the Parties.

2021-2023 SEIU Local 503/State of Oregon CBA

management regarding any actions or procedures under this Contract, including but not limited to, employee grievances per [Article 21--Grievance and Arbitration Procedure](#). The Union Organizer will have the right to contact any represented employee in their workplace, as long as it does not interfere with the normal flow of work (e.g., lunch hour, break, before and after workshifts). The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized representatives. In instances where a Union Organizer has been approved to visit a designated site, a bargaining unit member selected from a list of mutually agreeable and qualified employees will be allowed to escort the Union Organizer to and from that site. The bargaining unit member escort may be on non-work time. The Union Organizer and the bargaining unit member escort shall follow the Agency's safety and security protocols.

Section 2. Worksite Orientation. With prior notice from the Union and Agency authorization, subject to the Agency's safety and security protocols, the Agency shall provide a bargaining unit member escort to a Union Organizer on a worksite orientation during normal business hours as long as it does not interfere with the normal flow of work. The bargaining unit member escort will be selected from a list of mutually agreeable and qualified employees. The bargaining unit member may be on non-work time.

(See also Institutions Coalition Letter of Agreement [10.2ACH-19-371](#) in Appendix A.)

ARTICLE 10.2A--UNION STEWARDS/RIGHTS (OYA Youth Correctional Facilities and Camps)

Section 1. Beyond their normal job functions, Union Stewards will be allowed reasonable time to do the following:

- (a) Distributing informational material regarding Union membership and benefits within their work area provided that such activity does not interfere with the regular work routine.
- (b) Representing employees in grievance matters under the grievance procedure, Step 1 through arbitration and reporting inappropriate workplace behavior and/or retaliation from either other bargaining unit members or management services employees.

Section 2. The Union Stewards shall be selected by the Union; all facilities and camps will be eligible to have two (2) Stewards for the first fifty (50) employees and one (1) additional Steward for each group of fifty (50) or fewer employees thereafter.

An individual designated as the Union Steward may continue this function only so long as the individual continues to be employed in the branch or section where they were selected.

Section 3. Eastern Oregon YCF and River Bend YCF. The Union may designate an alternate Union Steward at each of the two (2) facilities cited herein and give notice to the Agency. The alternate Union Steward will only act in an official capacity in the event of an extended absence (seven (7) days or more) of the designated Union Steward (see Section 2) for the facility. For purposes of orientating newly-appointed alternate Union Stewards, the alternate Union Steward may, in accordance with the provisions of Article 10, Section 11, during their first twelve (12) months of appointment, accompany the Union Steward at meetings with management related to a maximum of two (2) grievances during their regular working hours.

REV: 2015, 2021

ARTICLE 10.2C,H--UNION STEWARDS/RIGHTS (OSH, Pendleton Cottage)

Section 1. The Union Steward(s) shall be selected by the Union within the limitation that the Union may designate the following: OSH Salem Campus--twenty-one (21) and OSH Junction City Campus--eight (8). If the Institution or Facility hires additional bargaining unit members, the following ratios shall apply to supplement the minimum numbers: OSH Salem Campus--1:36; OSH Junction City Campus--1:31; and Pendleton Cottage--1:10. The Union understands that the specific number of Stewards is determined by whether the dividend is at or above the midpoint. For example, if an Institution or Facility's agreed upon ratio is 1:50 with a bargaining unit of 976 members, the dividend of 19.52 would allow the Union to select a maximum of twenty (20) Union Stewards; a membership of 974 with a dividend of 19.48 would allow a maximum of nineteen (19) Union Stewards.

Section 2. Union Stewards shall normally represent an organizational unit of the Institutions or Facilities, or a group of employees with similar classification or employment interest. Any Union steward may accompany a member when reporting inappropriate workplace behavior and/or retaliation from either other bargaining unit members or management services employees. Designation of an employee as Union Steward shall terminate at the time they no longer work in the designated work unit.

Section 3. Union Stewards shall be allowed to meet together without loss of pay or other benefits for a period of time not to exceed one (1) hour per month providing the scheduled meeting time would not adversely affect the conduct of the Institution or Facility's business and providing that employees attending such meetings on their off-duty hours shall not accrue overtime.

REV: 2015

ARTICLE 10.2K--UNION STEWARDS (OYA Administration and Field Services)

Section 1. Union Business. All Union business is to be conducted during employee's non-duty hours unless specified otherwise in this Agreement.

Section 2. A Union steward may accompany a member when reporting inappropriate workplace behavior and/or retaliation from either other bargaining unit members or management services employees.

- (d) Any new office opening shall be allowed one (1) Steward.

REV: 2015

ARTICLE 11--EMPLOYEE ASSISTANCE PROGRAM (EAP)

Section 1. The Employer agrees to provide to the Union the statistical and program evaluation information provided to management concerning Employee Assistance Program(s).

Section 2. No information gathered by an Employee Assistance Program may be used to discipline an employee.

Section 3. All bargaining unit employees except temporaries shall be entitled to use accrued sick leave for participation in an Employee Assistance Program.

Section 4. The Agency will offer training to local Union Stewards on the Employee Assistance Program available in their Agency, on Agency time, where an Employee Assistance Program is available.

ARTICLE 13--CONTRACTING-OUT

Section 1. The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, if the work can be done by Agency workers for a lower cost with equal benefits and there is the expertise and FTE, the work will stay within the Agency.

When the contract exceeds sixty thousand dollars (\$60,000) annually or when the contracting-out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting-out the work in question. Agencies shall either use the form in Appendix H or another form, provided there is no substantive changes to the information contained in Sections F-K of the form in Appendix H. Agencies shall send all feasibility studies conducted under Article 13 directly to SEIU Local 503, OPEU Headquarters.

Section 2. Upon request, but no more than quarterly, Agencies shall provide the Union with a report identifying contracts awarded to any group, individual, organization or business enterprise that could be appropriately performed by bargaining unit members.

Section 3. The Employer shall provide the Union with no less than thirty (30) days' notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates. The Employer will count eighty percent (80%) of the affected employee's straight-time rate when comparing the proposals.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279A.010(1)(f) and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 4. If the Union's proposal would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 5. Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from their job.

Section 6. Once an Agency makes a decision to contract out, it will either:

- (a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to [Article 70](#), Sections 9 through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- (b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with [Article 45--Filling of Vacancies](#), this Article shall prevail.
- (c) An employee may exercise all applicable rights under [Article 70--Layoff](#), including prioritizing options (1), (2), (3) or (4), as described in [Article 70 Section 2](#), if the employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select their [Article 70 Section 2](#) options within five (5) calendar days pursuant to notification of (a) or (b) above.

REV: 2013, 2015

ARTICLE 14--NEGOTIATIONS PROCEDURES

Section 1. Negotiations shall commence pursuant to [Article 4](#) of this Agreement and the Parties will structure their Agreement per the four (4) Agency groups set forth below:

HUMAN SERVICES: Department of Human Services-Oregon Health Authority, Employment Department;

INSTITUTIONS: Oregon Youth Authority (Youth Correctional Facilities), Oregon Health Authority Institutions: Oregon State Hospital (OSH), Pendleton State-Delivered Secure Residential Treatment Facility (Pendleton Cottage), OYA Administration and Field Services;

ODOT: Oregon Department of Transportation (ODOT), Forestry, Oregon Parks and Recreation Department (OPRD), Oregon Department of Aviation (ODOA), Oregon Department of Fish & Wildlife (ODFW), Department of Geology and Mineral Industries (DOGAMI), Department of Agriculture, Water Resources Department, Oregon Watershed Enhancement Board;

SPECIAL AGENCIES: Justice, Revenue, Higher Education Coordinating Commission, Workers' Compensation Board, Department of Consumer & Business Services (DCBS), Bureau of Labor and Industries (BOLI), Veterans' Affairs, Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Oregon Mental Health Regulatory Agency, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology & Audiology, Board of Naturopathic Medicine, Education, Library, Treasury, Commission for the Blind, Public Employees Retirement System (PERS), Special Schools, State Scholarship, Department of Administrative Services, Oregon Housing & Community Services (OHCS), Oregon State Board of Examiners for Engineering and Land Surveying (OSBEELS), and Teachers Standards and Practices Commission.

Section 2. The Union agrees, as a prior condition to the release of employees from work, to notify the Employer in writing of its members designated as representatives for negotiations.

- (a) **Central Table.** The Employer agrees to grant leave with pay for up to ten (10) employees, except for temporary employees, at a central bargaining table to represent the Union for actual negotiating table time including caucuses, negotiation work sessions, and a reasonable number of membership meetings relating to negotiations. However, there shall be no more than one (1) employee representative from each Agency, except for Agencies which have two thousand, five-hundred (2,500) or more bargaining unit members which may have up to two (2) representatives, provided they are not from a single work location. Negotiations at the Central Table will take place during normal business hours.
- (b) **Coalition Tables.** Coalition negotiations will take place after normal business hours. For Coalition negotiations, the Employer agrees to unschedule, or grant paid time as outlined below, for up to a total of thirty (30) employees designated as employee bargaining team representatives, except temporary employees. The designated employee bargaining team representative will be granted up to twenty (20) non-cumulative hours each month of paid time for up to one-hundred and fifty (150) calendar days for attendance at negotiations, including travel time, provided coalition bargaining sessions and/or travel time occur during an employee's regular work schedule. However, the one-hundred and fifty (150) calendar days will begin no later than February 15 or the closest business day thereto. The inclusion of paid time will not result in the employee receiving greater benefit than the employee would have received had the employee not attended the bargaining session. Should it become necessary for the Employer to replace or unschedule an employee scheduled for swing or graveyard shift so as to permit that employee to participate in collective bargaining negotiations, the Union agrees alternatively as follows:
 - (1) Six (6) workdays notice shall be given by the Union to the Employer so as to allow the Employer to avoid payment of penalty pay for the schedule change of the replacement employee; or
 - (2) If the Union does not give notice prescribed in (1) above, the Union shall reimburse the Employer for the penalty pay paid to the replacing employee.

Section 3. The Employer is not responsible for travel, per diem, overtime, or other benefits beyond that which the employee would have received had the employee not attended bargaining sessions.

Section 4. Subject in each case to prior approval by the Agency, the Employer further agrees to grant leave without pay to additional employees determined necessary by the Union to attend negotiating sessions.

Section 5. Ratification. It is understood that all tentative agreements at the table are subject to ratification by both Parties.

REV: 2013, 2015, 2019

ARTICLE 15--PARKING

The Employer agrees to advise the Union of any proposed change in parking rates at the State-owned or operated facilities as soon as the Department of Administrative Services has knowledge of an impending change.

(See Letter of Agreement [15.00-19-359](#) in Appendix A.)

ARTICLE 19--PERSONNEL RECORDS

Section 1. The Chief Human Resources Office (CHRO) human resource information system is the system of record for all employee records and official employee personnel file documents for which there are appropriate document categories in the system.

The Department, or Agency under agreement to provide human resource services, stores paper documents of the official employee personnel file and paper documents that are not yet able to be kept in the human resource information system. The Department, or Agency under agreement to provide human resource services, also stores paper documents of the official employee personnel file that predate January 1, 2019.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in their official Agency employee personnel file(s) or supervisory working file; provided that, if the official personnel file, including paper documents as described above, or supervisory working file is kept at a separate facility, the employee shall, at the Agency's discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of their request. With the employee's written authorization, their Union Steward may inspect the employee's official personnel file, and supervisory working file, consistent with the time requirements provided herein. If the

supervisory working file cannot be made available due to the absence of a supervisor, extensions of up to ten (10) days will be granted.

No grievance material shall be kept in an employee's official personnel file.

Section 2. No information reflecting critically upon an employee except notices of discharge shall be placed in the employee's official personnel file that does not bear the signature of the employee. The employee shall be required to sign material to be placed in their official personnel file provided the following disclaimer is attached:

"Employee's signature confirms only that the supervisor has discussed and given a copy of the material to the employee. The employee's signature does not indicate agreement or disagreement with the contents of this material."

If an employee is not available within five (5) working days or refuses to sign the material, the Agency may place the material in the file, provided a statement has been signed by two (2) management representatives and a copy of the document was mailed certified to the employee at their address of record or hand delivered to the employee.

Section 3. Employees shall be entitled to prepare and provide copies of any written explanation(s) or opinion(s) regarding any critical material placed in their official personnel file or supervisory working file. The employee's explanation or opinion shall be attached to the critical material and shall be included as part of the employee's official personnel record or supervisory working file so long as the critical materials remain in the file.

Section 4. An employee may include in their official personnel file a reasonable amount of relevant material such as letters of commendation, licenses, certificates, college course credits, and other material which relates creditably on the employee. This material shall be retained for a minimum of three (3) years except that licenses, certificates, or college credit information may be retained so long as they remain valid and relevant to the employee's work.

Section 5. Material reflecting caution, consultation, warning, admonishment, and reprimand shall be retained for a maximum of three (3) years. Such material shall, at the employee's request, be removed after twenty-four (24) months, provided there has been no recurrence of the problem or a related problem in that time. Removal prior to twenty-four (24) months will be permitted when requested by an employee and if approved by the Appointing Authority.

Material removed from an employee's official personnel file may not be referenced in future disciplinary actions, performance evaluations, or other related correspondence from the employer

Material relating to disciplinary action recommended, but not taken, or disciplinary action which has been overturned and ordered removed from the official personnel file(s) on final appeal, shall be removed.

Incorrect material will be removed, upon request, from an employee's personnel file. (See [Article 85--Position Descriptions and Performance Evaluation.](#))

Section 6. Upon written request by the employee, the Agency will make a good faith effort to return material removed from the official personnel file to the employee. A copy of the request will be maintained in the official personnel file.

Section 7. When DAS or an Agency receives a subpoena or request for an employee's personnel records, except for an inquiry as result of a criminal law complaint or request for verification of employment and salary, DAS or the Agency shall provide notification to the employee of the subpoena or request, who has made it, and the reason for the subpoena or request if known.

Section 8. When DAS receives a statewide records request for employee-related public information releasable per statute, DAS shall provide notification to Agencies that such request has been made. Individual employees may work with their Agency to receive notification of said request(s).

REV: 2019, 2021

ARTICLE 19T--PERSONNEL RECORDS (Temporary Employees)

Section 1. The Chief Human Resources Office (CHRO) human resource information system is the system of record for all employee records and official employee personnel file documents for which there are appropriate document categories in the system.

The Department, or Agency under agreement to provide human resource services, stores paper documents of the official employee personnel file and paper documents that are not yet able to be kept in the human resource information system. The Department, or Agency under agreement to provide human resource services, also stores paper documents of the official employee personnel file that predate January 1, 2019.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in their official employee personnel file(s); provided that, if the official personnel file including paper documents as described above, is kept at a separate facility, the employee shall, at the Agency's discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of their request. With the employee's written authorization, their Union Representative may inspect the employee's official personnel file, consistent with the time requirements provided herein.

No grievance material shall be kept in an employee's official personnel file.

Section 2. No information reflecting critically upon an employee shall be placed in the employee's official personnel file without a copy being provided to the employee in person or by mail at the last known address.

Employees shall be entitled to prepare a written explanation or opinion regarding any critical material placed in their official personnel file. The employee's explanation or opinion shall be attached to the critical material and shall be included as part of the employee's official personnel record so long as the critical materials remain in the file. Where the personnel records are maintained in a different format, the explanation or opinion will be placed next to or in closest possible proximity to the critical material.

Section 3. Supervisory Working Files. With reasonable advance notice, an employee shall be allowed to inspect their working file that is maintained by their supervisor.

Section 4. When DAS or an Agency receives a subpoena or request for an employee's personnel records, except for an inquiry as result of a criminal law complaint or request for verification of employment and salary, DAS or the Agency shall provide notification to the employee of the subpoena or request, who has made it, and the reason for the subpoena or request if known.

ARTICLE 19.2K--PERSONNEL RECORDS (OYA Administration and Field Services)

When the Agency receives a subpoena or request for an employee's personnel records, except for an inquiry as a result of a criminal law complaint or request for verification of employment and salary, the Agency shall notify the employee of the subpoena or request, who has made it, the information being subpoenaed or requested, and the reason for the subpoena or request.

REV: 2021

ARTICLE 20--INVESTIGATIONS, DISCIPLINE, AND DISCHARGE

Section 1. The principles of progressive discipline shall be used when appropriate. Discipline shall include, but not be limited to: written reprimands; reduction in pay;* demotion; suspension without pay*; and dismissal. Discipline shall be imposed only for just cause.

*For FLSA-exempt employees, except for penalties imposed for infractions of safety rules of major significance, no reduction in pay and only suspensions without pay in one (1) or more full workweek increments unless or until FLSA restrictions on economic sanctions for exempt employees are eliminated by statute or a court decision the State determines dispositive. Safety rules of major significance include only those relating to the prevention of serious danger to the Agency, or other employee.

Section 2. The Employer is committed to conducting investigations in a timely manner. Agencies will make reasonable efforts to begin the investigatory process on potential disciplinary issues within thirty (30) days of becoming aware of the issue. However, the Parties recognize that circumstances and complexities of individual cases may delay initiation of an investigation.

Section 3. Investigatory Interviews.

- (a) The employee's Union Steward shall be granted paid time off during regularly scheduled working hours at a mutually agreed upon time to represent the employee in the investigatory interview (See Article 10, Sections 10 and 11).
- (b) The Employer's notification to the employee of the investigatory interview shall include the nature of the investigation.
- (c) Both the Employer and the Union shall have the right to record investigatory interviews.

Section 4. Weingarten Rights. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

(See Last Chance Agreements, [Article 21, Section 12](#)).

Section 5. Suspension With Pay or Duty Stationed at Home Pending an Investigation by the Agency's Human Resource Office.

The employee and their steward of record shall be notified in writing of the initial reason for the action within seven (7) calendar days of the effective date of the action. If there is not a steward of record, the Union will receive the notification. The Agency will conduct the initial interview with the employee within thirty (30) calendar days of notification of the action. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time.

Section 6. The Agency shall give the employee under Weingarten investigation, and their steward of record, notification of the status of the Agency's investigation, every thirty (30) days until completed. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time. Upon completion of the investigation, the Agency will provide the employee and their steward of record with written notification of the disposition of the investigation.

Section 7. A written pre-dismissal notice shall be given to a regular status employee who is being considered for dismissal. Such notice shall include the then known complaints, facts, and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Appointing Authority at a time and date set forth in the notice, which date shall not be less than seven (7) calendar days from the date the notice is received or, at the option of the employee, by written response by that date. The employee shall be permitted to have an official representative present. At the discretion of the Appointing Authority, the employee may be suspended with or without pay or be allowed to continue to work as specified in the pre-dismissal notice. Should an employee be suspended without pay, the employee will first be afforded notice and right to present mitigating circumstances to the Appointing Authority or designee.

Section 8. Dismissal, Reduction, Suspension Without Pay, Demotion, Written Reprimands, and any other form of Discipline.

- (a) An employee shall receive written notice of the discipline with the specific charges and facts supporting the discipline at the time disciplinary action is taken.
Copies of pre-dismissal and dismissal notices will be sent to the Union headquarters (Salem) within five (5) calendar days of being issued to the employee. Failure to send a copy of the pre-dismissal or dismissal notice to the Union will not void the disciplinary action.
Suspensions with pay will not be recorded in employee personnel files nor in any manner used against an employee if no disciplinary action is subsequently taken.
- (b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:
If you choose to contest this action you have a right to be represented by the SEIU Local 503, OPEU. SEIU must file an appeal within thirty (30) calendar days from the date of the discipline in accordance with [Article 21](#).
Failure to include this notice will not void the disciplinary action.

Section 9. Employees in initial trial service with the State shall have no right to appeal removals from state service under this Article. Employees in trial service as a result of promotion who are returned to their former classification shall have no right of appeal under this Article for such removal. However, an employee in trial service as a result of promotion who is dismissed from state service may have their dismissal appealed by the Union under this Article.

Section 10. When an employee is the subject of an investigation that could implicate the employee in criminal activity, their Garrity rights shall be observed.

ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievances are defined as acts, omissions, applications, or interpretations alleged to be violations of the terms or conditions of this Agreement.

Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance.

The potential grievant, with or without union representation, may meet with their immediate supervisor within the thirty (30) calendar day filing period in an attempt to resolve the issue at the lowest possible level of management. Failure to meet will not preclude the right to file a grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the form identified as the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The timeline for the Employer response at each grievance step shall begin the first day following the day of receipt. The timeline for the Union appeal to the next higher step shall begin the first day following the day the Employer response is due or received.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn by the grievant or the Union. If the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

- (b) Registered Nurses, Nurse Practitioners, and Licensed Practical Nurses will receive a shift differential of one dollar and eighty-five cents (\$1.85) per hour. Section 6. Leadwork Differential.

- (a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor in writing, "leadwork" duties for ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules) or longer provided the leadwork or team leader duties are not included in the classification specification for the employee's position. Leadwork is where, on a recurring daily basis, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.
- (b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.
- (c) Leadwork differential shall not be computed at the rate of time and one-half (1 ½) for the time worked in an overtime or holiday work situation, or to effect a "pyramiding" of work out-of-classification payments. However, leadwork differential shall be included in calculation of the overtime rate of pay.
- (d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.
- (e) If an employee believes that they are performing the duties that meet the criteria in Subsection (a), leadworker, but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that leadwork duties were in fact assigned and are appropriate, the leadwork differential will be effective beginning with the day the employee notified the Agency Head of the issue.

If the Agency determines that the leadwork duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

If the Agency concludes that the duties are not leadwork, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.

Section 7. Leadwork Differential. Employment Department.

- (a) Leadwork differential will be paid to employees who are formally assigned in writing to perform leadwork provided the leadwork or team leader duties are not included in the classification specification for the employee's position. Leadwork is where an employee has been formally assigned to do substantially all of the following: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.
- (b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing.
- (c) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the leadworker differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

- (d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.
- (e) If an employee believes that they are performing the duties of a leadworker but the duties have not been formally assigned in writing, they may submit the matter for resolution as per the dispute resolution process, or through the grievance procedure (as for example, classification review, work out-of-class).

Section 8. Leadwork Differential. ODOT Highway Division, TMS1, TMS2 and Transportation Operations Specialist.

- (a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor "leadwork" duties for five (5) days (or the equivalent thereof for alternate or flexible schedules) or longer in a calendar month; or five (5) (or the equivalent thereof for alternate or flexible schedules) consecutive calendar days or longer that span the end of one (1) month and the beginning of the next month. In no case shall days be counted twice to meet the leadwork pay qualification.
- (b) Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance of standards and provide informal assessment of workers' performance to the supervisor.

Section 9. Leadwork Differential. State Library.

- (a) Team Coordinator differential shall be defined as a differential for employees who have been formally assigned in writing "team coordinator" responsibilities for a specific team on a recurring daily basis, for a designated length of time that extends beyond ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules).
- (b) Team Coordinator responsibilities shall include substantially the following roles: monitor team progress in meeting performance goals; coordinate team workflow to accomplish the work efficiently; coordinate team development processes; identify, plan, and approve training; assist in hiring of new team members, orient new employees; review team member timesheets; give feedback to team members concerning work procedures; and serve as communication liaison between the team and management.
- (c) The Team Coordinator differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.
- (d) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the Team Coordinator differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

Section 10. Differential Pay IS Team Lead.

- (a)
 - (1) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with subsection (5) below.
 - (2) The differential shall be ten percent (10%) beginning from the first (1st) day the duties were formally assigned in writing.
 - (3) Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).
 - (4) The differential shall be ten percent (10%) above the employee's base salary rate.
 - (5) For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties, the employee leads a team of employees and performs substantially all of the following duties under supervisory direction:
 - (A) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.
 - (B) Establishes and coordinates multiple interrelated project schedules for all projects on which the team is working.
 - (C) Works directly with multiple users to identify broad user needs and requested timelines when projects are submitted for the team.
 - (D) Provides technical/operation guidance to contractors and monitors quality assurance.
 - (E) Develops technical standards and monitors team members' work for compliance.
 - (F) Performs leadwork duties on a recurring daily basis, as listed in Article 26, Section 6 of the Master Agreement, which are to orient new employees, if appropriate, assign and reassign tasks to accomplish prescribed work efficiently, give direction to workers concerning work procedures, transmit established standards of performance to workers, review work of employees for conformance to standards and provide informal assessment of workers' performance to the supervisor.
- (b) Bargaining unit employees shall not be eligible for the differential if they are on voluntary developmental training assignments.

- (c)
- (1) If an employee believes that they are performing the duties that meet the criteria stated in Subsection a(5), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that Information Services Team Leader duties were, in fact, assigned and are appropriate, the differential will be effective beginning with the day the employee notifies the Agency Head of the issue.
 - (2) If the Agency determines that the duties were, in fact, assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.
 - (3) If the Agency concludes that the duties are not Information Services Team Leader duties, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.

Section 11. Work Out-of-Classification.

- (a) When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for more than ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules), the employee shall be paid five percent (5%) above the employee's base rate of pay or the first step of the higher salary range, whichever is greater.

When assignments are made to work out-of-classification for more than ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules), the employee shall be compensated for all hours worked beginning from the first day of the assignment for the full period of the assignment.

When an employee is assigned to work out-of-classification pending approval of a reclassification upward, the employee will be paid at the next higher rate of pay or first step of the higher salary range, whichever is greater.

Agencies may provide an additional five percent (5%) differential if the work out-of-class would not result in additional compensation for the employee. Agencies must document the reasons for the exception.

- (b) An employee performing duties out-of-classification for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee's file.
- (c) An employee who is underfilling a position shall be informed in writing that they are an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level of the position, the employee shall be reclassified.
- (d) Assignments of work out-of-classification shall not be made in a manner which will subvert or circumvent the administration of this Article.

Section 12. Work Out-of-Classification. ODOT.

- (a) Transportation Maintenance Specialists. In addition to any entitlement to work out-of-classification pay pursuant to Section 10 of this Article, notwithstanding Transportation Maintenance Specialist 1s who are assigned to a TMS 2 Maintenance crew by their supervisor and who independently perform work consisting of sweeping, snow removal, sanding, de-icing or removal of land/rock slide materials from roadways at the Transportation Maintenance Specialist 2 (TMS 2) level shall be paid a differential of five percent (5%) over their base rate of pay for all hours of such work. Operation of heavy earth-moving equipment on land/rock slides and operation of a pick-up broom for sweeping are considered TMS 2 level work, whereas traffic control activities such as flagging, operating pilot vehicles and setting signs are not considered TMS 2 level work.
- (b) Self-Managed Crews. Where the Agency utilizes self-managed work crews, crew members, including positional leaders, may not be entitled to work out-of-classification payments at the supervisory level unless they assume a majority of duties specific to that classification.

Section 13. Essential Worker Pay. When a situation exists that would otherwise allow an employee to access leave per [Letter of Agreement 123.00-18-311 Inclement Weather / Hazardous Conditions Leave](#), but an employee is required to report to work in person, the employee shall be paid a differential of one dollar (\$1.00) per hour for actual hours worked. This differential will not apply to employees whose primary job functions include responding to inclement weather or hazardous conditions or who live at their work site.

Section 14. Lateral Classification Assignment Differential. When an employee is temporarily assigned for a period of ten (10) or more consecutive calendar days (or the equivalent thereof for alternate or flexible schedules) to a lateral classification within the same salary range base number and the salary is a higher salary schedule, the employee shall be paid at the lowest step in the new schedule that provides the employee an increase in their base rate of pay. (See also Institutions Coalition Letters of Agreement [26.2AC-17-300](#) & [26.2C-15-273](#) & [26.2C-15-274](#) & [26.2C-18-383](#) & [26.2C-19-340](#) & [26.2C-19-358](#) [26.2C-21-405](#) & [26.2C-21-412](#) in Appendix A.)

Section 1. Bilingual Differential. A differential of five percent (5%) over base rate will be paid to employees in positions which specifically require bilingual skills (i.e., translation to and from English to another foreign language or the use of sign language*) as a condition of employment. The interpretation and translation skills must be assigned and contained in the employee's statement of duties. Only employees receiving a bilingual or multilingual differential will be required to provide interpretation or translation services on behalf of their Agency.

*NOTE: This differential will be paid to School for the Deaf employees excluding intermittents whose assignments require the use of sign language. Such payment will be made in accordance with the level of proficiency assigned by management, beginning the first day of the month following the employee's successful evaluation of the expected sign skill level for their position. Employees in the other Agencies will be paid this differential only when such bilingual sign requirements are assigned.

Section 2. Multilingual. A differential of ten percent (10%) over base rate will be paid to employees in positions which require multilingual skills (i.e., translation to and from English to two (2) or more foreign languages*) as a condition of employment. The interpretation and translation skills must be assigned for multiple languages and must be contained in an employee's individual position's position description. Only employees receiving a bilingual or multilingual differential will be required to provide interpretation or translation services on behalf of their Agency.

*NOTE: American Sign Language will count as one (1) of the two (2) foreign languages for purposes of the multilingual differential.

Section 3. Shift Differential.

- (a) Eligibility. All employees required to work a designated schedule shall be paid a differential as outlined in Subsections (b) and (c) below, for each hour or major portion thereof (thirty (30) minutes or more), worked between 6:00 pm and 6:00 am and for each hour or major portion thereof worked on Saturday or Sunday. When a work schedule is requested by an employee and approved by the Agency, and the requested schedule contains hours outside of the hours designated for the employee's position by the Agency, shift differential pay shall be waived by the employee for the hours affected by the change.
- (b) Registered Nurses, Nurse Practitioners, and Licensed Practical Nurses will receive a shift differential of one-dollar and eighty-five cents (\$1.85) per hour. Employees in Mental Health Therapist 2 positions who are certified LPNs and also have the working title of Licensed Practical Nurse will receive this shift differential.

REV: 2013, 2015, 2017, 2019, 2021

ARTICLE 29--SALARY ADMINISTRATION

Section 1. Pay.

- (a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.
- (b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or banking holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.
- (c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.
- (d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority or designee, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
 - 1. Death in family
 - 2. Major car repair
 - 3. Theft of funds
 - 4. Automobile accident (loss of vehicle use)
 - 5. Accident or sickness
 - 6. Destruction or major damage to home
 - 7. New employee lack of funds (maximum--one (1) draw)
 - 8. Moving due to transfer or promotion.

Section 2. Step Increase. Employees shall be granted an annual step increase on their eligibility date if the employee is not at the top of the salary range of their classification.

Employees shall be eligible for step increases following the intervals of:

- (a) Annual periods after the initial date of hire until the employee has reached the top step in their salary range. However, should an employee be promoted during the first year of service with the Employer, the employee shall not receive this increase, but shall be eligible for increases in Section 3(b).
- (b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in their salary range.

Section 3. Salary on Demotion. Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous salary step, the employee's salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have corresponding salary steps with the employee's previous salary but is within the new salary range, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever employees demote to a job classification in a lower range, but their previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 4. Salary on Promotion.

- (a) An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion.
 - If an employee is demoted or removed during trial service as a result of a promotion, their salary shall be reduced to the former step, and the previous salary eligibility date shall be restored.
 - If the employee's salary eligibility date occurs during the promotional trial service period, upon reinstatement to the previous class, the salary eligibility date prior to promotion will be recognized.
- (b) **Salary on Recall from Demotion in Lieu of Layoff.** Upon recall to their former classification, an employee demoted in lieu of layoff shall retain their previous salary eligibility date and, as of the date of recall, be restored at the salary the employee would have been eligible for had a demotion not occurred, unless the employee is denied the increase as a disciplinary action.

Section 5. Salary on Lateral Transfer. An employee's salary shall remain the same, except where the Appointing Authority or designee determines that exceptional circumstances justify payment of a higher rate, when transferring from one (1) position to another which has the same salary range.

Section 6. Effect of Break-In-Service. When an employee separates from state service and subsequently returns to state service, except as a temporary employee, the employee's salary eligibility date shall be determined by the Agency as follows:

- (a) **Return from Recall List.** The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall be restored.
- (b) **Return from Reemployment.** The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established as the first of the month in any future month up to twelve (12) months from the date of reemployment.

Section 7. Rate of Pay on Appointment from Layoff List. When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at which such employee was being paid at the time of layoff. The salary eligibility date of an individual who is appointed from a layoff list shall be determined in accordance with Section 6.

Section 8.

- (a) **Rate of Pay on Return to State Service by Reemployment.** When a former employee is appointed from reemployment to a position in the same classification in which they were previously employed or in a related classification with the same salary range, they may be paid at or below the step at which they were being paid at the time of their termination. If a person is reemployed in a position in a classification with a lower salary range than that of their previous position, they may be paid at any step in the lower salary range not exceeding the rate they were being paid in the higher classification, except where exceptional circumstances justify payment of a higher rate. The salary eligibility date of a former employee who is appointed from reemployment shall be determined in accordance with Section 7.

- (b) **Rate of Pay on Reemployment Without a Break-In-Service.**

- (1) When a current employee is returning from demotion to a position in the same classification in which they were previously employed or in a related classification with the same salary range, the employee shall be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.
- (2) When a person is reemployed in a position in a classification with a lower salary range than that of their previous position as referenced in Subsection (b)(1), the employee may be paid at any step in that lower salary range not to exceed the top step or the rate they would have received pursuant to Subsection (b)(1). However, if an employee's current rate of pay is below the top step of the lower classification's salary range, they retain that rate unless the employee is eligible to receive a higher rate pursuant to Subsection (b)(1) or (b)(4) not to exceed the top step.
- (3) In both instances, the former salary eligibility date (SED) is restored unless the SED is changed in compliance with the Collective Bargaining Agreement (e.g., [Article 61, Leave Without Pay](#)).
- (4) Pay of a higher rate, not to exceed the top step, may be granted subject to exceptional circumstances, upon approval of the appointing authority.

Section 9. Recoupment of Wage and Benefit Overpayments.

- (a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.
- (b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
- (c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.
- (d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:
 - (1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 - (2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
 - (3) If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).
 - (4) Subsections (d)(1) through (d)(3) of this Section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of a month but is paid for such

time because such leave without pay was not anticipated at the payroll cutoff date for that month, the employee's pay and benefit entitlements may be adjusted on the following month's paycheck.

However, under limited conditions (listed below) an exception to lump sum recoupment of wage overpayments greater than five percent (5%), as a result of leave without pay, shall apply. In these cases:

- (A) An employee may request a repayment schedule not to exceed three (3) months:
 - i. When entries are made by a person authorized by the Agency to complete a timesheet on behalf of an absent employee which results in overpayment.
 - ii. When entries on the timesheet made by an employee were correct, but the timesheet data was incorrectly input by the Agency which results in an overpayment.
- (B) Subject to extenuating circumstances beyond the control of the employee, an employee may request a longer repayment schedule. The Appointing Authority or designee has the sole discretion to deny or grant the employee's request. The decision is not subject to the grievance procedure.

If an employee leaves agency service before the agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).
- (5) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

ARTICLE 29T--SALARY ADMINISTRATION (Temporary Employees)

Section 1. Pay.

- (a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.
- (b) All employees shall be paid no later than the first day of the month or semi-monthly, as appropriate. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10th) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.
- (c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment as a temporary employee.
- (d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
 - 1. Death in family
 - 2. Major car repair
 - 3. Theft of funds
 - 4. Automobile accident (loss of vehicle use)
 - 5. Accident or sickness
 - 6. Destruction or major damage to home
 - 7. New employee lack of funds (maximum--one (1) draw)
 - 8. Moving due to transfer or promotion.

Section 2. Recoupment of Wage and Benefit Overpayments.

- (a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.
- (b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
- (c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.
- (d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:

- (1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
- (2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
- (3) The overpayment shall be recovered in amounts not exceeding five percent (5%) of the employee's wage per pay period. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).
- (4) In the event the employee was paid for hours not worked, Subsections (b), (c), and (d) shall not apply and the overpayment is subject to immediate recoupment.
- (e) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

ARTICLE 29.2--SALARY ADMINISTRATION (Institutions Coalition)

Underpayments. When an error is made that results in an employee's monthly pay to be short by one hundred dollars (\$100.00) or more, the Agency will issue a check for the difference within three (3) business days of notification. All other underpayment adjustments will be made in accordance with the regular pay schedule.

ARTICLE 30--PAYROLL COMPUTATION PROCEDURES

Section 1. Definitions.

- (a) **Permanent Full-Time:** A permanent position equivalent to eight (8) hours per day or forty (40) hours per week. A permanent full-time employee will be paid on a monthly salary basis, and all benefits will be calculated on a monthly pay status basis.
- (b) **Permanent Part-Time:** A permanent position less than permanent full-time. A permanent part-time employee will be paid on a fixed partial monthly or hourly salary basis, and all benefits will be calculated on a partial monthly or pay period, pay status basis. All permanent part-time employees whose work hours are regularly scheduled (work hours are based on a predetermined schedule) shall be paid on a fixed partial monthly basis.
- (c) **Seasonal Full-Time:** A seasonal position normally equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on a monthly, hourly, or fixed partial monthly salary basis. All benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (d) **Seasonal Part-Time:** A seasonal position normally less than equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on an hourly basis and all benefits will be calculated on a partial pay period, pay status basis.
- (e) **Temporary Full-Time:** A temporary appointment equivalent to eight (8) hours per day or forty (40) hours per week. A temporary full-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (f) **Temporary Part-Time:** A temporary appointment less than full time. A temporary part-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (g) **Number of Workdays in Month or Pay Period:** Number of possible workdays in the month or pay period based on the employee's weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee's work schedule are counted as workdays for that month or pay period.
- (h) **Hourly Rates of Pay:** The hourly equivalent of the monthly base rates of pay as published in the Compensation Plan. The hourly rates are computed by dividing the monthly salary by 173.33 (or by 162.5 for certain Printer classifications).
- (i) **Partial Month's Pay:** A prorated monthly or pay period salary. The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month's pay is computed as follows:

$$\frac{115}{121} \times \text{Full Month Salary} = \text{Gross Partial Pay}$$

- (j) **Days Worked:** Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee's service period.

Section 2. General Compensation.

- (a) **Permanent Full-Time Employees:** Pay and benefits will be computed on a monthly pay status basis.
- (b) **Permanent Part-Time Employees:**
 - (1) Pay and benefits will be computed on a prorated monthly or pay period basis, such as one-half (½) monthly or pay period pay for a half-time employee, or pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis. Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.
 - (2) Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less than the regular part-time schedule shall have time deducted at the hourly rate.
- (c) **Seasonal Full-Time Employees:** Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.

- (d) Seasonal Part-Time Employees: Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.
- (e) Job Sharing Employees: The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.
- (f) Temporary Full-Time Employees: Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.
- (g) Temporary Part-Time Employees: Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.
- (h) Partial Month's Pay or Partial Pay Period:
 - (1) Partial month's pay (or prorated monthly or pay period pay) is applied when:
 - (A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee's work schedule).
 - (B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee's work schedule).
 - (C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.
 - (D) An employee is appointed to a permanent part-time position.
 - (2) See definition for partial month's pay under Section 1(i) for computation procedures.
- (i) Changes in Salary Rate: When an employee's salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

$$\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{Old Rate} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{New Rate} = \text{Gross Pay}$$

Section 3. The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.

(See Letter of Agreement [30.00-21-396](#) in Appendix A.)

ARTICLE 31--INSURANCE

Section 1. Employer Contribution.

- (a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage, unless otherwise required by law.
- (b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

Section 2. Full-Time Employees.

An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular hours in a month, unless otherwise required by law.

For Plan Years 2021, 2022 and 2023 the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least ten percent (10%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

Section 3. Less-Than-Full-Time Employees.

- (a) For less-than-full-time employees (including part-time, seasonal, and intermittent employees), who have at least eighty (80) paid regular hours in the month, the Employer shall contribute a prorated amount of the contribution for full-time employees, unless otherwise required by law. This prorated contribution shall be based on the ratio of paid regular hours to full-time hours to the nearest full percent, except that less-than-full-time employees who have at least eighty (80) paid regular hours in a month shall receive no less than one-half (½) of the contribution for full-time employees.
- (b) The following administrative procedures shall be used for the calculation of Employer health plan contributions for less-than-full-time employees, under this Section.
 - (1) "Regular hours" means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, "regular hours" shall include additional non-overtime hours worked above an employee's regular work schedule.
 - (2) The formulas to be used for calculating the Employer's prorated health plan contribution shall be those provided in [Article 30--Payroll Computation Procedures](#).
 - (3) In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more, fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, they shall be allowed to use available vacation or comp time to maintain their eligibility for benefits and the Employer's contribution for such benefits.

Section 4. Coordination of Benefits. The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

Section 5. Administration. Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees' flex benefit account or to PEBB, as directed by PEBB.

Section 6. The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due. (See Letters of Agreement [31.00-11-226](#) & [31.00-13-248](#) & [31.00-13-252](#) in Appendix A.)

REV: 2013, 2015, 2017, 2019, 2021

ARTICLE 32--OVERTIME

Section 1. Definition of Time Worked. All time for which an employee is compensated at the regular straight time rate of pay, including work-related telephone calls made to or by an employee after the end of their work-shift, shall be counted as time worked with the following exceptions:

- Holidays which fall on an employee's scheduled day off;
- On-call time ([Article 34](#));
- Penalty payments ([Article 40](#));
- Paid sick leave ([Article 56](#)), except that paid sick leave shall be counted as time worked for the purpose of calculating overtime, if a worker is mandated to work beyond their regular shift or on their scheduled day off.

Section 2. Overtime Work Definition. Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime.

Section 3. Compensation. All employees shall be compensated for overtime at the rates set out in Section 4. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a "pyramiding" of overtime and penalty payments.

Section 4. Eligibility for Overtime Compensation.

(a) **Overtime-Eligible Positions.** Time and one-half (1 ½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and ORS 653.269(5)(a) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:

- 6214 Institution RN
- 6255 Nurse Practitioner

Such time and one-half (1 ½) compensation shall be in the form of cash or compensatory time, pursuant to Articles 32.1-32.5.

In Agencies where there is no contractual limitation on the accumulation of compensatory time the Employer may:

- (1) schedule unilaterally up to forty (40) hours of unused compensatory time per employee per fiscal year, after prior notice of at least five (5) working days to the affected employees; and/or
- (2) pay off in cash some or all of an employee's unused compensatory time once per fiscal year.

(b) **Straight-Time-Eligible Positions.** Employees in positions, except as identified in Section 4 above, which have been determined to be executive, administrative, or professional as defined by the FLSA and ORS 653.269(5)(a) shall receive time off for authorized time worked in excess of eight (8) hours per day or forty (40) hours per week at the rate of one (1) hour off for one (1) hour of overtime worked subject to limitations of Articles 32.1-32.5.

This time off shall be utilized within the fiscal year earned or shall be lost, except when the scheduling has been extended by the Agency or as otherwise specified below. At ninety (90) days prior to loss of such straight time, employees shall be notified that they must use or lose the hours. Time earned in the last ninety (90) days may, at the discretion of management, be carried forward into the next fiscal year. However, such carry forward may not increase the total straight time that may be accrued in that year. If time off requests are denied for use of accrued leave before the year ends, these accrued hours will be paid in cash upon forfeiture. Employees will take all necessary steps to request use of straight time during the fiscal year. Employees shall be paid out any unused straight time upon separation from employment.

(c) No overtime is to be worked without the prior authorization of management.

Section 5. Schedule Change. When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.

Section 6. Record. A record of all overtime worked shall be maintained by the Agency.

Section 7. Change in FLSA Status.

- (a) DAS shall provide the Union with no less than twenty (20) days written notice of its intent to exempt from overtime a filled bargaining unit position. DAS agrees not to change the position's designation during this twenty (20) day period.
- (b) Employees may challenge their position's designation by providing notice and requesting a desk audit to the Agency Human Resources Department. The Agency shall conduct the desk audit and make a determination in writing within thirty (30) days of the request, or as extended by mutual agreement.

- (c) Should the Union decide to contest the proposed change in status, it shall serve DAS with written notice of such intent within twenty (20) days of its receipt of the notice. Should such notice be given, DAS will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow time to investigate whether there are grounds to contest the proposed change in status. If the Union decides to pursue challenging an exemption it must file with Department of Labor (DOL)/Bureau of Labor and Industries (BOLI) prior to the end of this forty (40) day period. In such event, DAS agrees to forego implementing a change in designation until the matter is resolved by way of DOL/BOLI decision, settlement or other manner.
- (d) If timely notice indicating intent to contest the exemption during the initial twenty (20) day period is not received or if the Union does not proceed forward during the subsequent forty (40) day period, the position's designation shall be changed, and the Parties agree not to contest the status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exemption is no longer warranted.
- (e) For purposes of this Section, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

REV: 2015, 2019

ARTICLE 32T--OVERTIME (Temporary Employees)

Section 1. Time Worked Definition. Time worked is defined as actual hours worked.

Section 2. Overtime Work Definition. Overtime for non-exempt employees working any work schedule is actual time worked in excess of forty (40) hours per workweek.

Section 3. Compensation. All non-exempt employees shall be compensated for overtime at time and one-half (1 ½) of their regular hourly rate. No overtime is to be worked without the prior authorization of management.

Section 4. No application of this Article shall be construed or interpreted to provide compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a "pyramiding" of overtime and penalty payments.

Section 5. Record. A record of all overtime worked shall be maintained by the Agency.

ARTICLE 32.2A--OVERTIME (OYA Youth Correctional Facilities and Camps)

Section 1. This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

Section 2. The Institution shall give forty-eight (48) hours notice of overtime to be worked, except in cases of bona fide emergency, when they shall give as much notice as possible.

Section 3.

- (a) In assigning overtime work, the Institution agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee. When such circumstances do exist, the employee shall not be required to work unless their absence would cause the Institution to be unable to meet its responsibilities.
- (b) Overtime shall be distributed as equally as feasible among permanent employees performing the kind of work required, and currently assigned to the cottage or work unit in which the overtime is to be worked.

Section 4.

- (a) All overtime shall be first offered to volunteers within the cottage or work unit; overtime shall be assigned on a rotating basis within that cottage or work unit. The Institution shall not be required to contact employees on compensatory time, vacation, or sick leave to work overtime. In the event the employee is missed by rotation, the employee will notify their immediate supervisor, and through mutual agreement a make-up work period shall be assigned by the Manager or their designee.
- (b) Should no volunteers be found within the cottage or work unit, campus-wide volunteers who have notified the Manager or their designee in writing shall be considered. Institution-wide volunteers must report changes in their availability as they occur. Permanent employees will be offered all overtime opportunities prior to temporary employees.
- (c) Employees eligible for overtime except as provided under [Article 32, Section 4](#), shall be compensated for overtime in the form of cash unless the employee elects to receive time off in lieu of cash at the time of signing their next overtime report following the overtime shift. Cash payment shall be subject to the Institution's budgetary limitations and time off in lieu of cash subject to the Institution's work requirements as provided in [Article 97.2A--Scheduling of Compensatory Time Off](#). The Institution shall give the Union thirty (30) days notice of budgetary restrictions.

Section 5.

- (a) Any employee shall be allowed to accumulate no more than eighty (80) hours of compensatory time off. When an employee accumulates hours in excess of eighty (80) hours, they will be paid for the excess except as provided in [Article 32, Section 4](#).
- (b) All utilization of compensatory time off shall be in accordance with the Scheduling of Compensatory Time Off Article.

Section 6.

- (a) If an employee works two (2) consecutive shifts, or the greater part of the second shift, the employee will either:
 - (1) be provided a meal to be served at the regular mealtime of the Institution or, if the shift includes no such time, at a time mutually acceptable to the supervisor and the employee, or
 - (2) the employee will be eligible for a seven dollar and fifty cents (\$7.50) penalty payment from the Institution if the Institution is unable to provide the meal.
- (b) If the supervisor and the employee mutually agree to schedule a relieved meal break prior to starting the second shift, the above shall not apply.

- (c) This Section shall not apply if the employee is eligible for payment under [Article 36--Travel Allowance](#).

Section 7.

- (a) When all attempts to fill an overtime shift have been exhausted and there is no volunteer willing to take the shift, due to operational requirements of the facility, mandatory overtime may be assigned.
- (b) Mandatory overtime exclusions described below are allowed unless the staff member is the only person available and the staff member's absence would cause the unit or facility to be unable to meet its safety and security responsibilities. Mandate exclusions include the following: (1) mandated shift requiring staff to work beyond their scheduled shift before an RTO or pre-approved time off, (2) a mandated shift requiring the staff to work more than sixteen (16) hours consecutively, or (3) a mandated shift that would require the staff to be mandated more than once during a standard work week. Employees that are mandated to work overtime two (2) hours or more in any of these situations will receive a one-hundred dollar (\$100) penalty payment.

REV: 2021

ARTICLE 32.2C,H--OVERTIME (OSH, Pendleton Cottage)

Section 1. This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

Section 2. The Institution or Facility shall give as much notice as possible of overtime to be worked, and, when feasible, will give a minimum of two (2) hours' notice for workers being mandated while working a shift at the Facility. However, the Institution or Facility will consider any circumstances that might cause an assignment to be an unusual burden upon an employee and when such circumstances do exist, the employee shall not be required to work unless their absence would cause the Institution or Facility to be unable to meet its responsibilities or there is an emergency involving the public health or safety.

Section 3. Overtime shall be distributed as equitably as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work section in which the overtime is to be worked.

Section 4.

- (a) Where employees are subject to the provisions of the FLSA, they shall receive cash for overtime worked unless the employee requests in writing on or before the fifteenth (15th) of the month to receive compensatory time up to the annual limitations on the accrual of compensatory time (see [Article 97.2C,G,H](#)). Payment for overtime shall be made no later than the first (1st) of the month following the timekeeping period in which the overtime was worked.
- (b) Employees exempt from overtime under FLSA shall receive compensatory time pursuant to [Article 32--Overtime](#).

Section 5.

- (a) If an employee works two (2) consecutive shifts, or the greater part of the second shift, the employee will either:
- (1) be provided a meal to be served at the regular mealtime of the Institution or Facility or, if the shift includes no such time, at a time mutually acceptable to the supervisor and the employee, or
 - (2) the employee will be eligible for a seven dollar and fifty cents (\$7.50) penalty payment from the Institution or Facility if the Institution or Facility is unable to provide the meal.
- (b) If the supervisor and the employee mutually agree to schedule a relieved meal break prior to starting the second shift, the above shall not apply.
- (c) This Section shall not apply if the employee is eligible for payment under [Article 36--Travel Allowance](#).

Section 6. Mandates.

- (a) (OSH Only) Prior to implementation of any mandate, the institution will exhaust all other options, including on-site volunteers, and a call list of qualified employees. These lists will exclude employees on vacation, sick leave, compensatory time, or other approved time off.

Mandatory overtime will be assigned on a rotating basis from on shift employees from a single list for each program. If it is necessary to mandate an employee, the Agency will first offer the opportunity to qualified employees. If an employee on the mandate list volunteers their name will be moved to the bottom of the list. Mandates will be assigned based on the next person who is qualified to work when the mandatory overtime is needed. The mandated employee may choose whether to work on the unit where the overtime is required or work on their assigned work unit.

1. For purposes of assigning mandatory MHT overtime, a single list of qualified MHT series employees will be maintained for each shift, in each hospital program.

Each list shall be comprised of all qualified MHT series employees working in the program. MHT series employees assigned to the on call pool can be mandated into any program for which they are currently qualified. MHT series employees assigned to the relief pool will be mandated in accordance with the position to which they are assigned.

2. For purposes of assigning mandatory LPN overtime, a single list of qualified LPN series employees will be maintained for each shift in each hospital program.

Each list shall be comprised of all qualified LPN series employees working in the program.

Except in an emergency involving health and safety, employees may not be mandated to work overtime as follows: (1) on a day immediately preceding a scheduled day off; or (2) more than once during a standard work week. Employees that are mandated to work overtime of two hours or more in any of these examples will receive a one hundred dollar (\$100) penalty payment.

Employees that volunteer to work overtime in any of these examples will not be eligible for the penalty payment. Only the Superintendent or their designee can determine if an emergency involving health and safety exists. If an employee is bypassed, they shall remain on the top of the list for the next mandatory overtime.

(b) (Pendleton Cottage Only)

Due to operational requirements of the facility, mandatory overtime may be assigned. Prior to implementation of any mandate, the facility will exhaust all other options, including on-site volunteers, and a call list of qualified employees.

If the mandated shift would require the staff to be mandated to work overtime two (2) hours or more in the following situations: (1) more than once during a standard work week or (2) on a day immediately preceding a scheduled day off, employees will receive a one hundred dollar (\$100) penalty payment.

ARTICLE 32.2K--OVERTIME (OYA Administration and Field Services)

Section 1. Distribution of Overtime. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to affect Agency services.

Section 3. Payment of Overtime. - (d) The Agency, in collaboration with DAS, will monitor the utilization of limited duration appointments for workload reasons during the contract term and a summary report will be provided to DAS, Budget and Management and the Union every six (6) months.

- (e) That if a limited duration employee is hired directly into a permanent position in the same classification within the same Agency, time served in the limited duration appointment shall count towards the required trial service period in the permanent position. REV: 2015, 2019

ARTICLE 52--JOB SHARING

Section 1. "Job sharing position" means a full-time position that may be held by more than one (1) individual on a shared time basis whereby each of the individuals holding the position works less than full-time.

Section 2. Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Appointing Authority to be considered for job share positions. An employee may also request that their position be considered for job share. The Appointing Authority shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where job sharing is determined appropriate, the Appointing Authority agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency. Where job sharing is determined inappropriate, the Appointing Authority agrees to provide written notification of the reason(s) to the employee.

Section 3. Job sharing employees shall accrue vacation leave, sick leave, and holiday pay based on a prorate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 4. Job sharing employees shall be entitled to share the full Employer-paid insurance benefits for one (1) full-time position based on a prorate of regular hours scheduled per week or per month, whichever is appropriate. In any event, the Employer contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Employer-paid insurance benefits and the full premium amount through payroll deduction.

Section 5. If one (1) job sharing partner in a job sharing position is removed, dismissed, resigns, or otherwise is separated from state service, the Appointing Authority has the right to determine if job sharing is still appropriate for the position. If the Appointing Authority determines that job sharing is not appropriate for the position or the Appointing Authority is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Appointing Authority, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 53--VOLUNTARY DEMOTION

An employee may make a request in writing to the Appointing Authority for a demotion from a position in one (1) classification to a vacant position in a classification of a lower rank for which the employee is qualified. If the Appointing Authority approves the request, the employee so demoted may, at a later date, request that their name be placed on an appropriate list for reemployment to the higher classification.

(See Letter of Agreement [00.00-99-51](#) in Appendix A.)

ARTICLE 55--PERSONAL LEAVE DAYS

Section 1. All employees after completion of six (6) months of service shall be entitled to receive personal leave days in the following manner:

- (a) All full-time employees shall be entitled to twenty-four (24) hours of personal leave with pay each fiscal year;
- (b) Part-time, seasonal, and job share employees shall be granted such leave in a prorated amount of twenty-four (24) hours based on the same percentage or fraction of month they are hired to work, or as subsequently formally modified, provided it is anticipated that they will work 1,040 hours during the fiscal year.

Section 2. Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner.

Section 3. Such leave may be used by an employee for any purpose they desire and may be taken at times mutually agreeable to the Agency and the employee.

ARTICLE 56--SICK LEAVE

Section 1. Sick Leave with Pay. Sick leave with pay for employees shall be determined in the following manner:

- (a) Eligibility for Sick Leave with Pay. Employees shall be eligible for sick leave with pay immediately upon accrual.
- (b) Determination of Service for Sick Leave with Pay. Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro-rata accrual of sick leave credits each month.
- (c) Accrual Rate of Sick Leave with Pay Credits. Full-time employees shall accrue eight (8) hours of sick leave with pay credits for each full month they are in pay status. Employees who are in pay status for less than a full month shall accrue sick leave with pay on a prorated basis.

Section 2. Utilization of Sick Leave with Pay. Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:

- illness;
- bodily injury;
- disability resulting from pregnancy;
- necessity for medical or dental care;
- if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or stalking, pursuant to ORS 659A.270 through 659A.290;
- attendance at an employee assistance program;
- exposure to contagious disease;
- for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties;
- attendance upon members of the employee's or the employee's spouse's immediate family, or the equivalent of each for domestic partners, (parent, wife, husband, children, brother, sister, grandmother, grandfather, grandchild, or another member of the immediate household) where the employee's presence is required because of illness or death.
- parental leave

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. (See Section 9 for FMLA & OFLA.)

Section 3. Sick Leave Exhausted.

- (a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a

certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.

- (b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.
- (c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.
- (d) After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use other paid leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such continuous and extended illness. Such requests shall not be unreasonably denied.
- (e) An employee with a serious medical condition who has exhausted available leave balances may submit a written request to receive a "medical separation." A medical separation is defined as a voluntary resignation for medical reasons. The Employer shall grant a written request for a medical separation, unless the employee is under investigation for performance and/or misconduct unrelated to their exhaustion of leave. Employees who receive a medical separation will be notified of the reemployment provision in Article 45, Section 2(c).

Section 4. Restoration of Sick Leave Credit. Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Transfer of Accruals. An employee shall have all of their accrued sick leave credits transferred when the employee is transferred to a different state Agency.

Section 6. Workers' Compensation Payment. Sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued leave.

No employee shall be required to utilize leave while receiving time loss benefits.

Section 7. Assumption of Sick Leave. Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

$$\frac{\text{Monthly Accrual Rate of State Agency}}{\text{Monthly Accrual Rate of Local Agency}} \times \text{Sick Leave Balance of Local Agency} = \text{Maximum Sick Leave Assumable}$$

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

Section 8. Hardship Leave.

These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to their appointing authority/designee. The appointing authority or designee from both the donor's and recipient's agencies may authorize the transfer of donated leave between agencies, subject to restrictions on the use of dedicated funding sources and/or other legitimate business reasons. Authorization for transfer of donated leave shall not be unreasonably denied. For purposes of this Agreement, hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

- (a) The recipient and donor must be regular employees.
- (b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.
- (c) Use of donated leave shall be consistent with those provisions found under Article 56, Section 2.
- (d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician/practitioner's written statement certifying that the illness or injury will continue for at least fifteen (15)

days following donee's projected exhausting of the accumulated leave and the total leave is at least thirty (30) consecutive calendar days of absence in combination of paid and unpaid leave. Donated leave may be used intermittently for the same event after the employee has satisfied the eligibility requirements to receive donated leave.

- (e) Donations shall be credited at the recipient's current regular hourly rate of pay.
- (f) Accumulated leave includes but is not limited to sick, vacation, personal, and compensatory leave accruals.
- (g) Employees otherwise eligible for or receiving workers' compensation will not be considered eligible to receive donations under this agreement.

Section 9. Federal Family Medical Leave Act (FMLA), the Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA). Oregon state government provides leave to employees according to the FMLA, OFLA and OMFLA. The provisions shall be as provided in the statewide Family and Medical Leave Policy (60.000.15). Employees on a continuous block of leave may retain up to sixty (60) hours of either vacation or compensatory time for use upon returning to work. Designation to retain the leave shall be made in writing within five (5) business days of the beginning of the qualifying leave. In no instance shall an Agency restore leave or recoup pay as the result of such designation. Once the designation has been made and approved and the employee is on leave without pay status, that status will continue for the duration of the leave. Such employees are not eligible to receive hardship leave donations.

Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

- (b) A SEIU-represented temporary employee appointed to a SEIU-represented regular status position in any Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from the initial date of temporary appointment. SEIU-represented temporary employees who, upon attaining regular status, would receive accrued sick leave credits under this Section shall receive an amount of sick leave credits that represents the difference between what they have already accrued as a temporary employee and what they would receive upon being appointed to regular status.

Section 2. Utilization of Sick Leave with Pay.

Temporary employees who have earned sick leave credits in their temporary appointment shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:

- illness;

- parental leave.

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. (See Section 4 for FMLA and OFLA.)

Section 3. Sick Leave Exhausted.

- (b) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.

During this time, employees shall continue to accrue seniority and to receive all protections under this Agreement. Acceptance of outside employment is not reasonable justification for approval.

Section 2. A state employee voluntarily or involuntarily seeking military leave without pay to attend service school shall be entitled to such leave during a period of active duty training. Military leaves of absence without pay shall be granted in compliance with the Veterans' Reemployment Rights Law, Title 38, USC Chapter 43.

In instances where the work of the worksite or Institution or Facility shall not be seriously handicapped by the temporary absence of an employee, the employee may be granted a leave of absence without pay, educational travel, or educational leave without pay for up to one (1) year subject to Institution or Facility approval. Any authorized leave of absence without pay does not constitute separation from State service.

Section 2. Time spent on leave without pay in excess of one (1) year shall not be considered as service in determining the employee's eligibility date for a salary increase unless such time has been spent on leave resulting from job-incurred disability or military leave consistent with Veterans' Reemployment Rights Leave, Title 38, USC Chapter 43.

Section 3. Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay. Any employee who is absent for five (5) consecutive workdays without authorized leave shall be deemed to have resigned and shall be considered a voluntary separation from State service. Such absence may be covered however, by a subsequent grant of leave with or without pay, when extenuating circumstances are found to have existed.

- (c) When the dates requested for pre-retirement leave cannot be granted for the above reason, the Agency shall offer the employee a choice from three (3) other sets of dates. The leave herein discussed may be used to investigate and assemble the employee's retirement program, including PERS, Social Security, insurance, and other retirement income.

ARTICLE 66--VACATION LEAVE

Section 1. Vacation Leave Accrual. After having served in the state service for six (6) months, employees shall be credited with the appropriate earned vacation leave and thereafter vacation leave shall be accumulated or prorated on the appropriate schedule as follows for (a) full-time employees; (b) seasonal employees; and (c) part-time employees:

Length of State Service:	Vacation Accrual Rate:

Employees who are in pay status for less than a full month shall accrue vacation leave on a prorated basis.

Part-Time Employees Computation. A part-time employee shall accrue vacation leave on a pro-rata basis per the same schedule as full-time employees.

Seasonal Employees Computation. Seasonal employees are entitled to use vacation credits (or to have them paid upon separation) when the seasonal employee has completed a combination of seasonal periods totaling one-thousand forty (1,040) hours. In accumulating one-thousand forty (1,040) hours of service, time worked prior to a break-in-service may be credited if the break does not exceed two (2) seasons. An employee may not be credited with more than one (1) season during a calendar year.

Section 2. Vacation Leave for New or Separating Employees.

- (a) New employees who begin work in the middle of a month or pay period earn vacation credits on a prorated basis for the first partial month or pay period.

Although new employees will earn vacation credits on a prorated basis during the first partial month or pay period of service, they are not entitled to use vacation credits (or be paid upon separation) until the employee has completed six (6) months.

- (b) Separating employees who are eligible will be paid for unused vacation leave accrued through the last full calendar month or pay period of service, based on each employee's work schedule. If the employee does not work or is not in pay status through the last regularly scheduled workday in the last calendar month or pay period, payment for such month or period shall be made on a pro-rata basis.

Separation of an employee may fall on any given day of the month, either as designated by the employee in their letter of resignation or by the Agency in the notice of involuntary separation.

- (c) Separating employees who are eligible will be paid for accumulated vacation leave and compensatory time at the hourly rate equivalent to their base rate at the time of separation. An employee shall not be eligible for vacation pay-out upon separation unless the employee has completed six (6) months or the equivalent.

Section 3. Compensation for use of accrued vacation shall be at the employee's prevailing straight time rate of pay.

Section 4. In the event of separation or layoff any unused vacation up to three-hundred (300) hours will be paid to the employee.

Section 5. In the event of an employee's death, all monies due for accumulated vacation and salary shall be paid as provided by law.

Section 6. An employee who has lost work because of a job-related illness or injury shall not suffer a reduction in vacation credits. Vacation credits shall continue to be earned while an employee is using earned sick leave.

Section 7. Service with a jury shall be considered time worked.

Section 8. If an employee has a break-in-service and that break does not exceed two (2) years, they shall be given credit for the time worked prior to the break-in-service.

Section 9. Time spent in actual State service or on Peace Corps, military, educational, or job-incurred disability leave without pay shall be considered as time in the State service for determining length of service for vacation accrual rate.

Section 10. Vacation hours may accumulate to a maximum of three-hundred fifty (350) hours.

Section 11. Authorization of Use. Upon transfer of an employee with six (6) months of State service to a different Agency covered by the Agreement, the employee may elect to have a maximum of one-hundred (100) hours of accrued vacation credits transferred to the gaining Agency, except the gaining Agency may agree to accept a greater amount of accrued vacation credits. The employee shall be paid in cash for that portion of accrued vacation credits not transferred.

Upon transfer of an employee with less than six (6) full months of service to a different Agency represented by SEIU Local 503, OPEU, all vacation credits accrued shall be transferred to the gaining Agency.

Section 12. Should an employee who has exhausted earned sick leave elect to use vacation leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

Section 13. After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such illness. Such leave shall not be unreasonably denied.

Section 14. No employee may be placed on vacation leave and no accrued vacation time may be utilized without specific authorization of the employee except:

- (a) That employees shall have their vacation time paid in full when they take education leave without pay in excess of ninety (90) days;
- (b) That in any other leave of absence without pay that exceeds fifteen (15) days, the employees shall be required to use their accumulated vacation. Bargaining unit members may not be required to take vacation when leaving for military or reserve service as per Title 38, USC Chapter 43, or parental leave until after thirty (30) days;
- (c) As provided for set-off of damages or misappropriation of state property or equipment on termination;
- (d) To avoid losing vacation the employee must request vacation leave. When such leave is impossible a cash payment of not more than sixty (60) hours shall be made. In lieu of cash payment, the Employer shall schedule time off in excess of three-hundred and fifty (350) hours within sixty (60) days prior to the date the vacation leave would reach three-hundred and fifty (350) hours. Hours earned over three-hundred and fifty (350) hours will be immediately lost to the employee if the equivalent of those hours is not used prior to the month of maximum accrual.

Section 15. Vacation Cash Out. In each calendar year, an employee may make a one-time request to cash out and receive payment for up to forty (40) hours of vacation. In order to be eligible to cash out vacation hours, the employee must be a

regular status employee and have a remaining vacation balance of sixty (60) hours or more. Vacation leave that has been pre-approved will be considered when the request is made in order to determine if they will maintain the minimum vacation balance requirement.

Section 16. Military Donated Leave. The Parties acknowledge that the State of Oregon administers a donated leave program to supplement military wages. As such, an employee may donate any portion of their accrued vacation to an eligible individual participant or to the program donation pool for distribution to eligible participants, as long as the program continues to exist.

ARTICLE 66.2A--VACATION SCHEDULING (OYA Youth Correctional Facilities and Camps)

Section 1. The Institution shall provide a sign-up period for vacation between the dates of November 1 and December 1, for the twelve (12) month period of February 1 through the following January 31. The results will be posted no later than December 15. Subject to the operating requirements of the unit, an employee shall have their choice of vacation time. If two (2) or more employees in the same first line supervisory work unit request the same periods of time and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest seniority shall be granted the time off once a year. After December 1, employees may request vacation for the following month and any employee who first requests to schedule a vacation date in the following month not in conflict with a previously scheduled vacation shall be granted the time.

Section 2. Up to twenty-four (24) hours of personal leave time may be added into the annual vacation bid.

Section 3. The Institution or Facility will grant or deny requests for vacation within fifteen (15) calendar days of the employee's submission of the request when it is submitted less than thirty (30) days from the desired vacation date. Requests will not be unreasonably denied.

Section 4. Vacations that have been scheduled and approved may not be canceled by the Institution except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Institution, the Institution shall pay the unrecoverable deposits. The Institution may require proof of unrecoverable deposits.

REV: 2013, 2015

ARTICLE 66.2C.H--VACATION SCHEDULING (OSH, Pendleton Cottage)

Section 1. Vacation time shall be scheduled within the workload and scheduling requirements of the Institution or Facility. If two (2) or more employees request the same period of time off during the designated sign-up period and the matter cannot be resolved by agreement of the Parties concerned, conflicts in scheduling vacation time shall be resolved by exercising an employee's seniority. An employee will be permitted to exercise their seniority once every two (2) calendar years. A calendar year is defined as January 1st through December 31st. Seniority for the purposes of this Article is defined as the employee having the greatest length of continuous service with the Institution or Facility. The employee with the most seniority will be given first opportunity to secure the vacation time in conflict by exercising their seniority (when available). If the most senior employee decides not to do so, then the less senior employee will be given the same opportunity. In instances where neither employee wishes to exercise their seniority to secure the vacation time, a flip of the coin will be utilized to break the conflict. Vacation time identified as conflicts will not be granted until the conflict is resolved using the methods identified in this Article. Exceptions for granting vacation time may be made beyond the quarterly process with approval from management, in conjunction with Human Resources. When such an exception is granted, the employee is restricted from exercising their seniority to secure vacation time for two (2) calendar years. The Institution or Facility will facilitate this process by providing a designated sign-up period.

Submission for each quarter is as follows:

Time Blocks	Request Received By
January 1 through March 31	November 15
April 1 through June 30	February 15
July 1 through September 30	May 15
October 1 through December 31	August 15

After the designated sign-up period, vacation requests will be approved on a first-come first-served basis subject to the operating needs of the Agency.

Section 2. The Institution or Facility will grant or deny the request for vacation within five (5) calendar days of the employee's request received by the employee's supervisor or their designee. Requests will not be unreasonably denied. Grievances concerning this Section may be pursued only until the expiration of this Contract and shall terminate at that time.

Section 3. Vacations that have been scheduled may not be canceled by the Institution or Facility except in the event of an emergency. When unrecoverable vacation deposits in excess of fifty dollars (\$50.00) are incurred by an employee, the vacation shall not be canceled by the Institution or Facility. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

Section 4. If an employee requests a lateral transfer, their choice of vacation made during their previous assignment shall be subjugated to any employee request in the new unit made prior to the transfer which is protected under Section 1. If an employee is transferred by the Institution or Facility, Sections 1 and 3 will apply.

ARTICLE 66.2K--VACATION SCHEDULING (OYA Administration and Field Services)

Section 1. An employee shall request the dates of their vacation in advance and the Agency shall grant or deny the request for vacation within a reasonable period of time. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided however, that an employee shall not be given their length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee the provisions of this Section shall not apply.

ARTICLE 70--LAYOFF

Section 1. A layoff is defined as a separation from the service for involuntary reasons other than resignation, not reflecting discredit on an employee. An employee shall be given written notice of layoff at least fifteen (15) calendar days before the effective date, stating the reasons for the layoff. (See Sections 9 and 10 on statewide recall rights and intergovernmental transfers, and see Section 11 regarding Secondary Recall Rights.)

Section 2. The layoff procedure shall occur in the following manner:

- (a) The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify in writing all affected employees of their seniority and their contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. In addition, the Agency shall provide each Union Steward in the geographic area affected by layoff with one (1) written copy of the seniority of employees in all affected positions in that geographic area. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.
- (b) Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
- (c) Employees shall be laid off and seniority calculated within a geographic area and within the following separate categories:
 - (1) Permanent full-time positions;
 - (2) Permanent part-time positions;
 - (3) Seasonal full- and part-time positions; or
 - (4) Academic year positions (OSD):
 - Full-time academic year positions; or
 - Part-time academic year positions.
 - (5) The Employment Department shall maintain the following layoff lists:
 - (A) Full-time employees plus seasonal employees with more than twelve (12) months continuous full-time employment immediately preceding layoff;
 - (B) Seasonal employees with less than twelve (12) months continuous full-time employment immediately preceding layoff;
 - (C) Part-time employees.
- (d) An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee's response is due falls on a Saturday, Sunday or holiday, the employee will provide their choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).
 - (1) The employee may displace the employee in the Agency with the lowest seniority in the same classification for which they are qualified in the same geographic area in the Agency where the layoff occurs.
 - (2) If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.
 - (3) The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which they are qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they demoted.
 - (4) The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they were laid off.

The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

- (e) To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, they may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.
- (f) When exercising an option under Section 2(d)(1), (2) and (3), an employee shall only be eligible to displace another employee with lower seniority.
- (g) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.
- (h) Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in [Article 51 Section 2](#), shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:
 - (1) full-time status;
 - (2) part-time status.
- (i) Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in [Article 51, Section 1](#), whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.
- (j) An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).
- (k) Job Share Positions.
 - (1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.
 - (2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals' Layoff Service Date.
 - (3) If either employee in a job-share position chooses to be treated as a part-time employee, seniority for each employee will use individual Layoff Service Date.

If only one (1) person is filling a job-share position, they shall be considered as a full-time equivalent.
- (m) If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff or is laid off, the employee shall retain their overfill status upon return to their classification.
- (n) Any employee displaced by another employee exercising options under Section 2(d)(1), (2) and (3) may also exercise any option available under Section 2(d).
- (o) Designation of Classification for Layoff.
 - (1) Classification for layoff purposes is the employee's classification of record on the date the seniority list is frozen.
 - (2) Classification changes (reallocations, reclassifications) approved for implementation after the seniority list is frozen, but before the layoff effective date, will not be implemented until the day after the layoff date at the earliest and shall not be arbitrarily delayed.
 - (3) Both the incumbent and bumping in employee cannot equally benefit from a successful change resulting from reallocation change, whether requested by the Agency or employee appeal (e.g., both be reallocated, both have recall rights to the higher class, etc.).
 - (A) Bumped-out employees should benefit from reallocation for pay purposes up to the layoff date and be eligible for recall back to the reallocated class.
 - (B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.
 - (4) Both the incumbent and bumping-in employee cannot equally benefit from a successful Agency requested reclassification or employee initiated classification appeal.
 - (A) Bumped-out employees should benefit from reclassification for pay purposes up to the layoff date.
 - (B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.
 - (5) Pay will be reconciled, as appropriate, for employees laid off or bumped-out of positions affected by a successful reallocation or reclassification.

Section 3. For purposes of this Article, the term "Agency" does not include employees represented by other unions. There will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump

into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff list may have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

Section 4. Seniority.

- (a) **Seniority Definition.** Seniority is the Layoff Service Date which is the date the employee began state service (except as a temporary appointee) as adjusted for break(s)-in-service.
- (b) **Break-In-Service.** A break-in-service is a separation or interruption of employment without pay of more than two (2) years. If an employee has a break-in-service that does not exceed two (2) years, they shall be given credit for the time worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.
- (c) **Seniority Frozen.** When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future computations. The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.
- (d) **Equal Seniority.** If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of the most qualified employee.

Section 5. Trial service employees, except those serving a trial service for initial appointment to state service, who are laid off or demoted in lieu of layoff shall be placed on the Agency layoff list. An employee serving a trial service for initial appointment to state service who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

Section 6. Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the reemployment list for the classification in which they were laid off.

Section 7. Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in a classification who are employed at that specific geographic location and the Agency where the reduction occurs. The eligibility for such seasonal employees shall be canceled at the end of each season.

Section 8. Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 9. Agency Layoff Lists. Names of regular employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible workload limited duration employees of the Agency, who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which they wish to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic layoff list from which they were laid off and shall be notified by the Agency of their right to designate additional geographic layoff list(s) in accordance with this Article.

Section 10. Recall. Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the greatest seniority.

- (a) **Same Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in the geographic area from which they demoted or were laid off, they shall have one (1) right of refusal. Upon a second refusal, however, the employee's name will be removed from the layoff list in that geographic area.
- (b) **Different Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which they demoted or were laid off, they shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee's name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have their name removed from the list.
- (c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.

- (d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.
- (e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee and will not be eligible for any benefits covered under this Agreement.
- (f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.

Section 11. Secondary Recall Rights.

- (a) Application: These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.
- (b) Definitions:
 - (1) Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of [Articles 70.1, 70.2, 70.3, and 70.5](#).
 - (2) Agency Layoff Lists are intra-Agency layoff lists, as defined in [Article 45, Section 2\(a\)](#), and as further defined by geographic areas for layoff for each Agency in [Articles 70.1, 70.2, 70.3, and 70.5](#).
 - (3) Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in [Articles 70.1, 70.2, 70.3, and 70.5](#).
- (c) Coordination with [Articles 45 and 70](#): The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and [Article 45](#), except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- (d) Procedures:
 - (1) Placement on the Secondary Recall List.
 - (A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.
 - (B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.
 - (2) Use of the Secondary Recall List.
 - (A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.
 - (B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.
 - (C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
 - (D) Prior to initiating other methods to fill a vacancy, except an agency layoff list, agencies shall utilize the Secondary Recall List to fill positions. The Agency will call for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled. The Agency will select one of the five (5) employees from the list. Seniority for this purpose shall be computed as described in Section 4 of this Article.
 - (E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.
 - (3) Appointments/Refusals of Appointments from the Secondary Recall List.
 - (A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have their name removed from the Secondary Recall List.

- (B) Employees appointed to positions from the Secondary Recall List shall have their names removed from all other Agency Layoff Lists and the Secondary Recall List.
- (C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of [Article 49](#). However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List.
- (D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 12. Geographic Area. See Articles 70.1-70.5.

Section 13. When the Employer declares that a lack of funds will necessitate a layoff, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5--Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

Section 14. Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

ARTICLE 70.2A--GEOGRAPHIC AREA FOR LAYOFF (OYA Youth Correctional Facilities and Camps)

Section 1. For purposes of [Article 70--Layoff](#), the geographic area is the employee's Facility or Camp. If there is no opportunity in the employee's Facility or Camp, employees in those Facilities or Camps will have an option at one (1) other Facility or Camp.

Section 2. OYA employees who move from one (1) organizational unit to another as a result of the layoff provision shall have the option to return to their previous Institution or Camp according to [Article 45.2A](#), Section 1.

- (a) It is the employee's responsibility to notify Employee Services in writing of their desire to utilize this transfer provision. Such notice must be provided within forty-five (45) days after their initial transfer to another organizational unit.
- (b) The employee shall receive only one (1) offer to transfer under this Article. If an employee rejects the offer, they will be removed from this transfer list. An employee shall remain on this transfer list for two (2) years from date of their initial transfer in Section 2(a).

ARTICLE 70.2C,H--GEOGRAPHIC AREA FOR LAYOFF (OSH, Pendleton Cottage)

Section 1. OSH. For purposes of [Article 70--Layoff](#), the geographic areas shall be defined as all Oregon work locations. Employees recalled from layoff shall not be eligible for moving allowance pursuant to Article 70, Section 10.

Section 2. Pendleton Cottage. For purposes of [Article 70--Layoff](#), a geographic area is defined as the Institution or Facility in which the employee works.

REV: 2015

ARTICLE 70.2K--GEOGRAPHIC AREA FOR LAYOFF (OYA Administration and Field Services)

For the purposes of layoff, the geographic area is the employee's office. If there is no bumping opportunity in the employee's office, the employee will have an option at one (1) office within one (1) geographic area of the employee's choice. Geographic areas are defined as follows:

- Northwestern Area
- Northern Valley Area
- Central/Eastern Area
- Southern Valley Area
- Southern Area

Until such time as there is more than one (1) Institution or Camp in the Southern Area, the Southern Valley Area and Southern Area shall be considered one (1) geographic area.

ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES

Section 1. Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.

Section 2. A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted. "Annual season" means a period of twelve (12) months, regardless of the number of seasons occurring during that period.

Section 3. A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season. A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. In advance of the season or as soon as the seasonal employee becomes aware of the need to end their season early, the seasonal employee may submit a request to their supervisor.

Subject to the agency operating requirements, the supervisor may approve the employee's request without jeopardizing their recall rights the following season. (See also [Article 70, Section 7.](#))

Section 4. Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed. Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.

Section 5. Seasonal employees shall accrue all rights and benefits accrued by full-time employees during their employment season, except as otherwise modified by this Agreement.

Section 6. Employees in seasonal positions who have completed initial state trial service one-thousand and forty (1,040) hours and who are not participating members of the Public Employees Retirement System shall receive a special differential of six (6%) percent in addition to their regular rate of pay. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees. Such special differential shall terminate immediately prior to the first full pay period after the employee becomes a participating member of the Retirement System.

Section 7. Seasonal employees not currently employed shall be treated as internal candidates for any jobs they apply for within their Agency, even between seasons, so long as they have recall rights.

Section 8. Intermittent Appointments.

- (a) Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority: Employment Department, DHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), Oregon Department of Forestry (co-op positions, Forest Lookouts, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).
- (b) A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available. A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.
- (c) The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff. Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be unscheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.
- (d) Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.
- (e) Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.

REV: 2015, 2019

ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK

Section 1. Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.

Section 2. An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

Section 3. For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in [Article 70--Layoff](#). In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

ARTICLE 80--CHANGE IN CLASSIFICATION SPECIFICATIONS

Section 1. The Employer shall notify the Union of intended classification studies.

Section 2. The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

Section 3.

- (a) Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.

- (b) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer's written notification to the Union of the finalization of the class specification.
 - (c) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.
- (See Letter of Agreement 80.00-21-410 in Appendix A.)

ARTICLE 81--RECLASSIFICATION UPWARD, RECLASSIFICATION DOWNWARD, AND REALLOCATION

Section 1. Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:

- (a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
- (b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
- (c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

Section 2. Reclassification Up.

- (a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees, or supervisors with prior notice to the employee(s), may seek reclassification to any non-supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provided that:

- (1) the classification exists in the unrepresented compensation plan or in multiple bargaining units' compensation plans, and
- (2) the classification is not specific to another Agency.

In the event that the proposed new classification is not in the bargaining unit, the classification shall be added to the SEIU Local 503, OPEU compensation plan at the Employer-proposed salary range. However, if the Employer-proposed range is lower than the classification salary range in another DAS compensation plan, the Parties will negotiate the salary range.

- (b) Employees, or supervisors with prior notice to the employee(s), may request reclassification by submitting a written explanation of the request, a Chief Human Resource Office Position Description Form signed by the supervisor and employee, and all other relevant evidence for the proposed reclassification to the Agency Appointing Authority. Within sixty (60) days, unless otherwise mutually agreed in writing, the Agency shall review the merits of the request based on the final position description signed by the Appointing Authority. The Union shall be entitled during the sixty (60) day review period and prior to issuance of the Agency decision to meet with the Agency or to present further written arguments in support of the request. The Agency will notify the employee and supervisor of its decision and provide a copy of the final position description signed by the Appointing Authority. Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one-hundred twenty (120) days, however, this time period may be extended upon mutual agreement of the Parties.
- (c) If the reclassification receives legislative approval, the effective date of the reclassification shall be the date the reclassification was finalized in the budget and a note will be added to the CHRO human resources information system with the date that the reclassification was requested. The employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the date the reclassification request was received by the Agency through the reclassification effective date.
- (d) Rate of pay upon upward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase no less than an increase to the next higher step in the new salary range. The salary eligibility date shall remain the same.
- (e) If a reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with its current classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the date the reclassification request was received by the Agency through the date the duties were removed.

Section 3. Reclassification Down.

- (a) Reclassification downward is a change in the classification of a position by reducing it to a lower classification.
- (b) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the employee in writing of the action, including the specific reasons, and the Chief Human Resource Office Position Description used for the action, which shall be signed by the Appointing Authority.
- (c) If an employee is reclassified downward and their rate of pay is above the maximum of the new classification, their rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step.

If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at the same rate in the lower range.

If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest step in the new salary range.

- (d) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to [Article 70](#) of this Agreement for reemployment to the classification from which they were reclassified downward.

Section 4. Reclassification Equal or Lateral.

- (a) Reclassification equal or lateral is a change in an employee's job classification from one classification to another with the same salary range base number.
- (b) Rate of pay upon equal or lateral reclassification shall be given no less than the first step of the new salary range.
- (c) If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at that rate in the new classification until the next salary eligibility date.
- (d) If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range pay scale plus that amount the current salary rate is below the next higher rate in the salary range pay scale. This increase shall not exceed the highest rate in the new salary range.
- (e) If an employee's previous salary is above the maximum of the new classification, their rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary range shall be adjusted to that step.

Section 5. Reclassification Appeals.

- (a) Filing.

Reclass Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. No new evidence or information will be considered by the Committee.

Reclass Down. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify their position downward, they may grieve this action by filing a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclass is in conflict with [Article 81, Section 1](#). The Agency Head shall respond in writing in accordance with the appropriate time limits contained in the Agency grievance procedure. A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the request and all relevant evidence. No new evidence or information will be considered by the Committee.

- (b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The designees will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in [Article 81, Section 1](#). In this process each of the designees may identify one (1) alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee. The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt of the decision. If there is no timely request for reconsideration, the Committee's decision will be final and binding. A copy of the reconsideration request will be provided to the other party, who will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision

within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

- (c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.
- (d) If the Committee does not agree on the appropriate classification within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in [Article 21--Grievance and Arbitration](#).

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.

The arbitrator shall allow the decision of the Agency to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

Section 6. An incumbent employee who appealed a reclass decision to final decision through the Committee or through an arbitration shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

Section 7. An employee's classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

Section 8. Reallocation Appeal Process for New Classes. Employees in positions allocated to a new classification, who dispute their placement in a new classification can appeal their placement using the following process:

- (a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- (b) If denied, the Union may appeal the Agency's decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee.
- (c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.
- (d) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.
- (e) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(d) of this Article.
- (f) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.
- (g) Appeals of all filled positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

ARTICLE 85--POSITION DESCRIPTIONS AND QUARTERLY CHECK-INS

Section 1. Position Descriptions. Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee's position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

Section 2. Quarterly Check-Ins. Supervisory managers shall conduct check-ins with their employees on a quarterly basis. If a quarterly check-in does not occur, the employee may request a check-in for the missed time period. Supervisory managers shall conduct the requested quarterly check-in within thirty (30) calendar days.

The employee shall have the opportunity to provide their input during the quarterly check-in.

Quarterly check-ins are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action, layoff, and annual eligibility date performance pay increases.

Section 3. Seasonal Employees. Seasonal employees still on trial service should refer to [Article 71, Sections 2 and 3](#) regarding salary increases.

REV: 2021

ARTICLE 86--WORKLOAD PRIORITIZATION

Any employee may request assistance from their immediate supervisor in establishing or adjusting priorities in order to carry out their work assignment. The supervisor will take into account variables that impact the difficulty of assignments to the employee. The employee may request to have the response provided orally or in writing and the immediate supervisor will respond accordingly in a timely manner, unless such request is deemed to be inappropriate or excessive.

ARTICLE 90--WORK SCHEDULES

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work.

(a) A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days.

(b) A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor.

Provided, however, nothing in this Section is intended to prohibit management from changing an employee's flexible work schedule without an employee's consent where such a change is needed in the regular course of business and where the employee has been initially hired by management, or initially placed on a flexible work schedule, with the express understanding that the person hired or the employee so placed on a flexible work schedule is expected to work a flexible work schedule as a condition of their employment.

(c) An alternate work schedule is anything other than a regular work schedule or a flexible work schedule.

Section 2. An employee may request in writing to work any work schedule as defined in Section 1, or any alternate work schedule. No employee requests will be arbitrarily denied or rescinded. The employee's request shall be evaluated on the following criteria before the request can be approved:

- (a) That their requested alternate work schedule will not interfere with their ability and availability to perform the job;
- (b) That the operational needs of the Agency are met;
- (c) That the needs of the public are adequately served; and,
- (d) That a forty (40) hour workweek is maintained for full-time employees, or the established weekly hours for part-time employees.

If these criteria are met, the Agency shall grant the employee's written request.

The Agency shall also consider other extenuating circumstances including, but not limited to, employee use of carpooling, mass transit, or a demonstration of an unusual hardship. Shift differential shall be paid in accordance with [Article 26--Differentials](#).

Section 3. Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one-hundred sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee's assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

Section 4. Request to Temporarily Modify an Existing Work Schedule. Subject to the operating needs of the Agency, an employee may, with their immediate supervisor's advance approval, temporarily modify their work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours. Such requests and modifications will be in accordance with [Article 40--Penalty Pay, Section 4, Modification of Work Schedule](#) and [Article 32--Overtime, Section 5, Schedule Change](#). Such requests shall not be arbitrarily denied.

REV: 2015, 2021

ARTICLE 90T--WORK SCHEDULES (Temporary Employees)

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.

Section 2. A workweek is defined as the fixed and regularly recurring period of one-hundred-sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

Section 3. For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

Section 4. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to

emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.

ARTICLE 90.2A--WORK SCHEDULES (OYA Youth Correctional Facilities and Camps)

Section 1. The workweek shall begin at 12:01 a.m., Saturday and shall end at 12:00 midnight the following Friday.

Section 2. Regardless of work hour schedules, there shall be an established lunch period midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas to supervise students when eating shall have such time counted as hours worked.

Section 3. An employee may request a work schedule other than currently in effect for their position. That request will be granted if management determines it can be accommodated without detracting from meeting the Institution workload and does not conflict with the shift vacancy provisions of Section 8 herein.

Section 4. All employees in the unit not on another schedule authorized under this Article shall be scheduled for five (5) consecutive days of work and two (2) consecutive days off (defined as a minimum of sixty (60) consecutive hours) within the workweek, unless the employee agrees to a different workweek.

Section 5. If the Institution changes the shift schedule of a twenty-four (24) hour operation in order to accomplish the mission of the Institution, work schedules of full-time employees may be changed if mutually agreed upon by the employee and their supervisor. In the event mutual agreement cannot be reached, the employee will be provided five (5) days notice of the change. Upon request, the Institution shall provide the reason for the shift schedule change in writing.

Section 6. Rest Periods.

- (a) Rest periods are fifteen (15) minutes in duration and should be taken about midway through each four (4) hour work period.
- (b) If an employee is on an uninterruptible assignment, or is unable to leave their work area unattended, the supervisor shall work out arrangements with other staff to provide temporary coverage where the current staffing permits. It is the responsibility of all supervisors to make provisions for each employee under their supervision to have appropriate rest periods.
- (c) Employees not covered in (b) should arrange with their supervisors to take their rest periods as provided in (a), but at such times as to avoid leaving any operational unit unstaffed. When the supervisor determines a rest period cannot be taken, the employee shall be allowed compensation at the rate of time and one-half (1 ½) for the missed rest period.

Section 7. Shift Assignments Within Classification Series.

- (a) A shift vacancy is defined as an unfilled position, in a specified Facility or Camp, with specified starting and quitting times and days off.
- (b) A shift vacancy shall be filled within each Facility or Camp, based on classification:
 - (1) Cooks, Office Coordinators, and Institutional Registered Nurses:
 - a. Employees shall be given at least five (5) days advance notice of, and the first opportunity to request, the shift vacancy. However, this notice period will end at the point the most senior eligible employee requests the shift vacancy. The most senior regular employee from the Facility or Camp who has the special qualifications to perform the job and who requests the shift vacancy shall be selected. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible to bid. Discipline is defined in [Article 20--Discipline and Discharge, Section 1.](#)

 - (2) Group Life Coordinators (GLC):
 - a. Employees shall be given at least five (5) days advance notice of, and the first opportunity to request, the shift vacancy. The most senior eligible regular employee who has the special qualifications to perform the job and who requests the shift vacancy shall be selected. Employees are eligible to bid on shift assignments in their assigned work unit after six (6) months of employment. After one (1) year of employment GLC are eligible to bid facility-wide. Once a GLC is the successful bidder to a facility-wide vacancy, that employee is restricted from bidding on another facility-wide vacancy for a period of one (1) year. An employee who is the successful bidder to a unit vacancy, is restricted from bidding on another unit vacancy for a period of six (6) months. Employees having a record of disciplinary action within six (6) months prior to a vacancy announcement shall not be eligible to bid on a unit or facility-wide vacancy.
 - b. If no qualified employee from the Facility or Camp where the shift vacancy exists requests or is selected for the shift vacancy, the vacant position will be filled according to [Article 45.2A--Filling of Vacancies.](#)
 - (3) Youth Corrections Unit Coordinators and Behavior Health Specialists:

The Employer maintains the right to change days off. However, when such a change occurs, the employee may request a lateral transfer pursuant to [Article 45.2CG](#). Under this circumstance provisions of Section 2(b)(4) will be waived.

Section 2. For employees with a workweek with rotating days off, the workweek will consist of one-hundred sixty-eight (168) consecutive hours. Time for cleaning equipment shall be considered as part of the employee's workday.

Section 7. Rest Periods.

Trading outside of the employee's classification must be approved by the appropriate supervisor.
- (b) Regular status qualified employees in the same classification may mutually agree to trade positions on a temporary basis for a period of up to ninety (90) days per fiscal year. ARTICLE 97.2A--SCHEDULING OF COMPENSATORY TIME OFF (OYA Youth Correctional Facilities and Camps)

Section 1. Subject to the operating requirements of the unit, an employee shall have their choice of compensatory time off. If two (2) or more employees in the same work unit request the same period of time off and that time off cannot be granted to all employees because of the operating requirements of the Institution and the matter cannot be resolved by agreement of the employees concerned, the matter shall be resolved in accordance with Section 2.

An employee or employees who refuse to return to work on the grounds that it is unsafe or might unduly endanger their health shall not be paid for lost time, unless the employee's claim is upheld. In no event shall a represented employee be required to enter an evacuated area for any purpose, prior to the time the location has been determined to be safe.

If disputing the employee's claim, the supervisor will request an immediate determination by the Agency Safety Officer, or if none is available, by [Oregon Occupational Safety and Health Administration \(OROSHA\) of the Department of Consumer & Business Services](#), as to whether the job, vehicle or equipment is safe or unsafe. The supervisor will inform the employee of the disposition of the claim.

Section 4. Pending the disposition of the claim, the employee shall be given another vehicle or equipment or other work. If no work is available, the employee shall be sent home. Time lost by the employee, as a result of refusal to perform work on the grounds that it is unsafe under Oregon Safe Employment Act standards, shall not be paid by the Agency unless the employee's claim is upheld by the Agency Safety Officer or the Department of Consumer & Business Services.

Section 5. As provided by ORS 656.202, if in the conduct of official duties an employee is exposed to serious communicable diseases or hazardous materials which would require immunizations or testing, or which result in an illness or disability, the employee should file a workers' compensation claim for costs associated with the exposure, illness or disability. Time for immunizations or testing for an employee who is exposed to a serious communicable disease on the job, and which is not covered by the employee's workers' compensation claim, shall be considered regular work activity. ARTICLE 106--LABOR-MANAGEMENT COMMITTEES

Section 1. To facilitate communication between the Parties, joint Labor-Management Committees may be established at the Agency level by mutual agreement of the Union and the Agency Administrator and the Department of Administrative Services. The Committees shall take steps to ensure consistency with the Collective Bargaining Agreement.

The Committees shall be on a meet-and-confer basis only and shall not be construed as having the authority nor entitlement to negotiate. The Committees shall have no power to contravene any provision of the Collective Bargaining Agreement, nor to enter into any agreements binding on the Parties to this Agreement or resolve issues or disputes surrounding the implementation of the Contract. At the conclusion of each fiscal year, the Parties shall discuss the concept of Labor-Management Committees and whether they should be modified, continued, or discontinued.

Section 2. Composition. Any Agency Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management unless mutually agreed otherwise. An Agency and the Union may mutually agree to establish joint subcommittees.

Staff representatives of the Labor Relations Unit and the SEIU Local 503, OPEU may render assistance to a committee in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

Section 3. Meeting Schedule. Committees shall meet when necessary, but not more than once each calendar quarter, unless mutually agreed otherwise.

Section 4. Pay Status.

- (a) Agency employees appointed to the Agency Committee shall be in pay status, during time spent in Committee meetings, as well as travel from their worksite to the meeting and back, unless prior authorized to initiate travel from home. Time spent outside of the employees' scheduled working hours will be unpaid. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. By mutual agreement, subject to the operating needs of the Agency, employees may attend meetings in person, via telephone or videoconferencing. The Union will be responsible for all other employee expenses related to lodging and/or travel.
- (b) Agencies, upon request, will adjust their current scheduled time of the Agency's Statewide Labor-Management Committee meeting by up to thirty (30) minutes so the Union Committee members can meet prior to the commencement of the joint meeting. This language shall not preclude the Agencies from granting more than thirty (30) minutes preparation time or from granting preparation time for regional committees.
- (c) Upon mutual agreement, the parties will identify and use available resources to provide joint training about the intent and conduct of Labor-Management Committees for the Agency's Statewide Labor-Management Committee. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.
- (d) The Committees shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit, Department of Administrative Services, and the Executive Director of SEIU Local 503, OPEU.

ARTICLE 106.2C--LABOR-MANAGEMENT COMMITTEE (OSH)

The Parties agree to re-establish one (1) central Labor-Management Committee as outlined in [Article 106--Labor-Management Committees](#). The purpose is to address issues of mutual concern, such as work processes and efficiencies. The Committee will be composed of equal numbers of bargaining unit and management services members, unless mutually agreed to otherwise. Each side shall select their own representatives.

Employees appointed to the Labor-Management Committee shall be in pay status during travel to and from the meeting, as well as time spent in Committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.

The meetings will occur monthly, unless mutually agreed otherwise.

The Committee shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. The parties agree to participate in training from the Employment Relations Board, or other training resource as available and mutually agreed upon. Further, the parties agree to utilize the process and designated trainer to develop a Labor-Management Committee Mission Statement and Ground Rules. Both parties will designate a representative to coordinate arranging the training as soon as practicable following Tentative Agreement on this provision.

The first issue for this Committee will be to work on the restructuring of the existing Labor-Management Committee.

OSH and the Union may also mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, or other issues of concern. Such joint sub-committees will be:

- (a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;
- (b) Accountable and report to the central Labor-Management Committee;
- (c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and
- (d) Subject to the provisions of [Article 106--Labor-Management Committees](#).

NEW: 2019

ARTICLE 107--JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY

Section 1. The State and the Union agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union on paid time to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

Section 2. An employee who has sustained an on-the-job injury and is unable to complete the remainder of their regularly scheduled shift, will be paid for the remainder of their shift on the day the injury occurred, provided the employee subsequently seeks medical attention within three (3) days and files a Workers' Compensation Claim.

Section 3. An employee who has sustained a compensable injury or illness shall be reinstated to their former employment or employment of the employee's choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status.

The State will comply with applicable statutes in administering this Article.

Section 4. Certification of a duly licensed physician that the physician approved the employee's return to their regular employment shall be prima facie evidence that the employee should be able to perform such duties.

Section 5. Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning their condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7th) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker's attending physician has released the worker for employment, notify in writing their supervisor, personnel officer, or someone in management who has authority to act on this demand, of their status and that they are available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely written notice of their status shall be considered to have voluntarily terminated their employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician's certification of the worker's capabilities, the Agency's ability to construct duties and availability of work. However, to be eligible for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to their full range of duties.

Since duties will be tailored based on a physician's statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.

This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians' statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from [Article 45](#). Concerning the injured worker, light duty assignments can be made without regard to the requirements of [Article 26, Section 10](#), and [Articles 80, 81, 85, and 90](#), and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

Section 6. The Employer will cooperate with the Workers' Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

Section 7. When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of their rights and obligations related to medical, retirement, and Workers' Compensation benefits. A letter to the employee's last address of record shall constitute proper referral.

Section 8. All reassignments under this Article will be made in a manner to keep the injured employee at or near their official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of their regular commute, whichever is greater.

REV: 2019, 2021

ARTICLE 108--VIDEO DISPLAY TERMINALS

Section 1. Whenever any new piece of VDT equipment is purchased from outside of State government, the Agency will follow the Department of Consumer & Business Services guidelines on VDTs as they pertain to that piece of equipment. When an Agency buys used equipment, then it will make every effort to comply with Department of Consumer & Business Services guidelines. If it is not able to do so, then any Union Steward, upon identification and submission of a VDT safety practice problem, may request and shall be scheduled to meet with the appropriate management representative to review the specific safety concerns.

Glare screens will be provided upon request. The Employer will provide safe operation instructions when new equipment is installed. VDTs will be cleaned and inspected as needed to ensure proper operation.

Section 2. The Agency will inform employees if it is using computer monitoring. Notice will include what is being monitored and its intended use.

Section 3. The Agency will not use subliminal software.

Section 4. The Employer and the Union agree that employees who are assigned full-time to continuously operate video display terminals (VDT) or cathode ray tubes (CRT) can be more productive if provided short periods of assignment to other duties throughout the workshift. Subject to operational needs, managers will arrange other work assignments so as to provide ten (10) minutes of relief for each hour worked at a VDT or CRT.

Section 5. Upon request, employees who operate a VDT or CRT shall be provided available wrist rests for trial usage. If the wrist rest is determined to be beneficial a permanent wrist rest will be assigned to the station.

ARTICLE 121--EDUCATION, TRAINING, AND DEVELOPMENT

The Agency agrees to offer on an on-going basis to employees, the training program developed by Oregon OSHA entitled "Violence in the Workplace," or some other suitable Agency program, as determined by the Agency.

Employees authorized to attend the training during their scheduled shift will be on paid release time not to include overtime.

ARTICLE 121T--EDUCATION, TRAINING, AND DEVELOPMENT (Temporary Employees)

Mandated training time is considered work time.

ARTICLE 121.2--EDUCATION, TRAINING, AND DEVELOPMENT (Institutions Coalition, except OYA Administration and Field Services)

Section 1. Career Advancement. The Employer shall make every reasonable effort to promote the continuing education, training, and upgrading of employees in areas that are job-related. Furthermore, the Employer shall make every reasonable effort to meet personnel needs through career development to prepare for career advancement.

Section 2. It is recognized that training cannot always be conducted at times convenient to all employees involved. Oregon State Hospital will, however, make a good faith effort to offer options for an employee to complete required trainings at a time conducive to their work schedule. The scheduling of training sessions conducted by the Institution or Facility shall consider the personal circumstances of the employee to be involved as far as is practicable and will provide affected employees with five (5) working days advance notice of training if the training will be outside the employee's normal working hours. Employees will be provided training in accordance with the Institution or Facility's Annual Training Plan, designed to accomplish the objectives for which the Institution or Facility is budgeted. Notice of availability of conferences shall be posted, provided the Institution or Facility receives such notices, in pre-designated areas sufficiently in advance to allow employees to plan to apply for such opportunities.

Section 3. The Union shall have at least two (2) members on the Clinical Education Committee and at least two (2) members on the Non-Clinical Education Committee. Employees appointed to these Committees shall be in pay status during travel to and from the meeting, as well as time spent in Committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.

Section 4. New employees shall be provided orientation to the Institution or Facility and to their specific job functions within thirty (30) days of employment.

Section 5.

- (a) When required by the Employer to attend classes or conferences related to the employee's current classification or for developmental purposes, whether during working hours or not, the employee shall be granted leave with pay if the training occurs during employee's regular work hours. If training occurs outside the employee's regular work hours, their schedule may be adjusted without penalty. The Employer shall pay tuition, fees, and charges related to the required training.
- (b) Subject to operating requirements and if occurring during the employee's regular work hours, the employee shall be granted leave with pay for classes or conferences related to the employee's current classification or developmental purposes for which the Institution or Facility may pay tuition, fees, and charges. Where attendance must be limited due to operating requirements, such opportunities shall be distributed as equitably as possible among employees requesting such opportunity. The Employer will determine the job-relatedness of such training. Time spent in training beyond the normal work schedule shall not be counted as time worked for any purpose including overtime.
- (c) When an employee voluntarily requests training, education, etc., that is not directly job-related, regardless of whether the Agency agrees to pay for all or part of the expenses associated with such training, time spent in this training will not count as time worked for any purpose including overtime.

Section 6. Employees who need training to perform tasks required by the Institution or Facility as a result of an involuntary change in assignment or workload shall be afforded the opportunity to attend job-related classes offered by the Institution or Facility, in lieu of their regular duties, without loss of pay or benefits.

Section 7. Developmental Opportunities. The Institution or Facility may provide developmental assignments and job rotation assignments. Employees in these assignments retain their permanent position classifications, remain on the Institution or Facility payroll, retain the representation status of their permanent positions while on the assignments (except for assignments in supervisory, managerial or confidential positions), and return to their permanent positions on completion of the assignment.

An employee filling a developmental assignment or job rotation assignment expected to last more than thirty (30) days shall be informed in writing at the time of the assignment of its anticipated term.

Employees participating in developmental and job rotation assignments will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

Section 8. Notification of positions available for underfill shall be posted in the appropriate work area. An employee who is underfilling a position shall be informed in writing at the time of the assignment that they are an underfill, the reasons for the

underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon meeting the requirements for the allocated level of the position, the employee shall be reclassified.

Section 9. Each new employee hired under any circumstance to work directly with clients shall receive eight (8) hours of training in patient/client control procedures in order to be able to defend themselves and others from attacks in a manner that will minimize the harm to themselves or the attacker. This training will be completed within the first thirty-one (31) calendar days of employment.

Section 10. On an annual basis, the Institution or Facility agrees to offer training in areas related to safety in the workplace (e.g., self-defense and preventing and managing aggressive behavior) and other areas as deemed appropriate by the Institution or Facility. Additionally, education on blood-borne diseases (AIDS and Hepatitis-B) will be updated annually. (See also Institutions Coalition Letter of Agreement [121.2ACH-19-347](#) in Appendix A.)

Requests are subject to operating requirements and budgetary constraints.

Section 2. Upon written request and subject to the Oregon State Hospital or Pendleton Cottage operating requirements and budgetary constraints, an employee may be granted educational leave without pay for up to nine (9) months. An employee may use accrued vacation, compensatory time off, or leave without pay. Leave without pay will only be granted when vacation leave and compensatory time off have been exhausted.

ARTICLE 123--INCLEMENT OR HAZARDOUS CONDITIONS

Section 1. Closures and Curtailments.

- (a) Closures and curtailments will be announced through pre-designated sites, which may include internet websites, telephone trees, radio stations and/or television media. The Agency shall notify employees of these designated sites and post the notices on Agency bulletin boards by November 1 of each year.
- (b) The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather or hazardous conditions. The Employer/Agency will announce such closure or curtailment to employees no later than 5:00 a.m. Notifications do not apply to employees who are essential employees.
- (c) Where the Employer/Agency has announced a delayed opening pursuant to Section 1(c), employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two (2) hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, they may temporarily modify their schedule with manager's approval, or cover the time with accrued sick leave, vacation, compensatory time off, personal leave or approved leave without pay.

Section 2. Fair Labor Standards Act (FLSA) Non-Exempt Employees.

- (a) When the Employer/Agency notifies employees not to report to work pursuant to Section 1, the following applies:

 - (2) A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations shall be directed to leave work and shall not be paid for the remainder of the shift unless utilizing accrued leave as described above.
 - (3) In instances where an employee is not observed upon arrival and actually begins work at their workstation that employee shall be entitled to pay for all actual hours worked until sent home.
 - (4) If an employee's scheduled reporting time and their arrival is within two (2) hours of the notice of closure, they shall be paid for two (2) hours at the straight-time rate of pay.
- (b) When the Employer/Agency fails to notify employees not to report to work, pursuant to Section 1, FLSA Non-Exempt employees who arrive to start their scheduled shift within two (2) hours of notice of closure shall be paid for two (2) hours at the straight time rate of pay.

Section 3. FLSA-Exempt Employees. Pursuant to the FLSA, an exempt employee shall be paid for the work shift. An FLSA-exempt employee may be required to use paid leave where the closure applies to that employee for one (1) or more full workweek(s).

Section 4. When in the judgment of the Employer/Agency, inclement weather or hazardous conditions require the closing of the workplace following the beginning of an employee's work shift, the employee shall be paid for the remainder of their work shift.

Section 5. Alternate Worksites.

- (a) Employees may be assigned or authorized to report to work at alternative worksites or with prior approval from their supervisor may work from home and be paid for the time worked.

Except as provided for in Section 9 of this Article, where the Agency remains open and an employee notifies their supervisors that they are unable to or will be late in reporting for work due to inclement weather or hazardous conditions, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 7. Employees on Pre-Scheduled Leave. If an employee is on pre-scheduled leave the day of inclement weather or hazardous conditions, the employee will be compensated according to the approved leave.

Section 8. Make-up Time Provisions. Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Section 2 and Section 6 of this Article may make up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime, compensatory time, or premium payments being charged to the Agency.

Section 9. Essential Employees.

- (a) For purposes of this Article, essential employees are employees who cannot perform their core job duties from a remote work location.
- (b) The Agency shall maintain a list(s) of essential employees for inclement weather and hazardous conditions. Essential employees shall be notified of this designation no later than November 1 of each year or upon hire. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).
- (c) Essential employees who are required to report to work by the Employer/Agency shall be in leave without pay status if absent, unless otherwise on authorized leave. If an employee shows up within two (2) hours of their scheduled shift,

ARTICLE 125--TECHNOLOGICAL CHANGE/ RETRAINING

Section 1. Definition. Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, and/or a change in software which may have the result of reducing the number of bargaining unit employees, reducing the required work hours of bargaining unit employees, significantly impacting the body of work performed by bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

Section 2. The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:

- (a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.
- (b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons chosen by the Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members. Nothing in this Section precludes Committee members from either Party from inviting non-committee members with relevant expertise to work with the committee (e.g. Information Systems, Change Management, Communications) on an ad hoc basis.
- (c) The Employer agrees to meet with the Union to discuss the Committee's findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.
- (d) Should a regular status employee become displaced, the Agency shall offer Subsection (1) or (2) under the following conditions:
 - (1) Subject to funding, Agency needs, employee interests and ability, and scheduling, the Agency will provide retraining.
 - (2) Should a regular status employee become displaced as a result of technological change, the Agency shall make a reasonable effort to place the affected employee into another position in the Agency or other Agencies in State government.

This manner of identification will be used in all documents that are used in patient areas (i.e., functionals, schedules, etc.).

Section 4. Should a patient request the last name of an employee, the employee will be notified as follows:

- (a) A staff person who receives a request for an employee's name must notify the management and administration immediately.
- (b) The employee whose name has been requested, will be notified by management.

The employee's notification to management and administration must be made no later than the beginning of their next shift following the day they are notified. If an employee is notified on the last day of their workweek, the notification must be made by the end of their shift. Upon request, the employee will be given time to write the notification during work hours.
- (d) Administration will determine if the Institution or Facility can reasonably withhold disclosure of the staff person's full name on a case-by-case basis.
- (e) Management will notify the employee of the decision in writing prior to disclosing the employee's last name.

ARTICLE 132--CRIMINAL RECORDS CHECK

Section 1. Except as provided by Governor's executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in their current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to [Article 5](#) of this agreement as it applies to changes in Agency rule or policy implementing Governor's executive orders or state or federal laws regarding criminal records check requirements.

Section 2. Position Descriptions and Recruitment Announcements. If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

Section 3. Determination in Current Position.

- (a) If an employee is found to be unfit for their current position based on a new criminal records check and the Agency proceeds under [Article 20](#), the employee retains all [Article 20](#) rights.
- (b) If a regular status employee is determined to be unfit for their current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. - (a) **Layoff.** In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commences. Once notified, the employee can waive their right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to [Article 70](#) and the prioritization of their option(s) as previously communicated to the Agency.
If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.
- (b) **Recall from Layoff.** If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

Section 6. Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, they may appeal the fitness determination as outlined in the Agency rule or policy.

Section 2. Pursuant to ORS 659A.283, eligible employees may take up to one-hundred and sixty (160) hours of leave with pay each calendar year. This leave with pay is in addition to any vacation, sick, personal business or other forms of paid or unpaid leave available to the eligible employee. Directly involved means physically attacked or physically intervening in an attack of a staff member.

Such leave shall be charged against any accumulated time the employee has earned. The employee may decide the type of accumulated time against which this leave shall be charged.

However, where an employee is receiving compensation through Workers' Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee's regular salary.

ARTICLE 138--WORKING REMOTELY

Section 1. Oregon state government encourages working remotely where it is a viable option that benefits both the employee and the agency. Use of remote work options promote the health and safety of Oregonians; ensures high-quality work and optimal use of resources for agencies; ensures cultural, equity and accessibility issues are addressed in a meaningful way; and supports flexibility and work-life balance for employees. It also offers the opportunity to be more flexible in interactions

with the Oregonians we serve and decreases an agency's impact on the environment. Remote work arrangements are subject to the Working Remotely State Policy (50.050.01) and the terms and conditions of this collective bargaining agreement.

Section 2. Where an employee's duties can be successfully performed away from their primary duty station, an employee is eligible for remote work, upon agency approval.

Section 3. Remote Work Requests. Requests to work remotely may be initiated by the employee and must be reviewed and approved by the employee's supervisor to ensure the position is suitable for work and meets the agency's business and operational needs, as well as those of the agency's customers and the employee. Remote work agreements must be documented through the working remotely process in the state human resources information system. Requests to work remotely shall be considered in order of application and responded to within thirty (30) calendar days.

Section 4. Remote Work Denials or Rescissions. No request to work remotely shall be arbitrarily denied or rescinded. If an employee's request to work remotely is rescinded, the supervisor must provide the employee with the reason(s) for the rescission in writing. Once a written explanation of the reason(s) for the rescission has been provided, the Employer may rescind the remote work with a minimum of seven (7) days advance notice. Employees who have either rescinded their remote work or had their remote work rescinded by the Employer shall be eligible to be considered for remote work in the future.

If utility providers experience outages that prevent an employee from working, employees may access inclement weather/hazardous conditions leave ([Letter of Agreement 123.00-18-311](#)), unless there is an alternate work location available ([Article 123—Inclement Weather/Hazardous Conditions Leave](#)).

Section 6. Equipment. The agency provides basic technology equipment and related devices necessary for the employee to perform their assigned job duties at the remote worksite. The equipment and devices are for agency business only and must comply with the agency's desktop security and maintenance policies and practices. Employees will not conduct state business on the following personal equipment: phones, computers, laptops or other information storing devices. Exceptions are subject to the approval of the state Chief Operating Officer. Additional technology and devices may be provided to the employee at the discretion of the agency or in accordance with the Americans with Disabilities Act (ADA).

Employees who work remotely will enter all assets (equipment, office furniture, etc.) provided to them in the state human resources information system.

Section 7. Remote Work Supplies. Remote work office supplies shall be provided by the Agency. Equipment, software or supplies which are provided by the Agency for remote work shall be for the purposes of conducting Agency business only.

Section 9. Work Location, Mileage and Travel Time. The employee's normal reporting location will remain the same. In addition, employees may be required to report to Agency or non-Agency locations for purposes such as meetings, training sessions and policy/practice coverage. Business visits, meetings with Agency customers or meetings with co-workers shall not be held at the remote worksite unless approved by the employee's supervisor. Mileage will be paid in accordance with the DAS OAM Travel Policy. Travel time will be compensated in accordance with the Fair Labor and Standards Act (FLSA).

Section 10. Expectations and Goals. Remote work employees and their managers will develop a clear set of expectations and goals for the work to be performed on remote work days. Employees will review and acknowledge the State of Oregon Employees Working Remotely Acknowledgement Form in the state human resources information system.

Article 45--Filling of Vacancies

Legislative Branch

This Letter of Agreement is entered into between the State of Oregon, acting by and through the Department of Administrative Services, Labor Relations Unit (Employer) on behalf of all Agencies identified in Article 1 and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to provide employees who have attained regular status in an SEIU-represented position and who, in the past, would have entered into job rotation agreements with the Legislative Branch, the ability to be reemployed by their former agency into their former classification in which they held regular status.

The Parties agree that [Article 45](#) and all agency-specific coalition language found in Articles 45.1 through 45.5 does not apply to the reemployment of an Executive Branch employee who was employed by the Legislative Branch and then requests reemployment with the former Executive Branch Agency. Specifically, the Agency layoff list does not take precedence over this reemployment, and agencies are not required to comply with any agency-specific language regarding posting of vacancies.

The Parties further agree that the time worked for the Legislative Branch is considered state service for purposes of seniority.

This Agreement is effective until the expiration of the 2021-2023 Collective Bargaining Agreement, and may be extended by mutual agreement.

The Parties agree to the following:

When an employee's position is reassigned to a work location more than fifty (50) miles from their current work location, and the location change creates a hardship for the employee, the employee may elect to be "laid off". In this circumstance only, the employee shall have their separation listed as a layoff, but Article 70, Sections 1 through 8 shall not apply. The employee shall have their name placed on both the Agency Layoff List and the Secondary Recall List for a period of two (2) years.

This Letter of Agreement will go into effect upon date of final signature and is effective through June 30, 2023.

LETTER OF AGREEMENT 45.2C-15-253

Article 45.2C--Filling of Vacancies

Pre-Bid and Filling of Lateral Transfer Process (OSH)

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU), on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH), and SEIU Local 503, OPEU (Union).

The purpose of this LOA is to establish a position pre-bid system for lateral transfers specific to the Licensed Practical Nurse, Mental Health Security Technician, Mental Health Therapy Technician, Mental Health Therapist 1, Mental Health Therapist 2, Mental Health Therapy Coordinator, Cook, Food Service Worker 3, Transporting Mental Health Aide, Activities Coordinator, Office Specialist 2 (only OS2 positions allocated to units within the secure perimeter), and Custodian job classifications. This pre-bid system is designed to assist in decreasing the time it takes to fill vacancies as outlined in the lateral transfer process in [Article 45.2C](#).

For the purpose of this LOA, seniority will be defined as continuous service in the employee's classification series, including Dammasch State Hospital. In the event more than one (1) employee has the same seniority date in the series, the employee's state seniority will be used to break the tie. In the event that a tie cannot be broken by state seniority, the tie will be broken by using the computerized time stamp indicating when the Workday interest was received. The first (1st) employee who submitted will be the first (1st) processed.

For the purpose of this LOA, the Mental Health Therapy Coordinator and Mental Health Therapist 2 classifications will be considered equal and the Mental Health Security Technician and Transporting Mental Health Aide classifications will be considered equal.

During the established declaration period, all staff in the affected series will be given the opportunity to declare their desire to laterally transfer. This period will coincide with the current vacation bidding blocks (January-March, April-June, July-September, October-December) as follows:

1. A Workday OSH lateral transfer job announcement will be posted for each job classification from the 1st through the 14th of the month prior to the beginning of the bid block (December, March, June, September) that will include each work location, unit or treatment mall area, and available shift.

APPENDIX A – LETTERS OF AGREEMENT

2. Employees will apply via Workday selecting the appropriate lateral transfer recruitment and selecting the work location(s), work area(s) and shift(s) that they are interested in transferring to during the upcoming bid block. There shall be no limit to the number of positions in which an employee can express interest in a lateral transfer.
3. Seniority lists for each classification will be established based on the information submitted via Workday and will be provided to the hiring manager or designee prior to the start of each bid period.
4. When a vacancy occurs, the seniority list for that particular work location, work area and shift will be pulled. The hiring manager or designee will complete a check with the Office of Human Resources prior to extending a lateral transfer offer to ensure that the most senior candidate is in the current classification, has had no lateral transfers within the last nine (9) months and no discipline within the last six (6) months.
5. The most senior candidate will be contacted at the telephone number and e-mail address listed in the candidate's Workday application. A telephone message will be left for candidates who do not answer and the candidate will be given twenty-four (24) hours in which to respond before the hiring manager or designee shall move to the next senior candidate.
 - a. If the most senior candidate accepts the position, they will be removed from the bid block list. Once a position has been accepted, the candidate may not withdraw their acceptance.
 - b. If the most senior candidate declines the position, their name will be removed from that work area and shift only for the remainder of the bid block period and the established seniority list will be followed until the list is exhausted.
 - c. If the most senior candidate has not accepted and/or declined the position within twenty-four (24) hours of the verbal offer by the hiring manager and/or designee, the candidate's name will be removed from the list for that work location and shift and the established seniority list will be followed until the list is exhausted.
6. An employee that does not respond to an offer within twenty-four (24) hours for more than three (3) consecutive offers will be removed from consideration for the remainder of the current quarter.
7. Vacant positions that remain unfilled after all eligible employees are given the opportunity to transfer will be posted through the open competitive recruitment process.
8. An employee who is granted a lateral transfer through the bid block process shall not be eligible to laterally transfer again for nine (9) months.
9. If an employee is denied lateral transfer opportunity because of disciplinary action and the discipline is subsequently completely removed through grievance resolution, that employee shall be allowed to receive the appropriate consideration for two (2) subsequent vacancies of their choice within the current bid block period, regardless of seniority considerations as outlined in section number 4 of this Letter of Agreement.

This Letter of Agreement shall not supersede other Letters of Agreement regarding [Article 45.2C](#) related to return right language resulting from a unit closure.

An employee that is removed from trial service after a promotion (either voluntarily or by management) and subsequently returns to their previous classification, will retain continuous seniority in their previous classification.

This Letter of Agreement is effective until the expiration of this contract, and will expire automatically on the expiration date of the complete Agreement, unless the Parties mutually agree otherwise.

This Letter of Agreement is not precedent setting.

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU), on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH), and SEIU Local 503, OPEU (Union).

Background: When the hospital needs to change schedules and/or work locations for a group, program or area, a "tumble" occurs. A tumble is utilized when there is a need for a redistribution of staff to different units and/or shifts within an employee's current classification. A tumble is not utilized during a layoff.

Agreement:

Parties agree to the following in regards utilizing the tumble process:

1. OSH will inform the Union Executive Board that a redistribution of staff is necessary and that the tumble process will be utilized.
- 2021-2023 SEIU Local 503/State of Oregon CBA**

APPENDIX A – LETTERS OF AGREEMENT

2. For the purpose of this LOA, seniority will be defined as continuous service in the employee's classification, including Dammasch State Hospital. In the event that one (1) or more employees have the same seniority date, institutional seniority (to include Dammasch) will be used. If there is still a tie, employee's state seniority will be used to break the tie.

For the purpose of this LOA, the Mental Health Therapy Coordinator and Mental Health Therapist 2 classifications will be considered equal and the Mental Health Security Technician and Transporting Mental Health Aide classifications will be considered equal.

OSH will compile a seniority list to use for the tumble. The seniority list will be made available to the affected employees for no less than fourteen (14) days prior to bidding for their review of accuracy.

3. Work schedules and positions for all program and/or units will be posted for no less than eight (8) calendar days before the tumble process begins.
4. A designated day and time will be set to facilitate the tumble. Notification of selection times will be provided to employees beginning with the most senior employee. Selection is done in-person, via phone, or via email if the employee is unavailable.
5. For employees with the same classification, institutional and state seniority date will complete their tumble selection at the same time. If there is a conflict between Parties during that selection process, application time stamps for initial employment will be used to resolve the conflict. Where timestamps are not available, a coin flip will be used to resolve the conflict.
6. After all affected employees have selected new schedules and/or units the tumble process is complete. Work schedules will be posted and employees will be notified a minimum of five (5) workdays in advance to report to their new schedule and/or unit.
7. An employee's lateral timeline is reset. Participation in the tumble will not count as a lateral transfer.

Article 123--Inclement Weather/Hazardous Conditions Leave

Inclement Weather/Hazardous Conditions Leave

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union). This Letter of Agreement will supersede Article 123, Sections 3, 5, and 9.

This Letter of Agreement does not apply to:

- FLSA exempt employees.
- Essential employees as defined in [Article 123—Inclement Weather / Hazardous Conditions Leave](#) (essential employee are employees who cannot perform their core job duties from a remote work location).
- Temporary employees.

When the Department of Administrative Services/Agency chooses to close or curtail an office or facility pursuant to Article 123, Section 1(a), one of the following options will be implemented:

Section 1. In the event of a curtailment (delayed opening), the employee shall be allowed to access inclement weather/hazardous conditions leave for up to one half (1/2) of their regular work day for up to forty (40) hours a biennium.

Section 2. Full Day Closure.

In the event of a full day closure, the employee may, with prior supervisory approval, work from home or alternate work location for at least one half (1/2) of their regular work day. The remainder of the employee's work day will be on inclement weather/hazardous conditions leave for up to forty (40) hours a biennium. Alternate worksites assigned will not be more than fifty (50) miles from the employee's original worksite.

1. If no work is available or the employee is unable to work from home or alternate work location, the employee will use accrued vacation hours, compensatory time off, personal leave time, leave without pay or inclement weather/hazardous conditions leave (not to exceed forty (40) hours a biennium). If the employee declines to work from an alternate worksite, the employee will use accrued vacation hours, compensatory time off, personal leave time, or leave without pay.
2. The employee may, with Agency prior approval, temporarily adjust their work hours during the same workweek to make up for hours not worked. The Agency shall not suffer any overtime or penalty payments as a result of this schedule change. The employee may be approved to temporarily modify their work schedule to engage in training through the electronic employee training platform or other Agency approved resources remotely. Employees engaging in these options will waive their shift differential for such time.
3. Once the forty (40) hours of inclement weather/hazardous conditions leave is used, if there are more Agency closures during the biennium, the employee will use accrued vacation hours, personal leave or compensatory time off, leave without pay or, with prior Agency approval, temporarily adjust their work hours during the same workweek. The Agency shall not suffer any overtime or other penalty payments as a result of the change in schedule.
4. Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave or already scheduled to work from an alternate location. Only employees who are scheduled to report to work at the location which is closed, the day of the closure, are eligible for any use of the inclement weather leave.
5. Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.
6. Inclement weather/hazardous conditions leave not used during a biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.
7. Part time and job share employees shall be granted such leave in a prorated amount of forty (40) hours per biennium based on the same percentage or fraction of FTE (full-time equivalent) they are hired to work.

APPENDIX A – LETTERS OF AGREEMENT

8. Seasonal employees shall be granted a prorated amount of leave based on the amount of time anticipated they will work in the biennium at the time of hire. For example, if the employee is being hired for a six (6)-month equivalent FTE, they would receive ten (10) hours. The time will not be re-adjusted if the employee is hired into subsequent seasonal positions within the biennium or works longer than originally anticipated.
10. When, in the judgment of the Agency, inclement weather/hazardous conditions require the closing of an office or facility following the beginning of an employee's shift, the employee shall be paid for the remainder of the shift.

Section 3. Evacuated from Home. Employees who have been evacuated from their homes shall be eligible to use inclement weather/hazardous conditions leave not to exceed a combined total of forty (40) hours per biennium.

Section 4. Inclement Weather/Hazardous Conditions and Existing Remote Work Agreements. Inclement conditions may arise in remote work locations. If an employee declines an alternate worksite, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 5. Use of the inclement weather/hazardous conditions leave for either curtailments or full day closures shall not exceed a combined total of forty (40) hours per biennium.
