### **Nicole Langley Peralta**

I'm Nicole (she/her), one of your librarians at the City of Beaverton. I started as a part-timer in 2018, and began my current position in 2022. I love my job, but I don't believe everyone has to love theirs. What I do believe is that employees should be treated with respect, as human adults, and fairly compensated for our work. We deserve to have the energy and resources necessary to live our full lives outside of the workplace. I am on this year's bargaining committee and sincerely enjoying the experience, which is what inspired me to run. I have a lot to learn about the rest of the city, but I feel confident that I can use my library skills to ensure a smooth transfer of leadership, and to represent all staff effectively. Thank you for your vote!
