SEIU LOCAL 503, OREGON PUBLIC EMPLOYEES UNION BYLAWS

ARTICLE I - NAME

The name of this organization shall be the Service Employees International Union Local 503, Oregon Public Employees Union, hereinafter referred to as the "Union".

ARTICLE II - PURPOSE

Vision Statement. We envision a just and vibrant society where everyone is treated with dignity and respect, where all workers can provide for themselves and their families.

Purpose Statement. Our Union is a labor organization established to represent and work for the benefit of both public and private sector members on matters of, including but not limited to, employment relations, collective bargaining and contract administration including arbitration and other remedies of law and rule.

Our Union is committed to operating democratically, openly, and through the leadership of its members. We seek to empower our members and their communities to overcome injustice and inequity so that everyone has equal access to opportunity.

ARTICLE III - MEMBERSHIP

Section 1. The Union has six (6) types of membership: active, semi-active, associate, retired, staff, and community.

Section 2. Active Membership.

(a) Active membership in the Union is open to persons in bargaining units for which the Union is the exclusive collective bargaining representative, or units currently being organized by the Union, including non-traditional units that do not have a path to collective bargaining.

(b) Active membership status shall continue during the period of time that an employee is on authorized leave or for the first one hundred and twenty (120) days after employment ends.

(c) Every active member has all rights of Union membership and has equal rights and privileges within the Union. These rights include, but are not limited to, the right to nominate candidates, to vote in elections or referendums of the Union, to hold local representative positions, to hold statewide office, to attend membership meetings, and to participate in the deliberations and voting upon the business of such meetings, subject to reasonable rules and regulations of the Union for the conduct of such meetings.

(d) Every active member of the Union has the right to meet and assemble freely with other active or retired members; to express any views, arguments, or opinions; and to express at meetings of the Union such member's views about candidates in an election of the Union or about any business properly before the meeting, subject to the Union's established and reasonable rules pertaining to the conduct of meetings. However, nothing in subsection (a) or (b) of this Section shall be

construed to impair the right of the Union to adopt and enforce reasonable rules as to the responsibility of every member toward the Union as an institution and to such member's refraining from conduct that would interfere with the Union's performance of its legal or contractual obligations.

(e) A member's right to attend meetings shall not be limited to those of the member's Local, the Board or its committees, but shall apply to meetings of any Local although the member's right to vote at such meeting shall be governed by the established policies of such meeting group. The visiting member should be identified as a guest. Nothing in this provision shall limit the Board's or the Executive Committee's ability to conduct its business in Executive Session in appropriate circumstances.

Section 3. Semi-Active Membership.

(a) Semi-active membership is limited to seasonal employees on layoff status and unscheduled employees in bargaining units for which the Union is the exclusive collective bargaining representative.

(b) A semi-active member may hold any statewide office and local representative positions, provided that they remain members in good standing and pay dues at the associate member rate while in semi-active status. Semi-active members shall receive all general publications sent to active members.

Section 4. Associate Membership.

(a) Associate membership is open to employees excluded from active membership in the Union, staff, or members of affiliated labor organizations.

(b) An associate member of the Union may not vote; may not nominate candidates; may not hold any statewide office or local representative position in the Union; may not attend or speak at membership meetings of the Union except by invitation of the officer or local representatives in charge of the meeting; and may not participate in deliberations on Union business.

Section 5. Retiree Membership.

(a) Retiree membership is open to persons who, while employed, were active, staff, or associate members of the Union or its predecessor organizations or other SEIU affiliated unions.

(b) Retiree members have all the rights of Union membership except those rights excluded herein. The Retiree Local 001 Director, or, in the Director's absence, the Retiree Local 001 Assistant Director, shall have voting rights as a member of the Board. Delegates to General Council shall have the same voting rights as other General Council delegates.

(c) Notwithstanding the provisions of subsection (b) of this Section, no retired member, including any retired Past President, who immediately prior to retirement was not an active member under Section 2 of this Article, or a semi-active member, under Section 3 of this Article, or a staff member under Section 6 of this Article, if

the staff member transitioned from an active or semi-active member to a staff member, shall have any membership rights other than the right to participate in programs made especially available for retired persons; the right to meet and assemble with other retired members for the purpose of dealing with matters or concerns relating only to retired members; and the right to express views and vote at such meetings on such matters or concerns. Exceptions to this policy may be granted to former active members of the Union who spent the majority of their employment in the bargaining unit. The grant of this exception requires unanimous approval by the Board. A retired person granted this exception by the Board has the same membership rights as other retired members who retired in active member status. This action may be revoked by a majority vote of the Board.

Section 6. Staff Membership. Staff membership is open to Union staff. Staff members have the right to:

- (a) Vote in statewide votes on dues increases and other union governance issues, including economic and social policy positions, but not on issues specific to bargaining units.
- (b) Serve as a representative, with full voting rights on all issues, to any labor board, conference, convention, or other function, if elected by the membership or designated to do so by the Board.
- (c) Nominate candidates and vote in statewide Union elections.
- (d) Run for and serve in the office of Executive Director.

Section 7. Community Membership.

- (a) Any person excluded from active membership in the Union, and who desires to support the objectives and goals of the Union, may apply to become a community member.
- (b) A community member is not entitled to any of the rights afforded to active, semi-active, staff or retiree members. The Union's Board of Directors may reject any application for community membership.

Section 8. Subject to approval by the Board of Directors, eligibility for continuing membership may be extended to former active members who separate from employment in a bargaining unit currently or formerly represented by the Union and to former staff members who separate from employment with the Union. The Board shall approve continuing active membership for the duration of the term of a Union Statewide President who continues to meet the other eligibility criteria in these Bylaws for the office.

Section 9. Membership is contingent upon payment of dues as provided in these Bylaws. (See Article XVIII)

ARTICLE IV - LOCALS

Section 1. Locals are sub-components of the Union comprised of the active and semi-active members for each state agency, each subsection of a state agency designated as a

Local by the Board of Directors (as requested by the members in the affected agency) or other bargaining unit represented by the Union or other non-state agency bargaining unit. All alternate structures must be approved by the elected leaders of the affected Locals (or the bargaining team, in the case of newly formed Locals that do not yet have elected leaders) and the Board of Directors.

Section 2. A regular Local may also be formed by affiliation of an existing employee organization with this Union. Affiliation shall be pursuant to an affiliation agreement between the organization and the Union approved by the Board and signed by the President and Secretary of the Union.

Section 3. Each Local shall file with the Union's Secretary a signed and ratified copy of the Local's provisions for self-government and any subsequent amendments thereto. Any portion of a Local's provisions for self-government in conflict with the Bylaws of the Union or any resolution approved by the General Council shall be void.

Section 4. All active members of the Union shall belong to a Local. An active member may hold membership in more than one Local at a given time, if employed by more than one employer with Union bargaining unit members. In such cases, the member holds full membership rights in each of the Locals where they have membership, but may only have one vote in statewide issues. In order to be able to cast one vote for industry representation in the statewide Board election, a dual Local member shall have a primary industry seat determined by where the longest membership status exists. For purposes of this Article, "statewide" shall also include one representational vote at such events as General Council, bargaining conferences, SEIU conventions, etc.

Representation in the General Council is otherwise accorded to each Local on the basis of one (1) delegate for each one hundred (100) members or majority fraction thereof. Section 6. Resolutions.

(a) Resolution Process.

(1) The object of the resolution process is to seek a plan for solving problems for which no satisfactory plan of solution exists; to express a view not previously expressed to date; or revise the Union's position on a particular economic or social concern which directly or indirectly affects members of the Union. Plans of solution and views expressed shall be compatible with the general welfare and within the purpose of the Union. A resolution shall embrace one subject only and matters properly connected therewith. Resolution sponsorship is an indication of the endorsed need to solve a problem, not necessarily an endorsement of the proposed solution; or the endorsed need to express a view, not necessarily an endorsement of the view expressed. Sponsorship also means that no satisfactory solution or expressed view can be found by any action other than General Council's.

(2) Resolutions may be authored by any active or semi-active member, any member with full retiree membership rights, the Executive Director, and/or the Immediate Past President. Resolutions shall be in the form outlined by the Resolutions Review Committee. Resolutions to amend the Bylaws shall address the specific language of the Bylaws with words to be removed in strikethrough and words to be inserted underlined. Local Representatives are responsible to provide assistance in the drafting process.

(3) Resolutions may be presented at Local meetings that are Local-wide and have a quorum of Local Representatives. The Local may endorse or reject sponsorship. In the event that the Local does not endorse the resolution, the author of the resolution may, after having obtained the signatures of fifty (50) active members, present it to the Resolutions Review Committee. Resolutions written by a Standing Committee of the Union are sent directly to the Resolutions Review Committee within the same time limits provided in Section 6(a)(4).

(4) Resolutions submitted to the Resolutions Review Committee up to ninety (90) days before General Council convenes shall be considered timely filed. The Board, however, may submit resolutions up to thirty (30) days before General Council convenes. After each filing deadline has passed, the Resolutions Review Committee shall meet to deal with the resolutions as provided in Section 6(b).

(5) Untimely resolutions shall not be accepted unless the subject matter is of such an emergency nature that it could not have been submitted in a timely manner. The decision as to the acceptance of late resolutions shall be the responsibility of the Resolutions Review Committee. If denied, the submitting parties may appeal such a decision to the Board.

(6) No resolution that otherwise satisfies the criteria of this section shall be denied because of a technicality and/or its format.

(b) Duties of Resolutions Review Committee.

(1) The Resolutions Review Committee shall meet and review resolutions submitted in a timely manner so that resolutions shall be included with the first mailing of delegate registration packets.

(2) Resolutions accepted by the committee shall be edited prior to submission for General Council. The editing process shall not change the author's intent of any resolution. Editing may include dividing a resolution into multiple resolutions so that each resolution shall embrace one subject only and matters properly connected therewith.

(3) Resolutions go to the legal and political staffs for comment and to the Union Finance Committee for a cost estimate.

(4) The committee shall return resolutions which are duplications of existing policy resolutions together with a reference to where this matter has previously been addressed.

(5) After the submission deadline, the President shall recommend assignment of the finalized resolutions to General Council committees for committee hearing and action. Resolutions shall be printed for inclusion in delegate packets.

(6) The original date of submission to the Resolutions Review Committee is the controlling date. In the event a resolution is returned to the sponsor for further review and/or action, no late resolution penalty shall apply.

Section 7. Expenses. Authorized expenses of members of the General Council, when attending any session of the Council, are paid by the Union.

Section 8. Voting Between Sessions.

(a) A vote on an issue may be required from the General Council between sessions by either the Board or by an initiative petition signed by 20 percent (20%) of the active membership or endorsed by 30 percent (30%) of the Locals. When a vote is required by the General Council between sessions, the Board shall formulate the question and shall set a time for distribution and return of written ballots containing the question. Voting shall be by those persons entitled to vote as delegates if a special session were called.

(b) The Executive Director shall distribute ballots to those persons entitled to vote, together with directions for voting, and any available supporting or opposing arguments pertinent to the question. The tally of votes and announcements of results shall be made by the Secretary.

Section 9. General Council Committees.

(a) Regular General Council Committees. The following General Council committees are authorized: Employee Representation, Membership Affairs, Retirement, Employee Benefits, Bylaws, Union Operations, Economic and Social Policy/International Affairs.

(b) Procedural and Special General Council Committees. Other authorized General Council committees include: Credentials, Rules, Organizational Equity & Inclusion, and General Council Planning. There shall be other General Council committees as each Board of Directors or the General Council may from time to time determine to be necessary and authorize.

(c) Appointment of Committee Members.

(1) The President, subject to confirmation by the Board, shall appoint the members of all General Council committees and designate the chairpersons thereof. The members of these committees shall be members of the General Council, with the following exceptions:

(a) Members of the Credentials Committee may be appointed from the membership-at-large, including retired members of Union.

(b) Members of the Resolutions Review Committee shall be appointed from delegates who attended the previous General Council and shall be appointed at least six (6) months prior to General Council.

(c) Members of the Organizational Equity and Inclusion Committee shall be appointed at least six (6) months prior to General Council by the President in consultation with the Civil and Human Rights Committee and the Women's Council.

(2) Nominees for any statewide office (Union President, Vice President, Secretary, Treasurer, Executive Director) shall not serve as chairpersons of any General Council committees.

(d) The General Council Planning Committee shall serve as the General Council Critique Committee and shall be appointed by the President. The committee receives suggestions on improving General Council, reviews such suggestions, and reports its findings and recommendations to the Board within ninety (90) days after the conclusion of General Council.

(e) The Credentials Committee receives proof of election and passes upon the eligibility of each delegate to the General Council.

(f) The Rules Committee meets before the convening of General Council and proposes rules to be adopted by the Council at its first session. The committee may be called upon during the Council to assist the Parliamentarian in the interpretation of rules.

(g) The Organizational Equity and Inclusion Committee shall review resolutions and reports on Equity and Inclusion impacts.

(h) Committee Handling of Resolutions. The remaining General Council committees hear, consider, and make recommendations to the Council regarding resolutions referred to them by the Resolutions Review Committee, the President, or the Council.

(1) A committee may, by two-thirds (2/3) vote after open debate, elect to hold in committee any resolution assigned to it. These committees shall, after all resolutions have been debated and voted upon in committee, publish a list of resolutions assigned to it and the action taken on them. This list shall clearly indicate the recommendation or "held in committee" and be distributed to all delegates.

(2) The General Council may, by simple majority, vote to call a resolution from committee for discussion by the Council delegates during the discussion of other resolutions from that committee or during new business.

Section 10. The President of any General Council or Special General Council shall appoint a parliamentarian whose sole duty shall be to keep the chairperson advised of proper parliamentary procedure and to advise the chairperson in the form of rulings on

parliamentary questions raised during the General Council. The person selected to serve in this capacity shall do so to the exclusion of any other General Council or Special Council office or job.

ARTICLE X - CONVENTIONS

Delegates to the SEIU Convention shall be determined as follows:

Statewide Officers and members of the Board of Directors shall serve as automatic delegates to the SEIU Convention, as long as they meet all criteria set out by SEIU (which may include having been elected in an LMRDA governed election and having been a member in good standing for at least two years). For the Retiree Local Director, this may include the Local meeting a threshold number of retiree members. If there are more people entitled to delegate status than the number of delegate slots to which the Union is entitled, then the Statewide Officers shall be automatic delegates, and names of eligible Directors shall be randomly chosen until all delegate slots are filled. If there are fewer people entitled to delegate status than the number of delegate slots to which the Union is entitled, then Assistant Directors who meet SEIU criteria shall be randomly chosen until all delegate slots are filled. If the Union is entitled to more Delegate slots than can be filled with Statewide Officers, Directors, and Assistant Directors, the Board of Directors may create a process to elect additional Delegates to the SEIU Convention and the Board of Directors will notify General Council delegates of the process created.

ARTICLE XI - BOARD OF DIRECTORS

Section 1. The Board of Directors of the Union (the Board) is comprised of: (a) Directors holding the seats set forth in Appendix 1 to these Bylaws; (b) The Statewide Officers; and (c) The Immediate Past President.

(a) The Directors/Assistant Directors elections shall be conducted in conjunction with the Statewide Officers election after the regularly scheduled, biennial General Council session.

(i) After 2024, the Directors/Assistant Directors elections shall include the Retiree Director/Assistant Director. After the first such election, this subparagraph shall be deleted from the Bylaws.

(b) The term of office for the Board, including Statewide Officers, shall begin with installation on the Friday immediately preceding the first, regularly scheduled, full meeting of the Board following completion of the vote tally.

(i) Irrespective of paragraph (b) of this Section, the terms of office for the Retiree Director and Assistant Director that began May 2024 shall end May 1, 2026 and the positions shall be deemed vacant. The Union President shall nominate eligible members of the Retiree Local to fill the vacancies, subject to confirmation by the Board. The Retiree Local may nominate members for the President's consideration. The terms of the nominated and confirmed Director and Assistant Director shall end with the next installation of the Board provided for in paragraph (b). At that time, this subparagraph shall be deleted from the Bylaws.

(c) A member can serve in the position of Director for only two (2) terms in any six (6)-year period.

(d) Directors and Assistant Directors, other than Directors or Assistant Directors from the Retiree Local, shall be active members of the Union.

Section 3. The Board shall establish and maintain a General Fund Account for recording all income to the Union except those funds under custodianship of the Union.

Section 4. There shall be a Prudent Reserve of 16.6% (sixteen point six percent) – two months of operating expenses – of each year's operating budget in a Special Fund. Each year's calculation of 16.6% shall be based on budgeted expenditures for the same year. If the balance of the Prudent Reserve Fund falls below the required level then action shall be taken by the end of the fiscal year to restore the reserve to the required level through transfer of funds from the operating budget, at a rate to be determined by the Board of Directors but no less than ten cents per dues member and fair share payer per month.

Withdrawals from the Prudent Reserve Fund require a 2/3 majority vote of the Board of Directors. The Board shall have the authority to authorize placement of amounts in excess of the Prudent Reserve into the Special Fund.

The Special Fund may be augmented from any lawful source, such as gifts or the income therefrom, and interest earned on invested funds.

Section 5. All Union money shall be invested by the Union Finance Committee in such a way as to obtain a maximum rate of interest within prudent guidelines adopted by the Board, taking into account the requirements and policies of the Union and benefit to the members.

No member, officer, Local Representative, employee, or body of the Union other than the General Council may divert or spend funds allocated to a particular Local's account without the approval of that specific Local except as described in Section 6 of this Article.

Section 2. Local Funding

(a) Locals shall be allotted funds on an annual basis based on the rate of \$1.15 per dues paying member per month and \$.90 per fair share payer per month. The number of members and payers shall be based upon the September membership report immediately prior to the allocation. In no event shall a Local receive less than \$400 per year, except as described in subsection (e) and (f) of this Section.

(b) Annual funding shall be allotted with a minimum of two equal disbursements to each Local in each fiscal year, except as described in subsection (e) and (f) of this Section. Allotments pending disbursement shall be held in the General Fund to earn interest for the benefit of the membership. Should a Local require additional funding to supplement the first fiscal disbursement, the Local may request early allotment of the next disbursement and funds shall be disbursed if available.

(c) Locals may initiate a review of membership and fair share numbers when changes occur that cause the actual number of members and fair share payers to differ significantly from the September membership report. Such requests shall be made to the Finance Committee who shall determine whether or not to grant additional funding. Requests for increased funding based on documented, sustained membership growth and that follow the funding allocation formula in subsection (b) above shall not be denied.

(d) Newly established Locals that have ratified their first contract shall be granted an initial funding as determined by the Board of Directors taking into consideration the amount of funding allotted to Locals of a similar size. This initial Local funding allotment is made on a one time only basis, and is not required to be repaid.

(e) A Local that has accrued an amount equal to two (2) full years of funding and a balance that exceeds \$5,000 in its Local account, shall not receive an annual funding allotment for the fiscal year.

Section 5. Headquarters shall issue advance payment for mileage when a member is required to spend the member's money on official Union business when such a requirement would pose a hardship to the member with the approval of appropriate Local Representatives of the involved Local. Subsequent providing of all necessary receipts to Headquarters, however, shall still be required. Requests must be submitted within the time frames set forth in Article VI – Reimbursable Expenses, of the Union's Administrative Policies and Procedures (AP&P).

Section 6. Beginning January 1, 2021, the Union's Accounting Department shall:

- (a) Debit the appropriate Local ledger for all invoices submitted for payment.

- (c) Provide Local Representatives forty-five (45) days to review their statements and notify the Accounting Department of charges not appropriately attributed to the Local.
 - (1) If the Local does not file a notice that charges do not belong to the local within forty-five (45) days of receipt of the Local statement, it may file a petition with the Statewide Treasurer and Operations Systems Director to contest the charges.

If such documents are not filed with Headquarters in the allotted time, the Board shall declare such Local inactive at the Board's next regular meeting.

Section 3. Violation of Bylaws. Any Local that violates any provision of these Bylaws shall be notified in writing by the President of the Union of the specific violation alleged. The notification shall include a specific directive for the Local to cease such action. If the Local continues such violation(s), the Local shall be declared inactive at the next regular Board meeting. Prior to such declaration, the Local President shall be given twenty (20) days' written notice by the President to appear at the Board meeting to defend the action of the Local.

Section 4. Board action to inactivate a Local under Sections 1 through 3 of this Article shall require a two-thirds (2/3) vote of the Board of Directors.

Section 5. Return to Active Status. A Local shall be returned to active status when the Board receives acceptable evidence from the Local that the circumstances causing the inactive status no longer exist. The Board shall notify the Local President and Headquarters of the Local's active status. The notification shall state the evidence on which the Board based the decision to return the Local to active status. Any Local returning from inactive to active status, shall have Local funds set up in the central ledger account.

All forms provided to the Union pursuant to this Section shall be made available to members for inspection upon reasonable request.

ARTICLE XXIII - POLITICAL ACTION PROGRAM

Section 1. The Union's political action program with respect to candidate endorsements and expenditures shall be administered by Citizen Action for Political Education (CAPE) (as outlined in its bylaws) which shall make recommendations for endorsements to the Board for final action by a 2/3 majority vote of the Board.

Section 2. All financial matters of CAPE shall be kept separate from all other Union financial matters, and CAPE funds shall be kept separate from all other Union funds and shall not be commingled at any time.

It is, therefore, the duty of each such person, taking into account the special problems and functions of a labor organization, to hold its money and property solely for the benefit of the organization and its members and to manage, invest, and expend the same in accordance with its constitution and bylaws and any resolutions of the governing bodies adopted thereunder, to refrain from dealing with such organization as an adverse party or in behalf of an adverse party in any matter connected with his duties and from holding or acquiring any pecuniary or personal interest which conflicts with the interests of such organization, and to account to the organization for any profit received by him in whatever capacity in connection with transactions conducted by him or under his direction on behalf of the organization. - (b) No charges may be referred which were filed with the Code of Conduct Committee more than six months after the Charging party learned, or reasonably could have learned, of the conduct which is the basis of the charges.
- (c) The MRC shall schedule a hearing as soon as practicable to consider the referred complaint. The Charging Party or Parties and Charged Party or Parties shall be notified of such meeting no less than 10 days prior to the meeting and may appear at the meeting to present to the MRC. Both parties may submit written statements prior to the MRC meeting. The MRC may establish rules for the parties in hearing the complaint and may accept statements from witnesses in closed session if deemed appropriate given the circumstances of the allegations. The Charged Party shall have the opportunity to respond to any allegations considered by the Committee, in person or in writing, before any final recommendations are made.
- (d) The MRC shall issue a written determination following the hearing within a reasonable time frame after deliberations have ended. If the MRC determines based on a preponderance of the evidence that the charges have merit, the Committee shall include any recommended sanctions in its determination. The determination shall be transmitted to the Charged Party and Charging Party via certified mail and to their personal email address, if known, and shall also be transmitted to the Code of Conduct Committee, and the President.

- (e) Either the Charged Party or Charging Party may appeal the recommended sanctions under Section 9 below. If no appeal is filed within 15 days, any recommended sanctions shall take effect without further opportunity for appeal.

The MRC shall also submit the written statement of its determinations to the Board of Directors.

APPENDIX 8

Approved by the SEIU International Executive Board, June 13, 2009

Approved by the SEIU International Executive Board as revised, January 21, 2016

SEIU CODE OF ETHICS AND CONFLICT OF INTEREST POLICY

PART A: PREAMBLE

The Service Employees International Union (SEIU) believes in the dignity and worth of all workers. We have dedicated ourselves to improving the lives of workers and their families and to creating a more just and humane society. We are committed to pursuing justice for all, and in particular to bringing economic and social justice to those most exploited in our community. To achieve our mission, we must develop highly trained and motivated leaders at every level of the Union who reflect the membership in all of its diversity.

Union members place tremendous trust in their leaders. SEIU elected officers and managers owe not just fiduciary obligations to union members; given the moral purpose of our mission, SEIU leaders owe members the highest level of ethical behavior in the exercise of all leadership decisions and financial dealings on members' behalf. Members have a right to proper stewardship over union funds and transparency in the expenditure of union dues. Misuse and inappropriate use of resources or leadership authority undermine the confidence members have in the Union and weaken it. Corruption in all forms will not be tolerated in SEIU. This *Code of Ethics and Conflict of Interest Policy* (the "Code" or "SEIU Code") strengthens the Union's ethics rules of conduct, organizational practices and enforcement standards and thus enhances the Union's ability to accomplish its important mission.

We recognize that no code of ethics can prevent some individuals from violating ethical standards of behavior. We also know that the SEIU Code is not sufficient in itself to sustain an ethical culture throughout the Union. To accomplish the goals for which this Code has been created, we must establish systems of accountability for all elected leaders and staff. These systems must include appropriate checks and balances and internal operating procedures that minimize the opportunity for misuse or abuse, as well as the perception of either, in spending union funds and exercising decision-making authority. The systems also must include adequate provision for training on understanding and implementing this Code. More broadly, we emphasize the importance of the range of standards, practices, and values described in "A Strong Ethical Culture," Section A of the *SEIU Policies on Ethics and Standards* that were enacted with the Code in 2009.

In particular, SEIU is committed to providing meaningful paths for member involvement and participation in our Union. The SEIU Member Bill of Rights and Responsibilities in the Union is a significant source of SEIU members' rights and obligations. Its exclusive enforcement through the procedures set forth in Article XVII of the SEIU Constitution and Bylaws reflects a commitment to the democratic principles that have always governed SEIU. Article XVII's numerous protections against arbitrary or unlawful discipline of members also form an essential ingredient of the democratic life of the Union. Similarly, the requirement that Affiliates provide for regular meetings of the membership, set forth in Article XV, Section 5 of the Constitution, is another important element in the democratic functioning of SEIU. Finally, the provisions against discrimination and harassment on the basis of race, creed, color, religion, sex, gender expression, sexual orientation, national origin, citizenship status, marital status, ancestry, age and disability contained in Article III, Section 4 of the SEIU Constitution and in the Constitutions and Bylaws of Affiliates, the SEIU Anti-discrimination and Anti-harassment Policy and Procedure, and similar policies of Affiliates forbid conduct in violation of SEIU's historic belief that our strength comes from our unity and diversity and that we must not be divided by forces of discrimination.

Individuals subject to this Code are expected to comply with State and Federal laws, the Constitution and Bylaws of SEIU and Affiliates, and the anti-discrimination and anti-harassment policies of SEIU and Affiliates as part and parcel of our commitment to sustaining an ethical culture and the highest standards of conduct throughout the Union.

Violations of these laws and policies are ethical breaches; however, these violations should be addressed through avenues provided by the applicable laws and policies and not through the Code unless they also allege violations of this Code. In particular, the sole enforcement mechanism for matters covered by the SEIU or Affiliate Constitutions and Bylaws is that which is set forth in those documents, unless violations of this Code are also alleged. Finally, grievances that arise under collective bargaining agreements are excluded from enforcement under this Code unless they also allege violations of this Code.

The scope and standards of this Code are set forth in the following Sections.

SECTION 1. *Applicability to International Union.* The SEIU Code is henceforth applicable in its entirety to all officers, executive board members and employees of SEIU. These individuals are referred to herein as "covered individuals." SEIU shall append or attach the Code in its entirety to its Constitution and Bylaws in its next and all future publications.

SECTION 2. *Applicability to SEIU Affiliates.* By enactment of the SEIU International Executive Board, the SEIU Code is applicable in its entirety to all officers, executive board members and employees of all affiliated bodies and local

unions chartered by SEIU ("Affiliates" herein). These individuals are referred to herein as "covered individuals."

- (a) Each Affiliate shall ensure that the Code extends to all employees as soon as practicable but in no event later than the end of 2020.
- (b) Each Affiliate shall append or attach the Code in its entirety to its Constitution and Bylaws at its next and all future publications.
- (c) Wherever reference herein is made to SEIU or an SEIU program, department or position, the corresponding reference is to the particular Affiliate or its equivalent program, department or position.
- (d) Each Affiliate is responsible for enforcing the Code and educating its covered individuals on the Code in a manner consistent with the Code's terms, subject to assistance and oversight from SEIU.
- (e) The Code is not intended to restrain any Affiliate from adopting higher standards and best practices, subject to the approval of the SEIU Ethics Ombudsperson.

PART B: GENERAL OBLIGATIONS

SECTION 3. *Obligations of Covered Individuals.*

- (a) *Commitment to the Code.* SEIU and each Affiliate shall provide a copy of the Code to each covered individual. It is the duty and obligation of covered individuals to acknowledge annually that they have received a copy of this Code, that they have reviewed and understand it, and that they agree to comply with it.
- (b) *Duty of disclosure.* Covered individuals shall disclose to the SEIU Ethics Ombudsperson or the Affiliate Ethics Liaison, described in PART F of this Code, any conflict of interest or appearance of a conflict, which arises when their paramount duty to the interest of members is potentially compromised by a competing interest, including but not limited to an interest, relationship or transaction referenced in this Code. Actual, perceived and potential conflicts should be disclosed at the time that covered individuals become aware of them.
- (c) *Disqualification from service to SEIU or Affiliate.* No person shall serve as an officer or managerial employee of SEIU or any Affiliate who has been convicted of any felony involving the infliction of grievous bodily injury, or the abuse or misuse of such person's position or employment in a labor organization to seek or obtain illegal gain at the expense of the members, except for the limited exceptions set forth in applicable federal law.

PART C: BUSINESS AND FINANCIAL ACTIVITIES

SECTION 4. General Duty to Protect Members' Funds; Members' Right to Examine Records.

- (a) The assets and funds of a labor organization are held in trust for the benefit of the membership. Members are entitled to assurance that those assets and funds are expended for proper and appropriate purposes. The Union shall conduct its proprietary functions, including all contracts for purchase or sale or for the provision of significant services, in a manner consistent with this Code. All officers, executive board members and employees of SEIU and SEIU Affiliates, whether elected or appointed, have a trust and high fiduciary duty to honestly and faithfully serve the best interests of the membership.
- (b) Consistent with Section 20I of the Labor Management Reporting and Disclosure Act, SEIU shall permit a member for just cause to examine any books, records and accounts necessary to verify SEIU's annual financial report under that section to the U.S. Department of Labor.
- (c) Affiliates comprised solely of members employed by government bodies shall permit a member to examine its financial report submitted to a state agency and, consistent with state law and for just cause, to examine any books, records and accounts necessary to verify the Affiliate's financial report.

SECTION 5. Prohibited Financial Interests and Transactions. Covered individuals shall not, to the best of their knowledge, have a substantial ownership or financial interest that conflicts with their fiduciary duty.

- (a) For purposes of these rules, a "substantial ownership or financial interest" is one which either contributes significantly to the individual's financial well-being or which enables the individual to significantly affect or influence the course of the business entity's decision-making.
- (b) A "substantial ownership or financial interest" does not include stock in a purchase plan, profit-sharing plan, employee stock ownership plan (ESOP) or blind trust. Nor does it prohibit covered individuals from owning, through a mutual fund or other similar investment vehicle, the publicly traded shares of any employer with which SEIU or an Affiliate engages in collective bargaining or does business or which SEIU or an Affiliate seeks to organize, provided that all transactions affecting such interests are consistent with rates and terms established by the open market.
- (c) It is not permissible for any covered individual to:
 - (1) Knowingly have a substantial ownership or financial interest in any entity that engages in collective bargaining with SEIU or any of its Affiliates;
 - (2) Make or attempt to influence or participate in any way in a decision concerning the relations of SEIU or an Affiliate with a vendor, firm

or other entity or individual in which the covered individual or his or her relative, spouse or business partner has a substantial ownership or financial interest; or

- (3) Engage in any self-dealing transactions with SEIU or any of its Affiliates, such as buying property from or selling property to SEIU, without the informed approval of the International Secretary-Treasurer (or Affiliate Secretary-Treasurer, as applicable), obtained after full disclosure, including an independent appraisal of the fair market value of the property to be bought or sold.
- (d) To ensure compliance with this Section, covered individuals are required to disclose any interests, transactions or interests covered by this Section in accordance with Section 3(b) of this Code.

SECTION 6. *Payments and Gifts from Employers, Vendors and Members.*

- (a) Covered individuals shall not knowingly accept any payments, benefits or gifts of more than minimal financial value under the circumstances presented from any employer that engages or seeks to engage in collective bargaining with SEIU or an Affiliate, or from any business or professional firm that does business or seeks to do business with SEIU or an Affiliate.
 - (1) This Section does not extend to payments and benefits that are provided to covered individuals by prohibited employers as compensation for their primary and regular employment.
 - (2) This Section does not extend to work and services that covered individuals perform for prohibited employers or businesses on a part-time basis, through an arm's length transaction and for normal and customary pay for such work or services.
 - (3) This Section does not extend to participation in events hosted by public officials involving discussion of public policy matters.
 - (4) With respect to perishable items that are more than minimal but that are impracticable to return, such as food, it shall be considered compliance with this Section to discard such an item or place it in a common area for members and office staff to enjoy. If the gift is discarded or enjoyed communally, it is recommended that the giver should be advised of this disposition to dispel the appearance of any conflict of interest on the part of any covered individual and to discourage recurrence.
- (b) Covered individuals shall not knowingly accept personal payments or gifts from any member absent a personal relationship independent of the relationship between the Union and the member, other than a gift of minimal financial value. This provision does not apply to contributions to campaigns for union office made in accordance with the SEIU Constitution and Bylaws.

SECTION 7. Conversion of Union Funds and Property. Covered individuals shall not use, convert or divert any funds or other property belonging to SEIU to such individual's personal benefit or advantage.

SECTION 8. Applicability to Third Parties. The principles of this Code apply to those investments and activities of third parties that amount to a subterfuge to conceal the financial interests of SEIU officers or employees or to circumvent the standards of this Code.

SECTION 9. Certain Loans Prohibited. SEIU shall not make loans to any officer or employee, or to any of their family members, that at any time exceed \$2,000 in total indebtedness on the part of such officer, employee or family member.

PART D: BENEFIT FUNDS AND RELATED ORGANIZATIONS

SECTION 10. Obligations of Covered Individuals.

(a) Benefit Funds.

- (1) For purposes of this Section:
 - a. A "benefit fund or plan" means a retirement, health or welfare benefit fund or plan sponsored by SEIU or an Affiliate, or in which SEIU or an Affiliate participates.
 - b. The definition of "substantial ownership or financial interest" provided in Section 5 applies.
- (2) Covered individuals who serve in a fiduciary position with respect to or exercise responsibilities or influence in the administration of a benefit fund or plan shall not:
 - a. Have any substantial financial interest in, or any compromising personal ties to, any investment manager, insurance carrier, broker, consultant or other firm or individual doing business or seeking to do business with the fund or plan;
 - b. Accept any personal payment from any business or professional firm that does business or seeks to do business with the fund or plan, other than contractual payment for work performed; or
 - c. Receive compensation of any kind for service as an employee representative or labor-designated trustee for a fund or plan, except for reimbursement of reasonable expenses properly and actually incurred and provided uniformly to such representatives or trustees, with the proviso that it is not a violation of this provision for an officer or managerial employee who is not a full-time employee of SEIU or an Affiliate to be a

lawfully paid employee of a fund or plan if such employment is consistent with applicable legal restrictions and fully disclosed through appropriate reports.

- (3) To ensure compliance with this Section, all covered individuals shall disclose any interests, transactions or relationships covered by this Section in accordance with Section 3(b) of this Code.
- (4) No person shall serve in a fiduciary capacity or exercise responsibilities in the administration of a benefit fund or plan who has been convicted of any felony involving the infliction of grievous bodily injury or the abuse or misuse of such person's position or employment in an employee benefit plan to seek or obtain an illegal gain at the expense of the beneficiaries of the employee benefit fund or plan, except for the limited exceptions set forth in applicable federal law.

(b) Related Organizations.

- (1) For purposes of this Section, an organization "related to" SEIU or an Affiliate means an organization
 - in which 25 percent or more of the members of the governing board are officers or employees of SEIU or an Affiliate, or
 - for which 50 percent or more of its funding is provided by SEIU or an Affiliate.
- (2) Covered individuals who serve in a fiduciary position with respect to or exercise responsibilities or influence in the administration of an organization related to SEIU shall comply with the provisions and shall hold themselves to the standards of the SEIU Code while they are acting for or on behalf of the related organization.

PART E: FAMILY AND PERSONAL RELATIONSHIPS

SECTION 11. Purpose of Rules Governing Family and Personal Relationships. SEIU does not prohibit the employment of qualified relatives of current officers or employees, or of individuals with whom an officer or employee has a romantic or intimate personal relationship. SEIU also does not prohibit the retention of qualified vendors that employ relatives of current SEIU officers or employees or individuals with whom an officer or employee has a personal relationship.

However, SEIU recognizes that the existence of such relationships can lead to problems, including favoritism or the appearance of favoritism toward relatives or those who are involved in a personal relationship. Giving these individuals special treatment- or creating the impression that they receive special treatment- is inconsistent with our principles of stewardship and accountability and with our duty to responsibly conduct the business of SEIU. The provisions of this PART are designed to ensure that family or

personal relationships do not influence professional interactions between the employees involved and other officers, employees and third parties.

SECTION 12. *Definitions.* For purposes of this PART:

- (a) "Relative" means parent, spouse, spousal equivalent, daughter, son, grandparent, grandchild, brother, sister, aunt, uncle, niece, nephew, first or second cousin, corresponding in-law, "step" relation, foster parent, foster child, and any member of the employee's household. Domestic partner relatives are covered to the same extent as spousal relatives.
- (b) "Personal relationship" means an ongoing romantic or intimate personal relationship that can include, but is not limited to, dating, living together or being a partner or significant other. This definition applies regardless of gender, gender identification, or sexual orientation of the individuals in the relationship. This restriction does not extend to friends, acquaintances or former colleagues who are not otherwise encompassed in the scope of "personal relationships."

SECTION 13. *Prohibited Conduct.* The following general principles will apply:

- (a) Applications for employment by relatives and those who have a personal relationship with a covered individual will be evaluated on the same qualification standards used to assess other applicants. Transmission to the appropriate hiring authority of applications on behalf of individuals who have a family or personal relationship shall not in itself constitute an attempt to influence hiring decisions. Further input into the application process, however, may be deemed improper.
- (b) Covered individuals will not make hiring decisions about their relatives or persons with whom they have a personal relationship, or attempt to influence hiring decisions made by others.
- (c) Supervisory employees shall not directly supervise a relative or a person with whom they have a personal relationship. In the absence of a direct reporting or supervisor-to-subordinate relationship, relatives or employees who have a family or personal relationship generally are permitted to work in the same department, provided that there are no particular operational difficulties.
- (d) Covered individuals shall not make work-related decisions, or participate in or provide input into work-related decisions made by others, involving relatives or employees with whom they have a personal relationship, even if they do not directly supervise that individual. Prohibited decisions include, but are not limited to, decisions about hiring, wages, hours, benefits, assignments, evaluations, training, discipline, promotions, and transfers.
- (e) To ensure compliance with this Section, all covered individuals must disclose to the Ethics Ombudsperson or the Affiliate Ethics Liaison, as appropriate, any relationships covered by this Section in accordance with Section 3(b) of this Code.

PART F: ENFORCEMENT

SECTION 14. Ethics Officer. The office of the Ethics Officer is established to provide independent assistance to SEIU in the implementation and enforcement of the Code. The Ethics Officer shall be an individual of unimpeachable integrity and reputation, preferably with experience in ethics, law enforcement and the workings of the labor movement. The Ethics Officer shall provide his or her services under contract and shall not be an employee of the International Union or any of its Affiliates. The Ethics Officer shall be appointed by the International President and confirmed by the International Executive Board. The International President, the International Secretary-Treasurer, and the SEIU International Executive Board may refer matters concerning the Code to the Ethics Officer for review and/or advice, consistent with Sections 22 and 23.

SECTION 15. Ethics Ombudsperson. The office of SEIU Ethics Ombudsperson is established to oversee implementation and enforcement of the Code and ongoing efforts to strengthen the ethical culture throughout the Union. The Ethics Ombudsperson is responsible for providing assistance to the International Union and Affiliates on questions and concerns relating to the Code and ethical culture; directing the training of SEIU and Affiliate officers and staff concerning the Code and ethical culture; responding to ethics concerns and complaints consistent with Sections 17-23; receiving and resolving disclosures of conflicts of interest; assisting the Ethics Officer; and providing other support as necessary to the overall SEIU ethics program. The Ethics Ombudsperson, in consultation with the Ethics Officer, shall issue a report to the SEIU International Executive Board annually, summarizing compliance, training, enforcement, culture building and related activities, and making recommendations for modifications to the ethics program that he or she believes would enhance the program's effectiveness. The Ethics Ombudsperson may also conduct periodic reviews for the purposes of monitoring compliance with this Code and determining whether partnerships, joint ventures, and arrangements with management organizations conform to this Code, are properly recorded, reflect reasonable investment or payment for goods and services, further SEIU's tax-exempt purposes, and do not result in inurement, impermissible private benefit, or excess benefit transactions. The Ethics Ombudsperson shall be employed in the SEIU Legal Department.

SECTION 16. Affiliate Ethics Liaison. Each Affiliate shall appoint an Ethics Liaison who will be available for ethics advice or guidance, will serve as an Affiliate's key contact with the International's Ethics Ombudsperson, will assist in enforcement of the Code, will oversee the delivery of ethics-related training, will assist the Affiliate in strengthening its ethical culture, and will serve as an ethical leader in the Affiliate.

- (a) Presidents, chief executive officers, secretary-treasurers, chief financial officers, chiefs of staff, and the equivalent of any of the foregoing are not eligible to serve as Ethics Liaisons.
- (b) Affiliates are encouraged to consider rotating the Ethics Liaison position periodically, barring operational difficulties, to develop ethical leadership broadly in the Affiliate. Affiliates shall advise the SEIU Ethics Ombudsperson as soon as practicable of the appointment of Ethics Liaisons and of any vacancy that occurs in the position.

- (c) Ethics Liaisons will regularly receive training from the International Union specific to the role. Affiliates should make every effort to ensure the participation of their Ethics Liaisons.

SECTION 17. *Complaints.*

- (a) Any covered individual or member may file a written complaint concerning alleged violations of the Code. Oral concerns and complaints shall be reduced to writing for further processing as a complaint. Complaints should be signed or
Contain the name of the complainant(s), and shall be kept confidential pursuant to Section 24. Complaints alleging violation of the Code shall not be enforced under SEIU or Affiliate constitutions and bylaws unless they also allege violations of the constitutions and bylaws.
- (b) The International Union shall post contact information for submission of ethics complaints on the SEIU website and shall provide that information on request.
- (c) Each Affiliate shall provide its staff and membership with contact information for its Ethics Liaison.

SECTION 18. *Complaints Handled by the International Union.* Complaints alleging violation of the Code that are submitted to the International Union or the Ethics Officer shall be referred initially to the SEIU Ethics Ombudsperson. The Ethics Ombudsperson shall review ethics complaints submitted to the International Union and shall respond to them in his or her discretion, including but not limited to providing advice or guidance, resolving them informally, directing them to resources outside the ethics office, and referring them to the Ethics Officer or Affiliate for further processing. The individual submitting the complaint shall be notified of the status of the complaint as appropriate in the discretion of the Ethics Ombudsperson but in all events upon its conclusion.

SECTION 19. *Complaints Handled by Affiliate; Notice to Ethics Ombudsperson.* Ethics complaints that are raised with or referred to an Affiliate shall be investigated by the affected Affiliate and, where appropriate, may form the basis of employee discipline or formal internal union charges to be processed before a trial body in accordance with the requirements set forth in the Affiliate's constitution and bylaws and/or the SEIU Constitution and Bylaws. The Ethics Ombudsperson may advise an Affiliate concerning matters related to the investigation and processing of complaints and charges alleging violation of the Code. Where a complaint involves an Affiliate's president, chief executive officer, chief of staff, secretary-treasurer, chief financial officer, or the equivalent, the Affiliate shall notify the Ethics Ombudsperson as soon as practicable.

The Ethics Ombudsperson may consult with the Ethics Officer concerning any question referred by an Affiliate.

SECTION 20. *Failure to Cooperate; Bad Faith Complaints.* Unreasonable failure by a covered individual to fully cooperate with a proceeding or investigation involving an ethics complaint or alleged violation of this Code shall constitute an independent violation of this Code. SEIU reserves the right, subject to notice, investigation and due process. to discipline persons who make bad faith, knowingly false, harassing or malicious complaints, reports or inquiries.

SECTION 21. *Original Jurisdiction.*

(a) *Requests for Original Jurisdiction.* If an Affiliate or an Affiliate executive board member, officer, or member believes that formal internal union charges against a covered individual that also allege violations of this Code involve a situation which may seriously jeopardize the interests of the Affiliate or the International Union, or that the hearing procedure of the Affiliate will not completely protect the interests of the Affiliate, an officer or member, that individual may request that the International President assume original jurisdiction under Article XVII, Section 2(t) of the SEIU Constitution and Bylaws.

(b) *Assumption of Original Jurisdiction by International President.* In accordance with Article XVII, Section 2(f) of the SEIU Constitution and Bylaws, the International President may in his or her discretion assume original jurisdiction of formal internal union charges also alleging violation of this Code if as a result of an investigation he or she believes that the charges filed against a covered individual involve a situation which may seriously jeopardize the interests of the Affiliate or the International Union. In his or her discretion, the International President may refer the matter to the Ethics Officer for a recommendation concerning the possible assumption of original jurisdiction.

SECTION 22. *Referral of Formal Charges to Ethics Officer.* If formal internal union charges filed with the International Union under Article XVII, Section 3 of the SEIU Constitution and Bylaws also allege violation of the Code by an officer or executive board member of the International Union or an Affiliate, such charges may be referred to the Ethics Officer for review and recommendations.

SECTION 23. *Review of Claims by Ethics Officer.*

(a) If after review of the allegations of violations of the Code in a complaint or formal charge, the Ethics Officer finds that the allegations have merit and/or warrant further investigation, he shall recommend a response or course of action for the International Union to respond to the complaint or charges, including but not limited to the following:

- (1) Further investigation by SEIU personnel and/or outside investigator(s);
- (2) Filing of formal charges under Article XVII of the SEIU Constitution and Bylaws;

 - (5) Discipline of covered employees;
 - (6) Sanction of covered officers or members accused in formal proceedings, and
 - (7) Other action deemed appropriate in the discretion of the Ethics Officer.
- (b) If the Ethics Officer concludes, after review of allegations of violations of the Code, that the allegations are without merit or that further investigation is not necessary, he or she shall advise the International Union of his or her findings.

PART G: PROTECTION OF WHISTLEBLOWERS

SECTION 24. Confidentiality. SEIU will make all reasonable efforts to keep confidential the identity of any person(s) raising an ethics concern, inquiry, report or complaint under the Code unless disclosure is authorized by the complainant or is required for SEIU to carry out its fiduciary or legal duties. SEIU will also treat communications concerning ethics complaints or concerns with as much confidentiality and discretion as possible, provided that it remains able to conduct a complete and fair investigation, carry out its fiduciary and legal duties, and review its operations as necessary.

SECTION 25. No Retaliation. SEIU encourages all officers and employees to bring ethics concerns and complaints that the Code has been violated to the attention of the Union, as set forth more fully in PART F above.
