

SEIU 503 Local 140 Candidate statements.

James D'Arcy

I have enjoyed being your Co chair. If I'm elected as your Co chair this time I will work to help our members to the best of my ability.

Jennifer Sherman

Custodian with PPS since July 2021. I've worked at McDaniel High School and Scott Elementary. I've enjoyed having the time this last year to put more effort into participating with the union as well as with the PAT and PFSP union siblings in my buildings. I am taking steps to become a steward for the union and looking forward to continuing to increase my engagement with the union this year in whatever role that ends up being.

Gabe Penk

I am running for general council delegate to represent our members at the SEIU 503 general council meeting this August. The general council is a decision making body that discusses and votes on resolutions, both to take a stand on political issues, and make amendments to our union's bylaws. I will advocate for the democratic rights of rank and file union members to have a say in the decisions and operation of our union. I am also dedicated to building ties of international solidarity as a union, whether with the people of Palestine or the Philippines or beyond. I believe we are strongest when we stand up to fight not only for our fellow union members, but for all workers around the globe.
