Josefina Nury Riggs – CAPE Region 6 – Senate District 27

La participación en el area política de la región o condado siempre ha sido de mi interés. Este interés sale de la necesidad de incluir diferentes personas para poder tener voz a la hora de tomar decisiones para nuestra comunidad. La idea es trabajar para todos y cada uno de las personas que forman parte de la comunidad y en especial aquellos que no saben como hacerse representar. Como trabajadora de asistencia en el hogar, veo la necesidad de prepararme para poder ayudar aquellos que lo necesiten y enseñarlos a participar a la hora de tomar decisiones dentro de la legislatura, candidatos y todo aquello que está o depende del gobierno sea, local, estatal o nacional.
