

Angie Jelley – CAPE Region 1; Senate District 1

Fellow members of SEIU 503, I announce my candidacy for CAPE within, SEIU 503. In these turbulent times, when our great nation confronts divisions, let us remember that unity is the bedrock of progress. Let us embrace the values that unite us as workers, as true patriots of the labor movement. Together, we can rise above the discord and strife that threaten to divide us. Our state faces formidable challenges—challenges that strike at the core of workers' rights and dignity. We must confront these challenges as one, undaunted and resolute. My commitment to you includes: 1. Engaging in Constructive Discourse: I shall engage tirelessly in open, honest, and forthright conversations with individuals of diverse backgrounds, for it is through such dialogue that we find common ground. 2. Inclusivity and Fair Representation: I shall champion the cause of every member, ensuring that all voices within our union are heard, irrespective of their origin or perspective. 3. Transparent Leadership: I shall maintain transparency in our actions in CAPE and decisions, keeping you—the heart and soul of our union—informed and engaged. Together, we shall bridge the divides that seek to weaken us and construct a stronger, more united SEIU 503. United we stand, shoulder to shoulder, forging a brighter future for every worker. I implore you to consider me as your delegate and grant me the privilege of serving you and our fellow members. Yours in robust solidarity, Angela Jelley

Kelcy Barker – CAPE Region 1; Senate District 5

I am active in our Union, SEIU, and I pay attention to politics and understand how they affect the work we are involved with in our homecare community. I would be honored to serve District 4 for the next two years. Thank you for your time and consideration.

Alice Redding – CAPE Region 1; Senate District 16

My name is Alice Redding. I have been on the CAPE Council since 2008. I believe it is so important to elect legislatures who share our union values. Our commitment is so beneficial. By canvassing, making phone calls, etc.; we make a difference by nominating legislatures who will support us in making sure the right bills get passed. Bills that will benefit all of us Oregonians. I have dedicated myself ; doing this for many years. If one person can make a difference, think of our CAPE Council members doing this, wow! What a difference we make ! I believe if we all work together, we win! Please consider nominating me for the CAPE Council, I will give 100% Thank you.

Guillermo Romero – CAPE Region 1; Senate District 16

Once again, I am requesting your support and your vote CAPE Delegate. I have served as a CAPE Delegate since 2015. In addition, I am currently a SEIU 503 Board member and on my second term. I am a member of the Civil and Human Rights Committee, a member of the Latinx Caucus, the Veterans Caucus, and have been a Union Steward for 11 years. My commitment to the goals and objectives of CAPE are unquestionable. I have attended and actively participated in CAPE meeting on a regular basis during my tenure, participated in General Council, involved in various union activities, and political actions. Because of my participation in various arenas of SEIU 503 and as a person of color, I can bring a positive voice and perspective to CAPE. My involvement as a CAPE delegate has been very challenging and enlightening. I have the opportunity to work together with some great members and find solutions to the political challenges that we as a union are faced with in today's political climate. The struggles and challenges for our members and SEIU in the next two years will require a CAPE delegate who is prepared to exhibit leadership, fortitude and committed to meet the
