In this Agreement, four types of Article numbers appear. These numbers have different applications. For example, some Articles apply to all Agencies covered under this Agreement, some Articles apply only to the Agencies within a particular coalition, some Articles apply only to a particular Agency within a coalition, and some apply only to temporary employees. The types of numbers used are as follows:

1. Articles which were negotiated centrally and apply to all coalitions and all Agencies within the four coalitions have numbers without any subcategories, e.g.:

   Article 20--Discipline and Discharge
   Article 27--Salary Increase
   Article 56--Sick Leave
   Article 70--Layoff

2. Article subcategories with no letter following the number signify that the Article applies to all Agencies within a particular coalition, e.g.:

   Article 18.3--Reorganization Notification (ODOT Coalition)
   Article 100.1--Security (Human Services Coalition)

The last digit in these subcategories identifies the coalition that the Article applies to:

.1 Human Services Coalition
.2 Institutions Coalition
.3 ODOT Coalition
.5 Special Agencies Coalition

3. Articles which have subcategories with a letter following the number signify that the Article applies only to a particular Agency within a coalition, e.g.:

   Article 32.5I--Overtime (OHCS)
   Article 35.2K--Phone Calls (OYA Administration and Field)
   Article 70.2A--Geographic Area for Layoff (OYA Youth Correctional Facilities and Camps)

4. Centrally negotiated Articles which have a "T" attached signify Articles that apply only to temporary employees, e.g.:

   Article 19T--Personnel Records (Temporary Employees)
   Article 22T--No Discrimination (Temporary Employees)

(See Article 2, Section 5(c)(d) for a full listing of Articles and Letters of Agreement which apply to temporary employees.)

If an employee using the Master Agreement is looking for a contractual provision for their particular Agency, they must locate the subject by using either the Table of Contents or the Index.

NOTE: The Parties may elect to assemble and print a coalition agreement in addition to a Master Agreement.

ARTICLE 2--RECOGNITION

Section 1. The Employer recognizes the Union as the exclusive bargaining representative for all classified and unclassified employees in positions represented by the Union in the Agencies listed in Section 2 below. The Union is also the exclusive bargaining representative for temporary state employees in the classified or unclassified service as direct hire temporary employees of the State of Oregon excluding student workers who are in student worker classifications; student law clerks; independent contractors; any temporary employees who are represented by another labor organization; retired state employees working in temporary appointments; casual labor temporary Agency employees (e.g., Kelly, Manpower, Goodwill Industries, St. Vincent de Paul) not directly employed by DAS; temporary employees in the exempt service as defined in ORS 240.200; school-to-work experience employees; persons hired under exchange programs with the State; adults/youth in custody; interns from bona fide educational programs who are fulfilling academic requirements of that program and are completing their degree; and JOBS Plus program participants. Temporary employees represented by the Union are in the Agencies listed in Section 2 below. This recognition does not apply to exempt, supervisory, managerial and confidential employees as defined by law or as determined by the Employment Relations Board.

Section 2.

(a) The Employer and the Union have established a single bargaining unit of employees represented by the Union and employed by the Oregon Youth Authority*, Oregon State Hospital, Pendleton Cottage, Oregon Department of Forestry, who are guards, firefighters, and police officers as identified by the Employment Relations Board or as agreed upon by the Parties. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1.

(b) The Employer and the Union have established a single bargaining unit which is not prohibited from striking. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1. This unit is made up of employees located at the following Agencies: Oregon Department of Agriculture, Commission for the Blind, Oregon Youth Authority*, Oregon Department of Human Services, Oregon Health Authority (including Oregon State Hospital and Pendleton Cottage), Oregon Department of Education (including Oregon School for the Deaf), Oregon Department of Early Learning and Care, Oregon Employment Department, Department of Administrative Services, Oregon Department of Forestry, Oregon Department of Justice, Bureau of Labor and Industries, Higher Education Coordinating Commission, Oregon State Library, Oregon Parks and Recreation Department, Oregon Public Employees Retirement System, Oregon Department of Revenue, Oregon Department of Transportation, Oregon Department of Geology and Mineral Industries, Oregon State Treasury, Oregon Department of Veterans' Affairs, Oregon Water Resources Department, Oregon Department of Consumer and Business Services including Workers' Compensation Board, Oregon State Board of Nursing, Oregon Medical Board, Oregon Board of Dentistry, Oregon Board of Pharmacy, Oregon Mortuary and Cemetery Board, Mental Health Regulatory Agency, Oregon Board of Medical Imaging, Oregon State Board of Massage Therapists, Oregon Occupational Therapy Licensing Board, Board of Examiners for Speech Language Pathology and Audiology, Oregon Board of Naturopathic Medicine, Oregon State Board of Examiners for Engineering and Land Surveying, Oregon Department of Aviation, Oregon Watershed Enhancement Board, Oregon Housing and Community Services, Oregon Department of Fish and Wildlife, and Oregon Teacher Standards and Practices Commission.

*Oregon Youth Authority includes all employees except employees in positions classified as Juvenile Parole and Probation Officer and Juvenile Parole and Probation Assistant. Union-represented employees of this Agency are included in the Union's strike-permitted bargaining unit, except for employees in the classifications of Group Life Coordinator 1, 2, 3 and Youth Corrections Unit Coordinator, or successor classifications, who are included in the Union's strike-prohibited bargaining unit.

Section 3. When there has been a determination of the Employment Relations Board to modify one (1) of the bargaining units listed in Section 2 or when the Parties reach mutual agreement to modify, negotiations will be entered into as needed or as required by law.

Section 4. Exclusion of Filled Positions.

(a) DAS shall provide the Union with no less than twenty (20) calendar days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS agrees not to change the position's designation from represented to management service during this twenty (20) calendar day period.

(b) Should the Union decide to contest the proposed exclusion, it shall serve DAS with written notice of its intent to contest the exclusion within twenty (20) calendar days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS will forego implementing the change in designation for an additional forty (40) calendar days, beyond the initial twenty (20) calendar day period. The purpose of this forty (40) calendar day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) calendar day period. In such event, DAS agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.

(c) If DAS does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) calendar day period, or if the Union does not file with the ERB during the subsequent forty (40) calendar day period, DAS may proceed to change the position's designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exclusion is no longer warranted.

(d) For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

Section 5. Temporary Employees.

(a) The Employer agrees to utilize temporary employees in accordance with ORS 240.309. Grievances alleging violations of ORS 240.309 may be submitted only by the Union, directly to the Department of Administrative Services level for full and final review.

(b) Temporary employees will have the same rights as other bargaining unit employees as enumerated below:

(1) Same base rate of pay for the appropriate classification for regular status employees. Effective upon signing of this Agreement, rates of pay will be within the ranges, minimum and maximum, according to the Compensation Plan, per Article 27 and salary appendices.

REV: 2013, 2015, 2019,2023,2025

ARTICLE 3--SCOPE OF AGREEMENT

Section 1. This Agreement binds the Union, its bargaining unit members, and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer, the Department, the Agency, and any person designated to act on behalf of each.

Section 2. This Agreement supersedes all prior Collective Bargaining Agreements and Letters of Agreement negotiated between the Union and the State of Oregon acting by and through its Department of Administrative Services.

ARTICLE 4--TERM OF AGREEMENT

Section 1.

(a) This Agreement shall become effective on July 1, 2025, or the date the Agreement is ratified by the Union, whichever is later, and shall expire on June 30, 2027, except where specifically stated otherwise in the Agreement.

(b) Either Party may give written notice during the period of October 15 – November 15, 2026, of its desire to negotiate a successor Agreement.

(c) Negotiations shall commence the first week of December 2026, or such other date as may be mutually agreed to by the Parties.

REV: 2013, 2015,2019,2021,2023,2025

ARTICLE 5--COMPLETE AGREEMENT/PAST PRACTICES

Section 1. Complete Agreement. Pursuant to their statutory obligations to bargain in good faith, the Employer and the Union have met in full and free discussion concerning matters in "employment relations" as defined by ORS 243.650(7). This Contract incorporates the sole and complete agreement between the Employer and the Union resulting from these negotiations. The Union agrees that the Employer has no further obligation during the term of this Agreement to bargain wages, hours, or working conditions except as specified below. The Employer agrees that during the term of this Agreement it may not unilaterally change employee wages or hours. "Working conditions" established by a specific provision of this Agreement may

not be unilaterally changed. Other "working conditions" not covered by this Agreement may only be changed pursuant to the restrictions and procedures in Section 2.

Section 2. Past Practices.

(a) The Parties recognize the Employer's full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement, including arbitrator's awards which may evolve pursuant to this Agreement, or for temporary employees, decisions resulting from dispute resolution procedures which may evolve pursuant to this Agreement.

(b)

(1) The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement. The Employer agrees to bargain over any proposed changes in "working conditions" or their impact which are mandatory subjects of bargaining.

(2) If the Employer believes the change is a mandatory subject of bargaining, the Parties shall meet within ten (10) days of the Union's request to meet. One (1) Union Steward from the affected Agency will be allowed to use Agency time without loss of pay or benefits to participate in these negotiations. The Employer will not be liable for any overtime, premium pay, travel reimbursement, or mileage for the Union Steward. If the Union Steward is a temporary employee, while employed, the temporary employee would be unscheduled.

(3) The Union may file an unfair labor practice complaint with the Employment Relations Board if the Employer refuses to bargain. If the Board rules that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is a mandatory subject of bargaining, the Parties shall meet to negotiate this subject change.

(4) Notwithstanding ORS 243.698, if after ninety (90) days of bargaining, the Parties do not reach agreement, either Party may exercise its right to utilize the dispute resolution procedures under the PECBA, including the strike-permitted employees' right to strike (notwithstanding Article 8 of this Agreement), or, for strike-prohibited employees, the right to submit the matter to binding arbitration. Nothing precludes the Parties from requesting mediation within the ninety (90) day period.

ARTICLE 6--LEGISLATIVE ACTION

Section 1. Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2. Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3. Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

ARTICLE 7--SEPARABILITY

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.

ARTICLE 8--NO STRIKE OR LOCKOUT

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform their assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

ARTICLE 9--MANAGEMENT'S RIGHTS

Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:

(a) Direct employees.

(b) Hire, promote, transfer, assign, and retain employees.
(c) Suspend, discharge, or take other proper disciplinary action against employees.
(d) Reassign employees.
(e) Relieve employees from duty because of lack of work or other reasons.
(f) Schedule work.
(g) Determine methods, means, and personnel by which operations are to be conducted.

ARTICLE 10--UNION RIGHTS

Section 1. Rights/Obligations.

(a) The Union and the Employer agree that there must be mutual respect for the rights and obligations of the Union and the Employer and the representatives of each.
(b) Employees covered by the Agreement are at all times entitled to act through a Union representative in taking any grievance action or following any alternate procedure under this Agreement.
(c) Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 2. The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through 10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward's non-work hours.

Section 3. Union Organizer Visitations.

(a) Union Organizers shall be allowed reasonable access to bargaining unit members. The purpose of these visits will be to meet with employees during the employees' regular work hours at the employees' regular work location to investigate and discuss grievances, workplace-related complaints and other matters relating to the employment relations. The Union Shall give the Agency reasonable notice of these visits.
(b) Union Organizers may conduct meetings at the employees' regular work location before or after the employees' regular work hours, during meal periods and during other break periods. Union Organizers may use Agency facilities or property for purposes of conducting meetings with the represented employees in the bargaining unit. Union Organizers may hold the meetings at a time and place set by the Union Organizers, provided the meetings adhere to the current building use policies, space is available, proper scheduling has been arranged and the meetings do not interfere with the Agency's operations. The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized Union Organizers.

Section 4.

(a) Bulletin Boards. The Agency shall allow the use of reasonable bulletin board space for communicating with employees. Union material shall not be displayed in the work area except in the designated bulletin board space. Additionally, the DAS Labor Relations Unit will post links to Agency-level SEIU virtual bulletin board spaces on the DAS Labor Relations Unit internet website. The content of the virtual bulletin boards will be managed by SEIU.
(b) E-Mail Messaging System. Union representatives and SEIU-represented employees may use an Agency's e-mail messaging system to communicate about Union business provided that all of the following conditions are followed:
    (1) Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.
    (2) Except as modified by this Article, an Agency shall have the right to control its e-mail system, its uses or information.
    (3) The Agency reserves the right to trace, review, audit, access, intercept, recover or monitor use of its e-mail system without notice.
    (4) Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency's computer system for Agency business.
    (5) Group e-mails shall not include attachments or contain graphics (except for the Union logo), and shall be no more than approximately three (3) pages. Recipients of such group e-mails shall not use the "Reply All" function.
    (6) E-mail usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment.
    (7) The Agency will not incur any additional costs for e-mail usage including printing.
    (8) The Union will hold the Employer and Agency harmless against any lawsuits, claims, complaints or other legal or administrative actions where action is taken against the Union or its agents (including Union staff, Union officers and Stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this Article.
    (9) Such e-mail communications shall only be between SEIU-represented employees and managers, within their respective agency, and the Union. However, for purposes of negotiations, bargaining team members may communicate across agencies. Additionally, DAS recognized joint multi-Agency Labor-Management Committee members and the Union's Board of Directors may communicate across agencies. Union officers and stewards may communicate with Union officers and Stewards across agencies for purposes of contract administration. The Union shall provide the names of its Board of Directors, Union Officers and Union Stewards to DAS.
    (10) Use of Agency's e-mail system shall be on employee's non-work time.

(12) Nothing shall prohibit an employee from forwarding an e-mail message to their home computer.
(13) E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate or coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.
(14) Should the Employer believe that the Union's staff has violated Article 10, Section 4(b) of the Master Agreement, the Employer will notify the Union's Executive Director, in writing, within thirty (30) calendar days from the date of the alleged misuse of an Agency's e-mail system. The Executive Director shall respond, in writing, within thirty (30) days and include the action that will be taken to enforce the Master Agreement. If, despite these actions, the violation continues, the Employer will notify the Union, in writing, within thirty (30) calendar days that the alleged misuse may be arbitrated. For the purpose of this Article, employees who are working for the Union while on a Union leave of absence will be considered Union staff.

Section 5. Union Steward Representation. The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the employee is acting in their role of Steward, the relationship is different than that of supervisor and employee. In order to be able to effectively carry out their duties as Union Stewards, all Stewards shall have access to the appropriate equipment and space in order to be able to communicate privately and safely with the employee.

Section 6. List of Union Stewards. The Union shall provide the Employer (Department of Administrative Services and each Agency)* with a list of the names of authorized Union Stewards, including their work location, and worksite representation responsibility. The lists shall be updated as necessary. If problems arise regarding Union Steward authorized activities in representing employees, the Union agrees to discuss the problem with the Department of Administrative Services Labor Relations Unit or the Agency as the situation suggests.

*For DMV, Agency means the Division Administrator.

Section 7. The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

Section 8. New Employee Orientation.

(a) All SEIU represented employees who are new to state service shall attend the Uplift Oregon benefits workshop within thirty (30) days of hire. Employees shall have access to the training within fourteen (14) days of hire, or before an employee completes their benefits enrollment documents. The Union shall have time allotted during this training to share union information with SEIU represented employees.

(b) Agencies will establish a new employee orientation that includes thirty (30) minutes for a representative of the Union to share union information. If the Union representative is an employee of the Agency, the employee shall be given time off with pay to make the presentation. The new employee orientation will occur within thirty (30) days of hire. The Agency will provide the Union reasonable notice of the place and time of the new employee orientation. All SEIU-represented employees who are new to an agency shall attend a new employee orientation within thirty (30) days of hire.

Section 9. Upon notice to their immediate supervisor, Union Stewards will be granted mutually agreed upon paid time off during regularly scheduled working hours:

(a) to investigate and process grievances;
(b) to represent bargaining unit employees in investigatory interviews;
(c) to be present upon request when an employee is reporting inappropriate workplace behavior through the process set forth in DAS or Agency policy; and
(d) to be present, upon request, when an employee is reporting discrimination or harassment in the workplace through the process set forth in DAS policy; and
(e) to be present upon request when an employee is attending an ADA accommodation request meeting.

If the permitted activities would interfere with the work the Steward or employee is expected to perform, the immediate supervisor shall, within the next workday, arrange a mutually satisfactory time for the requested activity. Upon request of an employee who has received a written disciplinary action, a Union Steward may use Agency time to investigate the disciplinary action before the filing of a written grievance pursuant to Article 21 of the Agreement. Request for the use of Agency time to meet with the employee or communicate by telephone, if the employee is not at the same worksite, shall be pursuant to Article 10 and 10.1-10.5 of this Agreement.

Section 10. Union Stewards will receive their regular rate of pay for time spent processing grievances and representing bargaining unit employees in investigatory interviews as described in Article 20 and Article 21 during their regularly scheduled hours of employment. Union Stewards who are working a mandated shift in an overtime status shall be compensated at the overtime rate of pay for any pre-scheduled investigatory meeting or grievance meeting requiring their attendance that is scheduled during that shift. Union Stewards who are working a voluntary or mandated shift in an overtime status shall be compensated at the overtime rate of pay when representing a bargaining unit employee in an investigatory meeting, at the request of management or Human Resources. Only one (1) Union Steward will be in pay status for any one (1) grievance except where a grievance involves employees in more than one (1) Agency or where another Steward within the same Agency and work location accompanies a Steward in training. The Steward in training may have another Steward accompany them through two (2) investigatory processes and to attend meetings with management related to a maximum of two (2) grievances during their regular working hours. Supervisors may request that Stewards maintain and submit a monthly activity report of work time spent investigating and processing grievances.

The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 11. The Employer is not responsible for any compensation of employees or their representative for time spent processing grievances or distributing Union material outside their scheduled hours of employment. The Employer is not responsible for any travel or subsistence expenses incurred by a grievant or Union Steward in the processing of grievances.

Section 12. In the event there are modifications to the notification, the Union agrees to send the modification request directly to the Agency. In emergency situations where the Union is unable to provide thirty (30) days advance notice, delegates and board members shall be granted leave with less than thirty (30) days notice unless, by granting such leave, the Agency will suffer undue hardship.

Subject to the employee's work unit operating requirements, official Union Stewards shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union's annual Steward Conference. Such request will be submitted in writing at least ten (10) workdays before the conference.

The Union President or Executive Director shall, at their request, be given release time from their position for a period not to exceed the term of their office for the performance of Union duties directly related and central to the collective bargaining relationship. However, if the Union President or Executive Director requests release time for less than their full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. The Union shall, within thirty (30) days of payment to the President or Executive Director, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and President or Executive Director hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

In addition to any leave for General Council and the SEIU quadrennial International Convention, each of the Union's other statewide officers, including Vice President, Secretary, and Treasurer, shall, with prior approval from their supervisor, be given release time from their position for up to four (4) hours per month during the term of their office for the performance of Union duties directly related and central to the collective bargaining relationship. The Union shall, within thirty (30) days of payment to the statewide officer, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and statewide officer hold the State harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

ARTICLE 13--CONTRACTING-OUT

Section 1. The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members.

When contracting-out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study to determine the potential costs, necessary expertise, FTE and other benefits which would result from contracting out the work in question. The feasibility study will include a summary of the pertinent information upon which the Employer based its decision to contract out the work. "Displaced" as used in this Article means when the work an employee is performing is contracted to another entity inside or outside state government and as result, the employee will no longer be employed. Agencies shall either use the form in Appendix H or another form, provided there is no substantive changes to the information contained in Sections F-K of the form in Appendix H.

Section 2. Upon request to an Agency, the Agency shall provide the Union with a report identifying contracts awarded to any group, individual, organization or business enterprise that could be appropriately performed by bargaining unit members in that Agency.

Section 3. The Employer shall provide the Union with no less than thirty (30) days' notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. A copy of the feasibility study shall be sent with the notice to both SEIU Headquarters and DAS Labor Relations Unit. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal.

Section 4. If the Union's proposal would result in avoiding displacement of bargaining unit employees and meets the Agency needs outlined in the feasibility study, the Parties will agree in writing to implement the Union proposal.

Section 5. Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

Section 6. Once an Agency makes a decision to contract out, it will either:

(a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage is allowed by law and pertinent rules of eligibility. Pursuant to Article 70, Sections 9 through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or

(b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 45--Filling of Vacancies, this Article shall prevail.

(c) An employee may exercise all applicable rights under Article 70--Layoff, including prioritizing options (1), (2), (3) or (4), as described in Article 70 Section 2, if the employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select their Article 70 Section 2 options within five (5) calendar days pursuant to notification of (a) or (b) above.

REV: 2013, 2015,2023

INSTITUTIONS: Oregon Youth Authority, Oregon Health Authority Institutions: Oregon State Hospital, Pendleton Cottage;

ODOT: Oregon Department of Transportation , Oregon Department of Forestry, Oregon Parks and Recreation Department, Oregon Department of Aviation, Oregon Department of Fish and Wildlife, Oregon Department of Geology and Mineral Industries, Department of Agriculture, Oregon Water Resources, Oregon Watershed Enhancement Board;

Section 2. The Union agrees, as a prior condition to the release of employees from work, to notify the Employer in writing of its members designated as representatives for negotiations.

(a) Central Table. The Employer agrees to grant leave with pay for up to twelve (12) employees, except for temporary employees, at a central bargaining table to represent the Union for actual negotiating table time including caucuses, negotiation work sessions, and a reasonable number of membership meetings relating to negotiations. There shall be no more than two (2) designated representatives from each Agency, unless the Employer and Union mutually agree to allow more than two (2) Negotiations at the Central Table will take place during normal business hours.

(b) Coalition Tables. For Coalition negotiations, the Employer agrees to unschedule, or grant paid time, for up to six hundred (600) total paid hours each month for up to one hundred and fifty (150) calendar days following the commencement of bargaining at the coalition tables for attendance at negotiations and a one (1) hour work session per each scheduled Coalition negotiation date. This includes travel time for attendance at negotiations and work sessions, provided the negotiations and work sessions and/or travel time occur during an employee's regular work schedule. Coalition tables will begin no later than February 15 or the closest business day thereto. The inclusion of paid time will not result in the employee receiving greater benefit than the employee would have received had the employee not attended the bargaining session. Should it become necessary for the Employer to replace or unschedule an employee scheduled for swing or graveyard shift so as to permit that employee to participate in collective bargaining negotiations, the Union agrees alternatively as follows:

  (1) Six (6) workdays notice shall be given by the Union to the Employer so as to allow the Employer to avoid payment of penalty pay for the schedule change of the replacement employee; or

  (2) If the Union does not give notice prescribed in (1) above, the Union shall reimburse the Employer for the penalty pay paid to the replacing employee.

Section 3. The Employer is not responsible for travel, per diem, overtime, or other benefits beyond that which the employee would have received had the employee not attended bargaining sessions.

Section 4. Subject in each case to prior approval by the Agency, the Employer further agrees to grant leave without pay to additional employees determined necessary by the Union to attend negotiating sessions.

Section 5. Ratification. It is understood that all tentative agreements at the table are subject to ratification by both Parties.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in their official Agency employee personnel file(s) or supervisory working file. If the official personnel file or supervisory working file is stored at a different location, the Agency may, at its discretion, allow the employee to view the file at a location determined by the Agency, provide an electronic copy, or deliver a copy of the file to the employee for review within five (5) business days of their request. If an employee is not available within five (5) working days or refuses to sign the material, the Agency may place the material in the file, provided a statement has been signed by two (2) management representatives and a copy of the document was mailed certified to the employee at their address of record or hand delivered to the employee.

Section 5. Material reflecting caution, consultation, warning, admonishment, and reprimand shall be retained for a maximum of three (3) years. Such material shall, at the employee's request, be removed after twenty-four (24) months, provided there has been no recurrence of the problem or a related problem in that time. Removal prior to twenty-four (24) months will be permitted when requested by an employee and if approved by the Appointing Authority.

Material removed from an employee's official personnel file may not be referenced in future disciplinary actions, or other related correspondence from the employer

*For FLSA-exempt employees, except for penalties imposed for infractions of safety rules of major significance, no reduction in pay and only suspensions without pay in one (1) or more full workweek increments unless or until FLSA restrictions on economic sanctions for exempt employees are eliminated by statute or a court decision the State determines dispositive. Safety rules of major significance include only those relating to the prevention of serious danger to the Agency, or other employee.

Section 2. The Employer is committed to conducting investigations in a timely manner. Agencies will make reasonable efforts to begin the investigatory process on potential disciplinary issues within thirty (30) days of becoming aware of the issue. However, the Parties recognize that circumstances and complexities of individual cases may delay initiation of an investigation.

Section 3. Investigatory Interviews.

(a) The employee's Union Steward shall be granted paid time off during regularly scheduled working hours at a mutually agreed upon time to represent the employee in the investigatory interview (See Article 10, Sections 10 and 11).

The employee and their steward of record shall be notified in writing of the initial reason for the action within three (3) business days of the effective date of the action. notification. The Agency will conduct the initial interview with the employee within thirty (30) calendar days of notification of the action. The investigation shall be completed within one hundred and twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time.

The investigation shall be completed within one hundred and twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time. Section 7. When an Agency is considering dismissal for a regular status employee, the employee and their steward of record shall be given a written pre-dismissal notice. Such notice shall include the then known complaints, facts, and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Appointing Authority at a time and date set forth in the notice, which date shall not be less than seven (7) calendar days from the date the notice is received or, at the option of the employee, by written response by that date. The employee shall be permitted to have an official representative present. At the discretion of the Appointing Authority, the employee may be suspended with or without pay or be allowed to continue to work as specified in the pre-dismissal notice. When the form of discipline is a dismissal, management will attempt to contact the employee or steward of record verbally to notify them of the decision.
Suspensions with pay will not be recorded in employee personnel files nor in any manner used against an employee if no disciplinary action is subsequently taken.

(b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:

ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievances are defined as acts, omissions, applications, or interpretations alleged to be violations of the terms or conditions of this Agreement.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The Union may add other relevant Articles to the list of Articles allegedly violated at Step 2.

Grievance Steps:

All grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance. In cases where a grievant is a steward, the grievant cannot be the steward of record.

Step 1. The grievant(s), with Union representation, shall file the grievance with their supervisor or a manager, whichever is appropriate for their work unit. Upon request of either Party, the Parties will meet to discuss the grievance. The supervisor/manager shall respond in writing to the grievant(s) with a copy to the Union within fifteen (15) calendar days from the receipt of the grievance.

All Step 1 grievance settlements are non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings now or in the future. Step 1 grievance settlements shall be reduced to writing and signed by the grievant and supervisor/manager. Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining Agreement, including but not limited to Article 5, or ORS Chapter 243, and shall not give rise to any bargaining or other consequential obligations.

Step 2. When the response at Step 1 does not resolve the grievance, the grievance must be filed by the Union within fifteen (15) calendar days after the Step 1 response is due or received, whichever is earlier. The appeal shall be filed in writing to the Agency Head or their designee, who shall respond in writing with a copy to the Union within fifteen (15) calendar days or thirty (30) calendar days for discipline, after receipt of the Step 2 appeal. Upon request of either Party, the Parties will meet to discuss the grievance.

"Agency Head" as used in this Section shall normally mean the appointed or elected executive head of the Agency, except as follows:

- Licensing Boards—Chief Administrative Officer
- OHA Institutions—Institution or Facility Superintendent

Step 3. Failing to settle the grievance in accordance with Step 2, the appeal, if pursued, must be filed by the Union and received by the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after the Step 2 response is due or received, whichever is earlier. The Labor Relations Unit shall schedule a meeting to occur within thirty (30) calendar days of receipt of the grievance, unless mutually agreed otherwise. The Labor Relations Unit shall respond in writing with a copy to the Union within fifteen (15) calendar days from the date of the Step 3 meeting. If the Union wishes to pursue a grievance involving only temporary employees beyond Step 3, the issue must first be submitted to grievance mediation. The request to initiate mediation shall be submitted by the Union to the Labor Relations Unit within fifteen (15) days of the Step 3 response.

Step 4. Grievances which are not satisfactorily resolved at Step 3 may be appealed to arbitration. If the Union intends to appeal to arbitration, the appeal must be received by the Labor Relations Unit of the Department of Administrative Services within forty-five (45) calendar days after the Step 3 response was due or received, whichever is earlier. If the Union has filed a notice of intent to arbitrate a grievance, a letter from the Union requesting an arbitrator shall be sent to the Labor Relations Unit within sixty (60) days of such notice or the grievance will be deemed withdrawn.

All grievances shall be processed in accordance with this Article and it shall be the sole and exclusive method of resolving grievances, except for the following Articles:

- Article 2 – Recognition
- Article 5 – Complete Agreement/Past Practices
- Article 21 – Grievance and Arbitration Procedure, Section 4
- Article 22 and 22T – No Discrimination
- Article 56 and 56T – Sick Leave (FMLA/OFLA)
- Article 81 – Reclassification Upward, Reclassification Downward, and Reallocation
- Article 101 and 101T – Safety and Health, Section 9 (101) and Section 2 (101T)
- Article 138 – Working Remotely
- LOA 27.00-19-325 – Equal Pay

Section 2. Timelines specified in this and the above-referenced Articles shall be strictly observed, unless either Party requests a specific extension of time, which if agreed to, must be stipulated in writing and shall become part of the grievance record. "Filed" for purposes of Step 1 through Step 4 grievances shall mean postmarked (dated by meter or U.S. Post Office), date of email or other electronic format, or fax received by close of the business day or actual receipt.

Grievance filings and appeals shall include the grievance form, and in the case of appeals, management responses at the previous step. Any other documentation may be presented at the grievance meeting or submitted electronically.

The timeline for the Employer response at each grievance step shall begin the first day following the day of receipt. The timeline for the Union appeal to the next higher step shall begin the first day following the day the Employer response is due or received, whichever is earlier.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified timeline, the grievance may be advanced to the next step of the grievance procedure. The grievance must be filed at the next step within the specified timeline outlined in Section 1. If the grievant or Union fails to meet the specified timeline, the grievance will be considered withdrawn and it cannot be resubmitted.

Grievance steps referred to in this Article may be waived by mutual agreement in writing. Such written agreements shall become part of the grievance file.

Section 3. When required by the Employer to investigate the grievance, any time spent by employee(s) to attend meetings during regular working hours, shall be considered as work time.

Section 4. Group Grievances. Where there are group grievances in Agencies involving two (2) or more supervisors, such grievances shall be filed and processed in accordance with Step 2 of the grievance procedure. When a grievance involves employees in more than one (1) Agency, such grievance shall be filed and processed in accordance with Step 3 of the grievance procedure. The Union shall provide a copy of the Step 3 grievance to all agencies included in the group grievance. The grievance shall specifically enumerate, by name, the affected employees, when known. Otherwise, the affected employees will be generically described in the grievance.

However, when the arbitrator originally selected is unable to schedule a hearing within the three (3) month period, the next arbitrator in rotation will be sent the same dates to schedule the hearing. In instances where the Parties agree to consolidate cases, meaning combining a related disciplinary action with a pending arbitration case, the arbitrator assigned to handle the first case will also be assigned to handle the subsequent matter. Arbitrators will use cancellation days and any unused scheduled days for writing awards on any outstanding cases under this Agreement. Cancellation fees will be applied toward any writing days.

In cases where arbitrability is affirmed, the arbitrator's award will include written findings on arbitrability.

(f) The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties. Section 7. Expedited Arbitration Procedure. The expedited procedure shall be used for either grievances involving Articles exclusively applying to temporary workers or, with the mutual agreement of the Employer and Union, for other grievances. For grievances that do not involve Articles exclusively applying to temporary workers, either the Employer or Union may

(d) The arbitrator may issue, at their discretion, a bench decision at the conclusion of the hearing or may issue a written award no later than seven (7) calendar days from the close of the hearing excluding weekends and holidays.

(e) All decisions shall be final and binding on the Employer and Union. An arbitration award will be non-precedential if mutually agreed upon by the Parties before the hearing starts. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.

Section 8. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. Section 12. The Parties acknowledge that an Agency, at its own discretion, may offer a last chance agreement to an employee. Last chance agreements will be signed by the employee and the Union unless the employee affirms in writing that the Union not be a Party to the agreement. Such agreement, if offered, shall include the conditions, consequences of failure and term of agreement. The employee's response, if in writing, shall be attached permanently to the complaint and copies thereof. Only employees receiving a bilingual or multilingual differential will be required to provide interpretation or translation services on behalf of their Agency.
*NOTE: This differential will be paid to School for the Deaf employees excluding intermittents whose assignments require the use of sign language. Section 5. Shift Differential.

(a) Eligibility. All employees required to work a designated schedule shall be paid a differential as outlined in Subsections (b) and (c) below, for each hour or major portion thereof (thirty (30) minutes or more), worked between 6:00 p.m. and 6:00 a.m. and for each hour or major portion thereof worked on Saturday or Sunday. When a work schedule is requested by an employee and approved by the Agency, and the requested schedule contains hours outside of the hours designated for the employee's position by the Agency, shift differential pay shall be waived by the employee for the hours affected by the change.

(b) All Agencies, except OSH: Registered Nurses and Nurse Practitioners will receive a shift differential of four dollars and fifty cents ($4.50) per hour. Licensed Practical Nurses will receive a shift differential of two dollars ($2.00).

(c) All other personnel will receive a differential of one dollar and fifty cents ($1.50) per hour.

Section 6. Leadwork Differential.

(a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor in writing, "leadwork" duties for ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules) or longer provided the leadwork or team leader duties are not included in the classification specification for the employee's position. Leadwork is where, on a recurring daily basis, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.

(b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

(c) Leadwork differential shall not be computed at the rate of time and one-half (1 ½) for the time worked in an overtime or holiday work situation. However, leadwork differential shall be included in calculation of the overtime rate of pay. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the leadworker differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

(d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

(e) If an employee believes that they are performing the duties that meet the criteria in Subsection (a), leadworker, but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that leadwork duties were in fact assigned and are appropriate, the leadwork differential will be effective beginning with the day the employee notified the Agency Head of the issue.

If the Agency determines that the leadwork duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

If the Agency concludes that the duties are not leadwork, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.

Section 7. Leadwork Differential. ODOT Highway Division, TMS1, TMS2 and Transportation Operations Specialist.

(a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor "leadwork" duties for five (5) days (or the equivalent thereof for alternate or flexible schedules) or longer in a calendar month; or five (5) (or the equivalent thereof for alternate or flexible schedules) consecutive calendar days or longer that span the end of one (1) month and the beginning of the next month. In no case shall days be counted twice to meet the leadwork pay qualification.

(b) Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance of standards and provide informal assessment of workers' performance to the supervisor.

Section 8. Differential Pay IS Team Lead.

(a)

(1) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with subsection (5) below.

(2) The differential shall be ten percent (10%) beginning from the first (1st) day the duties were formally assigned in writing.

(3) Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).

(4) The differential shall be ten percent (10%) above the employee's base salary rate.

(5) For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties, the employee leads a team of employees and performs substantially all of the following duties under supervisory direction:

(A) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.

(B) Establishes and coordinates multiple interrelated project schedules for all projects on which the team is working.

(C) Works directly with multiple users to identify broad user needs and requested timelines when projects are submitted for the team.

(D) Provides technical/operation guidance to contractors and monitors quality assurance.

(E) Develops technical standards and monitors team members' work for compliance.

(F) Performs leadwork duties on a recurring daily basis, as listed in Article 26, Section 6 of the Master Agreement, which are to orient new employees, if appropriate, assign and reassign tasks to accomplish prescribed work efficiently, give direction to workers concerning work procedures, transmit established standards of performance to workers, review work of employees for conformance to standards and provide informal assessment of workers' performance to the supervisor.

(b) Bargaining unit employees shall not be eligible for the differential if they are on voluntary developmental training assignments.

(c)

(1) If an employee believes that they are performing the duties that meet the criteria stated in Subsection a(5), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that Information Services Team Leader duties were, in fact, assigned and are appropriate, the differential will be effective beginning with the day the employee notifies the Agency Head of the issue.

(2) If the Agency determines that the duties were, in fact, assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

(3) If the Agency concludes that the duties are not Information Services Team Leader duties, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.

Section 9. Work Out-of-Classification.

(a) Temporary Assignment. Employees who are temporarily assigned to perform the duties of a higher-level classification shall receive a work out-of-classification differential. To qualify for this differential, the employee must perform the duties that distinguish the higher-level classification on a regular and significant basis for more than ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules). The employee shall be compensated for all hours worked beginning from the first day of the assignment for the full period of the assignment.

An employee performing duties out-of-classification for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee's file.

(b) Pending Upward Reclassification.

(1) If an Agency wishes to reclassify a position upwards, the Agency will gain approval from DAS CHRO the higher classification is appropriate. When an Agency receives approval from DAS CHRO agreeing a reclassification upward is appropriate, the Agency will pay work out-of-classification pending reclassification effective the date the Agency requested approval from DAS CHRO. Agencies will designate the reason for the work out-of-class in the state Human Resources Information System (HRIS) as Work Out-of-Classification – Pending Upward Reclassification.

(2) Work out-of-classification pending upward reclassification as a result of a request for classification review under Article 81, Section 2 shall be effective the date the reclassification request was received by the Agency.

(c) Work Out-of-Classification Pay Rate Determination.

The agency's appointing authority or management designee will conduct an internal assessment to determine the appropriate rate of the differential.

(1) Temporary Assignment.

If the outcome of the assessment is less than or equal to the employee's base salary plus five percent (5%), the differential will be five percent (5%) of the employee's base pay.

If the outcome of the assessment is greater than the employee's base salary plus five percent (5%), the differential will be a dollar amount equal to the difference between the salary identified by the assessment and the employee's base pay.

If the differential is a dollar amount, the agency will recalculate the differential whenever the employee's base salary changes (e.g., cost-of-living adjustments or step increases). A new assessment is not required.

(2) Pending Reclass.

If the assessment results in a step equal to or below the employee's current pay rate, the differential will be a dollar amount based on the next higher step in the new classification's salary range.

If the assessment results in a step above the employee's current pay rate, the agency will use the outcome of the assessment to determine the dollar amount of the differential.

The agency will recalculate the differential whenever the employee's base salary changes (e.g. cost-of-living adjustments or step increase). The adjustment will reflect the difference in pay as if the employee is in the higher classification. A new assessment is not required.

Employees at the top step of their current job classification will have the differential adjusted to the next step in the higher salary range annually on their benefit service date until their base salary plus the work out-of-classification differential reaches the top step of the higher salary range.

Assignments of work out-of-classification shall not be made in a manner in which will subvert or circumvent the administration of this Article.

Section 10. Work Out-of-Classification. ODOT.

(a) Transportation Maintenance Specialists. In addition to any entitlement to work out-of-classification pay pursuant to Section 10 of this Article, notwithstanding Transportation Maintenance Specialist 1s who are assigned to a TMS 2 Maintenance crew by their supervisor and who independently perform work consisting of sweeping, snow removal, sanding, de-icing or removal of land/rock slide materials from roadways at the Transportation Maintenance Specialist 2 (TMS 2) level shall be paid a differential of five percent (5%) over their base rate of pay for all hours of such work. Operation of heavy earth-moving equipment on land/rock slides and operation of a pick-up broom for sweeping are considered TMS 2 level work, whereas traffic control activities such as flagging, operating pilot vehicles and setting signs are not considered TMS 2 level work.

(b) Self-Managed Crews. Where the Agency utilizes self-managed work crews, crew members, including positional leaders, may not be entitled to work out-of-classification payments at the supervisory level unless they assume a majority of duties specific to that classification.

Section 11. Essential Worker Pay. When a situation exists that would otherwise close or curtail state offices, essential workers having to report to work, in-person, shall receive the Essential Worker Inclement Weather/Hazardous Conditions Pay differential.

The Essential Worker Inclement Weather/Hazardous Conditions Pay differential shall be four dollars ($4.00 per hour. Employees will receive the differential for their entire shift if any part of it falls on a designated closure day, regardless of when the closure starts or ends. Employees will receive the differential for their entire shift when it takes place during a curtailment.

DAS or ODOT will determine if a closure would have occurred on a weekend and/or a holiday when state offices are otherwise closed.

Section 12. Lateral Classification Assignment Differential. When an employee is temporarily assigned for a period of ten (10) or more consecutive calendar days (or the equivalent thereof for alternate or flexible schedules) to a lateral classification within the same salary range base number and the salary is a higher salary schedule, the employee shall be paid at the lowest step in the new schedule that provides the employee an increase in their base or adjusted rate of pay (if any).

Section 13. Underfill Differential. When the agency selects an employee to fill a higher-level classification position as an underfill, the employee shall be notified in writing that they are an underfill, provided with the reasons for the underfill, and informed of the requirements needed to meet the minimum qualifications of the position's classification. The agency's appointing authority or management designee will conduct an internal assessment to determine the appropriate dollar amount of the underfill differential. The assessment will be conducted using the work of a comparable character in the higher-level classification.

(a) If the assessment results in a step equal to or below the employee's current pay rate, the differential will be a dollar amount based on the next higher step in the new salary range. If that step provides an increase of less than two and five-tenths percent (2.5%), the agency will apply the next higher step in the new classification's salary range.
(b) If the assessment results in a step above the employee's current pay rate, the agency will use the outcome of the assessment to determine the dollar amount of the differential. If this increase is still less than two and five-tenths percent (2.5%), the agency will use the next higher step in the new classification's salary range to determine the dollar amount of the differential.
(c) The differential will be adjusted due to changes to the base salary (e.g. COLA or step increase).Once the employee meets the minimum qualifications of the position, the Agency shall administratively move the employee to the higher classification and the underfill differential shall be removed. This action is not considered a reclassification.
(d) New Hire.
(1) The agency's appointing authority or management designee will conduct an internal assessment to determine the appropriate dollar amount of the employee's base position upon hire before determining the underfill differential.
(2) When the employee is administratively moved to the higher position, the benefit service date remains unchanged.
(e) Current State Employee.
The employee's benefit service date is set out six (6) months from the date of placement into the underfill position. The employee will be eligible for a step increase at the conclusion of the six (6) months from the date of placement into the underfill and annually thereafter until they have reached top step in the higher classification's salary range, consistent with the Collective Bargaining Agreement.

The interpretation and translation skills must be assigned and contained in the employee's statement of duties. Only employees receiving a bilingual or multilingual differential will be required to provide interpretation or translation services on behalf of their Agency.

Only employees receiving a bilingual or multilingual differential will be required to provide interpretation or translation services on behalf of their Agency.

*NOTE: American Sign Language will count as one (1) of the two (2) foreign languages for purposes of the multilingual differential.

Section 3. Shift Differential.

(a) Eligibility. All employees required to work a designated schedule shall be paid a differential as outlined in Subsections (b) and (c) below, for each hour or major portion thereof (thirty (30) minutes or more), worked between 6:00 pm and 6:00 am and for each hour or major portion thereof worked on Saturday or Sunday. When a work schedule is requested by an employee and approved by the Agency, and the requested schedule contains hours outside of the hours designated for the employee's position by the Agency, shift differential pay shall be waived by the employee for the hours affected by the change.

ARTICLE 29--SALARY ADMINISTRATION

Section 1. Pay.

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or banking holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service.

Section 2. Step Increase. Employees shall be granted an annual step increase on their eligibility date if the employee is not at the top of the salary range of their classification.

Employees shall be eligible for step increases following the intervals of:

(a) Annual periods after the initial date of hire until the employee has reached the top step in their salary range. However, should an employee be promoted during the first (1st) year of service with the Employer, the employee shall not receive this increase, but shall be eligible for increases in Section 2(b).

(b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in their salary range.

Section 3. Internal Assessments & Benefit Service Date

Prior to making a job offer and with each change in an employee's position appointment, an agency appointing authority or management designee will conduct an internal assessment to determine the appropriate rate of pay. Internal Assessments are not required for lateral transfers within the same classification unless the personnel action is a lateral transfer into an underfill classification. Pay and Benefit Service Date will be established as follows:

(a) Promotion:
- (1) If the assessment results in a step above the employee's current pay rate, the agency will use the outcome of the assessment.
- (2) If the assessment results in a salary range step where the pay is less than two and five-tenths percent (2.5%) greater than the employee's current pay rate, the agency will move the employee into the next higher step in the new classification's salary range.
- (3) If the employee's benefit service date falls within forty-five (45) calendar days of the start date of their new position and they have not yet reached the top step of their current range, the promotion will be processed as if the employee had already reached their benefit service date.
- (4) Agencies will consider the work-out-of-class pay as part of the employee's base wages when the employee has been in a work-out-of-class status for twelve (12) months or longer.
- (5) The benefit service date is adjusted to six (6) months from the date of promotion unless the employee is already at the top step of the new salary range, in which case the benefit service date is the date the promotion occurred.

(b) Demotion and Lateral Transfer:
- (1) If the employee's current pay falls within the new classification's range and the assessment results in a step equal to or greater than their current pay, the agency will apply the outcome of the assessment.
- (2) If the employee's current pay exceeds the top step of the new classification, their pay will be reduced to the top step of the new classification.
- (3) If the employee's current pay falls within the new classification's range but the assessment places them below their current pay rate, the agency will retain their current pay. If this places the employee off-step, they will advance to the next higher step at their next benefit service date and then move up an additional step — not to exceed the top step of the range.
- (4) The benefit service date remains unchanged.
- (5) This Section shall not apply to demotions resulting from official disciplinary actions.

(c) Reemployment after a less than two (2) year break in service:
- (1) The agency's will conduct an internal assessment to determine the appropriate rate of pay.
- (2) The employee's previous benefit service date, adjusted by the amount of the break in service, shall be restored.

(d) Return from layoff, return from downward reclassification and return from demotion in lieu of layoff:
- (1) If the assessment results in a step equal to or lower than the step the employee held at the time of layoff, they will be returned to that same step.
- (2) If the assessment results in a higher step, the agency will apply the outcome of the assessment.
- (3) On a return from layoff, the previous benefit service date, adjusted by the amount of the break in service, shall be restored.
- (4) On a return from demotion in lieu of layoff or return from downward reclassification, the benefit service date remains unchanged.

(e) Return from trial service removal:
- (1) If the assessment results in a step equal to or lower than the step the employee held in their previous classification, they will be returned to that same step.
- (2) If the assessment results in a higher step, the agency will apply the outcome of the assessment.
- (3) On a return from trial service removal, the employee's previous benefit service date will be restored.

Section 4. Release of Wages in Emergency. Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority or designee, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:

- (a) Death in family
- (b) Major car repair
- (c) Theft of funds
- (d) Automobile accident (loss of vehicle use)
- (e) Accident or sickness
- (f) Destruction or major damage to home
- (g) New employee lack of funds (maximum--one (1) draw)
- (h) Moving due to transfer or promotion.

Section 5. Underpayments.

Upon notice from an employee, the State will pay undisputed, underpaid wages. If the underpayment is less than five percent (5%) of the employee's gross wages, the amount will be paid no later than the next regular payday. If the underpayment is more than five percent (5%) of the employee's gross wages, the amount will be paid within three (3) business days.

Section 6. Recoupment of Wage and Benefit Overpayments.

(a) If an employee receives an erroneous overpayment of wages that exceeds their entitlement, the Agency may recover the overpaid amount through payroll deduction, provided that the overpayment occurred within the timeframe specified in statute; and the Agency gives the employee a written statement at least ten (10) calendar days in advance of the deduction. The written statement must include the following:
   (1) an itemization of the overpayment amount and the reason for the deduction;
   (2) repayment options available to the employee, as follows:
      - Payroll deductions for overpayments shall not exceed five percent (5%) of the employee's gross pay each pay period, unless the employee requests and specifies that a greater percentage or amount may be deducted.
      - If the total overpayment exceeds five percent (5%) of the employee's monthly gross wages, the employee may request alternate repayment arrangements within ten (10) calendar days of receiving notice. Requests for a repayment amount less than five percent (5%) of gross wages per pay period are subject to mutual agreement with the agency.
      - If mutual agreement is not reached within ten (10) calendar days, the repayment agreement will default to five percent (5%) of gross wages per pay period.
   (3) if the employee is terminated or otherwise separates from employment, the Agency may recoup the balance owed from the employee's final paycheck. In the event the employee transfers to another state agency, the recoupment plan established above shall remain in effect.

(b) An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

REV: 2019, 2021,2025

ARTICLE 29T--SALARY ADMINISTRATION (Temporary Employees)

Section 1. Pay.

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month or semi-monthly, as appropriate. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10^{th}) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment as a temporary employee.

(d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
   (1) Death in family
   (2) Major car repair
   (3) Theft of funds
   (4) Automobile accident (loss of vehicle use)
   (5) Accident or sickness
   (6) Destruction or major damage to home
   (7) New employee lack of funds (maximum--one (1) draw)
   (8) Moving due to transfer or promotion.

Section 2. Recoupment of Wage and Benefit Overpayments.

(a) If an employee receives an erroneous overpayment of wages that exceeds their entitlement, the Agency may recover the overpaid amount through payroll deduction, provided that the overpayment occurred within the timeframe specified in statute; and the Agency gives the employee a written statement at least ten (10) calendar days in advance of the deduction. The written statement must include the following:

(1) an itemization of the overpayment amount and the reason for the deduction;
(2) repayment options available to the employee. Payroll deductions for overpayments shall not exceed five percent (5%) of the employee's gross pay each pay period, unless the employee requests and specifies that a greater percentage or amount may be deducted; and
(3) if the employee is terminated or otherwise separates from employment, the Agency may recoup the balance owed from the employee's final paycheck. In the event the employee transfers to another state agency, the recoupment plan established above shall remain in effect.

(b) An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

ARTICLE 30--PAYROLL COMPUTATION PROCEDURES

Section 1. Definitions.

(a) Permanent Full-Time: A permanent position equivalent to eight (8) hours per day or forty (40) hours per week. A permanent full-time employee will be paid on a monthly salary basis, and all benefits will be calculated on a monthly pay status basis.

(b) Permanent Part-Time: A permanent position less than permanent full-time. A permanent part-time employee will be paid on a fixed partial monthly or hourly salary basis, and all benefits will be calculated on a partial monthly or pay period, pay status basis. All permanent part-time employees whose work hours are regularly scheduled (work hours are based on a predetermined schedule) shall be paid on a fixed partial monthly basis.

(c) Seasonal Full-Time: A seasonal position normally equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on a monthly, hourly, or fixed partial monthly salary basis. All benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(d) Seasonal Part-Time: A seasonal position normally less than equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on an hourly basis and all benefits will be calculated on a partial pay period, pay status basis.

(e) Temporary Full-Time: A temporary appointment equivalent to eight (8) hours per day or forty (40) hours per week. A temporary full-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(f) Temporary Part-Time: A temporary appointment less than full time. A temporary part-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(g) Number of Workdays in Month or Pay Period: Number of possible workdays in the month or pay period based on the employee's weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee's work schedule are counted as workdays for that month or pay period.

(h) Hourly Rates of Pay: The hourly equivalent of the monthly base rates of pay as published in the Compensation Plan. The hourly rates are computed by dividing the monthly salary by 173.33 (or by 162.5 for certain Printer classifications).

(i) Partial Month's Pay: A prorated monthly or pay period salary. The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month's pay is computed as follows:

$$\frac{115}{121} \times \textit{Full Month Salary} = \textit{Gross Partial Pay}$$

(j) Days Worked: Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee's service period.

Section 2. General Compensation.

(a) Permanent Full-Time Employees: Pay and benefits will be computed on a monthly pay status basis.

(b) Permanent Part-Time Employees:
(1) Pay and benefits will be computed on a prorated monthly or pay period basis, such as one-half (½) monthly or pay period pay for a half-time employee, or pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis. Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.
(2) Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less than the regular part-time schedule shall have time deducted at the hourly rate.

(c) Seasonal Full-Time Employees: Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.

(d) Seasonal Part-Time Employees: Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.

(e) Job Sharing Employees: The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.

(f) Temporary Full-Time Employees: Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.

(g) Temporary Part-Time Employees: Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.

(h) Partial Month's Pay or Partial Pay Period:

(1) Partial month's pay (or prorated monthly or pay period pay) is applied when:

(A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee's work schedule).

(B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee's work schedule).

(C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.

(D) An employee is appointed to a permanent part-time position.

(2) See definition for partial month's pay under Section 1(i) for computation procedures.

(i) Changes in Salary Rate: When an employee's salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

$$\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{Old Rate} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{New Rate} = \text{Gross Pay}$$

Section 3. The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.

ARTICLE 31--INSURANCE

Section 1. Employer Contribution.

(a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage, unless otherwise required by law.

(b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

Section 2. Full-Time Employees.

An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular hours in a month, unless otherwise required by law.

For Plan Year 2025, the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least ten percent (10%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

For Plan Years 2026 and 2027, the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least five percent (5%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

Section 3. Less-Than-Full-Time Employees.

(a) For less-than-full-time employees (including part-time, seasonal, and intermittent employees), who have at least eighty (80) paid regular hours in the month, the Employer shall contribute a prorated amount of the contribution for full-time employees, unless otherwise required by law. "Regular hours" means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, "regular hours" shall include additional non-overtime hours worked above an employee's regular work schedule. In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more, fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, they shall be allowed to use available vacation or comp time to maintain their eligibility for benefits and the Employer's contribution for such benefits.

(1) The Employer contribution amount of the plan selected by the employee will be calculated as follows:

i. Part-Time, Seasonal and Intermittent Employees Electing Part-Time Insurance.
Part-time premium rate x Employer contribution percentage x the ratio of paid regular hours to full-time hours to the nearest full percent = State contribution.
In addition, there shall be a subsidy based on the employee's coverage tier, for the Plan Years covered in this Article. The part-time subsidy shall be determined by PEBB for each Plan Year.

ii. Part-Time, Seasonal and Intermittent Employees Electing Full-Time Insurance.
Full-time premium rate x Employer contribution percentage x the ratio of paid regular hours to full-time hours to the nearest full percent = State contribution.

Section 4. Coordination of Benefits. The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

Section 5. Administration. Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees' flex benefit account or to PEBB, as directed by PEBB.
Section 6. The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due.
(See Letter of Agreements 31.00-13-248 & 31.00-13-252 in Appendix A.)

REV: 2013, 2015, 2017, 2019, 2021,2023,2025

ARTICLE 32--OVERTIME

Section 1. Definition of Time Worked. All time for which an employee is compensated at the regular straight time rate of pay, including work-related telephone calls made to or by an employee after the end of their work-shift, shall be counted as time worked with the following exceptions:

- Holidays which fall on an employee's scheduled day off;
- On-call time (Article 34);
- Penalty payments (Article 40);
- Interview Leave (Article 45);
- Inclement or Hazardous Conditions Leave (Article 123).

Section 2. Overtime Work Definition. Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime.
Section 3. Compensation. All employees shall be compensated for overtime at the rates set out in Section 4. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1½), or to effect a "pyramiding" of overtime and penalty payments.

Section 4. Eligibility for Overtime Compensation.

(a) Overtime-Eligible Positions. Time and one-half (1½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and ORS 653.269(5)(a) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:

- 6214 Institution RN
- 6255 Nurse Practitioner

Such time and one-half (1½) compensation shall be in the form of cash or compensatory time, pursuant to Articles 32.1-32.5.

In Agencies where there is no contractual limitation on the accumulation of compensatory time the Employer may:

(1) schedule unilaterally up to forty (40) hours of unused compensatory time per employee per fiscal year, after prior notice of at least five (5) working days to the affected employees; and/or

(2) pay off in cash some or all of an employee's unused compensatory time once per fiscal year.

(b) Straight-Time-Eligible Positions. Employees in positions, except as identified in Section 4 above, which have been determined to be executive, administrative, or professional as defined by the FLSA and ORS 653.269(5)(a) shall receive time off for authorized time worked in excess of eight (8) hours per day or forty (40) hours per week at the rate of one (1) hour off for one (1) hour of overtime worked subject to limitations of Articles 32.1-32.5.

This time off shall be utilized within the fiscal year earned or shall be lost, except when the scheduling has been extended by the Agency or as otherwise specified below. At ninety (90) days prior to loss of such straight time, employees shall be notified that they must use or lose the hours. Time earned in the last ninety (90) days may, at the discretion of management, be carried forward into the next fiscal year. However, such carry forward may not increase the total straight time that may be accrued in that year. If time off requests are denied for use of accrued leave before the year ends, these accrued hours will be paid in cash upon forfeiture. Employees will take all necessary steps to request use of straight time during the fiscal year. Employees shall be paid out any unused straight time upon separation from employment.

(c) No overtime is to be worked without the prior authorization of management.

Section 5. Schedule Change. When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.
Section 6. Record. A record of all overtime worked shall be maintained by the Agency.
Section 7. Change in FLSA Status.

(a) DAS shall provide the Union with no less than twenty (20) days written notice of its intent to exempt from overtime a filled bargaining unit position. DAS agrees not to change the position's designation during this twenty (20) day period.

(b) Employees may challenge their position's designation by providing notice and requesting a desk audit to the Agency Human Resources Department. The Agency shall conduct the desk audit and make a determination in writing within thirty (30) days of the request, or as extended by mutual agreement.

(c) Should the Union decide to contest the proposed change in status, it shall serve DAS with written notice of such intent within twenty (20) days of its receipt of the notice. Should such notice be given, DAS will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow time to investigate whether there are grounds to contest the proposed change in status. If the Union decides to pursue challenging an exemption it must file with Department of Labor (DOL)/Bureau of Labor and Industries (BOLI) prior to the end of this forty (40) day period. In such event, DAS agrees to forego implementing a change in designation until the matter is resolved by way of DOL/BOLI decision, settlement or other manner.

(d) If timely notice indicating intent to contest the exemption during the initial twenty (20) day period is not received or if the Union does not proceed forward during the subsequent forty (40) day period, the position's designation shall be changed, and the Parties agree not to contest the status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exemption is no longer warranted.

(e) For purposes of this Section, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

REV: 2015, 2019,2023,2025

ARTICLE 32T--OVERTIME (Temporary Employees)

Section 1. Time Worked Definition. Time worked is defined as actual hours worked.

Section 2. Overtime Work Definition. Overtime for non-exempt employees working any work schedule is actual time worked in excess of forty (40) hours per workweek.

Section 3. Compensation. All non-exempt employees shall be compensated for overtime at time and one-half (1½) of their regular hourly rate. No overtime is to be worked without the prior authorization of management.

Section 4. No application of this Article shall be construed or interpreted to provide compensation for overtime at a rate exceeding time and one-half (1½), or to effect a "pyramiding" of overtime and penalty payments.

Section 5. Record. A record of all overtime worked shall be maintained by the Agency.

ARTICLE 32.1--OVERTIME (Human Services Coalition)

Section 1. Assignment of Overtime. In assigning overtime work, the Agency agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee.

Section 2. Distribution of Overtime. Overtime will be assigned to volunteers according to seniority, the most senior having priority. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

Section 3. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to effect Agency services.

Section 4. Payment of Overtime. Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees who work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of one hundred and eighty (180) hours. Compensatory time may be paid off quarterly at the option of the employee or the Employer.

Section 5. Straight Time. Exempt status employees as defined by Article 32, Section4(b) may accumulate to a maximum of one hundred and forty (140) hours of straight time. The employee may request a straight time cash payment, it may be paid off quarterly or once an employee meets the maximum accrual of one hundred and forty (140) hours. Management retains the right to deny a straight time cash payout request. If the cash payout is denied the employee and manager will determine a mutually agreed upon time off prior to exceeding the cap.

Section 6. Overtime Break. When an employee is required to work overtime two (2) or more hours beyond the end of the shift, they, at the employee's discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

Section 7. Subject to the operating requirements of the Agency, the employee may take accrued compensatory time off for overtime earned following approval by their supervisor. If the Agency is unable to schedule time off, the Agency shall pay cash for the balance of the unused compensatory time. If two (2) or more employees request the same time off, and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of continuous service with the Agency shall be granted time off. This option shall only be used once in every twelve (12) months by an individual employee.

(See Letter of Agreement 32.1M-15-281 in Appendix A.)

REV: 2023,2025

ARTICLE 34--STANDBY DUTY/ON-CALL DUTY

Section 1. Standby Duty.

(a) An employee shall be on standby duty when required to be available for work outside their normal working hours, and subject to restrictions consistent with the FLSA which would prevent the employee from using the time while on standby duty effectively for the employee's own purposes.

(b) Compensation for standby duty shall be at FLSA-eligible employee's straight time rate of pay or for FLSA-exempt employees hour for hour compensatory time off. Overtime hours shall be at the appropriate overtime pay rate pursuant to Article 32.

Section 2. On-Call Duty.

(a) Employees shall be paid one (1) hour of pay at the regular straight time rate for each six (6) hours of assigned on-call duty. Employees who are assigned on-call duty for less than six (6) hours shall be paid on a prorated basis.

(b) Employees assigned on-call duty on a holiday shall be paid one (1) hour of pay at time and one-half (1 ½) their regular hourly rate for each six (6) hours of assigned on-call duty. Employees are assigned on-call duty for less than six (6) hours shall be paid on a prorated basis.

(c) An employee shall be assigned on-call duty when specifically required to be available for work outside their working hours and not subject to restrictions which would prevent the employee from using the time while on-call effectively for the employee's own purposes.

(d) No employee is eligible for any premium pay compensation while on on-call duty except as expressly stated in this Article.

(e) On-call duty time shall not be counted as time worked in the computation of overtime hours worked but on-call pay shall be included in the calculation of the overtime rate of pay.

Section 3. Compensation for Time Worked.

(a) An employee shall not be on standby duty or on-call duty once they actually commence performing assigned duties and receives the appropriate rate of pay for time worked.

If a temporary work re-assignment will last longer than six (6) months, the Agency will notify the employee and Union in writing of the anticipated duration of the extension, prior to extending the assignment. Any applicable private vehicle milage reimbursement will be in accordance with DAS Statewide Travel Policy 40.10.00. The Agency will notify an employee in writing thirty (30) days in advance of a temporary work re-assignment involving a change in the employee's worksite of twenty-five (25) miles or more, unless mutually agreed to waive the timeframe. If the change is less than twenty-five (25) miles, the Agency will notify he employee in writing five (5) working days in advance of the temporary work re-assignment, when feasible.

Section 6. Posting of Vacancies. At the point the Department proceeds to fill a vacant position by open competition, lateral transfer or promotion, such information will be publicized within the Department for a minimum of seven (7) calendar days.

Section 7. Order of Lists. The Department layoff list will take precedence over any other method of selection or list. Qualified hardship transfer candidates will be selected before any lateral transfer, department promotion or open-competitive candidate.

Section 8. Interview Feedback. Any Department candidate interviewed, but not selected for a vacant position, may request feedback. The employee may request to have the feedback provided orally or in writing and the hiring supervisor will respond accordingly. Both the request and response will be timely.

ARTICLE 49.1M--TRIAL SERVICE FOR SOCIAL SERVICE SPECIALISTS AND DISABILITY ANALYST 1 (ODHS-OHA)

Section 1. Each person appointed to a position in the Social Service Specialist classification series and performing child welfare work shall serve a trial service period of one (1) year. (b) When in the judgment of the Appointing Authority, performance has been adequate to clearly demonstrate the competence and fitness of the employee, the Appointing Authority may at any time appoint the employee to regular status. If the employee does not receive a written performance appraisal by the end of the first six (6) months that employee will automatically assume permanent status.

(c) Nothing in this provision is intended to modify any other provisions and benefits which the employee would otherwise be entitled to receive after an initial six (6) month trial service.

Section 2. Each person appointed to a position in the Disability Analyst 1 classification shall serve a trial service period of nine (9) months. However, the trial service will be six (6) months for an employee who has prior experience evaluating or adjudicating applicants for the Social Security Disability Insurance and Supplemental Security Income in another state, and as a result of that experience, is not required to attend Basic Disability Analyst training. The performance expectations for those employees serving a nine (9) month trial service period shall be adjusted in consideration of the period of initial training required.

To insure that Disability Analyst employees continue to be successful in completing their training and nine (9) month trial service period, the Parties agree that the training evaluation committee has been created for the purpose of on-going evaluation of this effort. It is further agreed that this committee should comprise an equal number of labor and management representatives. Recommendations developed by this committee will be submitted to whomever the DDS Administrator reports to.

ARTICLE 50--TRANSFER DURING TRIAL SERVICE

Section 1. An employee who is transferred to another position in the same classification or a different classification at the same or lower salary level in the same Agency shall complete the trial service period by adding the service time in the former position.

Section 2. An employee who is transferred to another position in the same classification or a different classification at the same or lower salary level in another Agency prior to the completion of the trial service must complete a full trial service period in the new position.

ARTICLE 51--LIMITED DURATION APPOINTMENT

Section 1. Limited Duration Appointments. An Agency may hire employees for special studies or projects of uncertain or limited duration which are subject to the continuation of a grant, contract, award, or legislative funding for a specific project. Additionally, employees may be hired as limited duration appointments, for workload purposes, when needed to fill short-term or transitional assignments, including, but not limited to, legislative directive, reorganizations, unanticipated workload needs or when position reduction is anticipated.

(a) Limited duration appointments may be filled by hiring new employees to state service or hiring current employees.

(b) Such appointments shall be for a stated period not exceeding two (2) years. If an Agency needs to extend a limited duration appointment beyond two (2) years, they will provide written notice of the extension to the employee. A copy of the notice shall be forwarded to SEIU Local 503 (mrc@seiu503.org) and the DAS CHRO Labor Relations Unit (LRU@das.oregon.gov). The notice of extension will include:

- the employee's name, email address and contact phone number;
- the employee's classification;
- the date the employee was originally appointed to the limited duration position;
- the date the limited duration appointment is scheduled to end;
- the reason for extension; and,
- the date the limited duration appointment is being extended through.

(c) These appointments will not be used in a manner that subverts or circumvents the filling of budgeted positions pursuant to Article 45 and Article 45.1-45.5. The Employer will not end a limited duration appointment to circumvent Section 3(b) below.

Section 2. Conditions of Limited Duration Appointments. An employee accepting such appointment shall be notified of the conditions of the appointment and acknowledge in writing that they accept that appointment under these conditions. Such notification shall include the following:

(a) The appointment is of limited duration.

(b) The appointment may cease at any time within the first twenty-four (24) months.

(c) If an appointment extends beyond twenty-four (24) months, the appointment may cease at any time only when special studies, projects, or the need for additional workload ends.

(d) Employees that accept a limited duration appointment who are newly-hired to state employment or have not gained regular status in their current position are not entitled to layoff rights except as provided for in Section 4(b). If a limited duration employee is hired directly into a permanent position in the same classification within the same Agency, time served in the limited duration appointment shall count towards the required trial service period in the permanent position. If the limited duration appointment was equal to or longer than the required trial service period, they shall not be required to serve a trial service period and shall be considered a regular status employee.

(e) In all other respects, limited duration appointees have all rights and privileges of other classified employees including but not limited to wages, benefits, and Union representation under this Agreement.

Section 3. Layoff and Recall Rights.

(a) A newly-hired employee to state employment for a special study or project limited duration appointment shall not be entitled to layoff rights unless the special study or project limited duration appointment exceeds two (2) years. In the latter instance, they shall be placed on the Agency recall list and the secondary recall list in the affected geographic area when the limited duration appointment ends.

(b) A newly-hired employee to state employment for a workload limited duration appointment shall be entitled to layoff rights after seventeen (17) months of continuous employment.

(c) A current, regular status employee hired into a limited duration appointment shall be entitled to layoff rights within the Agency where the limited duration appointment occurred. The Agency will initiate the layoff procedure pursuant to Article 70, Section 2 as follows:

(1) If the employee was hired into a special study or project limited duration appointment, the Agency will initiate the layoff procedure in the classification the employee held prior to the limited duration appointment, regardless of the length of the limited duration appointment.

(2) If the employee was hired into a workload limited duration appointment, the Agency will initiate the layoff procedure in the classification that has the higher salary range between:

(A) The classification the employee held prior to the limited duration appointment, regardless of the length of the limited duration appointment, or;

(B) The classification of the workload limited duration appointment, provided the employee has worked seventeen (17) continuous months.

Section 4. Reports. Upon request, the Employer shall provide a report to the Union listing all SEIU represented limited duration appointments and the reason for those appointments..

REV: 2015, 2019,2023,2025

ARTICLE 52--JOB SHARING

Section 1. "Job sharing position" means a full-time position that may be held by more than one (1) individual on a shared time basis whereby each of the individuals holding the position works less than full-time.

Section 2. Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Appointing Authority to be considered for job share positions. An employee may also request that their position be considered for job share. The Appointing Authority shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where job sharing is determined appropriate, the Appointing Authority agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency. Where job sharing is determined inappropriate, the Appointing Authority agrees to provide written notification of the reason(s) to the employee.

Section 3. Job sharing employees shall accrue vacation leave, sick leave, and holiday pay based on a prorate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 4. Job sharing employees shall be entitled to share the full Employer-paid insurance benefits for one (1) full-time position based on a prorate of regular hours scheduled per week or per month, whichever is appropriate. In any event, the Employer contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Employer-paid insurance benefits and the full premium amount through payroll deduction.

Section 5. If one (1) job sharing partner in a job sharing position is removed, dismissed, resigns, or otherwise is separated from state service, the Appointing Authority has the right to determine if job sharing is still appropriate for the position. If the Appointing Authority determines that job sharing is not appropriate for the position or the Appointing Authority is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Appointing Authority, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 53--VOLUNTARY DEMOTION

An employee may make a request in writing to the Appointing Authority for a demotion from a position in one (1) classification to a vacant position in a classification of a lower rank for which the employee is qualified. If the Appointing Authority approves the request, the employee so demoted may, at a later date, request that their name be placed on an appropriate list for reemployment to the higher classification.

(See Letter of Agreement 00.00-99-51 in Appendix A.)

ARTICLE 55--PERSONAL LEAVE DAYS

Section 1. All employees after completion of six (6) months of service shall be entitled to receive personal leave days in the following manner:

(a) All full-time employees shall be entitled to twenty-four (24) hours of personal leave with pay each fiscal year;

(b) Part-time, seasonal, and job share employees shall be granted such leave in a prorated amount of twenty-four (24) hours based on the same percentage or fraction of month they are hired to work, or as subsequently formally modified, provided it is anticipated that they will work one thousand and forty (1,040) hours during the fiscal year.

Section 2. Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner.

Section 3. Such leave may be used by an employee for any purpose they desire and may be taken at times mutually agreeable to the Agency and the employee.

ARTICLE 56--SICK LEAVE

Section 1. Sick Leave with Pay. Sick leave with pay for employees shall be determined in the following manner:

(a) Eligibility for Sick Leave with Pay. Employees shall be eligible for sick leave with pay immediately upon accrual.

(b) Determination of Service for Sick Leave with Pay. Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro-rata accrual of sick leave credits each month.

(c) Accrual Rate of Sick Leave with Pay Credits. Full-time employees shall accrue eight (8) hours of sick leave with pay credits for each full month they are in pay status. Employees who are in pay status for less than a full month shall accrue sick leave with pay on a prorated basis.

Section 2. Utilization of Sick Leave with Pay. Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:

- illness;
- bodily injury;
- disability resulting from pregnancy;
- necessity for medical or dental care;
- preventive routine health care, including but not limited to screenings, services and counseling to help prevent illness;
- appointments associated with any benefit included in employee health, dental and vision plans;
- if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or stalking, pursuant to ORS 659A.270 through 659A.290;
- attendance at an employee assistance program;
- exposure to contagious disease;
- for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties;
- Parent (includes biological, adoptive, stepparent, foster parent, or legal guardian, or the parent of your spouse/domestic partner, or your parent's spouse/domestic partner, or in loco parentis), child (includes biological, adopted, stepchild, or foster child; spouse/domestic partner's child, or the child's spouse/domestic partner, or a child for whom the employee stood in loco parentis), sibling or stepsibling or the sibling's or stepsibling's spouse or domestic partner, grandparent or the grandparent's spouse or domestic partner, grandchild or the grandchild's spouse or domestic partner, members of the immediate household, or an individual who is related by affinity to the employee.
    - When an employee uses sick leave to care for a family member who is related by affinity, the agency may require the employee to attest in writing that the employee and the person cared for have a significant personal bond that, when examined under the totality of the circumstances is like a family relationship.
- parental leave;
- for an employee to donate blood that is made in connection with a voluntary program for the donation of blood approved or accredited by the American Association of Blood Banks or the American Red Cross;
- Paid Leave Oregon.

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. (See Section 9 for FMLA & OFLA.)

Section 3. Sick Leave Exhausted.

(a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.

(b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.

(c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.

(d) After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use other paid leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such continuous and extended illness. Such requests shall not be unreasonably denied.

(e) An employee with a serious medical condition who has exhausted available leave balances may submit a written request to receive a "medical separation." A medical separation is defined as a voluntary resignation for medical reasons. The Employer shall grant a written request for a medical separation, unless the employee is under investigation

for performance and/or misconduct unrelated to their exhaustion of leave. Employees who receive a medical separation will be notified of the reemployment provision in Article 45, Section 2(c).

Section 4. Restoration of Sick Leave Credit. Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Transfer of Accruals. An employee shall have all of their accrued sick leave credits transferred when the employee is transferred to a different state Agency.

Section 6. Workers' Compensation Payment. Sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued leave.

No employee shall be required to utilize leave while receiving time loss benefits.

Section 7. Assumption of Sick Leave. Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

$$\frac{\textit{Monthly Accrual Rate of State Agency}}{\textit{Monthly Accrual Rate of Local Agency}} \times \textit{Sick Leave Balance of Local Agency} = \textit{Maximum Sick Leave Assumable}$$

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

Section 8. Hardship Leave.

These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to their appointing authority/designee. The appointing authority or designee from both the donor's and recipient's agencies may authorize the transfer of donated leave between agencies, subject to restrictions on the use of dedicated funding sources and/or other legitimate business reasons. Authorization for transfer of donated leave shall not be unreasonably denied. For purposes of this Agreement, hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

(a) The recipient and donor must be regular employees.
(b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.
(c) Use of donated leave shall be consistent with those provisions found under Article 56, Section 2.
(d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician/practitioner's written statement certifying that the illness or injury, including medical appointments for treatment of the illness or injury, will continue for at least fifteen (15) days following donee's projected exhausting of the accumulated leave and the total leave is at least thirty (30) consecutive calendar days of absence in combination of paid and unpaid leave. Donated leave may be used intermittently for the same event after the employee has satisfied the eligibility requirements to receive donated leave.
(e) Donations shall be credited at the recipient's current regular hourly rate of pay.
(f) Accumulated leave includes but is not limited to sick, vacation, personal, and compensatory leave accruals.
(g) Employees otherwise eligible for or receiving workers' compensation will not be considered eligible to receive donations under this agreement until worker's compensation benefits are exhausted.

Section 9. Federal Family Medical Leave Act (FMLA), the Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA). Oregon state government provides leave to employees according to the FMLA, OFLA and OMFLA. The provisions shall be as provided in the statewide Family and Medical Leave Policy (60.000.15). Employees on a continuous block of leave may retain up to sixty (60) hours of either vacation or compensatory time for use upon returning to work. Designation to retain the leave shall be made in writing within five (5) business days of the beginning of the qualifying leave. In no instance shall an Agency restore leave or recoup pay as the result of such designation. Once the designation has been made and approved and the employee is on leave without pay status, that status will continue for the duration of the leave. Such employees are not eligible to receive hardship leave donations.

Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

Section 10. Paid Leave Oregon.

Paid Leave Oregon is administered by the Oregon Employment Department. The State of Oregon, as an Employer, shall comply with the provisions of Paid Leave Oregon, as provided for in the DAS statewide Paid Leave Oregon Policy (60.000.04). (See Letter of Agreements 56.00-24-485 & 56.00.25-491 in Appendix A.)

(a) SEIU-represented temporary employees shall accrue sick leave at the rate of at least one (1) hour of paid sick time for every thirty (30) hours the employee works or one and one-third (1 1/3) hours for every forty (40) hours the employee works.

(b) A SEIU-represented temporary employee appointed to a SEIU-represented permanent, seasonal, or limited duration position in any Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from the initial date of temporary appointment. SEIU-represented temporary employees who would receive accrued sick leave credits under this Section shall receive an amount of sick leave credits that represents the difference between what they have already accrued as a temporary employee and what they would receive upon being appointed to a permanent, seasonal, or limited duration position.

Section 2. Utilization of Sick Leave with Pay.

Temporary employees who have earned sick leave credits in their temporary appointment shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:

- appointments associated with any benefit included in employee health, dental and vision plans;
- if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or stalking, pursuant to ORS 659A.270 through 659A.290;
- attendance at an employee assistance program;
- exposure to contagious disease;
- for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties;

    - When an employee uses sick leave to care for a family member who is related by affinity, the agency may require the employee to attest in writing that the employee and the person cared for have a significant personal bond that, when examined under the totality of the circumstances is like a family relationship.
- parental leave.
- for an employee to donate blood that is made in connection with a voluntary program for the donation of blood approved or accredited by the American Association of Blood Banks or the American Red Cross;
- Paid Leave Oregon.

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. (See Section 4 for FMLA and OFLA.)

Section 3. Sick Leave Exhausted.

(a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.

(b) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not

covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.

Section 4. Federal Family Medical Leave Act (FMLA), the Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA).

(a) Oregon state government provides leave to employees according to the FMLA, OFLA and OMFLA. The provisions shall be as provided in the statewide Family and Medical Leave Policy (60.000.15).

(b) Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

NEW: 2019 REV: 2023

ARTICLE 56.1C--SICK LEAVE (Employment Department)

All employees of the Employment Department will be allowed to transfer accumulated vacation leave and compensatory time to a coworker who has exhausted all accumulated leaves.

Eligibility to receive and use donated leave will be the same as that used for Sick Leave under Article 56 Section 2--Utilization of Sick Leave with Pay.

The vacation leave or compensatory time hours donated will be converted to sick leave for use by the receiving employee. The hours of leave donated will be converted into an hourly rate and then applied to the donee's account at their hourly rate, e.g., an employee who earns twenty dollars ($20.00) per hour by donating one (1) day of leave to an employee who earns ten dollars ($10.00) an hour will have donated two (2) days of sick leave to the donee employee. The reverse also applies; if an employee earning ten dollars ($10.00) per hour donates one (1) day of leave to an employee earning twenty dollars ($20.00) per hour, one-half (½) day of leave will be transferred to the donee employee.

Seasonal Employees Computation. Seasonal employees who are new to state service may use accrued vacation leave during their first one thousand and forty (1,040) hours of employment; however, if a seasonal employee separates from state service prior to the completion of those one thousand and forty (1,040) hours, any accrued vacation time not utilized will be lost and is not compensable upon separation. When the seasonal employee has completed a combination of seasonal periods totaling one thousand and forty (1,040) hours, they are entitled to have unused accrued vacation paid to them upon separation. In accumulating one thousand and forty (1,040) hours of service, time worked prior to a break-in-service may be credited if the break does not exceed two (2) seasons. An employee may not be credited with more than one (1) season during a calendar year.

Section 2. Vacation Leave for New or Separating Employees.

(a) New employees who begin work in the middle of a month or pay period earn vacation credits on a prorated basis for the first partial month or pay period.

Separating employees who are eligible will be paid for unused vacation leave accrued through the last full calendar month or pay period of service, based on each employee's work schedule. If the employee does not work or is not in pay status through the last regularly scheduled workday in the last calendar month or pay period, payment for such month or period shall be made on a pro-rata basis.

Separation of an employee may fall on any given day of the month, either as designated by the employee in their letter of resignation or by the Agency in the notice of involuntary separation.

(b) Separating employees who are eligible will be paid for accumulated vacation leave and compensatory time at the hourly rate equivalent to their base rate at the time of separation.

Section 4. In the event of separation or layoff any unused vacation up to three hundred (300) hours will be paid to the employee.

Section 5. In the event of an employee's death, all monies due for accumulated vacation and salary shall be paid as provided by law.

Section 6. An employee who has lost work because of a job-related illness or injury shall not suffer a reduction in vacation credits. Vacation credits shall continue to be earned while an employee is using earned sick leave.

Section 7. Service with a jury shall be considered time worked.

Section 8. If an employee has a break-in-service and that break does not exceed two (2) years, they shall be given credit for the time worked prior to the break-in-service.

Section 9. Time spent in actual State service or on Peace Corps, military, educational, or job-incurred disability leave without pay shall be considered as time in the State service for determining length of service for vacation accrual rate.

Section 10. Vacation hours may accumulate to a maximum of three hundred and fifty (350) hours.

Section 11. Authorization of Use. Upon transfer of an employee with six (6) months of State service to a different Agency covered by the Agreement, the employee may elect to have a maximum of one hundred (100) hours of accrued vacation credits transferred to the gaining Agency, except the gaining Agency may agree to accept a greater amount of accrued vacation credits. The employee shall be paid in cash for that portion of accrued vacation credits not transferred.

Upon transfer of an employee with less than six (6) full months of service to a different Agency represented by SEIU Local 503, OPEU, all vacation credits accrued shall be transferred to the gaining Agency.

Section 12. Should an employee who has exhausted earned sick leave elect to use vacation leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

Section 13. After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such illness. Such leave shall not be unreasonably denied.

Section 14. No employee may be placed on vacation leave and no accrued vacation time may be utilized without specific authorization of the employee except:

(a) That employees shall have their vacation time paid in full when they take education leave without pay in excess of ninety (90) days;

(b) That in any other leave of absence without pay that exceeds fifteen (15) days, the employees shall be required to use their accumulated vacation. Bargaining unit members may not be required to take vacation when leaving for military or reserve service as per Title 38, USC Chapter 43, or parental leave until after thirty (30) days;

(c) As provided for set-off of damages or misappropriation of state property or equipment on termination;

(d) To avoid losing vacation the employee must request vacation leave. When such leave is impossible a cash payment of not more than sixty (60) hours shall be made. In lieu of cash payment, the Employer shall schedule time off in excess of three hundred and fifty (350) hours within sixty (60) days prior to the date the vacation leave would reach three hundred and fifty (350) hours. Hours earned over three hundred and fifty (350) hours will be immediately lost to the employee if the equivalent of those hours is not used prior to the month of maximum accrual.

Section 15. Vacation Cash Out. In each calendar year, an employee may make a one-time request to cash out and receive payment for up to forty (40) hours of vacation. In order to be eligible to cash out vacation hours, the employee must be a regular status employee and have a remaining vacation balance of sixty (60) hours or more. Vacation leave that has been pre-approved will be considered when the request is made in order to determine if they will maintain the minimum vacation balance requirement.

Section 16. Military Donated Leave. The Parties acknowledge that the State of Oregon administers a donated leave program to supplement military wages. As such, an employee may donate any portion of their accrued vacation to an eligible individual participant or to the program donation pool for distribution to eligible participants, as long as the program continues to exist.

ARTICLE 66.1--VACATION SCHEDULING (Human Services Coalition)

Section 1. An employee shall request the dates of their vacation in advance and the Agency shall grant or deny the request for vacation within ten (10) calendar days. This shall not require that use of vacation time be requested ten (10) calendar days in advance. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided however, that an employee shall not be given their length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee the provisions of this Section shall not apply.

(C) Part-time employees.

(d) An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee's response is due falls on a Saturday, Sunday or holiday, the employee will provide their choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).
(1) The employee may displace the employee in the Agency with the lowest seniority in the same classification for which they are qualified in the same geographic area in the Agency where the layoff occurs.
(2) If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.
(3) The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which they are qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they demoted.
(4) The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they were laid off.

The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

(e) To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, they may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.

(f) When exercising an option under Section 2(d)(1), (2) and (3), an employee shall only be eligible to displace another employee with lower seniority.

(g) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(h) Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in Article 51 Section 2, shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:
(1) full-time status;
(2) part-time status.

(i) Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in Article 51, Section 1, whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.

(j) An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).

(k) Job Share Positions.
(1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.
(2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals' Layoff Service Date.
(3) If either employee in a job-share position chooses to be treated as a part-time employee, seniority for each employee will use individual Layoff Service Date.

If only one (1) person is filling a job-share position, they shall be considered as a full-time equivalent.

(m) If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff or is laid off, the employee shall retain their overfill status upon return to their classification.

(n) Any employee displaced by another employee exercising options under Section 2(d)(1), (2) and (3) may also exercise any option available under Section 2(d).

(o) Designation of Classification for Layoff.

(1) Classification for layoff purposes is the employee's classification of record on the date the seniority list is frozen.

(2) Classification changes (reallocations, reclassifications) approved for implementation after the seniority list is frozen, but before the layoff effective date, will not be implemented until the day after the layoff date at the earliest and shall not be arbitrarily delayed.

(3) Both the incumbent and bumping in employee cannot equally benefit from a successful change resulting from reallocation change, whether requested by the Agency or employee appeal (e.g., both be reallocated, both have recall rights to the higher class, etc.).

(A) Bumped-out employees should benefit from reallocation for pay purposes up to the layoff date and be eligible for recall back to the reallocated class.

(B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.

(4) Both the incumbent and bumping-in employee cannot equally benefit from a successful Agency requested reclassification or employee initiated classification appeal.

(A) Bumped-out employees should benefit from reclassification for pay purposes up to the layoff date.

(B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.

(5) Pay will be reconciled, as appropriate, for employees laid off or bumped-out of positions affected by a successful reallocation or reclassification.

Section 3. For purposes of this Article, the term "Agency" does not include employees represented by other unions. There will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff list may have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

Section 4. Seniority.

(a) Seniority Definition. Seniority is the Layoff Service Date which is the date the employee began state service (except as a temporary appointee) as adjusted for break(s)-in-service.

(b) Break-In-Service. A break-in-service is a separation or interruption of employment without pay of more than two (2) years. If an employee has a break-in-service that does not exceed two (2) years, they shall be given credit for the time worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.

(c) Seniority Frozen. When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future computations. The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.

(d) Equal Seniority. If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of the most qualified employee.

Section 5. Trial service employees, except those serving a trial service for initial appointment to state service, who are laid off or demoted in lieu of layoff shall be placed on the Agency layoff list. An employee serving a trial service for initial appointment to state service who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

Section 6. Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the reemployment list for the classification in which they were laid off.

Section 7. Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in a classification who are employed at that specific geographic location and the Agency where the reduction occurs. The eligibility for such seasonal employees shall be canceled at the end of each season.

Section 8. Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 9. Agency Layoff Lists. Names of regular employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible workload limited duration employees of the Agency, who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which they wish to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic layoff list from which they were laid off and shall be notified by the Agency of their right to designate additional geographic layoff list(s) in accordance with this Article.

Section 10. Recall. Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the greatest seniority.

(a) Same Geographic Area Recall/Recall to a Permanent Position. If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in the geographic area from which they demoted or were laid off, they shall have one (1) right of refusal. Upon a second refusal, however, the employee's name will be removed from the layoff list in that geographic area.

(b) Different Geographic Area Recall/Recall to a Permanent Position. If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which they demoted or were laid off, they shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee's name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have their name removed from the list.

(c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.

(d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee and will not be eligible for any benefits covered under this Agreement.

(f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.

Section 11. Secondary Recall Rights.

(a) Application. These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.

(b) Definitions.

(1) Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of Articles 70.1, 70.2, 70.3, and 70.5.

(2) Agency Layoff Lists are intra-Agency layoff lists, as defined in Article 45, Section 2(a), and as further defined by geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.

(3) Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.

(c) Coordination with Articles 45 and 70. The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and Article 45, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

(d) Procedures.

(1) Placement on the Secondary Recall List.

(A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term

of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.

(B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.

(2) Use of the Secondary Recall List.

(A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.

(B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.

(C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.

(D) Prior to initiating other methods to fill a vacancy, except an agency layoff list, agencies shall utilize the Secondary Recall List to fill positions. The Agency will call for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled. The Agency will select one of the five (5) employees from the list. Seniority for this purpose shall be computed as described in Section 4 of this Article.

(E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

(3) Appointments/Refusals of Appointments from the Secondary Recall List.

(A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have their name removed from the Secondary Recall List.

(B) Employees appointed to positions from the Secondary Recall List shall have their names removed from all other Agency Layoff Lists and the Secondary Recall List.

(C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of Article 49. However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List.

(D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 12. Geographic Area. See Articles 70.1-70.5.

Section 13. When the Employer declares that a layoff is necessary, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs such as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs, temporary interruptions of employment, and/or job opportunities in other Agencies. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5--Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

Section 14. Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

(See Letter of Agreement 70.00-25-492 in Appendix A.)

REV: 2015,2023

ARTICLE 70.1C--GEOGRAPHIC AREA FOR LAYOFF (Employment Department)

Section 1. For purposes of Article 70--Layoff, the geographic area is as defined below. Employees transferring between offices in the geographic area shall not be eligible for moving expenses.

- ASTORIA: Columbia, Clatsop and Tillamook Counties
- CENTRAL OREGON: Crook, Deschutes and Jefferson Counties
- COOS BAY: Coos and Curry Counties
- EASTERN OREGON: Baker, Grant, Harney, Malheur, Union and Wallowa Counties
- EUGENE: Benton, Lane and Linn Counties
- KLAMATH FALLS: Klamath and Lake Counties
- MID-VALLEY: Marion, Polk and Yamhill Counties
- NEWPORT: Lincoln County
- NORTHEAST OREGON: Morrow and Umatilla Counties
- PORTLAND: Clackamas, Multnomah and Washington Counties
- ROSEBURG: Douglas County
- SOUTHERN OREGON Jackson and Josephine Counties

- THE DALLES: Gilliam, Hood River, Sherman, Wasco and Wheeler Counties

For seasonal employees who have not worked full-time for twelve (12) continuous months immediately preceding the layoff, the geographic area is the cost center program, unless the employee has demonstrated the knowledge, skills, and abilities in another program, in which case the geographic area includes the additional programs in the cost center.

Section 2.

(a) For layoff purposes, all classifications within the entire Unemployment Insurance Divisions shall be considered a single geographic area.

(b) The Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff, as long as a vacancy exists (which management intends to fill) in the affected classification, within the designated area of layoff. This is predicated on a vacant position, which the Department intends to fill, always being considered as the "least senior" position in any classification.

Section 3. The geographic area for Economists, Administrative Law Judges, and Auditors shall be their cost centers.

REV: 2013,2023

ARTICLE 70.1M--GEOGRAPHIC AREA FOR LAYOFF (ODHS and OHA)

Section 1. ODHS. For purposes of Article 70--Layoff, the geographic area is defined as either the employee's worksite/building location or district as defined by ODHS. An employee receiving a layoff notice under Article 70 shall first select their designated geographic area for layoff (worksite location or district). Second, the employee must exercise their layoff rights pursuant to Article 70, Section 2, Subsection (d) or the option below:*

Option (5): Anywhere in the State within ODHS, an employee may move into a vacant position, which ODHS intends to fill, in the same or lower classifications for which the employee qualifies.

Employees selecting Option (5) will not be placed on any geographic area layoff list for the classification from which they are being laid off.

The Parties agree that the Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff as long as a vacancy exists (which management intends to fill) in the affected classification within the designated layoff area. This is predicated on a vacant position, which the Department intends to fill, always being considered as the "least senior" position in any classification. In instances where a vacancy does not exist within the affected employee's designated area of layoff, the Departments agree to calculate and post Layoff Service Dates, in accordance with Article 70, Section 2(a) provisions.

All conditions contained in Article 70 continue to apply.

Section 2. OHA. For purposes of Article 70--Layoff, the geographic area shall be the worksite location or city.

An employee receiving a layoff notice under Article 70 must exercise their layoff rights pursuant to Article 70, Section 2, Subsection (d) or the option below:

Option (5): Anywhere in the State within OHA, an employee may move into a vacant position, which OHA intends to fill, in the same or lower classifications for which the employee qualifies.

Employees selecting Option (5) will not be placed on any geographic area layoff list for the classification from which they are being laid off.

The Parties agree that the Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff as long as a vacancy exists (which management intends to fill) in the affected classification within the designated layoff area. This is predicated on a vacant position, which the Department intends to fill, always being considered as the "least senior" position in any classification. In instances where a vacancy does not exist within the affected employee's designated area of layoff, the Departments agree to calculate and post Layoff Service Dates, in accordance with Article 70, Section 2(a) provisions.

All conditions contained in Article 70 continue to apply.

REV: 2013, 2015

ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES

Section 1. Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.

Section 2. A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted. "Annual season" means a period of twelve (12) months, regardless of the number of seasons occurring during that period.

Section 3. A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season. A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. In advance of the season or as soon as the seasonal employee becomes aware of the need to end their season early, the seasonal employee may submit a request to their supervisor. Subject to the agency operating requirements, the supervisor may approve the employee's request without jeopardizing their recall rights the following season. (See also Article 70, Section 7.)

Section 4. Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed. Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.

Section 5. Seasonal employees shall accrue all rights and benefits accrued by full-time employees during their employment season, except as otherwise modified by this Agreement.
Section 6. Employees in seasonal positions who have completed initial state trial service one thousand and forty (1,040) hours and who are not participating members of the Public Employees Retirement System shall receive a special differential of six (6%) percent in addition to their regular rate of pay. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees. Such special differential shall terminate immediately prior to the first full pay period after the employee becomes a participating member of the Retirement System.
Section 7. Seasonal employees not currently employed shall be treated as internal candidates for any jobs they apply for within their Agency, even between seasons, so long as they have recall rights.
Section 8. Intermittent Appointments.

(a) Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority: Employment Department, ODHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), Oregon Department of Forestry (co-op positions, Forest Lookouts, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).
(b) A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available. A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.
(c) The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff. Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be unscheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.
(d) Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.
(e) Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.

(See Letter of Agreement 71.00-25-493 in Appendix A.)

REV: 2015, 2019

ARTICLE 71.1C--SEASONAL POSITIONS (Employment Department)

Section 1. Workload for the Employment Department is directly related to the economy of the State; therefore, workload peaks occur that are beyond the control of the Agency. Positions that are to respond to workload peaks, are designated as seasonal positions. This Agreement is subject to Legislatively approved position authority.
Section 2. Seasonal employees will complete trial service after having served one thousand and forty (1,040) hours.
Section 3. A person appointed to a seasonal position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as a seasonal position and that the employee may expect to work only when work is available. A person who is appointed to a seasonal position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.
Section 4. The unscheduling of an employee appointed to a seasonal position shall not be considered a layoff. Whenever possible, a seasonal employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be scheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging seasonal employees.
Section 5. Seasonal employees will be scheduled and unscheduled for work in seniority order by work unit.
Section 6. Seasonal full-time employees shall accrue all rights and benefits accrued by full-time permanent employees during their employment season. Seasonal part-time employees shall accrue all rights and benefits accrued by permanent part-time employees during their employment season, except as otherwise modified by this Agreement.
Section 7. In the event a seasonal employee fails to maintain at least eighty (80) paid regular hours because of unscheduling, the employee shall be allowed to use available vacation or compensatory time to maintain eligibility for health insurance.
Section 8. Employment status conveyed to outside interests (such as lending institutions) by management will reflect duration of employment rather than status of employment.

ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK

Section 1. Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.
Section 2. An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

Section 3. For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in Article 70--Layoff. In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

ARTICLE 80--CHANGE IN CLASSIFICATION SPECIFICATIONS

Section 1. The Employer shall notify the Union of intended classification studies.

Section 2. The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

Section 3.

(a) Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.

(b) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer's written notification to the Union of the finalization of the class specification.

(c) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.

ARTICLE 81--RECLASSIFICATION UPWARD, RECLASSIFICATION DOWNWARD, AND REALLOCATION

Section 1. Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:

(a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;

(b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and

(c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

Section 2. Reclassification Up.

(a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees, or supervisors with prior notice to the employee(s), may seek reclassification to any non-supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provided that:

(1) the classification exists in the unrepresented compensation plan or in multiple bargaining units' compensation plans, and

(2) the classification is not specific to another Agency.

In the event that the proposed new classification is not in the bargaining unit, the classification shall be added to the SEIU Local 503, OPEU compensation plan at the Employer-proposed salary range. However, if the Employer-proposed range is lower than the classification salary range in another DAS compensation plan, the Parties will negotiate the salary range.

(b) Employees, or supervisors with prior notice to the employee(s), and the Union, may request reclassification by submitting a written explanation of the request, a Chief Human Resource Office Position Description Form signed by the employee (if the position is filled), the supervisor and Appointing Authority and all other relevant evidence for the proposed reclassification to the Agency Appointing Authority or designee. Employees, or supervisors with prior notice to the employee(s), and the Union, who believe the duties included in an employee(s) official position description demonstrate higher-level work shall submit a request for reclassification review. Duties assigned to an employee on an ongoing basis shall be reviewed pursuant to this Article, including the reclassification review and appeal process. Temporary assignments of work may be grieved under Article 26, Section 9.

(1) Within sixty (60) days, unless otherwise mutually agreed in writing, the Agency shall review the merits of the request based on the final position description signed by the Appointing Authority.

(2) The Union shall be entitled during the sixty (60) day review period and prior to issuance of the Agency decision to meet with the Agency or to present further written arguments in support of the request.

(3) The Agency will notify the employee and supervisor of its decision and provide a copy of the final position description signed by the Appointing Authority.

(4) Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one hundred and twenty (120) days, however, this time period may be extended upon mutual agreement of the Parties.

(c) If the reclassification receives legislative approval, the effective date of the reclassification shall be the date the reclassification was finalized in the budget and a note will be added to the CHRO human resources information system with the date that the reclassification was requested. Upon upwards reclassification, the employee will be placed on the step in the new salary range equivalent to their base salary plus work-out-of-classification pending upward reclassification they have been receiving pursuant to Article 26, Section 9. The work-out-of-class pending upwards reclassification differential shall end when the employee is placed in the new salary range. The benefit service date shall remain the same.

(d) If a reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with the employee's current classification, the work-out-of-classification pending upward reclassification differential will end. If an employee didn't receive a work-out-of-classification differential for all or part of the time between the reclassification request and the date the duties were removed, they will be paid a lump sum for any money owed.

(e) An Agency may adjust the effective date of a reclassification to avoid an overpayment.

Section 3. Reclassification Down.

(a) Reclassification downward is a change in the classification of a position by reducing it to a lower classification.

(b) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the affected employee(s) in writing of the action, including the specific reasons, and the Chief Human Resource Office Position Description used for the action, which shall be signed by the Appointing Authority.

(c) When an employee is reclassified downward, the agency's appointing authority or management designee will conduct an internal assessment to determine the appropriate rate of pay.

(1) If the employee's pay exceeds the top step of the new classification, the agency will retain their current salary. The agency will red-circle their rate of pay until the top step of the classification equals or exceeds the employee's salary. Employees who are red-circled are not eligible for cost-of-living increases. When the top step of the classification equals or exceeds the employee's red-circled rate of pay, an agency will adjust the rate of pay appropriately and the employee becomes eligible for cost-of-living increases.

(2) If the employee's current pay falls within the new classification's salary range and the assessment results in a step equal to or greater than their current pay, the agency will apply the outcome of the equal pay calculator.

(3) If the employee's current pay falls within the new classification's salary range but the assessment results in a step below their current pay, the agency will maintain the employee's current pay. If this places the employee off-step in the new classification the employee will advance to the next higher salary step at their next benefit service date followed by an additional step increase – not to exceed the top step of the range.

(4) The benefit service date remains unchanged.

(d) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to Article 70 of this Agreement for reemployment to the classification from which they were reclassified downward.

Section 4. Reclassification Equal or Lateral.

Reclassification equal or lateral is a change in an employee's job classification from one classification to another with the same salary range base number.

(a) When an employee is reclassified to an equal or lateral classification, the agency's appointing authority or management designee will conduct an internal assessment to determine the appropriate rate of pay.

(1) If the employee's current pay falls within the new classification's salary range and the assessment results in a step equal to or greater than their current pay, the agency will apply the outcome of the equal pay calculator.

(2) If the employee's current pay falls within the new classification's salary range but the assessment results in a step below their current pay, the agency will maintain the employee's current pay. If this places the employee off-step in the new classification, the employee will advance to the next higher salary step at their next benefit service date followed by an additional step increase – not to exceed the top step of the range.

(b) The benefit service date remains unchanged.

Section 5. Reclassification Appeals.

(a) Filing.

Reclass Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority or designee, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. Additionally, the Union may include a written rebuttal to the Agency's statement of determination. No new evidence or information will be considered by the Committee, unless the Committee requests additional material for clarification.

Reclass Downward. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify their position downward, they may grieve this action by filing a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclass is in conflict with Article 81, Section 1. The Agency Head shall respond in writing in accordance with Article 21

-– Grievance and Arbitration. A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the request and all relevant evidence. Additionally, the Union may include a written rebuttal to the Agency's statement of determination. No new evidence or information will be considered by the Committee, unless the Committee requests additional material for clarification.

(b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The Committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in Article 81, Section 1. In this process each of the designees may identify one (1) alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee after the initial decision has been issued. The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt of the decision. The Committee will have five (5) business days from the receipt of the request to determine if the request meets the reconsideration criteria and will notify the Agency and Union of its decision. If there is no timely request for reconsideration, or the request does not meet the reconsideration criteria, the Committee's decision will be final and binding. If the reconsideration request is granted, the other party will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

(c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(d) If the Committee does not agree on the appropriate classification within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in Article 21--Grievance and Arbitration.

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.

The arbitrator shall allow the decision of the Agency to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

Section 6. An incumbent employee who appealed a reclass decision to final decision through the Committee or through an arbitration shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

Section 7. An employee's classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

Section 8. Reallocation Appeal Process for New Classes. Employees in positions allocated to a new classification, who dispute their placement in a new classification can appeal their placement using the following process:

(a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

(b) If denied, the Union may appeal the Agency's decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee.

(c) The Committee may extend, up to thirty (30) calendar days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(d) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.

(e) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(d) of this Article.

(f) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.

(g) Appeals of all filled positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

ARTICLE 85--POSITION DESCRIPTIONS AND QUARTERLY CHECK-INS

Section 1. Position Descriptions. Individual position descriptions shall be reduced to writing and delineate the currently assigned duties, authorities, and responsibilities of the employee's position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

If the employee believes the assigned duties, authorities, and responsibilities reflected in their position description are not consistent with the classification specification, the employee may request to meet with their supervisor to discuss their concerns. The supervisor will review the employee's position description to determine if it needs to be updated to accurately reflect the overall assigned duties, authorities, and responsibilities of the position. If updates are necessary, the supervisor will provide the revised position description to the employee within forty-five (45) calendar days of the employee's request.

Section 2. Quarterly Check-Ins. Supervisory managers shall conduct check-ins with their employees on a quarterly basis. If a quarterly check-in does not occur, the employee may request a check-in for the missed time period. Supervisory managers shall conduct the requested quarterly check-in no later than thirty (30) calendar days from the date of the request.

The employee shall have the opportunity to provide their input during the quarterly check-in.

Quarterly check-ins are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action or layoff.

REV: 2021,2023

ARTICLE 86--WORKLOAD PRIORITIZATION

Any employee may request assistance from their immediate supervisor in establishing or adjusting priorities in order to carry out their work assignment. The supervisor will take into account variables that impact the difficulty of assignments to the employee. The employee may request to have the response provided orally or in writing. The immediate supervisor will respond accordingly and outline a clear prioritization of the employee's work assignments in a timely manner, unless such request is deemed to be inappropriate or excessive. At the request of the employee, the immediate supervisor will meet with the employee to discuss the prioritization.

REV: 2025

ARTICLE 90--WORK SCHEDULES

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work.

(a) A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days.

(b) A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor.

Provided, however, nothing in this Section is intended to prohibit management from changing an employee's flexible work schedule without an employee's consent where such a change is needed in the regular course of business and where the employee has been initially hired by management, or initially placed on a flexible work schedule, with the express understanding that the person hired or the employee so placed on a flexible work schedule is expected to work a flexible work schedule as a condition of their employment.

(c) An alternate work schedule is anything other than a regular work schedule or a flexible work schedule.

Section 2. An employee may request in writing to work any work schedule as defined in Section 1, or any alternate work schedule. No employee requests will be arbitrarily denied or rescinded. The employee's request shall be evaluated on the following criteria before the request can be approved:

(a) That their requested alternate work schedule will not interfere with their ability and availability to perform the job;
(b) That the operational needs of the Agency are met;
(c) That the needs of the public are adequately served; and,
(d) That a forty (40) hour workweek is maintained for full-time employees, or the established weekly hours for part-time employees.

If these criteria are met, the Agency shall grant the employee's written request.

The Agency shall also consider other extenuating circumstances including, but not limited to, employee use of carpooling, mass transit, or a demonstration of an unusual hardship. Shift differential shall be paid in accordance with Article 26—Differentials.

Section 3. Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one hundred and sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee's assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

Section 4. Request to Temporarily Modify an Existing Work Schedule. Subject to the operating needs of the Agency, an employee may, with their immediate supervisor's advance approval, temporarily modify their work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours. Such requests and modifications will be in accordance with Article 40—Penalty Pay, Section 4, Modification of Work Schedule and Article 32—Overtime, Section 5, Schedule Change. Such requests shall not be arbitrarily denied.

REV: 2015, 2021

ARTICLE 90T--WORK SCHEDULES (Temporary Employees)

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.

Section 2. A workweek is defined as the fixed and regularly recurring period of one hundred and sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

Section 3. For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

Section 4. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.

ARTICLE 90.1--WORK SCHEDULES (Human Services Coalition)

Section 1. Workweek. The workweek shall begin at 12:01 a.m. Monday and end at 12:00 midnight the following Sunday.

Section 2. Regular Schedule. An employee on a regular schedule will be scheduled for five (5) consecutive days of work and two (2) consecutive days off within the workweek. An employee may agree to a different scheduling of days off.

Section 3. Alternate Work Schedules.

(a) Multiple Requests. Requests for alternate work schedules shall be considered in order of application. If more than one (1) employee makes application for an alternate work schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.

(b) Holiday Adjustment. To meet the needs of the Agency during a holiday week, management may require an employee to revert their alternate work schedule to a regular schedule (five/eight (5/8) hour days). Otherwise, to maintain a forty (40) hour workweek, the employee may choose one of the following options:

(1) Voluntarily revert to a regular schedule; or
(2) When the holiday is on the scheduled day off, request a different day off and use vacation leave, personal leave or compensatory time for any hours over the eight (8) holiday hours; or
(3) When the holiday is within the employee's alternate work schedule, but not on the scheduled day off, use vacation leave, personal leave or compensatory time for any hours normally scheduled over the eight (8) holiday hours.
(4) When the holiday is on the employee's scheduled workday, and the employee works that day, the Employer will incur no daily overtime obligation for hours worked in excess of the eight (8) holiday hours. However, the

employee will receive overtime compensation for all hours worked in excess of forty (40) hours in the same workweek.

Section 4. Flexible Work Schedule. An employee may be allowed to work a flexible work schedule upon written approval of their request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 5. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday. If an employee is on an uninterruptible assignment, as designated by their supervisor, or has job duties that they are unable to leave unattended, and an alternate lunch cannot be provided during the employee's scheduled shift, the employee shall have such time counted as hours worked.

Section 6. Rest Periods.

(a) A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

(b) If an employee is on an uninterruptible assignment, or has job duties that they are unable to leave unattended, the supervisor shall work out an alternative coverage plan or provide the employee with an alternative rest period. Employees who take the approved alternative rest periods shall not be disciplined.

(c) When an employee is responsible for the care, safety, and/or supervision of a client, the supervisor shall work out an alternative coverage plan or provide the employee with an alternative rest period. If the supervisor is unable to find alternative coverage, and an alternative rest period cannot be provided, the employee shall be allowed compensation at the rate of time and one-half (1½) for the missed rest period.

Section 7. Administrative Law Judges (Employment Department). Administrative Law Judges (ALJs) in the Office of Administrative Hearings are responsible for accounting for the number of hours scheduled each workweek, with a minimum of forty (40) hours per workweek for full-time employees or the established weekly hours for part-time employees. With prior management approval, an ALJ may account for scheduled hours by working during any hours in the Agency workweek. Management may require an ALJ granted such approval to be available or to be present at the ALJ's work location, or to travel, during reasonable and consecutive hours designated by management, based on operational needs, up to ten (10) hours in a weekday. Hours immediately before and after a meal break will be considered consecutive. Irrespective of Article 32, Section 4(b), such ALJs shall not receive time off for time worked in excess of eight (8) hours per day.

REV: 2015, 2021,2023

ARTICLE 92.1--PROTECTED WORK TIME (Human Services Coalition)

When requested by an employee, protected work time shall be available to staff to complete high priority work items without interruption from telephone or the public at a time and duration that is mutually agreed upon between the supervisor and the employee. If such time cannot be made available to the employee, the supervisor and employee shall find an alternate time to complete the work.

REV: 2023

ARTICLE 100.1--SECURITY (Human Services Coalition)

Section 1. The Agency shall establish procedures to immediately and safely evacuate employees from the worksite whenever it is determined that there is a threat to personal safety, a hazard, or a disaster. The development of such procedures will include consideration of all impacted employees (including, but not limited to, employees remote working, in the field, etc.) at the time of the evacuation. An evacuation plan shall be posted in each work area in a location clearly visible to employees. Impacted employees shall be notified as soon as possible when an evacuation and/or closure is deemed necessary.

Section 2. Once the Agency deems it necessary to evacuate from any work location, the Agency must determine the location is safe before instructing and/or allowing employees to return to work. An employee or employees who refuse to return to work on the grounds that it is unsafe or might unduly endanger their health shall not be paid for lost time, unless the employee's claim is upheld. In no event shall a represented employee be required to enter an evacuated area for any purpose, prior to the time the location has been determined to be safe.

Section 3. Security arrangements shall be provided by the Agency in work areas where potential threats to safety and/or past records indicate a need for security arrangements. These arrangements may include, but not be limited to, the use of Security Guards.

Section 4. Employees may report safety concerns of any kind to the Agency Director, a supervisor, Human Resources, or the Safety Committee/section. Safety concerns may be reported on the Human Resource Information System (HRIS) or equivalent information system. Safety concerns reported within the HRIS will not be anonymous. Upon request, incident reports will be made available to all employees. The Agency will provide status updates on the reported safety concern no later than thirty (30) days after the report or complaint to one (1) or more management representatives of the local Labor Management Committee who will bring it forward for discussion at the next scheduled local LMC meeting.

Section 5. Agencies will provide ongoing notice of safety procedures and applicable training programs to ensure that these procedures are known and followed, and required equipment and supplies needed to conform with adopted safety procedures.

REV: 2021,2023

ARTICLE 101--SAFETY AND HEALTH

Section 1. The Agency agrees to abide by standards of safety and health in accordance with the Oregon Safe Employment Act (ORS 654.001 to 654.295 and 654.991).

Section 2. The Agency agrees to comply with the provisions of OAR 437-002-0161 Subdivision K, Medical Services and First Aid. The Agency shall provide first aid kits in all work areas which include the items listed in Oregon Occupational Health Rules. These kits shall be inspected periodically to insure their completeness.

Section 3. If an employee claims that an assigned job, vehicle, or equipment is unsafe or might endanger their health, and for that reason refuses to do the job or use the vehicle or equipment, the employee shall immediately give specific reason(s) in writing to their supervisor. If disputing the employee's claim, the supervisor will request an immediate determination by the Agency Safety Officer, or if none is available, by Oregon Occupational Safety and Health Administration (OROSHA) of the Department of Consumer & Business Services, as to whether the job, vehicle or equipment is safe or unsafe. The supervisor will inform the employee of the disposition of the claim.

Section 4. Pending the disposition of the claim, the employee shall be given another vehicle or equipment or other work. If no work is available, the employee shall be sent home. Time lost by the employee, as a result of refusal to perform work on the grounds that it is unsafe under Oregon Safe Employment Act standards, shall not be paid by the Agency unless the employee's claim is upheld by the Agency Safety Officer or the Department of Consumer & Business Services.

Section 5. As provided by ORS 656.202, if in the conduct of official duties an employee is exposed to serious communicable diseases or hazardous materials which would require immunizations or testing, or which result in an illness or disability, the employee should file a workers' compensation claim for costs associated with the exposure, illness or disability. Time for immunizations or testing for an employee who is exposed to a serious communicable disease on the job, and which is not covered by the employee's workers' compensation claim, shall be considered regular work activity. Immunizations or testing required by the Agency will be paid by the Agency without cost to the employee and without deduction from accrued sick leave. Where immunization or testing shall prevent or help prevent such disease from occurring, employees shall be granted accrued sick leave for the time off from work required for the immunization or testing.

Section 6. Employees shall be informed of any toxic or hazardous materials in the workplace in accordance with OAR 437-002-0360 29 CFR 1910.1200.

Section 7. Air Quality Index (AQI)

(a) The Air Quality Index (AQI) was developed by the US Environmental Protection Agency as an indicator of overall air quality and is based on the five (5) criteria pollutants regulated under the Clean Air Act: ground-level ozone, particulate matter, carbon monoxide, sulfur dioxide, and nitrogen dioxide. Employee exposure levels to wildfire smoke is determined by the current workplace ambient air concentration for particulate matter 2.5 (PM2.5), regardless of the concentrations for other pollutants.

(b) Outdoor Work and Air Quality. Employees who are required to work outside when outdoor air concentration for PM2.5 reach at or above 55.5 ug/m3 (equivalent to an AQI at or above 151) will be provided with the appropriate OSHA recommended safety equipment.

(c) When elevated AQI levels require a building closure or delayed opening, Article 123-Inclement or Hazardous Conditions shall apply.

The evaluation for safeguards may be modified and updated as needed based on new information that might be discovered as the investigation progresses. Any alleged violations of the statewide Maintaining a Professional Workplace Policy are not subject to the grievance and arbitration procedure outlined in Article 21.

ARTICLE 106--LABOR-MANAGEMENT COMMITTEES

Section 1. To facilitate communication between the Parties, the Parties will establish an Agency level joint Labor-Management Committees at each SEIU represented Agency when requested by the Union. An Agency and the Union may mutually agree to establish joint subcommittees. The Committees shall take steps to ensure consistency with the Collective Bargaining Agreement.

The Committees shall be on a meet-and-confer basis only and shall not be construed as having the authority nor entitlement to negotiate. The Committees shall have no power to contravene any provision of the Collective Bargaining Agreement, nor to enter into any agreements binding on the Parties to this Agreement or resolve issues or disputes surrounding the implementation of the Contract. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

No discussion or review of any matter by the committees shall forfeit or affect the time frames related to the grievance procedure. Matters that should be resolved through the grievance and arbitration procedure shall be handled pursuant to that procedure.

At the conclusion of each fiscal year, the Parties shall discuss the concept of Labor-Management Committees and whether they should be modified, continued, or discontinued.

Section 2. Composition. Any Agency Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management unless mutually agreed otherwise.

Staff representatives of the Labor Relations Unit and the SEIU Local 503, OPEU may render assistance to a committee in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

Section 3. Meeting Schedule. Committees shall meet when necessary, but not more than once each calendar quarter, unless mutually agreed otherwise.

Section 4. Pay Status.

(a) Agency employees appointed to the Agency Committee shall be in pay status, during time spent in Committee meetings, as well as travel from their worksite to the meeting and back, unless prior authorized to initiate travel from home. Time spent outside of the employees' scheduled working hours will be unpaid. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. By mutual agreement, subject to the operating needs of the Agency, employees may attend meetings in person, via telephone or videoconferencing. The Union will be responsible for all other employee expenses related to lodging and/or travel.

(b) Union Committee members can meet on paid time prior to the commencement of the joint meeting for at least thirty (30) minutes. This language shall not preclude the Agencies from granting more than thirty (30) minutes preparation time for these meetings or for regional committees.

(c) Upon mutual agreement, the parties will identify and use available resources to provide joint training about the intent and conduct of Labor-Management Committees for the Agency's Statewide Labor-Management Committee. This training will be on paid work time if provided during the employee's regular work schedule, or if the Employer approves a work schedule change, including shift trades, without penalty payment pursuant to Article 40–Penalty Pay. The Parties will jointly coordinate the training to jointly determine the curriculum.

(d) Employees are expected to timely report back to their worksite following the end of the meeting and related travel time. Otherwise, employees may temporarily adjust their schedule or request time off as long as such request is made in advance and approved by their immediate supervisor or designee.

ARTICLE 106.1C--LABOR-MANAGEMENT COMMITTEES (Employment Department)

The goal of the Agency and Union is to develop a workplace in which labor and management work through joint Labor-Management Committees within the confines of the Collective Bargaining Agreement. The purpose is to provide quality services to our customers by improving work processes and efficiencies.

Notwithstanding Article 106, the number of members, meeting schedules, agendas, and training needs of the committees will be determined jointly by the Agency and the Union. The expected results of the Committees are continuous improvement in customer service, efficient operations, policies, procedures, and responsiveness to changing conditions.

The following guidelines will be employed:

(a) Agency Labor-Management Committee will mutually agree to policies that will further support effective labor relations at the Section level, including training for Labor-Management Committee members.

(b) A Labor-Management Committee will be composed of equal numbers of Agency and Union members unless mutually agreed to otherwise. Each Section Committee will consist of at least one (1) management service member and one (1) member designated by the Union. If the manager and Steward agree, Sections can establish an alternate process that achieves the same intent as a separate Labor-Management Committee.

(c) The Labor-Management Committee will not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. The implementation of policies and procedures does not require vetting through the Labor-Management Committee. Matters which require a Letter of Agreement

will not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

(d) The activities and results of a Section Labor-Management Committee will not be cited as precedential for other Sections, but may be used as a basis of discussion by other Committees.

(b) Accountable and report to the central Labor-Management Committee;

(c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and,

(d) Subject to the provisions of Article 106--Labor-Management Committees.

(e) The Labor-Management Committee will not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. The implementation of policies and procedures does not require vetting through the Labor-Management Committees.

(f) Pay Status regarding Labor management Committee meetings shall be in accordance with Article 106, Section 4.

(g) The parties of the LMC will mutually agree to documentation expectations and time commitments outside of the meeting for designated note takers.

REV: 2019,2023

ARTICLE 107--JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY

Section 1. The State and the Union agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union on paid time to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

Section 2. An employee who has sustained an on-the-job injury and is unable to complete the remainder of their regularly scheduled shift, will be paid for the remainder of their shift on the day the injury occurred, provided the employee subsequently seeks medical attention within three (3) days and files a Workers' Compensation Claim.

Section 3. An employee who has sustained a compensable injury or illness shall be reinstated to their former employment or employment of the employee's choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status.

The State will comply with applicable statutes in administering this Article.

Section 4. Certification of a duly licensed physician that the physician approved the employee's return to their regular employment shall be prima facie evidence that the employee should be able to perform such duties.

Section 5. Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning their condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7^{th}) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker's attending physician has released the worker for employment, notify in writing their supervisor, personnel officer, or someone in management who has authority to act on this demand, of their status and that they are available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely written notice of their status shall be considered to have voluntarily terminated their employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician's certification of the worker's capabilities, the Agency's ability to construct duties and availability of work. However, to be eligible for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to their full range of duties.

Since duties will be tailored based on a physician's statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.

This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians' statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from Article 45. Concerning the injured worker, light duty assignments can be made without regard to the requirements of Article 26, Section 10, and Articles 80, 81, 85, and 90, and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

Section 6. The Employer will cooperate with the Workers' Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

Section 7. When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of their rights and obligations related to medical, retirement, and Workers' Compensation benefits. A letter to the employee's last address of record shall constitute proper referral.

Section 8. All reassignments under this Article will be made in a manner to keep the injured employee at or near their official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of their regular commute, whichever is greater.

ARTICLE 108--VIDEO DISPLAY TERMINALS

Section 1. Whenever any new piece of VDT equipment is purchased from outside of State government, the Agency will follow the Department of Consumer & Business Services guidelines on VDTs as they pertain to that piece of equipment. When an Agency buys used equipment, then it will make every effort to comply with Department of Consumer & Business Services guidelines. If it is not able to do so, then any Union Steward, upon identification and submission of a VDT safety practice problem, may request and shall be scheduled to meet with the appropriate management representative to review the specific safety concerns.

Glare screens will be provided upon request. The Employer will provide safe operation instructions when new equipment is installed. VDTs will be cleaned and inspected as needed to ensure proper operation.

Section 2. The Agency will inform employees if it is using computer monitoring. Notice will include what is being monitored and its intended use.

Section 3. The Agency will not use subliminal software.

Section 4. The Employer and the Union agree that employees who are assigned full-time to continuously operate video display terminals (VDT) or cathode ray tubes (CRT) can be more productive if provided short periods of assignment to other duties throughout the workshift. Subject to operational needs, managers will arrange other work assignments so as to provide ten (10) minutes of relief for each hour worked at a VDT or CRT.

Section 5. Upon request, employees who operate a VDT or CRT shall be provided available wrist rests for trial usage. If the wrist rest is determined to be beneficial a permanent wrist rest will be assigned to the station.

ARTICLE 121T--EDUCATION, TRAINING, AND DEVELOPMENT (Temporary Employees)

Mandated training time is considered work time.

ARTICLE 121.1--EDUCATION, TRAINING, AND DEVELOPMENT (Human Services Coalition)

Section 1. The Employer shall make reasonable effort to promote continuing education, training, and upgrading of employees in areas that are job-related. Employer provided trainings will be provided in various optional learning environments including, but not limited to, in-person and virtual options, when feasible. Furthermore, the Employer shall make reasonable effort to meet personnel needs through career development to prepare for career advancement. Employees may request or be directed to participate in job-related training, career development, or educational programs for the purposes of enhancing job functionality or career development.

Section 2. Training. The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training. Employees may request Agency-sponsored training. Training will be considered based on job or career development, workload needs, and on funding. The Agency will provide regular notice of training opportunities. Any trainings noted on an Employee Development Plan that has been approved by a manager will be available to the employee within the timeframe of the Employee Development Plan, barring budgetary limitations, training availability, or other causes outside of management's control. Such requests shall not be arbitrarily denied. Any employee who is denied training may request and shall receive in writing an explanation of the reasons of the denial.

Section 3. Job Rotation/Developmental Opportunities. The Agency may provide competitive and/or employee-specific rotation/developmental opportunities by written agreement with employees who volunteer, who have the approval of their supervisor based on the operational needs of the sending unit. Such agreements shall state the duties, hours of work, and length of the assignment. Employees volunteering for these assignments retain their permanent position classifications, remain on the Agency payroll, retain the representation (SEIU Local 503, OPEU) status of their permanent positions while on

the assignment and return to their permanent positions on completion of the assignment. Employees whose supervisory approval for a job rotation has been denied may request to meet with their supervisor to discuss reasons for the denial. Employees participating in job rotation/developmental opportunities will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

(a) Competitive. Job rotation/developmental opportunities which are designated by management as competitive will be filled in a competitive manner. Recruitment notices for such opportunities will receive the widest reasonable distribution within the Agency. Recruitment notices shall contain: job description, basic qualifications, length of assignment, and deadline to apply. Agencies have the discretion to limit advertising to employees within a specific geographic area or Division/program. Any employee who was interviewed may request and shall receive in writing an explanation of the reasons they were not selected.

(b) Employee-Specific. Agencies have the discretion to create job rotation and/or developmental opportunities, including job shadowing, which are designed to meet the interests and/or needs of specific employees. Because they are employee specific, such opportunities are not appropriate for filling in a competitive manner.

Section 4. Educational Leave. Employees may be granted time off with pay to take job-related educational courses or training sessions for the purposes of enhancing job functionality or career development. For training and education that is not job-related, but is still relevant to a career within the realm of Oregon public services, the employee may be granted time off without pay pursuant to Article 61.1, temporarily modify their schedule pursuant to Article 90, or utilize accrued vacation, compensatory time or personal leave, subject to management approval.

Section 5. Agencies shall make available to any employee upon their request, classification specifications which contain the requirements and/or qualifications for any jobs within the Agency.

Section 6. Employees may need training to perform tasks required by the Agency as a result of an involuntary change in assignment or workload. Employees so identified by the Agency shall be afforded an opportunity to participate in job-related training upon approval of the Agency without loss of pay or benefits.

Section 7. Upon initial hire, rehire, promotion or job transfer, management agrees to notify an employee of the required training related to their position, if any is determined by management, within a reasonable time period. Such notification will include the expected timeline for completion of the required training, recognizing that operational needs may require some adjustment.

ARTICLE 123--INCLEMENT OR HAZARDOUS CONDITIONS

Section 1. Closures and Curtailments.

(a) Closures and curtailments will be announced through pre-designated sites, which may include internet websites, telephone trees, radio stations and/or television media. The Agency shall notify employees of these designated sites and post the notices on Agency bulletin boards by November 1 of each year.*

(b) The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather, hazardous conditions, or the worksite being inaccessible in accordance with the statewide Temporary Interruption of Employment Policy (60.015.01). The Employer/Agency will announce such closure or curtailment to employees no later than 5:00 a.m. When a closure is announced after a curtailment has already been announced or a curtailment is extended, the Employer/Agency will announce the change as soon as the decision is made. Notifications do not apply to employees who are essential employees.

(c) Where there is an announced delayed opening pursuant to Section 1(b), employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two (2) hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, they may temporarily modify their schedule with manager's approval, or cover the time with accrued sick leave, vacation, compensatory time off, personal leave or approved leave without pay.

Section 2. Inclement Weather and Hazardous Conditions Leave for Fair Labor Standards Act (FLSA) Non-Exempt Permanent, Limited Duration, and Seasonal Employees (Non-essential).

(a) Full Day Closure or Curtailment (Delayed Opening). In the event of a full day closure or curtailment, the employee may, with prior supervisory approval, work from home or an alternate work location. Alternate worksites assigned will not be more than fifty (50) miles from the employee's original worksite.

(1) The employee will use accrued vacation hours, compensatory time off, personal leave time, leave without pay or inclement weather/hazardous conditions leave (not to exceed fifty-six (56) hours a biennium) in any of the following situations

i. When no work is available,
ii. When no alternate work location is available, or
iii. the employee is approved to work from home, but is unable to do so for reasons beyond their control.

If the employee declines to work from an alternate worksite, the employee will use accrued vacation hours, compensatory time off, personal leave time, or leave without pay.

(2) The employee may, with Agency prior approval, temporarily adjust their work hours during the same workweek to make up for hours not worked. The Agency shall not suffer any overtime or penalty payments as a result of this schedule change. The employee may be approved to temporarily modify their work schedule to engage in training through the electronic employee training platform or other Agency approved resources remotely. Employees engaging in these options will waive their shift differential for such time.

(3) Once the fifty-six (56) hours of inclement weather/hazardous conditions leave is used, if there are more Agency closures or curtailments during the biennium, the employee will use accrued vacation hours, personal leave or compensatory time off, leave without pay or, with prior Agency approval, temporarily adjust their work hours during the same workweek. The Agency shall not suffer any overtime or other penalty payments as a result of the change in schedule.
(4) Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave or already scheduled to work from an alternate location. Only employees who are scheduled to report to work at the location which is closed or curtailed, the day of the closure or curtailment, are eligible for any use of the inclement weather leave.
(5) Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.
(6) Inclement weather/hazardous conditions leave not used during a biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.
(7) Part-time and job share employees shall be granted such leave in a prorated amount of fifty-six (56) hours per biennium based on the same percentage or fraction of FTE (full-time equivalent) they are hired to work.
(8) Seasonal employees shall be granted a prorated amount of leave based on the amount of time anticipated they will work in the biennium at the time of hire. For example, if the employee is being hired for a six (6)-month equivalent FTE, they would receive ten (10) hours. The time will not be re-adjusted if the employee is hired into subsequent seasonal positions within the biennium or works longer than originally anticipated.
(9) When, in the judgement of the Agency, inclement weather/hazardous conditions require the closing of an office or facility following the beginning of an employee's shift, the employee shall be paid for the remainder of the shift when no work is available, when no alternate work location is available, or the employee is approved to work from home, but is unable to do so for reasons beyond their control. If the employee declines to work from an alternate worksite, the employee will use accrued vacation hours, compensatory time off, personal leave time, or leave without pay.

Section 3. FLSA-Exempt Permanent, Limited Duration, and Seasonal Employees (Non-essential). Pursuant to the FLSA, an exempt employee shall be paid for the work shift. An FLSA-exempt employee may be required to use paid leave where the closure applies to that employee for one (1) or more full workweek(s).

Section 4. Late or Unable to Report. Except as provided for in Section 6 of this Article, where the Agency remains open and an employee notifies their supervisors that they are unable to or will be late in reporting for work due to inclement weather or hazardous conditions, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 5. Employees on Pre-Scheduled Leave. If an employee is on pre-scheduled leave the day of inclement weather or hazardous conditions, the employee will be compensated according to the approved leave.

Section 6. Essential Employees.

(a) For purposes of this Article, essential employees are employees who cannot perform their core job duties from a remote work location.
(b) The Agency shall maintain a list(s) of essential employees for inclement weather and hazardous conditions. Essential employees shall be notified of this designation no later than November 1 of each year or upon hire. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).

Section 7. Non-Essential Workers Required During Inclement Weather/Hazardous Condition. When a situation arises that a non-essential employee is required to report to work, in-person, during an Inclement Weather/Hazardous Conditions event, the employee shall receive the Essential Worker Inclement Weather/Hazardous Conditions Pay differential under Article 26, Section 11.

Section 8. Evacuated from Home. Employees who have been evacuated from their homes shall be eligible to use inclement weather/hazardous condition leave not to exceed a combined total of fifty-six (56) hours per biennium.

Section 9. Inclement Weather/Hazardous Conditions and Existing Remote Work Agreements. Inclement conditions may arise in remote work locations. If utility providers experience outages that prevent an employee from working, employees may access inclement weather/hazardous conditions leave, unless there is an alternate work location available. If an employee declines an alternate worksite, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 10. Use of the inclement weather/hazardous conditions leave for either curtailment of full-day closures shall not exceed a combined total of fifty-six (56) hours per biennium.

Section 11. Temporary Employees. Non-exempt employees will be unscheduled from work and FLSA-exempt temporary employees will be in paid status for closures less than one (1) full workweek and unscheduled from work for closures more than one (1) full workweek under this Article unless the temporary appointment ends.

*The State will outline the factors that are used when making closure or curtailment decisions.

REV: 2019, 2021,2023,2025

ARTICLE 125--TECHNOLOGICAL CHANGE/ RETRAINING

Section 1. Definition. Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, and/or a change in software which may have the result of reducing the number of bargaining unit

employees, reducing the required work hours of bargaining unit employees, significantly impacting the body of work performed by bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

Section 2. The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:

(a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.

(b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons chosen by the Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members. Nothing in this Section precludes Committee members from either Party from inviting non-committee members with relevant expertise to work with the committee (e.g. Information Systems, Change Management, Communications) on an ad hoc basis.

(c) The Employer agrees to meet with the Union to discuss the Committee's findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.

(d) Should a regular status employee become displaced, the Agency shall offer Subsection (1) or (2) under the following conditions:

(1) Subject to funding, Agency needs, employee interests and ability, and scheduling, the Agency will provide retraining.

(2) Should a regular status employee become displaced as a result of technological change, the Agency shall make a reasonable effort to place the affected employee into another position in the Agency or other Agencies in State government.

ARTICLE 130--PROFESSIONAL RECOGNITION

At the request of an employee who was the primary author of a manual, manuscript, or other similar major publication for which they would like to receive recognition, the Agency agrees to provide appropriate individual recognition on the manual, manuscript, or other similar major publication.

ARTICLE 132--CRIMINAL RECORDS CHECK

Section 1. Except as provided by Governor's executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in their current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to Article 5 of this agreement as it applies to changes in Agency rule or policy implementing Governor's executive orders or state or federal laws regarding criminal records check requirements.

Section 2. Position Descriptions and Recruitment Announcements. If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

Section 3. Determination in Current Position.

(a) If an employee is found to be unfit for their current position based on a new criminal records check and the Agency proceeds under Article 20, the employee retains all Article 20 rights.

(b) If a regular status employee is determined to be unfit for their current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. The employee will be provided options, including layoff.

Section 4. Promotions, Transfers, and Voluntary Demotions. If through a promotion, transfer, or voluntary demotion process a criminal records check is required and an employee is found to be unfit, upon request, the employee will be informed of the information from the criminal record used in the determination.

The appointment to the position will not be delayed. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures.

Section 5. Layoff/Recall.

(a) Layoff. In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commences. Once notified, the employee can waive their right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to Article 70 and the prioritization of their option(s) as previously communicated to the Agency.

If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.

(b) Recall from Layoff. If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

Section 6. Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, they may appeal the fitness determination as outlined in the Agency rule or policy.

Section 7. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures, except as provided in Section 3(a).

Section 8. Information received as a result of a criminal records check shall be secured in a file separate from the employee's official personnel file. Destruction of the information received as a result of a criminal records check shall be consistent with state or federal law.

Section 9. Employees shall not be required to pay the Employer's/Agency's criminal records check fee(s) or Employer/Agency representation costs.

ARTICLE 133--LEAVE TO ADDRESS DOMESTIC VIOLENCE, HARASSMENT, SEXUAL ASSAULT, BIAS, STALKING OR HUMAN TRAFFICKING

Section 1. An eligible employee who is the victim of domestic violence, harassment, sexual assault, bias, stalking or human trafficking, or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault, bias, stalking or human trafficking, may take leave in multiple blocks of time intermittently and/or to supplement an altered or reduced schedule.

Section 2. Pursuant to DAS Policy 60.000.12 "Statutorily Required Leaves With and Without Pay", eligible employees may take up to one hundred and sixty (160) hours of leave with pay each calendar year. This leave with pay is in addition to any vacation, sick, personal business or other forms of paid or unpaid leave available to the eligible employee. However, an eligible employee must exhaust all other forms of paid leave before the employee may use the one hundred and sixty (160) hours of paid leave.

Section 3. If certification is requested, the employee shall provide it to the Employer within a reasonable amount of time.

Section 4. An employee who claims to be aggrieved by an unlawful employment practice as specified in the policy may file a civil action under ORS 659A.885.

REV: 2015, 2019,2025

ARTICLE 134--CRIME VICTIM LEAVE

If an employee or a member of their immediate family has suffered financial, social, psychological or physical harm, as a result of a person-to-person felony, they may take leave to attend a criminal proceeding, pursuant to the Statutorily Required Leaves With and Without Pay State Policy (60.000.12). An employee who claims to be aggrieved by an unlawful employment practice as specified in the policy may file a civil action under ORS 659A.885.

REV: 2015,2023

ARTICLE 136--CRITICAL INCIDENT LEAVE

Any employee who, during the performance of their work, is directly involved in an incident of on-duty violence (directly involved means physically attacked or physically intervening in an attack of a staff member), will not be required to complete their workday and the employee will be paid for the remainder of their shift.

The employee shall be allowed additional time off after the incident to recover from any physical or psychological impact or disability caused by the action. Such leave shall be charged against any accumulated time the employee has earned. The employee may decide the type of accumulated time against which this leave shall be charged. If the employee does not have accumulated time earned, the employee may utilize authorized leave without pay.

However, where an employee is receiving compensation through Workers' Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee's regular salary.

Any period of time beyond three (3) scheduled work days necessary for purposes of readjustment shall be determined by the employee's physician or mental health practitioner.

Other critical incidents may occur. In these cases Agencies may request for DAS CHRO to conduct a rapid review of the specific situations to determine if time off is justified. Time off may include the use of administrative leave, accrued leaves, leave without pay, or other paid leave.

(See also ODOT Coalition Letter of Agreement 136.3-25-513 in Appendix A.)

REV: 2023,2025

ARTICLE 136.1--CRITICAL INCIDENT LEAVE DIRECT TRAUMA (Human Services Coalition)

An employee who suffers direct trauma during the performance of their work, including but not limited to verbal harassment or threats from clients shall be allowed reasonable time off to recover.

(a) Employees shall be allowed to use any accumulated time the employee has earned. The employee may decide the type of leave to be utilized.

(b) If the employee does not have accumulated time earned, the employee may utilize authorized leave without pay, hardship leave or other donated leave banks. Utilization of any hardship/donated leave will be in accordance with Article 56—Sick Leave.

(c) Any period beyond five (5) days necessary for purposes of readjustment shall be determined by the employee's physician or mental health practitioner.

(d) Where an employee is receiving compensation through Worker's Compensation or any other victim compensation relief, such charges against any leave utilized will be made on a pro-rata basis not to exceed the employee's regular salary.

ARTICLE 137--RENT DEDUCTION

If an employee works in a position that requires the employee to live in Agency-assigned housing or if an employee chooses to live in Agency housing, and the Agency charges the employee rent for the housing, the Agency may deduct the rent directly from the employee's wages or salary.

NEW: 2019

ARTICLE 138--WORKING REMOTELY

Section 1. Oregon state government encourages working remotely where it is a viable option that benefits both the employee and the agency. Use of remote work options promote the health and safety of Oregonians; ensures high-quality work and optimal use of resources for agencies; ensures cultural, equity and accessibility issues are addressed in a meaningful way; and supports flexibility and work-life balance for employees. It also offers the opportunity to be more flexible in interactions with the Oregonians we serve and decreases an agency's impact on the environment. Remote work arrangements are subject to the Working Remotely State Policy (50.050.01) and the terms and conditions of this collective bargaining agreement.

Section 2. Where an employee's duties can be successfully performed away from their primary duty station, an employee is eligible for remote work, upon agency approval.

Section 3. Remote Work Requests. Requests to work remotely may be initiated by the employee and must be reviewed and approved by the employee's supervisor to ensure the position is suitable for work and meets the agency's business and operational needs, as well as those of the agency's customers and the employee. The supervisor will conduct a specific assessment of an individual employee's unique job duties and circumstances. Ad hoc in person meetings, trainings or other in-person requirements shall not be the sole reason to determine if an employee is ineligible for a remote work agreement. Remote work agreements must be documented through the working remotely process in the state human resources information system. Requests to work remotely shall be considered in order of application and responded to within thirty (30) calendar days.

Section 4. Remote Work Denials or Rescissions. No request to work remotely shall be arbitrarily denied, rescinded or modified permanently in any way. The supervisor will conduct a specific assessment of an individual employee's unique job duties and circumstances before determining that the employee is not eligible for remote work. If an employee's request to work remotely is denied, the supervisor must provide a timely written response to the employee documenting the reason(s) for the denial. If an employee's request to work remotely is rescinded, the supervisor must provide the employee with the reason(s) for the rescission in writing. Once a written explanation of the reason(s) for the rescission has been provided, the Employer may rescind the remote work with a minimum of ten (10) calendar days advance notice. Out-of-State employees who have an approved Remote Work Agreement will not have their agreement rescinded with less than thirty (30) calendar days' notice. The employee may rescind their remote work with a minimum of seven (7) days advance notice. Employees who have either rescinded their remote work or had their remote work rescinded by the Employer shall be eligible to be considered for remote work in the future.

Section 5. Request to Temporarily Modify an Existing Remote Work Agreement. Subject to the operating needs of the Agency, an employee may, with their immediate supervisor's approval, temporarily modify their remote work agreement in a workweek. The Agency shall consider extenuating circumstances in making its decision. Such requests shall not be arbitrarily denied.

Section 6. Inclement Weather/Hazardous Conditions and Existing Remote Work Agreements. Inclement conditions may arise in remote work locations. If utility providers experience outages that prevent an employee from working, employees may access inclement weather/hazardous conditions leave unless there is an alternate work location available (Article 123—Inclement Weather/Hazardous Conditions Leave).

Section 7. Equipment. The agency provides basic technology equipment and related devices necessary for the employee to perform their assigned job duties at the remote worksite. The equipment and devices are for agency business only and must comply with the agency's desktop security and maintenance policies and practices. Employees will not conduct state business on the following personal equipment: phones, computers, laptops or other information storing devices. Exceptions are subject to the approval of the state Chief Operating Officer. Additional technology and devices may be provided to the employee at the discretion of the agency or in accordance with the Americans with Disabilities Act (ADA).

Employees who work remotely will enter all assets (equipment, office furniture, etc.) provided to them in the state human resources information system.

Section 8. Remote Work Supplies. Remote work office supplies shall be provided by the Agency. Equipment, software or supplies which are provided by the Agency for remote work shall be for the purposes of conducting Agency business only.

Section 9. Remote Worksite. Office furniture shall normally be provided by the employee working remotely. Subject to management approval, employee's working remotely may access the State surplus warehouse for office furniture for their remote work location.

The employee maintains a safe remote workspace. The employee must immediately report to the supervisor any injury that occurs during work hours. The state is not responsible for loss, damage, repair, replacement or wear of personal property.

Section 10. Work Location, Mileage and Travel Time. The employee's normal reporting location will remain the same. In addition, employees may be required to report to Agency or non-Agency locations for purposes such as meetings, training sessions and policy/practice coverage. Business visits, meetings with Agency customers or meetings with co-workers shall not be held at the remote worksite unless approved by the employee's supervisor. Mileage will be paid in accordance with the DAS OAM Travel Policy. Travel time will be compensated in accordance with the Fair Labor and Standards Act (FLSA).

Section 11. Expectations and Goals. Remote work employees and their managers will develop a clear set of expectations and goals for the work to be performed on remote work days. Employees will review and acknowledge the State of Oregon Employees Working Remotely Acknowledgement Form in the state human resources information system.

Section 12. Training. Appropriate training will be provided for participating managers and employees.

Section 13. Appeals.

(a) Any alleged violations of Sections (3) and (4) Article may be appealed as follows:
  (i) Agency Level Review
    1. An employee or the Union may appeal an alleged violation of Sections (3) and (4) to the Agency Appointing Authority or designee within thirty (30) calendar days of the alleged violation. Appeals will be submitted on the official Working Remotely Appeal form.
    2. The appeal shall include a written explanation of the issue and any supporting documentation.
    3. The Agency shall review the appeal and issue a written decision within thirty (30) calendar days of receipt.
  (ii) Appeal Panel Review
    1. If the Agency denies the Section (3) or (4) appeal, the Union may appeal the decision to the appeal panel by submitting it to the DAS Labor Relations Unit within thirty (30) calendar days of receipt of the Agency's decision.
    2. The appeal panel consists of a representative of DAS LRU and a Union designee.
    3. The panel shall render a decision and any remedy no later thirty (30) calendar days after receipt of the appeal.
    4. The decision and remedy are binding on the parties and not arbitrable. If no decision is rendered by the panel within the timeline, the Agency's decision will stand.

(b) Any alleged violations of Sections other than (3) or (4) shall be filed at Step 1 and follow the normal grievance procedure outlined in Article 21. These grievances may only be appealed through the grievance procedure through Step 3, DAS Labor Relations Unit, and are not arbitrable.

Section 14. Other Provisions. These provisions are applicable to all Sections listed above.

(a) Call back and overtime will be handled as outlined in the applicable provisions of this collective bargaining agreement.

(b) Since supervisors must continue to be in a position to evaluate employee performance, certify the accuracy of time sheets and attendance records, and perform a variety of other supervisory responsibilities, employees should anticipate that, in addition to being supervised pursuant to normal office procedures, there will also be the possibility that they will receive telephone calls at the mobile number employees have designated in their remote work arrangement.

(c) In the event of a work stoppage, remote work arrangements utilized by represented employees shall be suspended.

(d) Members will waive no right to Union representation as enumerated in this Collective Bargaining Agreement or as guaranteed by the law.

ARTICLE 139--COMPUTER AND INTERNET ACCESS

Employees who do not have regular access to a computer with internet access during the course of their normal duties shall work with their manager to ensure they have time during their regularly scheduled shift, other than rest periods, to access a computer with internet access in order to review their state email and other relevant software systems. Access to email may not be available when an employee's entire workday is spent off site. This computer and internet time will not be considered to cover required training.

ARTICLE 140--COMMERCIAL DRIVERS LICENSES

Section 1. Drug Testing

(a) Application.

Agencies may require employees in certain classifications to possess a commercial driver license and perform safety-sensitive functions as a condition of employment. This Article is specifically limited to meeting the alcohol and drug testing requirements pursuant to Federal Department of Transportation regulations for CDLs and applicable law.

(b) Payment for Testing.
Agencies will pay for random, reasonable suspicion, post-accident and return to duty testing. If an employee wants additional tests conducted, the employee pays for the test. As used herein, a drug test may include both the initial test and confirmation of a single specimen.
Where an employee with a positive alcohol/drug test result is offered a last chance agreement by the Agency, which the employee signs, the Agency will pay for the first six (6) follow-up tests required by the certified substance abuse professional.

(c) Pre-Employment Testing.
A pre-employment drug test will be conducted under the following conditions, except where conditions listed in Part 382.301(b)(c) are met:
(1) New hire to the Agency, unless the employee meets the requirements outlined in the regulations.
(2) Return from layoff.
(3) Reemployed as a seasonal employee.
(4) Promotions, demotions and transfers where the employee moves into a position that requires a commercial driver license.
(5) Where an employee possesses a commercial driver license and receives a new assignment requiring the possession of a CDL yet does not change positions.

(d) Consequences of Positive Tests.
When an Agency receives notice of an employee's positive test, the Agency will take one (1) or more of the following actions in addition to removing the employee from safety-sensitive functions.
(1) Random, Reasonable Suspicion and Pre-Employment Tests.
A. Temporarily assign the employee to non-safety-sensitive functions;
B. Allow an employee to take accrued leave or leave without pay pursuant to Section (e) if the Agency does not assign non-safety-sensitive functions;
C. Refer the employee to rehabilitation and last chance agreement;
D. Take disciplinary action pursuant to the requirements of the Article.
In the case of pre-employment testing for promotions, demotions or transfers where the employee is moving from a position that does not require a CDL to a position that requires a CDL, an additional option is to rescind the appointment.
(2) Post Accident, Follow-Up and Return to Duty Testing.
This Article does not waive employee rights under Part 382.505 as it applies to alcohol test results of 0.02 to 0.039.
The Parties acknowledge that an Agency, at its own discretion, may decide to offer a last chance agreement to an employee as an alternative to termination. However, nothing in the Master Agreement or this Article shall preclude an Agency from issuing a lesser form of discipline in conjunction with offering a last chance agreement. Last chance agreements will not include blood testing or additional follow-up testing not required by the certified substance abuse professional. The duration of a last chance agreement shall be for a period of five (5) years starting from the effective date of the last chance agreement. After the five (5) year period, the last chance agreement will be removed from the employee's personnel file.

(e) Use of Leaves.
(1) An employee will be granted Agency time for actual testing, traveling to and from the test site if such travel is required and for meeting with the Medical Review Officer if such meeting is necessary.
(2) An employee who tests positive in a random, reasonable suspicion or post-accident test can use any accrued leave or leave without pay when removed from their position when the Agency does not assign the employee non-safety-sensitive functions to perform.
(3) An employee can use accrued leave or leave without pay to enroll in and participate in a rehabilitation program and for meeting with the certified substance abuse professional if such meeting is required.
(4) If test results are later found to be negative, and the employee used accrued leave when removed from a safety-sensitive function, the employee's leave accrual balance will be restored.

(f) Refusal to Test. An employee who refuses to test will be terminated from state service.

(g) Definition of "Accident" for Purposes of Post-Accident Testing. The definition of "accident" shall be the same as the definition contained in Part 390.5 of the Federal Regulations. Post-accident testing shall be limited to the driver of the commercial motor vehicle pursuant to Part 382.303(a) of the federal regulations.

(h) Status of Person on Return from Layoff and Seasonal Rehire. The consequences for a person on a return from a layoff list or seasonal rehire list as a result of a positive test will be the following:
(1) Return from Layoff.
A. Alcohol test results of 0.04 or greater or a positive drug test. Upon notice from the employee, the Agency will consider that they exercise their one (1) right of refusal and will continue on the list pursuant to Article 70, Section 10.
B. Alcohol test results of less than 0.04. The Agency will require that the employee take a return to duty test. If the test is negative, the person will be hired. If the alcohol test is positive, the employee will notify the Agency that they are exercising their one (1) right of refusal and will continue on the list pursuant Article 70, Section 10.

(2) Seasonal Rehire.
A. Alcohol test result of 0.04 or greater or positive drug test. The person will not be rehired, but can reapply under reemployment conditions.
B. Alcohol test results of less than 0.04. The Agency will require that the person take a return to duty test. If the test is negative, the person will be hired. If the test is positive, the person will be denied the position and can reapply under reemployment conditions.

(i) Employees Authorized to Require Reasonable Suspicion Testing. In addition to supervisors, an SEIU Local 503, OPEU-represented employee may be assigned to require reasonable suspicion testing of an employee only when:
(1) The employee has been formally assigned in writing to perform the responsibilities of a management service position, and,
(2) The employee has been trained to determine "reasonable suspicion" in accordance with the Federal regulations covering alcohol and drug testing for commercial drivers.

(j) Requested Written Information.
(1) Upon request of the affected employee or Union representative, the Agency will provide to the affected employee or Union representative written verification of a positive drug test after the Agency receives such written verification of a positive drug test.
(2) The number of random drug tests conducted and the number of positive drug tests will be sent to the Union on a quarterly basis.
(3) Upon the Union's written request, the Agency will obtain from the State Contractor, the location of prior random drug testing for the previous calendar quarter for the Agency for which the Union seeks such information. The Union shall pay any costs associated with obtaining the information requested by the Union.

LETTER OF AGREEMENT 10.1M-05-119

Article 10.1M--Union Rights

Clarification of Intent Concerning DDS Understanding & Workload Adjustment (ODHS)

Clarification: Article 10, Sections 9 and 10 of the Collective Bargaining Agreement describes activities performed during the Steward's regular work schedule, subject to advance notice to the Steward's immediate supervisor. The permitted activities will be granted unless such activities would interfere with the work the Steward is expected to perform. In instances where there is interference with the work, the immediate supervisor shall, within the next workday, arrange an alternate, mutually satisfactory time for the requested activity. Such activities do not warrant any workload adjustment.

Although not specifically mentioned in Article 10, it is intended that in instances where a Steward (acting in their official capacity) participates in activities other than those described in Sections 11 and 12 which are initiated and/or requested by management, such Steward may request a workload adjustment. Such adjustments will be granted assuming there is documentation to support the Steward's claim that the time involved in such activities during the month is more than de minimus. An example of such activity would be participation on a Labor-Management Committee which is a mutual benefit to both management and labor.

This clarification is not intended to supersede Coalition specific Article 10 provisions.

DDS Understanding: Despite the above clarification, DDS management is willing to consider individual Steward requests for adjustment to existing work production standards where such Stewards submit a monthly activity report of work time spent on activities outlined in paragraph #1 and/or #2 above and which demonstrates that the time involved was other than de minimus. Such workload adjustment is limited to DDS Stewards in the Disability Analyst Classification series due to their high production standards. For example, if a Steward's monthly activity report demonstrates that five percent (5%) of the Steward's time had been spent on official Union activities, management could decide to adjust the Steward's work production standards up to a maximum of five percent (5%). A determination of de minimus will be based on the time involved being up to two (2) hours per week.

The Union agrees that the consideration described in the previous paragraph will not establish a past practice for other than DDS Disability Analyst Stewards nor can it be referenced in any other forum.

Lastly, this understanding will replace any and all previous understandings within DDS.

Each Agency will provide to the Union a quarterly seniority list of all staff members no later than thirty (30) days after ratification of this current contract. This list will also include time spent in job profile.

This Agreement becomes effective on the date of the last signature below and ends June 30, 2027, unless mutually agreed to continue.

LETTER OF AGREEMENT 21.1C-99-07

Article 21.1C--Grievance and Arbitration Procedure

Alternate Dispute Resolution (Employment)

This Agreement is entered into between the Department of Administrative Services (Employer), on behalf of the Employment Department (Agency), and the SEIU Local 503, OPEU (Union).

The Parties recognize the potential benefits of an alternate dispute resolution process and improving utilization of mediation or other means to resolve issues at the lowest possible level. Therefore, the Parties agree to utilize, at their discretion, local Labor Management Committee meetings to review the language herein over the course of the 2021-2023 biennium in order to determine the necessity of its continuation and the utilization and effectiveness of the process. Recommendations of the Parties will be held for consideration to modify this Letter of Agreement during the 2023-2025 negotiations. Participation in any alternate process does not waive the employee's rights under the contract to grieve.

1. When an issue needing resolution arises, the employee, supervisor, and/or other affected Parties will attempt to meet in an attempt to resolve the issue at the lowest possible level. If the issue is an alleged contract violation, this meeting will occur within the thirty (30) day grievance filing period.
2. If the issue is resolved, this settlement will be summarized and kept in the section. If it was an alleged contract violation, mediated resolutions shall be non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings.
3. If the issue is not resolved through a meeting, resolution may be sought through:
   (a) the local Labor-Management Committee; or
   (b) mediation. Mediation is voluntary on part of all participants. The conclusion of mediation can be initiated by either Party or the mediator.

   If mediation of an alleged contract violation is requested within the thirty (30) day filing period, the timelines for filing the grievance are automatically held in abeyance. If mediation does not result in resolution of an alleged contract violation, the employee may file a grievance with the Agency Head as Step 2 of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation.

   If the request for mediation is submitted by the employee at any time in any step after a grievance is filed, the grievance timelines are automatically held in abeyance. If resolution is not achieved through mediation, the employee may file a grievance at the step following the last completed step of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation. Mediation panels will consist of one (1) mediator from the Agency's Office of Human Resources and one (1) mediator represented by SEIU.

   To request mediation, all affected Parties must sign a completed Mediation Request Form and submit to the SEIU Local 471 President or Agency's Office of Human Resources Manager. The President and Office of Human Resources Manager shall assign a mediation panel within thirty (30) calendar days from the date the request is received. The Parties will have thirty (30) calendar days to resolve the issue. This timeline can be extended by mutual agreement. Mediation sessions will be conducted on Agency time.

To ensure that the terms of the settlement are achieved and to hold managers accountable for settlements being met, copies of mediated settlements shall be given to the Parties, and the supervisor's manager where the issue arose. A copy will also be sent to the Office of Human Resources for statistical purposes and placed into a confidential mediation file. The mediated settlement will not become part of the employee's official personnel file.

Mediation sessions and any settlements reached in these sessions will be confidential. Stewards may review mediation settlements in the Office of Human Resources in the course of representing an employee in a grievance matter.

The mediation process will not be applicable to the following circumstances:

1) issues already mediated, unless both Parties agree that the fundamental issue is not resolved;
2) the issue is being addressed outside the Agency (i.e., BOLI, ERB, workers compensation or court);
3) non-workplace disputes;
4) disciplinary actions;
5) letters of expectation; and,
6) performance appraisals.

The Agency and Union will make quarterly reports to the Worksite Committee on the mediation program.

(c) the grievance process. The first meeting would serve as the first step and the grievance would be sent to the Agency Head as Step 2. The employee and supervisor will submit a letter of explanation for proceeding directly to Step 2 of the grievance process without requesting mediation. The timelines in the Contract apply.

This Letter of Agreement will go into effect upon date of final signature and will sunset on June 30, 2027, unless mutually agreed to continue.

Specifically, the Agency layoff list does not take precedence over this reemployment, and agencies are not required to comply with any agency-specific language regarding posting of vacancies.

The Parties further agree that the time worked for the Legislative Branch is considered state service for purposes of seniority.

This Agreement is effective until the expiration of the 2025-2027 Collective Bargaining Agreement, and may be extended by mutual agreement.

The purpose of this Agreement is to create a centralized applicant pool for Office Specialist 1 (OS1) positions where agencies may access to fill their vacancies. The OS1 classification has one of the highest vacancy rates across the enterprise. Creating a centrally managed applicant pool for this job classification will enable agencies to hire from these pools swiftly so that vacancies can be filled more readily allowing recruiting efforts and resources to be utilized elsewhere with job classifications that are more difficult to fill.

The Parties agree to the following:

1. DAS Chief Human Resources Office (CHRO) will "pilot" (create) a centralized Office Specialist 1 (OS1) applicant pool where agencies may access a list of candidates to fill their OS1 vacancies.
2. The "pilot" shall be effective upon the date of the last signature on this LOA.
3. Individual agencies will not be posting these vacancies in accordance with their standard process in the Collective Bargaining Agreement. Each Agency that participates in the pilot will send out one (1) email notification that the agency has an opening as part of this recruitment, such notification shall include a link to the posting. Postings for these vacancies will also be posted through a centralized process using Workday and other outlets as deemed appropriate.

The purpose of this Letter of Agreement is to resolve impacts from passage of Senate Bill 1515 during the 2024 Legislative Short Session. It is understood by the Parties that many of these impacts may be resolved by additional Legislative action in 2025.

Should Paid Leave Oregon reduce or change benefits during the term of this Agreement, or the Parties discover an issue(s) unresolved through this Agreement the parties shall agree to meet, at the request of either Party, for the express purpose of renegotiating terms of this Agreement.

Eligible employees are entitled to job protection during the application period. Seniority and Leave Accruals
The receipt of Paid Leave Oregon does not affect an employee's seniority, eligibility for salary increases or the employee's recognized service date. The agency treats the approval of Paid Leave Oregon as if the employee is not on leave, up to the point where the employee's Paid Leave Oregon benefits exhaust. Unpaid leave may affect an employee's PERS retirement benefits.

Hardship Leave
Employees retain all rights related to seeking hardship leave pursuant to Article 56 Section 8 of the Parties' Collective Bargaining Agreement including the right to request hardship leave while on Paid Leave Oregon as long as all other qualifications are met. Employees must determine the amount of donated leave that they would like to receive at the beginning of Paid Leave Oregon. They may modify their request if the amount of time they will be on Paid Leave Oregon extends beyond the initial assessment.

- (2) Non-Voluntary Shift Bid: A non-voluntary shift bid is when all ORCAH screeners are required by the Employer to bid on new schedules. Under no circumstance is the Employer allowed to require some, but not all bargaining-unit employees to participate in a non-voluntary shift bid.

(For example, no matter how long an employee is away from ORCAH per (D) above, if the employee has an anticipated return date within four (4) months of a shift bid, the employee will be allowed to bid. If they return after a shift bid that took place outside of the four (4) month anticipated return, the employee will be provided the option to choose from any current open shifts. This section of the LOA shall not supersede any agreement negotiated between the Employer and the Union regarding an employee's leave and return, such as a Contract Specialist leave agreement.)

(c) The Employer shall provide employees thirty (30) calendar days' notice of a shift bids and shall provide eligible employees at this time their Agency service dates in order to verify accuracy. The Parties shall work together to immediately correct any inaccuracies with an employee's Agency service date. (1) For a voluntary shift bid, employees who are content with their current schedule may choose to not bid on a new open shift.

(2) Employees rank a series of up to five (5) schedules in their first to last preference with one being the most desired. If two (2) or more employees select the same open shift, the most senior employee, using Agency seniority/service date, shall be awarded the shift.

(3) In the event of a tie in Agency seniority, ORCAH seniority will be used to break it.

(e) If a non-voluntary shift bid is required, the same process applies. (For example, if a non-voluntary shift bid is required, the same process will occur, except all ORCAH screeners will be required to participate.)

Disability Determination Service (DDS) Tier 2 – Public Trust Background Investigations (ODHS)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Oregon Department of Human Services (ODHS) and the Service Employees International Union (SEIU) Local 503, OPEU (Union).

In May 2018 the Oregon DDS office will begin implementation of the upgraded Tier 2 (Moderate Risk Positions) Public Trust Background Investigations through the Social Security Administration (SSA) as required by the Federal Government for individuals hired into DDS positions. The background investigation will include expanded questions related to criminal history, employment history, financial history, education, and professional and personal references. A suitability determination by the Social Security Administration is necessary to determine whether an employee can be issued credentials in order to have access to Social Security disability data, records, and systems. If a newly hired employee passes the pre-screening and is offered a position but it subsequently denied suitability, the DDS will revoke access to SSA systems, data and property immediately. At that point, the employee will be removed from trial service.

All DDS employees hired prior to May 2018 will be required to complete and pass the Tier 2 - Public Trust Background. However, if any DDS employee hired prior to May 2018 is denied suitability, ODHS will offer the employee an alternate position within ODHS. ODHS will attempt to find a position within the same salary range for the employee, dependent on the ability to meet minimum qualifications of a position within the same salary range. If ODHS is unable to provide the employee with a position within the same salary range, based on an inability to meet minimum qualifications, ODHS will continue to seek alternative positions at the next lower salary range, until a position is found in which the employee is able to meet the minimum qualifications of the position.

    d. An FLSA non-exempt employee's FTE will remain the same with the transition from paying employees on a salaried basis to paying employees on an hourly basis.

e. All managers/supervisors will be required to take an initial live training with Q and A on payroll entry, payroll approval, and how to read paystubs. These trainings will have no more than one hundred (100) people per training. They will be offered regularly and on an ongoing basis. Current employees will have the option to take these training sessions and will be allowed to retake them. All new employees will receive the training.
f. All payroll staff will receive a live training to ensure that payroll is being handled in a standard way statewide. Answers to the most frequently asked questions that represented and supervisory staff ask will be included in this training. This FAQ will also be posted within the payroll system for employees to access.
g. Employees will receive an example paystub and training on how to read the paystub and how to enter their time.
h. There will be a payroll system assistance team accessible by phone and email that will provide support to phone calls and emails within twenty-four (24) hours.

7. Transition Support:
   a. For a limited period of six (6) months prior to the transition through six (6) months after the transition, employees may utilize their existing pre-retirement planning leave (Article 64) to participate in financial counseling through EAP or to make any necessary financial changes such as contacting debtors to adjust payment due dates or to make changes to current payroll deductions.
   b. During the transition period (one (1) month prior to the transition date to three (3) months after the transition date), the State will maintain a rapid payroll error response system. Underpayments will be resolved pursuant to Article 29, Section 11.
8. Transition timeline

9. Transition Support
   a. One-time allotment of paid leave:
      i. Eligible employees will be granted a one-time allotment of forty (40) hours of paid leave ninety (90) days prior to the implementation date of the payroll transition.
         1. Employees may choose to use the leave as paid time off or request to cash the leave out. Requests and approvals to use the paid time for leave purposes will follow all applicable contract language related to the use of vacation.
         2. Within nine (9) months of receiving the forty (40) hours of paid leave, employees may elect to cash the leave out in full or in smaller increments, not to exceed two (2) cashouts during the nine (9) month period.
         3. The forty (40) hours of paid leave will be given in a distinct bank of leave separate from an employee's vacation bank. The distinct bank of leave will not impact an employee's vacation accrual limit, the ability to carry vacation when transferring to another Agency or the amount of vacation an employee may cash out upon separation.
         4. All paid leave hours granted in this Agreement that are not used will be cashed out to the employee one year after they were granted.
   b. One-time payment:
      i. A one-time payment of one thousand and seven hundred ($1700) dollars will be issued to eligible employees. The one-time payment will be pro-rated for part-time and seasonal employees based on their FTE in the system.
      ii. Eligible employees will receive the one-time payment on the first (1st) paycheck issued on a bi-weekly basis, unless the first (1st) paycheck issued on a bi-weekly basis occurs after July 1, 2027. If the first (1st) paycheck issued on a bi-weekly basis occurs after July 1, 2027, the one-time payment will be issued on the last monthly paycheck in the 2025-2027 biennium.
      iii. Should the State provide any additional payments to any other State bargaining unit related to a grievance resolution over the Workday core calculation, the State shall extend such additional payments to SEIU members.
10. Transition details:
    a. An employee's hourly rate will be determined by the following: Monthly salary * 12/ 2080 hours= hourly rate of pay.
    b. Time entry in the system is intended for payroll and leave reporting purposes.
